Lost Downtown Peter Hugar 2016-02 It's a vanished world, and Peter Hugar was right there in it. The Lower East Side between 1972 and 1985 -- filled with artists, wannabe artists and hangers-on -- was a community of the misbegotten gathered from every town in America and relocated in the mean streets between Broadway and the Bowery. Nothing but their talent, their flamboyance, their rank gender-bending mockery and their arch irony supported them. Some made their names. Many came to grief. A few made art. In those days, the gutted streets of the Lower East Side looked like a war zone. Everyone lived and worked on the extreme outer margins of money and art, penniless and unknown. As a community, Downtown was a counterstatement to the rich New York of the banks, museums, media, corporations ... and the art world itself. That Downtown is forever gone. Time, gentrification, disease and death have taken their toll and turned this vibrant epoch into a chapter of art history. But before it vanished, its extravagant cast sat for Peter Hugar's camera -- and is now alive again in front of our eyes. Featured among others: Joe Brainard, William Burroughs, Remy Charlip, Edwin Denby, Divine, Ray Johnson, Fran Lebowitz, Charles Ludlum, Susan Sontag, Paul Thek, John Waters, Robert Wilson, David Wojnarowicz.

[The Book of Happiness](#) Nina Berberova 2002-05 An outstanding novel about a young Russian woman's life in exile after the Russian Revolution. The Book of Happiness is one of the outstanding novels the great Russian writer Nina Berberova wrote during the years she lived in Paris, and the most autobiographical. "All Berberova's characters live raw, unfurnished lives, in poverty, on the edge of cities, with little sense of belonging except in moments of epiphany to their time and in life itself" (The Observer). Such a character is Vera, the protagonist of The Book of Happiness. At the novel's opening, Vera is summoned to the scene of a suicide, that of her childhood companion, Sam Adler, whose family left Russia in the early days of the revolution and whom Vera has not seen in many years. His death reduces Vera to a flood of tears and memories of the times before Sam's departure, and thoughts about how her life has gone since her move to Paris where she lives tied to a brilliant but demanding invalid husband. Berberova spins the story with a wonderful unsentimental poignancy, making it a beautiful testament to the indestructibility of happiness.

Acoustic Guitars Ben Elder 2018-02-13 Acoustic Guitars: The Illustrated Encyclopedia is the most comprehensive guide of its type ever produced, covering decades of great instruments and the people who played them. You will find here the highest quality photos of acoustic guitars produced by every significant maker, from Alvarez to Zemaitis, plus detailed information, and a host of action pictures of

important players from pop, rock, jazz, country classical, blues, and folk. Here are resonator guitars made since the 1920s by Dobro, National, and others, often with highly decorated metal bodies; revered flat-tops from Martin, Taylor, Gibson, and more; peculiarly shaped and oddly featured creations from many of the custom builders; early 20th-century harp guitars with extra strings and extended bodies; creative archtops from D'Angelico, Epiphone, Benedetto, and more; and plastic-equipped constructions from Ovation. The comprehensive and informative text is in a clear A-to-Z format organized by brand name, written and researched by a unique team of the world's leading authorities on the subject. *Acoustic Guitars: The Illustrated Encyclopedia* shows in words and pictures just why and how the acoustic guitar continues to be the most popular musical instrument in the world.

Pavarotti Luciano Pavarotti 1996 Every generation or so an opera singer attains the kind of public adulation and affection usually reserved for film stars or pop singers. Luciano Pavarotti reached this level of fame: he was the most celebrated tenor of all time, his concerts attended by thousands, his records selling millions of copies. In *Pavarotti: My World*, he talks candidly about his successes and trials, from his forays into popular music and his performances in China, to the boos he endured at La Scala, from the near-fatal illness of his youngest daughter, to his worldwide efforts to convert people to the joys of classical music and opera. Pavarotti's acclaimed autobiography shows us how this great artist felt about his extraordinary voice, how he saw his work and how he regarded his extraordinary position in the world of music and entertainment. Generously illustrated with photographs taken from Pavarotti's private collection, this is an intimate, absorbing and wonderfully honest account of an astonishing talent.

Rilke on Love and Other Difficulties: Translations and Considerations Rainer Maria Rilke 1994-02-17 This book was compiled by a Rilke lover for Rilke lovers. John Mood has chosen selections from Rilke and combined them with his own writings and commentary. Included are Rilke's letters on love; poems on love and other difficulties, translated by Mood; shorter selections from Rilke's work; and an essay by Mood. The letters on love present Rilke's exploration of the deepest levels of what love is. His working toward love at these depths was poetic, profound, and thoroughly radical. His language is sensual; his deep spirituality is rooted in the senses. The letters are of crucial importance for those who have passed from puritanism to promiscuity without ever having experienced genuine love. The love poems were written during the period of Rilke's most mature work. They are sensual and explicitly sexual-but they are also tough-minded. The poems reflect great passion and gentle care; his unique joining of the masculine and the feminine is profoundly portrayed. There is also a selection from Rilke's later poems, which many feel are his most significant works. All but a few have appeared in translation only once before. The poems deal with the fundamental difficulty of living-dying, though with greater subtlety, density, and depth than before. The book concludes with a passage from Rilke on the difficulty of writing poetry and of living life; a letter containing an affirmation of life; and Mood's essay on dying, based on Rilke's self-composed epitaph.--Adapted from book jacket.

Renewing America's Food Traditions Gary Paul Nabhan 2008 *Renewing America's Food Traditions* is a beautifully illustrated dramatic call to recognize, celebrate, and conserve the great diversity of foods that gives North America its distinctive culinary identity that reflects our multicultural heritage. It offers us rich natural and cultural histories as well as recipes and folk traditions associated with the rarest food plants and animals in North America. In doing so, it reminds us that what we choose to eat can either conserve or deplete the cornucopia of our continent. While offering a eulogy to a once-common game food that has gone extinct—the passenger pigeon—the book doesn't dwell on tragic losses. Instead, it highlights the success stories of food recovery, habitat restoration, and market revitalization that chefs, farmers, ranchers, fishermen, and foresters have recently achieved. Through such "food parables," editor Gary Paul Nabhan and his colleagues build a persuasive argument for eater-based conservation. In addition, this book offers the first-ever list of foods at risk in America (more than a thousand), shows how all of us can personally support and participate in such recoveries, and lists food festivals held across the continent to honor and enjoy some of the country's most iconic foods, from crab cakes to maple syrup and filé gumbo. Organized by "food nations" named for the ecological and cultural keystone foods of each region—Salmon Nation, Bison Nation, Chile Pepper Nation, among others—this book offers an altogether fresh perspective on the culinary traditions of North America.
