Lord of the Flies William Golding 2003-12-16 Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

*Your Marriage and Your Ancestry* Dr. D. K. Olukoya 2015-03-13 Why should anyone think of fighting battles in the area of marriage?...Is there anything spiritual about marriage?...Is marriage not a mere union between a man and a woman? Good questions! Marriage is more than a union. There is more that meets the eye when a man who comes from his own background decides to be joined in wedlock with a lady who comes from another background. Beloved, your marriage rises or falls on your ancestry. Unknown to many people, the extent they will go in the area of marriage has been predetermined by their ancestors. And no matter what you have achieved today, there was a day when you came to this world as a helpless infant. Though your navel, which today, has been separated from your umbilical cord may be seen as an ordinary part of the body. It should actually remind you that it was formerly the rope that tied you to your parents and by extension, your ancestors who lived hundreds of years ago. This is a deep spiritual understanding you must not ignore. Just as there is no human being without a navel, there is no man or a woman who was not formerly linked to his or her parents through the umbilical cord.

*The Micro Economy Today* Bradley R. Schiller 2008-01 Schiller/Sabiston/Phipps, *The Micro Economy Today*, Canadian Edition, is more concise and somewhat less analytical and mathematical than other first year texts. In some respects, it is better suited to the modern undergraduate. It does a better job of explaining some of the key issues without the cost of lengthy exposition. One of the main strengths of *The Micro Economy Today* is the way it connects theory and "real world" issues. The application to theory makes it easy for students to understand, especially at the college level. Students should be more inclined to read this text.

**The Biology of Cilia and Flagella** M. A. Sleight 2016-01-11 *The Biology of Cilia and Flagella* reviews advances in the study of cilia and flagella since 1928. This book focuses on four main topics—structure of cilia, factors that affect ciliary activity, movement of cilia and flagella, and coordination of beat of cilia. In these topics, this compilation specifically discusses the intracellular structures associated with ciliary bases; viscosity of the medium and ciliary activity, and energy relationships of cilia and flagella. The compounding of synchronously beating cilia, variations in shaft structure, and control of ciliary activity by the organism are also elaborated. This text likewise covers the determination of the rate of beat of cilia and root-fiber systems and coordination of ciliary beat. This publication is suitable for biologists and clinicians of other disciplines researching on the structure and physiology of cilia and flagella.

*The Piece Of String* Guy de Maupassant 2021-11-11 Maitre Hauchecome spots a piece of string on the ground during his walk into town. As he bends down to pick it up, he could never have imagined the chaos that would soon ensue. His arch-nemesis Maitre Malandain is laying in wait. Hauchecome has walked straight into a trap intended to demolish his reputation in one blow. "The Piece of String" is an atmospheric revenge tale that portrays human nature, human cruelty, and malice that knows no limits. Guy de Maupassant (1850-1893) was a French writer. Famed for being a master of the short story, he also wrote travel books and occasionally dabbled in poetry. His stories mainly focus on the relationships between men and women sitting at crossroads in their lives - whether personal or professional. His dramatic flair is largely influenced by French novelist Gustave Flaubert and is perfect for fans of Anton

Chekhov's short stories. The most notable of the 300 short stories that he wrote include 'Bel Ami', 'Une Vie', and 'The Dumpling'.
