The workbook you hold is a tool designed to help you follow this pattern Jesus drew for us. Working through it will deepen your knowledge of essential Christian teaching and strengthen your faith.

Essentials of The Islamic Faith M. Fethullah Gülen 2006-04-01 Essentials of the Islamic Faith is a selection from some of the speeches M. Fethullah Glen has given to large audiences over a life-time of dedicated service. In these speeches, he explains the principal elements of Islamic belief - belief in the existence and Unity of God; in Resurrection and the Day of Judgment; in Divine Scriptures and other familiar themes of Islamic discourse. What is special and unique about the presentation of them in this book is that the author is constantly aware of the encroachment (and the seductive appeal) of cultural attitudes which are hostile not to Islam only but to any religious and contemplative way of life.

**A Man Approved of God** David J. Keyser 2007-10 David J. Keyser, Ph.D. **\*\* Christian Theology \*\*** This book is about the humanity of Jesus Christ. The Christian Church has neglected this important Christian truth for too long. An understanding of the humanity of Jesus has been sacrificed to our understanding of his divinity. He is indeed Divine. But it is a costly mistake to forget about his humanity; it is here that we find our identity with Him. ISBN: 9780615164557 -- Dr. David J. Keyser has served as an international theology teacher and college adjunct faculty. His earned degrees include a B.S., an M.Div, an M.S., a Th.M., and a Ph.D. in Systematic Theology with a specialization in Pneumatology (the study of The Holy Spirit) from the University of Saint Andrews in Scotland, Presbyterianism's oldest University. His interests include the humanity of Christ, The Holy Spirit and Biblical fiction.

**Essential Christian Doctrine** John MacArthur 2021-03-03 A Concise Summary of Biblical Truth by John

MacArthur Doctrine not only equips you with more knowledge about God, it also shapes your affections toward him and directs your actions for him—but it can be difficult to know where to begin. This concise handbook, developed from John MacArthur’s larger work *Biblical Doctrine*, is an entry point for studying theological topics such as the Bible, the Holy Spirit, the church, and more. As MacArthur walks through the essentials of the Christian faith doctrine by doctrine, he’ll not only encourage your heart and mind, but also empower you to proclaim the faith that was “once for all delivered to the saints” (Jude 3).

**Living Faith** John Schwarz 2005-07-01 How were the books of the Bible chosen? What was the Roman world like during Jesus' life and ministry? And how are Christians to live out their faith in today's world? *Living Faith* offers thoughtful and engaging answers to questions about the faith, enabling believers of all backgrounds to understand Christianity more fully. John Schwarz compares and contrasts Christianity with other world religions, proposes helpful disciplines for a believer's spiritual growth, and provides a clear and balanced look at such controversial topics as free will and end-times theology. Informative, insightful, and practical, *Living Faith* is an ideal resource for group or personal study, and also serves as the participant's guide in the curriculum series *Living Faith: Exploring the Essentials of Christianity* by Tom Wright.

**Small Christians** Dr Harry Jay 2014-08-30 *Religion & Spirituality - Small Christians* is about Christians or so-called Christians that practice weak faith and present to the world a wrongful picture of God's saving grace. I Have No Problem with Christianity; the Problem is Christians! From rock stars sporting huge crosses around their necks and then behaving in the most outrageous behavior to people with the Christian symbol of a fish on the rear of their cars screaming obscenities and giving certain body gestures in an act of road rage, is it no wonder that the world has found Christianity lacking? But Christianity is about Christ and not Christians! We live in a hurting world with hurting people. And the Church is not isolated from that hurt. In fact, the Church actually accentuates the hurt. Why? The Church is comprised of people who are hurting and coming to church for help and it is also comprised of people who have been helped that are coming to worship God. When you bring former hurt together with current hurt and drop it together with imperfect people, there are going to be problems. The great mystery of God revealed by His Son, Jesus Christ is "not that we live for God as Christians, but that God lives through us and in us." Our hope is in Christ and since we are all "broken pots," we can expect problems. And only through our faith in Christ will we rise above for we can do nothing without Him! This is not a book on spiritualism and in fact it is a book of spirituality vs religion. It delineates what are the differences in religions and speaks about religion spirituality. In today's Christian world, you need to read this book. Isn't it time the world sees the true face of Christianity?

Christian Essentials, Volume I John Lee Brown 2018-08-27 The subject of this book is Christianity as it is revealed in the written scriptures, which we call the Bible. It does not address man's traditions or the various versions of the "Christian Faith" that one can study. It is an exposition of written scripture where all the essentials of the faith are found. The fundamental interpretive tool used in this work is cultural anthropology. That is, what did the original audience understand from the reading of scripture. Christian Essentials Volume I is an overview of the entire narrative of the bible from the original Paradise to the final Paradise. The narrative introduces the Hebrew messiah, who he is, why he is needed and what he accomplished. The end of the narrative, the book of Revelation, is discussed in a fresh light as a series of dioramas. This discussion will dispel many clouds of confusion which have obscured this subject for centuries. Much of what is in this book may seem unfamiliar or even foreign to many readers, but it is all biblical. Give yourself plenty of time to read and digest what you read here. Its a journey well worth travelling.

**Grounded in the Faith** Ken Erisman 2013-07-15 The greatest challenge for the twenty-first-century church is the lack of catechesis--training in biblical and doctrinal knowledge. As J. I. Packer states, "where wise catechesis has flourished the church has flourished, and where it has been neglected the church has

floundered." It is increasingly apparent that we are raising up generations of Christians who often have little idea what they should believe and why they should believe it. *Grounded in the Faith* takes up that challenge with twenty-four low-prep, in-depth sessions that will ground believers in the basics of their faith. This new innovative guide is a transformational disciple-making tool that leaders can immediately use to activate discipleship in the church. It presents individuals, small groups, and Sunday school classes with a cohesive understanding of historic, sound, biblical theology that serves as a catalyst for deeper intimacy with Christ. It is a user-friendly guide to growth in the Christian faith that covers important topics such as justification, overcoming temptation, sanctification, evidence for the inspiration of the Bible, the value of prayer, the guidance of God, the Trinity, the uniqueness of Christ, and the attributes of God.

Based on the bestselling *Fundamentals of the Faith*, *Forerunners of the Faith* outlines the biblical orthodoxy that characterizes the true church. *Essential Doctrine Made Easy* Norman L. Geisler 2007-08-24 What are the basic doctrines of the Christian faith? *Essential Doctrine Made Easy* pamphlet outlines and explains 14 key beliefs embraced by believers around the world, such as Christ’s Virgin Birth, Atoning Death, and Bodily Resurrection. This bestselling pamphlet looks at each doctrine and asks two essential questions: *What Do I Actually Need to Believe?* *What Is At Stake Here?* Includes a glossary of Christian terms, a chart showing how other religious groups treat these essentials, and much more. Size: 8.5x 5.5 unfolds to 38 long. Fits inside most Bible covers. Christians have many differing opinions regarding how to work out the details of faith, but 14 essential doctrines are embraced by all followers of the Christian faith. *Essential Doctrine Made Easy* defines and explains all 14 beliefs, including: God’s Tri-unity Christ’s Virgin Birth Human Depravity Christ’s Deity Christ’s Atoning Death Christ’s Resurrection doctrine The 14-panel pamphlet reveals the essential doctrines reflected in the earliest Church statements of faith called the creeds, as well as beliefs about the inspiration of Scripture and the method of interpretation. A chart shows how other religious groups such as Mormonism and Scientology treat these essentials. Written by author/theologian Dr. Norman L. Geisler, founder of Southern Evangelical Seminary. What are the core teachings of the Bible that have defined Christianity for more than 2,000 years? This bestselling pamphlet outlines and explains them: God’s Unity - There is only one God God’s Tri-unity - One God in three Persons

Christ's Virgin Birth Human Depravity - No one can win God's favor by their own efforts Christ's Sinlessness Christ's Deity Christ's Humanity Necessity of God's Grace Necessity of Faith Christ's Atoning Death Christ's Bodily Resurrection Christ's Bodily Ascension Christ's Intercession Christ's Second Coming Each doctrine is defined, and addressed by answering two essential questions. For example: The Doctrine: Christ's Atoning Death The penalty for sin is death--not only physical death (separation of the soul from the body), but also spiritual death (separation of ourselves from God). The penalty we owe to God was paid by Christ through his death on the cross. The acceptable payment had to be perfect, complete, and without fault. Christ, the perfect Man, gave Himself in our place, so that whoever believes in Him will not die (physically and spiritually) but have everlasting life (John 3: 16). Question One: What Do I Actually Need to Believe? Only Christ's sinless life, sacrificial death and bodily resurrection can bring us to God. Question Two: What's at Stake Here? The unique nature of Jesus' work of salvation. Reference Scriptures: For even the Son of Man did not come to be served, but to serve, and to give his life as a ransom for many. -Mark 10: 45 He himself bore our sins in his body on the tree, so that we might die to sins and live for righteousness. -I Peter 2: 24 For Christ died for sins once for all, the righteous for the unrighteous, to bring you to God. -I Peter 3: 18 No one comes to the Father except through me. -John 14: 6 What do other religions believe? An easy-to-use chart shows how four other religious groups treat the 14 essentials. A key indicates whether the group accepts, redefines or denies each doctrine, enabling the reader to understand the controversies regarding these religious sects. Other religious groups include: Latter Day Saints (Mormonism) Jehovah's Witnesses (Watchtower) Scientology Christian Science Essential Doctrines Made Easy also addresses belief in the inspiration of Scripture and the methods of interpretation, which are important to faith, although not a necessary factor in salvation. Four ancient creeds of the early Church are summarized in the pamphlet, giving an historical overview of what the Church deemed most essential. These creeds include: The Apostles' Creed The Nicene Creed Athanasian Creed The Creed of Chalcedon A glossary of Chr

The Layman's Manual on Christian Apologetics Brian G. Chilton 2019-11-14 Modern Christians have been bombarded by objections launched against the Christian faith from popular secular authors, bloggers, and stars from the entertainment industry. The church is quickly beginning to acknowledge the need for apologetics due to the number of youth and adults alike leaving the faith. But how does one respond to these objections? For the laity of the church, this is especially difficult, as many are left without the proper training to know how to answer these objections. In *The Layman's Manual on Christian Apologetics*, the essentials of apologetics are taken from the ivory towers of academia and are made available to those who have not obtained seminary training or for those thinking about attending seminary. In this book, three major areas of apologetics are covered. The first unit engages the nature of truth and what can be known. The second unit deals with the existence of God and issues involving God's existence. The last unit tackles historical objections to the resurrection of Jesus and early Christianity. *The Layman's Manual on Christian Apologetics* delivers heavy apologetic issues with the laity in mind and blends in personal illustrations to make the material applicable.

"The definitive aim of catechesis is to put people not only in touch but in communion, in intimacy, with Jesus Christ." These words of Pope John Paul II are quoted in the first sentence of the United States Catholic Bishops Doctrinal Elements of a Curriculum Framework for the Development of Catechetical Materials for Young People of High School Age. The intention of the new Framework is similar: it provides the course structure and content instruction to serve as a way for high school students to know Jesus Christ, to grow in relationship with him, and to live according to the truth he has given us. After several consultations through its development with bishops, diocesan leaders, teachers, catechists, and publishers, the full body of the United States Conference of Catholic Bishops unanimously approved the Framework in 2007. One of its first objectives was to provide guidance to publishers who create instructional materials for use both in Catholic high schools and parish youth ministry programs. Scope and Sequence Besides providing doctrinal elements for a curriculum, the Framework also strongly suggests a sequence to shape a four-year, eight-semester course of catechetical studies. There are six coresemester-length courses that the bishops strongly recommend be offered in the order they appear in the Framework. Those courses are: I. The Revelation of Jesus Christ in Scripture The Scriptures trace the coming of Jesus, the Christ. II. Who Is Jesus Christ? Jesus is the ultimate revelation from God. III. The Mission of Jesus Christ (The Paschal Mystery) Our redemption only comes in and through Jesus. IV. Jesus Christ Continues the Mission in the Church. The Church is the Body of Christ where we meet Jesus today. V. Sacraments as Privileged Encounters with Jesus Christ We can encounter Christ in a full and complete way in the Sacraments. VI. Life in Jesus Christ There are moral principles that govern the life of Christ's disciples. In addition five possible elective courses appear in this Framework as options for the other two semesters. Those courses have been titled Sacred Scripture, History of the Catholic Church, Living as a Disciple of Jesus Christ in Society (Social Justice), Responding to the Call of Jesus Christ (Marriage and Holy Orders), Ecumenical and Interreligious Issues Online Resources Include: - PowerPoint - Presentation - Study Guide - Crossword Puzzles - Review Questions - Prayer Services - And More!
