Playing Blackjack as a Business Lawrence Revere 2000-09 This is the most talked-about book on the Blackjack scene. This book has sold more copies since its initial release than any other gaming book. Prior to this new edition there was no foolproof way to learn how to play Blackjack accurately. This is the only Blackjack book that is easy to understand and completely accurate, written for the beginner or for the expert player. "Playing Blackjack as a Business" was written by a successful professional Blackjack player. The author has probably spent more time playing Blackjack, more time in the casinos, and more time in research, than have all of the others combined who have written Blackjack books or devised Blackjack systems. The book features a new Basic Strategy for one deck, the first accurate Strategy to be published for four decks, and four easy-to-learn Count Strategies including the Reverse Point Count Strategy, which is the most accurate and most powerful strategy that has ever been published. The strategies were devised from computer runs by Julian H. Braun of IBM

Corporation, long recognized as the world's most capable man in this field.

Magic Joshua Jay 2008-11-08 Magic is everywhere, from the big spectacle celebrity of David Copperfield and Siegfried and Roy to the quirky Penn and Teller to the spooky David Blaine and Criss Angel to the endless material on YouTube. But until now, learning it has never been easy—that's all about to change with *Magic*, a book that does for close-up magic what *How to Grill* does for barbecue. Written by charismatic young magician Joshua Jay, *Magic* combines expertise, photographs, and step-by-step directions showing how to perform 100 tricks. Joshua Jay took home the top prize at the World Magic Seminar (the Olympics of magic) when he was just 16 years old. Now he continues to perform magic, write about magic, eat, sleep, and breathe magic. Here, he brings all his passion and knowledge to teaching magic. Each trick is broken down into the Effect, the Secret, the Set-up, and, most important, the Performance, with lessons on what to say, how to direct the audience's attention, where to keep your hands, and so on. (In other words, how to be smart about the things your audience is surprisingly clueless about.) Here are the Ten Greatest Card Tricks; tricks to dazzle a dinner date; tricks to perform for the boss (poke a hole through his shirt, then magically mend it); tricks especially for kids; and even tricks for an audience in another state—with "Australian Self-Help," you can find a participant's chosen card over the phone. It's the Aha! book for a subject whose time has come.
