Travelling While Black Nanjala Nyabola 2021-02-01 What does it feel like to move through a world designed to limit and exclude you? What are the joys and pains of holidays for people of colour, when guidebooks are never written with them in mind? How are black lives today impacted by the othering legacy of colonial cultures and policies? What can travel tell us about our sense of self, of home, of belonging and identity? Why has the world order become hostile to human mobility, as old as humanity itself, when more people are on the move than ever? Nanjala Nyabola is constantly exploring the world, working with migrants and confronting complex realities challenging common assumptions - both hers and others'. From Nepal to Botswana, Sicily to Haiti, New York to Nairobi, her sharp, humane essays ask tough questions and offer surprising, deeply shocking and sometimes funny answers. It is time we saw the world through her eyes.

National Parks of Europe Lonely Planet 2017-04-01 Explore the best of Europe's amazing national parks. From the Lake District to the Black Forest, this

beautiful introduction to 60 of Europe's parks is packed with panoramic photography, original illustrations, practical information, and inspiring tips on what to do and see in each. You'll have all the tools to plan the first of many exciting trips. Suggested itineraries for long or short visits The must-try activities for every season Beautiful photography of unique landscapes How to get to each park, and the best places to stay Illustrations of wildlife to watch for in each park Europe's national parks are incredibly diverse, and that is what makes them so special. They protect areas of coast, high-altitude peaks in the Pyrenees and Alps, and even parts of the frozen Arctic, with wildlife ranging from Carpathian squirrels and fin whales to peregrine falcons and polar bears. Setting out to choose Europe's top 60 national parks was no easy task, so we called on our expert writers and well-travelled editors. We asked them to tell us which parks provide the best experiences and why. The final selections were those that offered something truly unique, often an enthralling mixture of stunning natural beauty, incredible wildlife, fulfilling activities, local culture and (occasionally) a compelling history too. But this book is intended to be more than just a celebration of Europe's top national parks - it's also a practical introduction to each of them. We highlight the best activities and trails, explain how to get there and where to stay, show you the wildlife to watch out for, and suggest itineraries. We hope the following pages inspire you to explore more of Europe's wild and wonderful spaces. Includes: Abisko Abruzzo Aiguestortes i Estany de Sant Maurici Arcipelago di La Maddalena Atlantic Islands of Galicia National Park Dolomiti Bellunesi Berchtesgaden Black Forest Brecon Beacons Cairngorms Carpathian Cinque Terre Connemara Curonian Spit Dartmoor Donana Durmitor Ecrins Etna Gauja Golfo di Orosei e del Gennargentu Hardangervidda Hohe Tauern Hortobagy Jostedalstreen Jotunheimen Killarney Kornati Lahemaa Lake District Lake Skadar Lemmenjoki Loch Lomond and The Trossachs National Marine Park of Alonnisos Northern Sporades Nordvest-Spitsbergen Ordesa Oulanka Paklenica National Park Peak District Pembrokeshire Coast Peneda-Geres Picos de Europa Pirin Plitvice Port-Cros Pyrenees Retezat Sarek Saxon Switzerland Sierra Nevada Slovensky Raj Snæfellsjokull National Park Snowdonia Swiss National Park Tatras Triglav Valbona Valley Vatnajokull Vikos-Aoos National Park Wadden Sea About Lonely Planet: Started in 1973, Lonely Planet has become the world's leading travel guide publisher with guidebooks to every destination on the planet, as well as an award-winning website, a suite of mobile and digital travel products, and a dedicated traveller community.
