Finding Kim Fuller 2016-11-10 Two years before adopting seven-year-old Keydell from a group home for young boys, Kim made a vow before the Dalai Lama to become a bodhisattva: one who cultivates an enlightened mind, is free from delusion, and practices kindness and compassion above all else. However, she struggles with this practice as her new son's challenged mind sends him into fits of rage and violence, while seemingly allowing him to feel no remorse for his actions. His behaviors go against everything Kim believes in, but she is determined to keep her chocolate-eyed boy safely in the home she has created with her husband and two biological children. As she tries everything she can to get Keydell the help he needs, she must also learn to accept him exactly as he is: a tiger in the home of elephants. This

vulnerable and touching account highlights the interplay between desire and reality, denial and acceptance, struggle and enlightenment. As the minds of this mother and her extraordinary son awaken - Kim's through her Buddhist practice, and Keydell's through the science of neurofeedback - we witness the power of love and compassion to overcome even the greatest odds."

*I Love You, God* Ron Dalrymple 2016-06-26 The purpose of this book is to help the reader focus on Divine ideas every day. Since what we dwell upon comes upon us, it is important to make a habit of thinking positive, healthy, Divine, inspirational, loving thoughts all day, no matter what other people are doing around us or to us. One of the greatest difficulties in transforming oneself to a more Divine attitude and perspective is found in working through the negative emotions and beliefs we have long internalized. These beliefs and emotions become lodged in the subconscious mind, and drive the system automatically until they are changed. This takes considerable effort and persistence, since the deeply embedded negative emotions tend to link to many different thoughts, attitudes and other feelings. A virtual labyrinth of interconnected thoughts, emotions and behaviors have to be transformed. This book was created to help the reader achieve that goal. The intent is for the reader to dwell upon each affirmation of the day with strong feeling, trying to love the very idea being expressed, and projecting it outward to the world. Each affirmation should be repeated many times throughout the day, and memorized for future use. As you practice these, your own affirmations will occur to you. Use them all with devotion, because what you worship, is what you become.

Always Wear Headphones Stephen Blackwell 2017-08-26 Note: 50% of the proceeds from this book will be donated to a mental health organization focused on helping anxiety, depression, and suicide.\* Hey YOU! Yes... you... the (really cool) person reading the back summary of this book. How are you? Having a good day? Since you are reading the back cover of this book I'm guessing that you're curious what the heck it's about. Right? Well, let me tell you, this ain't no children's book. Full of love, sex, anxiety, and depression this book will chew you up and spit you back out before chapter 4. The story begins with me, sitting in a cafe with my girlfriend of three months. Overcome by love, I (stupidly) decide to proclaim my love for her in the middle of a coffee shop. "I love you. And I know that one day I'm supposed to marry you." Man... do I regret that moment -/ I wish I could tell you that the awkwardness stops there but that would be a bold faced lie. If I was in marketing (I'm not) I would say something like... "From navigating online dating apps and relationships, to self-centered friends, and emotionally abusive alcoholics, James (that's me!) constantly feels like he's at the bottom of the social food chain. His only comfort is his love for music, which displays itself in the form of original lyrics throughout the book. One crazy day, James runs into Nikki, a bold, spit-fire, do-things-her-own-way type of person who changes his world-view forever." Well... If you made it down here I'd say this book is for you. If you didn't, oh well. #YOURLOSSBUDDY. Thanks for all the memories, James Merllot (The Protagonist of this story) \*Donation will be made once a year in December. Through a series of hilarious and heartbreaking adventures, he finally learns of his true identity, long after he was supposed to. His reincarnated disciples are a mixture of loveable and misunderstood characters that join Jay on a journey across the Country that leads them to Elvis, Oprah,

**The Gospel of Thomas-The Original 21 Chapter Poetic Arrangement: Professional Edition** Robert William North 2020-10-09 In this Professional Edition of The Gospel of Thomas-The Original 21-Chapter Poetic Arrangement, Scholar and Therapist Dr. Robert North presents for the first time the intricate organization and meaning of the Gospel of Thomas. Because we know from the New Testament Gospels that Jesus composed about half of the poems, Dr. North concludes that only Jesus could have so brilliantly organized Thomas. He further details 22 other reasons to support that claim. Jesus taught a shocking, unknown, revolutionary "Way" to develop oneself personally and spiritually. It is Jesus' real message, not the one taught by Christianity. Dr. North calls it, The "Way of the Soul." Because it is a non-dogmatic practice, it is the solution to conflicts between religions. Because it heals inner divisions, it is the secret to emotional health that everyone seeks. Because it empowers people to find their own answers, Atheists, Skeptics and Agnostics can benefit without compromising themselves.

**Beyond Salsa for Ensemble - Cuban Rhythm Section Exercises** Kevin Moore 2012-01-13 At 368 pages, Beyond Salsa for Ensemble, Vol. 1 is the most ambitious of the 15 volume series. The course is designed for college and high school Latin music ensembles and working salsa bands seeking to add modern Cuban "timba" and "songo" material and techniques to their repertoires. The course begins with the basic salsa groove and then presents two modern Cuban grooves (one in 2-3 clave and one in 3-2 clave), with note-for-note transcriptions for piano, bass, bongo, timbales, congas, and drums - all explained in careful detail in a conversational style. The next part of the book teaches 36 rhythm breaks, or "efectos," that can

be added to any Latin arrangement. Again, every stroke of every part is meticulously transcribed, with lead sheets also provided for more experienced players. Finally, the book contains a complete chart for performance of a popular Cuban hit by the popular group Los Que Son Son, led by Pupy Pedrosó, the subject of several of the Beyond Salsa Piano books.

Most Treasured of All Gayle L. Teague 2015-09-23 I intend to leave this book my to children and grandchildren. I hope it is received in the same spirit that I give it. I love every one of them with all my heart. They are all precious individuals, and I am very proud of each one. May God bless them. Times have changed. I miss the 1940's when things were simple. Today kids are smarter than we were. They are on strange electronic games that I do not understand. I suspect they are addictive and perhaps even harmful, depending on content. The temptations today are many times more problematic than when I grew up. These young people are high-tech, intelligent, and far ahead of me at their age. They are all very smart and are, or will be, well educated. They show signs of becoming very successful in this world.

However, my concerns are related to the spiritual side of life and reality. What about life hereafter? Have I prepared them for the next life? I fear I have failed in that regard and I write in order to leave them something about God's word that may take up the slack in things where I have failed. I want to be sure that my kids and grandkids become believing, studious Christians as adults. If there is an afterlife, and I believe there is, it must be of great importance for all so, get ready, I believe we will all have an afterlife. We, in America, are fortunate in that we have freedom of religion and there are churches on every corner teaching the basic principles of our Lord and Savior. My Dad raised me on the bible and denominational doctrine because that's what he knew. He gave me a good start but I have discovered that there is much more to learn than denominational tradition. I believe an open mind is absolutely necessary and denominational training is a closed down system loyal to only one view. I want my children to study God's word. Unfortunately, many churches and church people do not study, but accept a particular traditional doctrine that has been handed down to them. I am now in my late seventies. I am not an academic and hold no degrees in theology. One might say I have a degree in hard knocks, experience, big mistakes, and corrections. I hope that my years of study and faith are enough. After years of doubting, study, research, and prayer I have come to believe that the bible is the most valuable word of wisdom on earth, The Most Treasured of All books on the planet. Very intelligent men and women have tried to disprove the bible but the more they attack, the better the old book looks. It is still the world's best seller. I believe we can base our whole life in this world and the life hereafter on the bible. I intend to convince my children and grandchildren of that, and I pray they read what I have left them.
