Leonard Nimoy's Primortals Steve Perry 1997 Based on a comic book series called Primortals, a novelization tells the story of an alien race who visited Earth many eons ago and absconded with specimens of terrestrial life before an ecological catastrophe.

The Decameron Giovanni Boccaccio 2017-12-06 John Payne's translation of The Decameron was originally published in a private printing for The Villon Society, London in 1886. Comprised of 100 novellas told by ten men and women over a ten day journey fleeing plague-infested Florence, the Decameron is an allegorical work famous for its bawdy portrayals of everyday life, its searing wit and mockery, and its careful adherence to a framed structure. The word "decameron" is derived from the Greek and means "ten days". Boccaccio drew on many influences in writing the Decameron, and many writers, including Martin Luther, Chaucer, and Keats, later drew inspiration from the book. Giovanni Boccaccio (1313-1375) was an Italian writer and humanist, one of the founders of the Renaissance. He studied business but abandoned it eventually to pursue his literary interests. In 1350 Boccaccio met Francesco Petrarca (Petrarch) (1304-1374), one the most important figures in the beginnings of the Renaissance and Humanism.

Shekhina Leonard Nimoy 2002 Essay by Donald Kuspit The first monograph by famed actor and director

Leonard Nimoy, this eerily beautiful photographic study of the female form reveals Nimoy's intrigue with Old Testament mythology and ancient spirituality. The Shekhina, described by the Kabbala as God's feminine counterpart, is understood by mystics to be a crucial element of both divine and human spirit, symbolising the creativity and wisdom without which no being is complete. Here, Nimoy uses 50 duotone photos as an exhaustive investigation of his own spirituality.

Think you know everything about the Original Series? Think again. Star Trek: The Lost Scenes is packed with hundreds of never-before-seen color photos of the world's ultimate sci-fi series. Professionally restored images are used to chronicle the making of the series, reassemble deleted scenes, and showcase bloopers from the first pilot through the last episode. Whether you're a new Star Trek fan or a seasoned veteran, this book is a must-have.

Outwitting History Aaron Lansky 2005-09-02 This true story of a quest to save Jewish literature is “a detective story, a profound history lesson, and a poignant evocation of a bygone world” (The Boston Globe). In 1980 an entire body of Jewish literature—the physical remnant of Yiddish culture—was on the verge of extinction. Precious volumes that had survived Hitler and Stalin were being passed down from

older generations of immigrants to their non-Yiddish-speaking children, only to be discarded or destroyed. So Aaron Lansky, a twenty-three-year-old graduate student, issued a worldwide appeal for unwanted Yiddish works. Lansky's passion led him to travel from house to house collecting the books—and the stories of these Jewish refugees and the vibrant intellectual world they inhabited. He and a team of volunteers salvaged books from dusty attics, crumbling basements, demolition sites, and dumpsters. When they began, scholars thought that fewer than seventy thousand Yiddish books existed. In fact, Lansky's project would go on to save over 1.5 million volumes, from famous writers like Sholem Aleichem and I. B. Singer to one-of-a-kind Soviet prints. This true account of his journey is both “extraordinary” (The Boston Globe) and “entertaining” (Los Angeles Times). “Lansky charmingly describes his adventures as president and founder of the National Yiddish Book Center, which now has new headquarters at Hampshire College in Amherst, Mass. To Lansky, Yiddish literature represented an important piece of Jewish cultural history, a link to the past and a memory of a generation lost to the Holocaust. Lansky's account of salvaging books is both hilarious and moving, filled with Jewish humor, conversations with elderly Jewish immigrants for whom the books evoke memories of a faraway past, stories of desperate midnight rescues from rain-soaked dumpsters, and touching accounts of Lansky's trips to what were once thriving Jewish communities in Europe. The book is a testimony to his love of Judaism and literature and his desire to make a difference in the world.” —Publishers Weekly

Star Trek - The Original Series: A Celebration Ben Robinson 2021-09-21 Celebrate Star Trek: The Original Series with this epic, fully authorized coffee-table book! New interviews, archival conversations, never-before-seen art and sketches, and more! Gene Roddenberry's “Wagon Train to the Stars” continues to live long and prosper, with Discovery, Lower Decks, and Picard currently on the air, and Strange New Worlds on the way. But it all began 55 years ago with Star Trek: The Original Series. The second installment in Hero Collector's Celebration line (following Star Trek: Voyager – A Celebration), Star Trek: The Original Series – A Celebration includes more than a dozen new interviews with cast and creatives, scores of never-before-seen photographs and sketches, as well as chapters taking fresh looks at the show's creation, directing, visual effects, props, and most-pivotal episodes.

The Autobiography of Mr. Spock Una McCormack 2021-09-14 The iconic Star Trek character's lifestory

appears for the first time in his own words; perfect for fans of the upcoming Star Trek: Strange New Words. One of Starfleet's finest officers and the Federation's most celebrated citizens reveals his life story. Mr Spock explores his difficult childhood on Vulcan with Michael Burnham, his controversial enrolment at Starfleet Academy, his time on the Enterprise with both Kirk and Pike, and his moves to his diplomatic and ambassadorial roles, including his clandestine mission to Romulus. Brand-new details of his life on Vulcan and the Enterprise are revealed, along with never-before-seen insights into Spock's relationships with the most important figures in his life, including Sarek, Michael Burnham, Christopher Pike, Kirk, McCoy and more, all told in his own distinctive voice.

A Lifetime of Love Leonard Nimoy 2002 "We are star-met. We are joined. We are blessed. We who have found each other. We are the dream of the ages. We are the hope, the desire. We are love." With this tender and contemplative collection of poetry, multifaceted poet, actor, and director Leonard Nimoy welcomes us into his world of quiet reflection and joyous love. Best known for his role as Mr. Spock in the enormously popular television and film series STAR TREK, Nimoy takes us along with him on a soul-searching journey in which he explores his innermost thoughts, feelings, and fears, exposing love's fragility, warmth, and overwhelming presence in his life. Profoundly mindful of the need all people have to love and be loved, to laugh and to cry, to give as well as to receive comfort and understanding, Nimoy displays a range of complex and varied emotions in this deeply moving compilation. His words capture the tenderness and intimacy between two people standing together, united against any hardship, searching for the light to take them to their dreams, and blessed by the pure and simple delight of having each other to hold and share life with. Written over the course of his lifetime, these poems go deep inside the mind and the heart of a very thoughtful and passionate man to reveal the unfettered happiness, unconditional acceptance, and unmistakable resolve that reside there. Wonderfully insightful and refreshingly candid, **A LIFETIME OF LOVE** is an enchanting portrait of a life that has been touched in every way by love. In his own words... "We are the dreamers. We are the dancers. Life is the music. Love is the song." - Leonard Nimoy"

The Cardinal of the Kremlin Tom Clancy 2013 The Soviet Union and United States Star Wars race escalates, Colonel Mikkail Filtov, America's agent in the Kremlin, is about to be betrayed, and only Jack

Ryan can save Filtov--and world peace.

Beam Me Up, Scotty James Doohan 1996 The actor who brought to life Star Trek's engineering officer Montgomery Scott discusses his army service during World War II, his career, and relationships with his co-stars

Beyond Uhura Nichelle Nichols 1995 The first African-American woman to have a major, continuing television role tells the inside story of "Star Trek" and its creator--her onetime lover and lifelong friend--and her struggle to overcome racism and bias against women

Mamaleh Knows Best Marjorie Ingall 2016-08-30 We all know the stereotype of the Jewish mother: Hectoring, guilt-inducing, clingy as a limpet. In *Mamaleh Knows Best*, Tablet Magazine columnist Marjorie Ingall smashes this tired trope with a hammer. Blending personal anecdotes, humor, historical texts, and scientific research, Ingall shares Jewish secrets for raising self-sufficient, ethical, and accomplished children. She offers abundant examples showing how Jewish mothers have nurtured their children's independence, fostered discipline, urged a healthy distrust of authority, consciously cultivated geekiness and kindness, stressed education, and maintained a sense of humor. These time-tested strategies have proven successful in a wide variety of settings and fields over the vast span of history. But you don't have to be Jewish to cultivate the same qualities in your own children. Ingall will make you think, she will make you laugh, and she will make you a better parent. You might not produce a Nobel Prize winner (or hey, you might), but you'll definitely get a great human being.

Star Trek Lives! Jacqueline Lichtenberg 1975

Live Long And ... William Shatner 2018-09-04 Star Trek legend and veteran author William Shatner discusses the meaning of life, finding value in work, and living well whatever your age. "I have always felt," William Shatner says early in his newest memoir, that "like the great comedian George Burns, who lived to 100, I couldn't die as long as I was booked." And Shatner is always booked. Still, a brief health scare in 2016 forced him to take stock. After mulling over the lessons he's learned, the places he's been,

and all the miracles and strange occurrences he's witnessed over the course of an enduring career in Hollywood and on the stage, he arrived at one simple rule for living a long and good life: don't die. It's the only one-size-fits-all advice, Shatner argues in *Live Long and...What I Learned Along the Way*, because everyone has a unique life—but, to help us all out, he's more than willing to share stories from his unique life. With a combination of pithy humor and thoughtful vulnerability, Shatner lays out his journey from childhood to peak stardom and all the bumps in the road. (Sometimes the literal road, as in the case of his 2,400-mile motorcycle trip across the country with a bike that didn't function.) William Shatner is one of our most beloved entertainers, and he intends never to stop entertaining. His funny, provocative, and poignant reflections offer an unforgettable read about a remarkable man.

New York Magazine 1984-08-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Captain Pike Found Alive! Sean Kenney 2012-10 With these words uttered by fellow co-star Leonard Nimoy, Sean Kenney's career in film and television began. This book shares the magical ride he experienced since his debut on Star Trek in 1966.

Phasers on Stun! Ryan Britt 2022-05-31 Written with inside access, comprehensive research, and a down-to-earth perspective, *Phasers on Stun!* chronicles the entire history of Star Trek, revealing that its enduring place in pop culture is all thanks to innovative pivots and radical change. For over five decades, the heart of Star Trek's pro-science, anti-racist, and inclusive messaging has been its willingness to take big risks. Across thirteen feature films, and twelve TV series—including five shows currently airing or in production—the brilliance of Star Trek is in its endless ability to be rethought, rebooted, and remade. Author and Star Trek expert Ryan Britt charts an approachable and entertaining course through Star Trek history; from its groundbreaking origins amid the tumultuous 1960s, to its influence on diversifying the space program, to its contemporary history-making turns with LGBTQ+ representation, this book

illuminates not just the behind-the-scenes stories that shaped the franchise but the larger meaning of the Final Frontier. Featuring over 100 exclusive interviews with actors and writers across all the generations, including Walter Koenig, LeVar Burton, Dorothy Fontana, Brent Spiner, Ronald D. Moore, Jeri Ryan, and many more, Britt gets the inside story on all things Trek, like Spock's evolution from red devil to the personification of logical empathy, the near failure to launch of The Next Generation in 1987, and how Trekkie outrage has threatened to destroy the franchise more than once. The book also dives deep with creators like Michael Chabon (co-creator of Star Trek: Picard) and Nicholas Meyer (director, The Wrath of Khan). These interviews extend to the bleeding edge of contemporary Star Trek, from Discovery to Picard to Lower Decks, and even the upcoming highly anticipated 2022 series, Strange New Worlds. For fans who know every detail of each Enterprise bridge, to a reader who has never seen a single minute of any Star Trek, this book aims to entertain, inform, and energize. Through humor, insight, archival research, and unique access, this journey through the Star Trek universe isn't just about its past but a definitive look at its future.

I Am Spock Leonard Nimoy 2015-06-23 First time in trade paperback: the memoir by the late Leonard Nimoy, best remembered for his portrayal as everyone's favorite Vulcan, Spock, in Star Trek, the TV series and films. Leonard Nimoy's portrayal of the ever-logical Vulcan, Mr. Spock, is one of the most recognizable, loved, and pervasive characterizations in popular culture. He had been closer to the phenomenon of Star Trek than anyone, having played the pivotal role of Spock in the original series, in six motion pictures, and in a special two-part episode of Star Trek: The Next Generation. I AM SPOCK gives us Nimoy's unique perspective on the beginnings of the Star Trek phenomenon, on his relationship with his costars, and particularly on the reaction of the pointed-eared alien that Nimoy knew best. Here, Nimoy shared the true story behind his perceived reticence to re-create the role and wrote frankly about how his portrayal defined an icon.

Fascinating: The Life of Leonard Nimoy Richard Michelson 2016-09-06 A moving biography of the late Leonard Nimoy, the iconic Spock from Star Trek, whose story exemplifies the American experience and the power of pursuing your dreams. "A wonderful new biography of Nimoy for children, and [...] one of the most unapologetically Jewish profiles for kids in ages. It made me cry."—Tablet Magazine Once there was

a boy named Leonard who loved to sing and to act. His parents were immigrants who felt like aliens in America, and certainly didn't understand Leonard's drive to perform. "Learn to play the accordion," his father told him. "Actors starve, but at least musicians can eke out a living." But Leonard reached for the stars . . . and caught them. He moved to Hollywood, where he took acting lessons, and drove a taxi and took every role he could get. He worked hard, learned his lines, showed up on time, and studied his craft. Until one day he was offered the role of an alien science officer on a new TV show called Star Trek. Leonard knew what it felt like to be an alien. But did he want the role? Fascinating is the story of how one boy followed his dreams to become one of the most beloved figures of our time. "In Leonard's profound absence—it is so lucky that his dear friend Richard Michelson has thought to bring us this richly illustrated account of his inspiring life. Together with Edel Rodriguez they beautifully capture some of the highlights of Leonard's journey from immigrants' son in Boston's west end—to one of the most iconic and recognizable characters in the world."—Zachary Quinto

I Am Not Spock Leonard Nimoy 1975 Leonard Nimoy, the actor, recounts his experiences acting the role of Mr. Spock, Star Trek's unflappable Vulcan, his reactions to his fame, and his continuing identification with Spock

TLA Video & DVD Guide 2004 TLA Video (Firm) 2003-10-24 Reviews over 10,000 films, and includes star, director, and theme indexes.

Amusing Ourselves to Death Neil Postman 2005-12-27 What happens when media and politics become forms of entertainment? As our world begins to look more and more like Orwell's 1984, Neil's Postman's essential guide to the modern media is more relevant than ever. "It's unlikely that Trump has ever read *Amusing Ourselves to Death*, but his ascent would not have surprised Postman." -CNN Originally published in 1985, Neil Postman's groundbreaking polemic about the corrosive effects of television on our politics and public discourse has been hailed as a twenty-first-century book published in the twentieth century. Now, with television joined by more sophisticated electronic media—from the Internet to cell phones to DVDs—it has taken on even greater significance. *Amusing Ourselves to Death* is a prophetic look at what happens when politics, journalism, education, and even religion become subject to the

demands of entertainment. It is also a blueprint for regaining control of our media, so that they can serve our highest goals. "A brilliant, powerful, and important book. This is an indictment that Postman has laid down and, so far as I can see, an irrefutable one." –Jonathan Yardley, *The Washington Post Book World*

Battles & Lullabies Richard Michelson 2006 In this poignant book of poetry, Michelson weaves together the past and present, seeing within his children his own difficult childhood, within current wars the burning memory of the Holocaust, and within himself, the ghost of his father.

Up Till Now William Shatner 2009-04-28 After almost sixty years as an actor, William Shatner has become one of the most beloved entertainers in the world. And it seems as if Shatner is everywhere. In *Up Till Now*, Shatner sits down with readers and offers the remarkable, full story of his life and explains how he got to be, well, everywhere. It was the original *Star Trek* series, and later its films, that made Shatner instantly recognizable, called by name---or at least by Captain Kirk's name---across the globe. But Shatner neither began nor has ended his career with that role. From the very start, he took his skills as an actor and put them to use wherever he could. He straddled the classic world of the theater and the new world of television, whether stepping in for Christopher Plummer in Shakespeare's *Henry V* or staring at "something on the wing" in a classic episode of *The Twilight Zone*. And since then, he's gone on to star in numerous successful shows, such as *T.J. Hooker*, *Rescue 911*, and *Boston Legal*. William Shatner has always been willing to take risks for his art. What other actor would star in history's first---and probably only---all-Esperanto-language film? Who else would share the screen with thousands of tarantulas, release an album called *Has Been*, or film a racially incendiary film in the Deep South during the height of the civil rights era? And who else would willingly paramotor into a field of waiting fans armed with paintball guns, all waiting for a chance to stun Captain...er, Shatner? In this touching and very funny autobiography, William Shatner's *Up Till Now* reveals the man behind these unforgettable moments, and how he's become the worldwide star and experienced actor he is today. "It is now Bill Shatner's universe---we just live in it."---*New York Daily News*

Born with Teeth Kate Mulgrew 2015-04-14 Raised by unconventional Irish Catholics who knew "how to drink, how to dance, how to talk, and how to stir up the devil," Kate Mulgrew grew up with poetry and

drama in her bones. But in her mother, a would-be artist burdened by the endless arrival of new babies, young Kate saw the consequences of a dream deferred. Determined to pursue her own no matter the cost, at 18 she left her small Midwestern town for New York, where, studying with the legendary Stella Adler, she learned the lesson that would define her as an actress: "Use it," Adler told her. Whatever disappointment, pain, or anger life throws in your path, channel it into the work. It was a lesson she would need. At twenty-two, just as her career was taking off, she became pregnant and gave birth to a daughter. Having already signed the adoption papers, she was allowed only a fleeting glimpse of her child. As her star continued to rise, her life became increasingly demanding and fulfilling, a whirlwind of passionate love affairs, life-saving friendships, and bone-crunching work. Through it all, Mulgrew remained haunted by the loss of her daughter, until, two decades later, she found the courage to face the past and step into the most challenging role of her life, both on and off screen. We know Kate Mulgrew for the strong women she's played--Captain Janeway on Star Trek; the tough-as-nails "Red" on Orange is the New Black. Now, we meet the most inspiring and memorable character of all: herself. By turns irreverent and soulful, laugh-out-loud funny and heart-piercingly sad, *BORN WITH TEETH* is the breathtaking memoir of a woman who dares to live life to the fullest, on her own terms.

Star Trek Memories William Shatner 1993

Shatner William Shatner 1979

Too Young for Yiddish Richard Michelson 2002-02-01 Young Aaron wants to learn how to speak to the chickens like his Zayde (grandfather). Zayde's stories and his many books, with their mysterious worlds and their guarded secrets, fascinate Aaron. But always Aaron is too young to learn Yiddish. Zayde thinks that Aaron, and all the new generation of American Jews, should speak English and play baseball?just like all Americans do. When Zayde becomes very old and can no longer see well enough to read his precious books, Aaron decides it is time that Zayde teach him to speak to the chickens before it's too late. This poignant tale about preserving a dying language and the memories of the people who spoke it is also an eloquent tale of America. The importance of heritage and culture, and of honoring the past while building a future, is instilled in young minds through this touching story.

Leonard William Shatner 2016-02-16 New York Times Bestseller Leonard Nimoy and William Shatner first crossed paths as actors on the set of *The Man from U.N.C.L.E.* Little did they know that their next roles as Spock and Captain Kirk, in a new science fiction television series, would shape their lives in ways no one could have anticipated. In seventy-nine television episodes of *Star Trek* and six feature films, they grew to know each other more than most friends could ever imagine. Over the course of half a century, Shatner and Nimoy saw each other through personal and professional highs and lows. In this powerfully emotional book, Shatner tells the story of a man who was his friend for five decades, recounting anecdotes and untold stories of their lives on and off set, as well as gathering stories from others who knew Nimoy well, to present a full picture of a rich life. As much a biography of Nimoy as a story of their friendship, *Leonard* is a uniquely heartfelt book written by one legendary actor in celebration of another.

William Shatner & Leonard Nimoy Bill Shatner 2020-04-27 Leonard Simon Nimoy, born on March 26th, 1931, Boston, Massachusetts, U.S., was an actor, film director, photographer, author, singer, and songwriter. Leonard was best known for playing Spock in the *Star Trek* franchise, a character he portrayed on television then in movies, from a pilot episode during late 1964 to his final film performance in 2013.

The Language of Angels Richard Michelson 2017-02-21 2018 Sydney Taylor Book Award 2017 National Jewish Book Award In 1885, few Jews in Israel used the holy language of their ancestors, and Hebrew was in danger of being lost—until Ben Zion and his father got involved. Through the help of his father and a community of children, Ben modernized the ancient language, creating a lexicon of new, modern words to bring Hebrew back into common usage. Historically influenced dialogue, engaging characters, and colorful art offer a linguistic journey about how language develops and how one person's perseverance can make a real difference. Influenced by illuminated manuscripts, Karla Gudeon's illustrations bring Ben Zion—and the rebirth of Hebrew—to life. A compelling emotional journey — *Publisher's Weekly* A lively introduction to the work of a Hebrew language scholar and lover—and his family — *Kirkus Reviews* A perfect resource for religious school collections and public library language shelves — *Booklist* Hebrew teachers and students in Jewish schools will welcome this gorgeous new picture book about how the language developed and the impact of one person's perseverance on an entire people — *School Library*

Spirit of the Horse William Shatner 2017-05-23 From his first time riding as a child, William Shatner has felt a deep love for horses. Whether seated in the saddle, communicating with them, or simply appreciating their beauty, his bond with these majestic animals is deep. For decades he has sought to share his joy—with children, veterans, those with disabilities, and many more—through his annual Hollywood Charity Horse Show. And here, he brings that same joy to his fans and readers. In *Spirit of the Horse*, the *Star Trek* and Boston Legal legend speaks from the heart about the remarkable effect horses have had on his life and on the lives of others. From his first horse, bought impulsively on the advice of a twelve-year-old, to his favorite horses, acquired after many years of learning what to look for, this book draws from Shatner's own experience and pairs it with a wealth of classic horse stories, including unique retellings of the Pegasus myth and the feats of the most famous war horses throughout history. The result is a celebration that captures the unparalleled connection between humans and horses—and the power, courage, mindfulness, and healing that they can inspire in us. Many fans have heard about Shatner's passion for horses; few have seen it revealed as completely as it is here.

Stars of David Abigail Pogrebin 2007 Capturing the diversity of Jewish religious and ethnic identity, a collection of intimate conversations with sixty-one prominent Jews—including Ruth Bader Ginsburg, Richard Dreyfuss, Leonard Nimoy, Steven Spielberg, Sarah Jessica Parker, Beverly Sills, and Mike Wallace—reveals how they feel about their Jewish identity, religion, tradition, faith, and prejudice. Reprint. 35,000 first printing.

Improvising Out Loud Jeff Corey 2017-05-16 Jeff Corey (1914--2002) made a name for himself in the 1940s as a character actor in films like *Superman and the Mole Men* (1951), *Joan of Arc* (1948), and *The Killers* (1946). Everything changed in 1951, when he was summoned before the House Un-American Activities Committee. Corey refused to name names and was promptly blacklisted, which forced him to walk away from a vibrant livelihood as an actor and embark on a career as one of the industry's most revered acting instructors. In *Improvising Out Loud: My Life Teaching Hollywood How to Act*, Corey recounts his extraordinary story. Among the actors who would soon fill his classes were James Dean, Kirk

Douglas, Jane Fonda, Rob Reiner, Jack Nicholson, and Leonard Nimoy. In 1962, when the blacklist ended, Corey was one of the industry's first trailblazers to seamlessly reboot his acting career and secure roles in some of the classic films of the era, including *Butch Cassidy and the Sundance Kid* (1969), *True Grit* (1969), and *Little Big Man* (1970), in which he starred as the infamous Wild Bill Hickok. Throughout his life, Corey sought to capture the human heart: in conflict, in terror, in love, and in all of its small triumphs. His memoir, which he wrote with his daughter Emily Corey, provides a unique and personal perspective on the man whose teaching inspired some of Hollywood's biggest names to star in the roles that made them famous.

Secret Selves 2010
