An Anglo-Norman Reader Jane Bliss 2018-02-08 This book is an anthology with a difference. It presents a distinctive variety of Anglo-Norman works, beginning in the twelfth century and ending in the nineteenth, covering a broad range of genres and writers, introduced in a lively and thought-provoking way. Facing-page translations, into accessible and engaging modern English, are provided throughout, bringing these texts to life for a contemporary audience. The collection offers a selection of fascinating passages, and whole texts, many of which are not anthologised or translated anywhere else. It explores little-known byways of Arthurian legend and stories of real-life crime and punishment; women's voices tell history, write letters, berate pagans; advice is offered on how to win friends and influence people, how to cure people's ailments and how to keep clear of the law; and stories from the Bible are retold with commentary, together with guidance on prayer and confession. Each text is introduced and elucidated with notes and full references, and the material is divided into three main sections: Story (a variety of narrative forms), Miscellany (including letters, law and medicine, and other

non-fiction), and Religious (saints' lives, sermons, Bible commentary, and prayers). Passages in one genre have been chosen so as to reflect themes or stories that appear in another, so that the book can be enjoyed as a collection or used as a resource to dip into for selected texts. This anthology is essential reading for students and scholars of Anglo-Norman and medieval literature and culture. Wide-ranging and fully referenced, it can be used as a springboard for further study or relished in its own right by readers interested to discover Anglo-Norman literature that was written to amuse, instruct, entertain, or admonish medieval audiences.

Library of the Surgeon-General's Office (U.S.) 1913

Surgical Pathology Dissection William H. Westra 2013-03-14 Filling the need for a comprehensive, fully-illustrated guide to the subject, this practical manual demonstrates a logical approach to the preparation, dissection, and handling of the tissue specimens most commonly encountered in today's surgical pathology laboratory. Each dissection is vividly illustrated with powerful 3D line drawings created exclusively for this book. The authors discuss the clinically important features of various types of specimens and lesions over the whole range of organ systems. The consistent approach provides a valuable conceptual framework for points to bear in mind during the dissection and each chapter concludes with a convenient reminder of the important issues to address in the surgical pathology report. Indispensable for staff pathologists, residents, pathologist's assistants, histotechnologists and other laboratory personnel.

Facebook For Dummies Carolyn Abram 2021-04-08 Be a new face on Facebook! If you're new to the Facebook user community, don't be shy: you're joining around 2.7 billion users (roughly two-and-a-half Chinas) worldwide, so you'll want to make sure you're being as sociable as possible. And with more functionality and ways to say hello—like 3-D photos and Video Chat rooms—than ever before, Facebook For Dummies is the perfect, informative companion to get and new and inexperienced users acquainted with the main features of the platform and comfortable with sharing posts, pictures (or whatever else you find interesting) with friends, family, and the world beyond! In a chatty, straightforward style, your friendly hosts, Carolyn Abram and Amy Karasavas—both former Facebook employees—help you get settled in with the basics, like setting up your profile and adding content, as well as protecting your privacy when you want to decide who can and can't see your posts. They then show you how to get involved as you add new friends, toggle your newsfeed, shape your timeline story, join groups, and more. They even let you in on ways to go pro and use Facebook for work, such as building a promo page and showing off your business to the world. Once you come out of your virtual shell, there'll be no stopping you! Build your profile and start adding friends Send private messages and instant notes Share your memories Tell stories about your day Set your privacy and curate your news feed Don't be a wallflower: with this book you have the ideal icebreaker to get the party started so you can join in with all the fun!

Glorious Bernice L. McFadden 2010-05-01 "The seeming inevitability of cruel fate juxtaposes the triumph of the spirit in this remarkably rich and powerful novel, *Glorious*. Bernice McFadden's fully realized characters are complicated, imperfect beings, but if ever a character

were worthy of love and honor, it is her Easter Bartlett. This very American story is fascinating; it is also heartbreaking, thought-provoking, and beautifully written."—Binnie Kirshenbaum, author of *The Scenic Route* "Riveting. . . . I am as impressed by its structural strength as by the searing and expertly imagined scenes."—Toni Morrison, on *The Warmest December*

Glorious is set against the backdrops of the Jim Crow South, the Harlem Renaissance, and the civil rights era. Blending the truth of American history with the fruits of Bernice L. McFadden's rich imagination, this is the story of Easter Venetta Bartlett, a fictional Harlem Renaissance writer whose tumultuous path to success, ruin, and revival offers a candid portrait of the American experience in all its beauty and cruelty. *Glorious* is ultimately an audacious exploration into the nature of self-hatred, love, possession, ego, betrayal, and, finally, redemption.

• Bernice L. McFadden is the author of six critically acclaimed novels, including the classic *Sugar* and *Nowhere Is a Place*, which was a *Washington Post* best fiction title for 2006. She is a two-time Hurston/Wright Legacy Award finalist, as well as the recipient of two fiction honors from the Black Caucus of the American Library Association (BCALA). McFadden lives in Brooklyn, New York, where she is working on her next novel.

The Proxy Bride Zoe Boccabella 2022-09-07 In 1939, Giacinta sets sail from Italy to Australia. Decades later, a granddaughter discovers the true story of her family... A stunningly crafted novel of family, secrets and facing adversity, perfect for readers of Victoria Purman. Imagine marrying someone you've never met ... When Sofie comes to stay with her grandmother in Stanthorpe, she knows little of Nonna Gia's past. In the heat of that 1984 summer, the two clash over Gia's strict Italian ways and superstitions, her chilli-laden spaghetti and the evasive silence surrounding Sofie's father, who died before she was born. Then Sofie learns Gia had an arranged marriage. From there, the past begins to reveal why no-one will talk of her father. As Nonna Gia cooks, furtively adding a little more chilli each time, she also begins feeding Sofie her stories. How she came to Australia on a 'bride ship', among many proxy brides, knowing little about the husbands they had married from afar. Most arriving to find someone much different than described. Then, as World War II takes over the nation, and in the face of the growing animosity towards Italians that sees their husbands interned, Gia and her friends are left alone. Impoverished. Desperate. To keep their farms going, their only hope is banding together, along with Edie, a reclusive artist on the neighbouring farm and two Women's Land Army workers. But the venture is made near-impossible by the hatred towards the women held by the local publican and an illicit love between Gia and an Australian, Keith. The summer burns on and the truth that unfolds is nothing like what Sofie expected ... The author of Mezza Italiana brings to life a unique point of migrant women's untold experience, in a resonant novel of family, food and love. Includes 12 traditional recipes.

Joe's Fruit Shop & Milk Bar Zoe Boccabella 2015-02-01 A captivating true story that will speak to generations of Australians, from the author of Mezza Italiana. 'Nonno Anni gives me a nudge. "You know, when I first came to Australia, I knew that my life would change forever."' Leaving the small village of Fossa in Italy in 1939 to meet a father he barely remembered in a place that was far from everything he knew, fifteen-year-old Annibale Boccabella arrived in Australia determined to make a go of it. It was a time when everything was changing and anything seemed possible. Life was tough but you could still chase your dreams. More than 70

years later, in 2011, Zoe Boccabella and her family hurriedly try to save the treasured belongings of Annibale and his wife Francesca-Zoe's grandparents-from the rising waters of the Brisbane River. When Zoe sees the sign from their old fruit shop and milk bar about to disappear beneath the floodwater, this triggers in her a realisation that while she has long looked to Italy to discover her migrant heritage, much of it happened here in Australia. In Joe's Fruit Shop and Milk Bar, Zoe artfully weaves her own experiences with those of her grandparents, taking us on a journey from Abruzzo and Calabria in Italy to Australian sugar cane fields, internment camps, Greek cafes, and the fruit shop and milk bar that was the focus of a family's hopes and dreams for the future. With memorable, beautifully portrayed characters, evocative writing and a sweeping tale that reflects the experience of so many Australians, this is a story that will touch your heart and remind you of the important things in life. Praise for Zoe Boccabella's *Mezza Italiana* 'A charming and thoughtful writer' Frances Mayes 'there is much to love about this book. the wonderful characters, her fabulous Italian grandfather who takes his love for all Italian traditions to Brisbane ... her boyfriend who becomes the poster boy for all things Italian, and the people of Fossa, a village tucked away in the mountains of Abruzzo... I can highly recommend *Mezza Italiana* on a cold day when you are dreaming of Italy...' Carla Coulson 'this is one of those books that come along every so often that resonates with so many. Whether you have a migrant background or just love reading about Italy, this is a book with heart and soul, humour and sincerity. A wonderful read.' Cate, ABC Shops website

Methods of Dendrochronology E.R. Cook 2013-11-11 This book is a review and description of the state-of-the-art methods of tree-ring analysis with specific emphasis on applications in the environmental sciences. Traditionally, methods of tree-ring analysis, or more properly in this case dendrochronology, were developed and used for dating archaeological and historical structures and for reconstructing past climates. The classic book *Tree Rings and Climate*, by H.C. Fritts, published in 1976, provided a superb introduction to the science and an in-depth description of techniques useful for extracting climatic information from tree rings. This book, which was published by Academic Press, is sadly out of print and, even though only 12 years old, limited in its methods and applications. This is owing to the extremely rapid development of the science since the 1970s. Only recently have tree rings as environmental

sensors been fully recognized as a valuable tool in detecting environmental change. For example, tree ring measurements have been critically important in studies of forest decline in Europe and North America. There are also attempts to use tree-ring analysis for ecological prognosis to solve large-scale regional problems including the sustainability of water supplies, prediction of agricultural crops, and adoption of silvicultural measures in response to ecological changes. More speculatively, dendrochronological methods are also used for dating and evaluating some astrophysical phenomena and for indicating possible increase in the biospheric carrying capacity due to increased atmospheric carbon dioxide.
