Everything I Know About Life I Learned From My Horse Gwen Petersen 2010-11-10 Gwen Petersen earlier enlightened us on the joys of shoveling manure. Now, in this delightful new collection of pithy and hilarious essays, she explains how her philosophy of life comes with a good dose of horse sense. Here's advice on how to fall off a horse with style, dressing to avoid embarrassing your equine friend, 1,001 uses for bag balm, perfecting the care and feeding of veterinarians and farriers, cattle drives and brandings, and falling in love all over again (with a horse, that is). Petersen's words are as amusing as they are instructive, and whether you're a horse lover or simply someone in need of a down-to-earth laugh, this is a book you won't want to miss.

Decorated Horses Dorothy Hinshaw Patent 2015-02-10 Humans have relied on the strength, speed, and endurance of the horse for more than nine thousand years, utilizing them for work, warfare, entertainment, and companionship. Throughout history, humans have shown how much they admire and respect these animals through decoration and embellishment. Divided into three sections—Warfare and Hunting, Performance and Competition, and Ceremony and Celebration—this book introduces readers to the many ways humans have used and honored horses. Their decorations highlight how important horses are to various people, from the symbolic paintings that the Plains Indians used to decorate their battle and hunting companions to silks and flowers awarded to thoroughbreds in competition to the colorful, playful costumes adorning the horses that pull painted carts through the streets of Sicily to honor saints. Jeannie Brett's action-packed illustrations highlight the beauty and care that humans have taken when creating decoration for their horses, incorporating cultural significance, celebratory beauty, and respected ferocity.

The Everything Horse Book Karen Leigh Davis 2008-10-17 The horse is a majestic animal that needs the utmost in care and love. Luckily for horse owners and appreciators, this fully revised and updated second edition is a detailed introduction to horse companionship and care. Tennessee Walking Horse Marylou Morano Kjelle 2020-09-21 The Tennessee Walking Horse breed was first created for plantation and farm work. But its unique style of walking—called the running gait—also makes the Tennessee Walker a good horse to ride for pleasure outings. This gentle horse also performs in horse shows. There's a lot more information about the Tennessee Walking Horse inside this book. Open it and learn all about the horse that is well-known for its unique style of walking.

Everything Bird Cherie Winner 2007 Provides information about the habitat, diet, and life cycle of more than sixty types of birds.

Unicorn (and Horse) David W. Miles 2021-02-01 Unicorn and Horse are very different and unique in their own ways, but despite their differences, they can still be friends!

Horse Housekeeping Margaret Korda 2005-11-01 In *Horse Housekeeping*, Margaret and Michael Korda (she is a successful novice- and training-level eventer and he is the author of *Horse People*) provide everything you need to know to set up a barn of your own and care for your horse (or horses) at home. Authoritative, inspirational, highly accessible, full of common sense and down-to-earth advice, all of it based on twenty-five years of experience, the Kordas' book is a basic resource for anybody who wants to keep horses in a safe, content, healthy, and cost-effective way at home, from detailed lists of things you need to have on hand to the basic (and not so basic) dos and don'ts of horse care. Divided into such useful chapters as "Fencing and Paddocks," "The Barn Routine," "The Care of the Horse," "People," "Feeding and Caring for the Horse," "Tack," "Horse Clothing," "Equipment," and "Care for the Aging Horse," it is helpfully illustrated and written in a voice that is at once informative, supportive, and full of funny (and not so funny) stories about horse housekeeping. The Kordas offer a unique and reliable guide to horse care that not only will be invaluable to beginner and experienced horse owners alike, but also is astonishingly readable. They take you through the steps of deciding if having a horse barn is practical for you, including helpful suggestions on space-saving barn designs, creating pastures, building fences, sample exercise routines, the right feed, the basics of horse health care, and the equipment needed for both horse care and property maintenance. This detailed, user-friendly compendium of

down-home wisdom, entertaining stories, and straightforward horse sense will help you to set up a barn the right way, so you will have time to actually ride your horse.

Crazy about Horses Molly Kolpin 2014-07-01 "Text and photos give readers information about horse riding and competitions, horse care, horse breeds, and general information"--

A Parent's Guide to Riding Lessons Elise Gaston Chand 2009-01-01 Every parent hopes to experience the thrill of seeing a child discover an activity she loves, and then watching as that interest unfolds into a lifelong passion. But when a child adores horses above all, these joys are often dampened by anxiety, especially when the parent knows little about riding. The questions can be overwhelming: How does one begin to find a qualified riding instructor? Just how expensive is this hobby? And -- most important -- will my child be safe? Parents searching for answers will find relief in *A Parent's Guide to Riding Lessons*, by Elise Gaston Chand. A former horse-crazy child born to horse-clueless parents, Chand is today both an accomplished horsewoman and the mother of a horse-crazy daughter. Her vantage point allows her to get to the heart of parents' concerns, then offer the information, instruction, and peace of mind that they desperately need. With its engaging "been there" voice, *A Parent's Guide to Riding Lessons* combines the instant appeal of an impulse purchase with the practicality and depth of content of a thorough guide. Parents will snap up the book for its clear, reassuring voice, then refer back to it often for its quality answers and information. *A Parent's Guide to Riding Lessons* gives busy parents an overview of horseback riding and lesson progression. It translates the strange language of horse enthusiasts, explains horse show etiquette, and addresses specific ways that parents can help children stay safe in and out of the barn. Along the way it offers practical advice, tips, and step-by-step guidance through an array of challenges that parents can expect to face.

Horse Book for Kids Jeff Child 2019-01-31 Two girls, two horses... but one of them is a zombie horse! Diana and Daphne are best friends, but when they begin to argue, there is no stopping these two vengeful girls. They hate each other, and they are not afraid to show it. Eventually, Diana becomes so angry that she turns Daphne's beloved animals into a zombie horse, a destructive, aggressive creature that terrorizes the town and escapes into the mountains. Will they find the horse and restore what has been lost? Will they ever forgive each other? Don't wait and begin reading now!

Horses: The Complete Guide on Everything You Need to Know about Owning a Horse Ferdinand H. Quinones MD 2019-02-08 Horse is a mammal, found residing in almost all the parts of the world. A beautiful animal, it belongs to the Mammalia class and has the binomial (scientific) name of *Equus Caballus*. Not only are horses graceful, but also very athletic and highly energetic. They have been used for domestic chores since ages and have formed a very warm bond with human beings. Horses have also been eulogized in religion, mythology, and art and have played a very important role in transportation, agriculture and warfare in the past. In this article, we have provided some fun facts and interesting information on horses. The relationship of the horse to humans has been unique. The horse is a partner and friend. It has plowed fields and brought in the harvest, hauled goods and conveyed passengers, followed game and tracked cattle, and carried combatants into battle and adventurers to unknown lands. It has provided recreation in the form of jousts, tournaments,

carousels, and the sport of riding. The influence of the horse is expressed in the English language in such terms as chivalry and cavalier, which connote honour, respect, good manners, and straightforwardness. The horse is the "proudest conquest of Man," according to the French zoologist Georges-Louis Leclerc, comte de Buffon. Its place was at its master's side in the graves of the Scythian kings or in the tombs of the pharaohs. Many early human cultures were centred on possession of the horse. Superstition read meaning into the colours of the horse, and a horse's head suspended near a grave or sanctuary or on the gables of a house conferred supernatural powers on the place. Greek mythology created the Centaur, the most obvious symbol of the oneness of horse and rider. White stallions were the supreme sacrifice to the gods, and the Greek general Xenophon recorded that "gods and heroes are depicted on well-trained horses." A beautiful and well-trained horse was, therefore, a status symbol in ancient Greece. Kings, generals, and statesmen, of necessity, had to be horsemen. The names of famous horses are inseparably linked to those of their famous riders: Bucephalus, the charger of Alexander the Great; Incitatus, once believed to have been made a senator by the Roman emperor Caligula (see Researcher's Note); El Morzillo, Hernán Cortés's favourite horse, to whom the Indians erected a statue; Roan Barbary, the stallion of Richard II, mentioned by Shakespeare; Copenhagen, the duke of Wellington's horse, which was buried with military honours. The horse has occupied a special place in the realm of art. From Stone Age drawings to the marvel of the Parthenon frieze, from Chinese Tang dynasty tomb sculptures to Leonardo da Vinci's sketches and Andrea del Verrocchio's Colleoni, from the Qur'ān to modern literature, the horse has inspired artists of all ages and in all parts of the world.

For Horse-Crazy Girls Only Christina Wilsdon 2016-04-19 Is your first and second favorite animal a horse? Is your bedroom covered with horse posters on your walls and horse models on your shelves? Would you rather muck out a stall than clean your room? Then you are absolutely, undeniably horse crazy, and For Horse-Crazy Girls Only is the book for you! This is the only comprehensive book about everything a horse-crazy girl needs to know about horses. You'll learn everything from the different breeds of horses, to how a horse's body works, to the quirky little things that make the horse the BEST animal ever. Author Christina Wilsdon even shares ideas for horse-themed parties, and suggestions for the best horse movies to watch with your friends. And that's just the beginning.

Children's Books in Print, 2007 2006

A Good Horse Jane Smiley 2010-10-26 When eighth grader Abby Lovitt looks out at those pure-gold rolling hills, she knows there's no place she'd rather be than her family's ranch—even with all the hard work of

tending to nine horses. But some chores are no work at all, like grooming young Jack. At eight months, his rough foal coat has shed out, leaving a smooth, rich silk, like chocolate. As for Black George, such a good horse, it turns out he's a natural jumper. When he and Abby clear four feet easy as pie, heads start to turn at the ring—buyers' heads—and Abby knows Daddy won't turn down a good offer. Then a letter arrives from a private investigator, and suddenly Abby stands to lose not one horse but two. The letter states that Jack's mare may have been sold to the Lovitts as stolen goods. A mystery unfolds, more surprising than Abby could ever expect. Will she lose her beloved Jack to his rightful owners? Pulitzer Prize winner Jane Smiley raises horses of her own, and her affection and expertise shine through in this inviting horse novel for young readers, set in 1960s California horse country and featuring characters from *The Georges* and *the Jewels*.

Riding Freedom Pam Munoz Ryan 2013-10-29 A reissue of Pam Munoz Ryan's bestselling backlist with a distinctive new author treatment. In this fast-paced, courageous, and inspiring story, readers adventure with Charlotte Parkhurst as she first finds work as a stable hand, becomes a famous stage-coach driver (performing brave feats and outwitting bandits), finds love as a woman but later resumes her identity as a man after the loss of a baby and the tragic death of her husband, and ultimately settles out west on the farm she'd dreamed of having since childhood. It wasn't until after her death that anyone discovered she was a woman.

If I Ran the Horse Show Bonnie Worth 2019-08-06 Calling all young equestrians and Cat (in the Hat) fanciers! In this latest installment of the Cat in the Hat's Learning Library, the Cat introduces Sally and Nick—and beginning readers—to all things horsey. At his Super-Tremendous-Stupendous Horse Show, the Cat explains how horses and people have worked together since ancient times; the difference between fillies, foals, yearlings, mares, colts, dams, sires, and stallions; horse anatomy from nose to tail; the work of a farrier, Western vs English riding; and much, much more—including fun facts about 13 of the most popular horse breeds! Fans of the new PBS Kids preschool science show *the Cat in the Hat Knows a Lot About That!* (which is based on *The Cat in the Hat's Learning Library*) will whinny with glee over this new addition to the series!

Angels Club (Middle Grade Novel - Horses, Kids, Friendship, Bullying and Ethnic Diversity) Courtney Vail 2014-08-01 Hola, Cuties! I'm Jacinda Gonzalez, almost twelve. Although I think I'm pretty nice, not to mention way cool and one of the most knowledgeable people in all things horse, I just can't make any friends in my new school. The only things flying my way are totally rude insults. The horseback riding therapy farm where I volunteer becomes my perfect escape from mean bullies. And when Angel, a scrawny, muddly American Curly, shows up as rescue, no one but me can see her potential and loveliness, so I take her on as a project horse to get her ready for sale. But, the thing is, I don't want them to sell her. She'd be so perfect for therapy. So perfect. Now, if only I could prove it. Anyway, Angel's sugar-candy personality inspires me to be sweet in spite of bad things happening to me. So, of course, I can't resist the urge to make the world a whole lot brighter. Come on in and see how I do it! Middle Grade, Children's book, ages 6-8, 10-12, and up. A clean, cute, touching story for any lover of horses. American Curly Horse. Girls, bullying, friendship, multi-ethnic, handi-capable, diverse kid's book, farm life, horse rescue.

Cherry Hill's Horse Care for Kids Cherry Hill 2012-10-26 Covering the essentials of equine care in a language

appropriate for teen and preteen horse lovers, this guide provides everything young equestrians need to know to safely and enjoyably keep their horse healthy and happy. Veteran trainer Cherry Hill starts by making sure that the right animal is matched with the right rider, then progresses through feeding, grooming, behavior, safety, and health care. Encouraging their passion, Hill provides a roadmap for young horse enthusiasts to responsibly care for their cherished companion.
