However below, following you visit this web page, it will be so very simple to get as skillfully as download lead fidel castro a biography

It will not undertake many time as we accustom before. You can do it even if put on an act something else at home and even in your workplace. thus easy! So, are you question? Just exercise just what we offer under as well as review **fidel castro a biography** what you similar to to read!

Cuba Libre! Tony Perrottet 2019-01-22 The surprising story of Che Guevara, Fidel Castro, and the scrappy band of rebel men and women who followed them. Most people are familiar with the basics of the Cuban Revolution of 1956–1959: it was led by two of the twentieth century's most charismatic figures, Fidel Castro and Che Guevara; it successfully overthrew the island nation's US-backed dictator; and it quickly went awry under Fidel's rule. But less is remembered about the amateur nature of the movement or the lives of its players. In this wildly entertaining and meticulously researched account, historian and journalist Tony Perrottet unravels the human drama behind history's most improbable revolution: a scruffy handful of self-taught revolutionaries—many of them kids just out of college, literature majors, and art students, and including a number of extraordinary women—who defeated 40,000 professional soldiers to overthrow the dictatorship of Fulgencio Batista. *Cuba Libre!*'s deep dive into the revolution reveals fascinating details: How did Fidel's highly organized lover Celia Sánchez whip the male guerrillas into shape? Who were the two dozen American volunteers who joined the Cuban rebels? How do you make land mines from condensed milk cans—or, for that matter, cook chorizo à la guerrilla (sausage guerrilla-style)? *Cuba Libre!* is an absorbing look back at a liberation movement that captured the world's imagination with its spectacular drama, foolhardy bravery, tragedy, and, sometimes, high comedy—and that set the stage for Cold War tensions that pushed the world to the brink of nuclear war.

Ernesto Guevara & Fidel Castro The History Hour 2019-09-19 This book is about revolutionary friends. There are many tales of Ernesto "Che" Guevara's military might and strong character, there are those who see him as a hero and the greatest socialist mind of his time, but there are those who see Guevara as a ruthless military leader who executed people without trials and who violated several human rights. Fidel Castro ruled the country of Cuba for almost 60 years, and he changed the political structure of the country to a one-party

socialist state. He ruled firstly as a Prime Minister before converting it to the title of President and Commander-in-Chief of Cuba. Castro's political journey started on a rebellious note as he participated in the revolt against right-wing administrations in Colombia and the Dominican Republic. He later rose to become the leader of the communist revolution. Inside you'll read about Ernesto Guevara. The makings of a revolutionary icon Ernesto Guevara. The Argentinian who liberated Cuba Ernesto Guevara. Exporting the revolution to the rest of the world Ernesto "Che" Guevara's praxis philosophy Fidel Castro. A long road to political recognition The Mystery that is Cuba and the Enigma that is Castro Fidel Castro. From a rogue nation to a peacekeeper Fidel Castro. 1953 insurrection and the vital lessons And much more! Very few men have been subject to as much mysticism and admiration as Ernesto Guevara. His image has been used as the symbol for revolution, freedom, and rebellion in every corner of the world. His legend, inspired by a picture of his face taken in 1960 that made him a symbol, has been written thousands of times by people who paint it as a hero or a villain. In this book, we would highlight Fidel Castro's strengths, weaknesses, mistakes and other attributes of interest. I hope you find this book interesting and inspiring enough to awaken the giant in you to achieve greatness.

The Autobiography of Fidel Castro Norberto Fuentes 2010-12-06 "A compelling fictional personage-by turns arrogant, funny, pompous, lewd, self-absorbed and self-deluding."—Michiko Kakutani, New York Times An audacious "biography" of the ex-president of Cuba told in Castro's own outrageous, bombastic voice. Prize-winning author and journalist Norberto Fuentes was once a revolutionary: a writer with privileged access to Fidel Castro's inner circle during some the most challenging years of the revolution. But in the late 1990s, as the regime began sending its oldest comrades to the firing squad, he became A Man Who Knew Too Much. Escaping a death sentence and now living in exile, Fuentes has written a brilliant, satirical, and utterly captivating "autobiography" of the Cuban leader—in Fidel's own arrogant and seductive language—discussing everything from Castro's early sexual experiences in Birán to his true feelings about Che Guevara and his philosophy on murder, legacy, and state secrets. Critics have long admired Fuentes's writing; one U.S. article called him "Norman Mailer's Cuban pen pal." Akin to Gertrude Stein's *The Autobiography of Alice B. Toklas*, or Edmund Morris's *Dutch*, this wickedly entertaining, true-to-life masterpiece is as imaginative and oversized as Castro himself.

My Life Fidel Castro 2008 He is the only world leader to have outlasted nine US presidents, has survived over 600 assassination attempts and remains one of the twentieth century's most controversial figures. Here Castro tells his story in full for the first time, speaking openly about everything from his parents and earliest influences to his imprisonment, guerrilla war and the Cuban revolution and on to the Bay of Pigs, the missile crisis and his relationship with Che Guevara. He also remembers the people he knew, from John F. Kennedy to Ernest Hemingway. Whatever your views on Castro are, this is an essential record of an incredible life and even more extraordinary times."

Fidel Castro Glenn Garvin 2016-10-11

Fidel Castro Clive Foss 2016-12-09 Biography of Fidel Castro

Che Fidel Castro 2009 "For me, it has always been hard to accept the idea that Che is dead. I dream of him often, that I have spoken to him, that he is alive." ? Fidel Castro The classic biography of one revolutionary by another. Fidel Castro writes with great candor and emotion about a historic revolutionary partnership that changed the face of Cuba and Latin America. Fidel creates a vivid portrait of Che Guevara ? revealing much about his own inimitable determination and character. This new edition of a unique political memoir includes Fidel's speech on the return of Che's remains to Cuba 30 years after his assassination in Bolivia in 1967, and provides a frank assessment of the Bolivian mission.

Castro Herbert Lionel Matthews 1970

The Prison Letters of Fidel Castro Fidel Castro 2009-04-29 Early in Ann Louise Bardach's Cuban voyage she came across Cartas de Presidio or The Prison Letters of Fidel Castro. Edited by Luis Conte Aguero, who was the recipient of most of these letters, they are cited in every important work from Hugh Thomas' opus Cuba to Tad Szulc's Fidel biography, and everything in between and since. These twenty-one letters (nine to Conte Aguero, six to his late sister and close collaborator, Lidia, one to his wife Mirta, one to his comrade in combat, Melba Hernandez letters, one to the great scholar Jorge Manach) are regarded as the single most valuable and revelatory document regarding Fidel Castro and the Cuban Revolution. Never before published in English, these letters were written when Castro was imprisoned for his failed attack on the Moncada from 1953 to 1955 and reveal a man of spectacular ambition and steely determination. A man, who despite being incarcerated to serve a lengthy prison term, never wavers in his confidence that he will one day rule Cuba.

My Life 2007

Che Guevara Richard Legé Harris 2011 Chronicles the life and accomplishments of the internationally famous Argentinian guerrilla fighter.

Castro Reinhard Kleist 2015-09-28 As America moves closer to normalizing relations with Cuba, this gripping, vivid graphic novel reveals life and times of Fidel Castro, one of the twentieth century's most intriguing, charismatic, and divisive figures. The book is narrated by a German journalist named Karl Mertens, who is plunged into the searing heat of pre-revolutionary Cuba in the mid-1950s. He first meets with Castro while the latter is hiding in the mountains, then follows him through the dramatic revolution and his ascent to the presidency that, despite the Bay of Pigs confrontation and years of international trade blockades, lasts for nearly fifty years. We also witness his involvement in bloody skirmishes, failed missions, and brutal crackdowns, as well as his interactions with and on behalf of the Cuban people, which

Downloaded from avenza-dev.avenza.com

reveal as much about his fallible human qualities as they do his legend. Castro is the work of acclaimed German graphic novelist Reinhardt Kleist; it was first published in English by Selfmade Hero for the British market, and is now being made available in the United States for the first time. Bristling with energy and alive with the spirit of Cuba, Castro has much to offer about the complex politics of one of the most enduring and controversial figures in modern history. Reinhardt Kleist is the author of fourteen books, including two others available in English: *The Boxer* and *Johnny Cash: I See a Darkness*. His many awards include the BZ Cultural Award for outstanding cultural achievement from the City of Berlin.

History Will Absolve Me Brian Latell 2016-11-25 The CIA analyst who tracked Castro for decades explores the mind and motivations of the man who governed Cuba for nearly half a century. On trial in Santiago for leading a bloody assault on the city's Moncada garrison, young revolutionary leader Fidel Castro uttered a phrase in court that would come to serve as a rallying cry for his 26th of July Movement and his regime thereafter: "History will absolve me." Despite the fact that his methods resulted in great loss of life on both sides, Castro never wavered in his belief that in the final reckoning his life's work would be vindicated—his violence necessary in bringing a new government to Cuba and a new political model to the developing world. For decades, CIA analyst Brian Latell tracked Castro relentlessly—getting to know his habits, his fears, and the passions that drove him. In this book, the author of *After Fidel* and *Castro's Secret* steps from the shadows to paint a complex and nuanced portrait of the man he came to know better than any other intelligence target—revealing the mind and motivations of one of the most mercurial, passionate, and dominating leaders of the twentieth century. "One of America's foremost Cuba analysts." —George J. Tenet, former CIA director

Fidel Castro Tyler Bowen 2016-11-28 Fidel Castro was a Cuban politician and revolutionary who governed the Republic of Cuba for 47 years as Prime Minister from 1959 to 1976 and then as President from 1976 to 2006. Politically a Marxist-Leninist and Cuban nationalist, he also served as the First Secretary of the Communist Party of Cuba from 1961 until 2011. Under his administration, Cuba became a one-party socialist state; industry and business were nationalized, and state socialist reforms were implemented throughout society. Born in Birón, Oriente as the son of a nouveau riche sugarcane farm owner originally from Galicia, Spain, Castro adopted leftist anti-imperialist politics while studying law at the University of Havana. After participating in rebellions against right-wing governments in the Dominican Republic and Colombia, he planned the overthrow of Cuban President Fulgencio Batista, launching a failed attack on the Moncada Barracks in 1953. After a year's imprisonment, he traveled to Mexico where he formed a revolutionary group, the 26th of July Movement, with his brother Raúl Castro and Che Guevara. Returning to Cuba, Castro took a key role in the Cuban Revolution by leading the Movement in a guerrilla war against Batista's forces from the Sierra Maestra. After Batista's overthrow in 1959, Castro assumed military and political power as Cuba's Prime Minister. The United States opposed Castro's government, and

unsuccessfully attempted to remove him by assassination, economic blockade, and counter-revolution, including the Bay of Pigs Invasion of 1961. Countering these threats, Castro formed an alliance with the Soviet Union. In response to U.S. nuclear missiles in Turkey, and perceived U.S. threats against Cuba, Castro allowed the Soviets to place nuclear weapons on Cuba, sparking the Cuban Missile Crisis-a defining incident of the Cold War-in 1962. Adopting a Marxist-Leninist ideology, Castro converted Cuba into a pro-Soviet, one-party, socialist state under Communist Party rule, the first and only in the Western Hemisphere. Policies introducing central economic planning and expanding healthcare and education were accompanied by state control of the press and the suppression of internal dissent. Abroad, Castro supported anti-imperialist revolutionary groups, backing the establishment of Marxist governments in Chile, Nicaragua, and Grenada, and sending troops to aid allies in the Yom Kippur War, Ogaden War, and Angolan Civil War. These actions, coupled with Castro's leadership of the Non-Aligned Movement from 1979 to 1983 and Cuba's medical internationalism, increased Cuba's profile on the world stage. Following the Soviet Union's dissolution in 1991, Castro led Cuba into its "Special Period" and embraced environmentalist and anti-globalization ideas. In the 2000s he forged alliances in the Latin American "pink tide"-namely with Hugo Chávez's Venezuela-and signed Cuba to the Bolivarian Alliance for the Americas. In 2006 he transferred his responsibilities to Vice-President Raúl Castro, who formally assumed the presidency in 2008. Castro is a controversial and divisive world figure. He is decorated with various international awards, and his supporters laud him as a champion of socialism and anti-imperialism whose revolutionary regime secured Cuba's independence from American imperialism. Conversely, critics view him as a dictator whose administration oversaw human-rights abuses, the exodus of a large number of Cubans, and the impoverishment of the country's economy. Through his actions and his writings he has significantly influenced the politics of various individuals and groups across the world.

Celebrity Biographies - The Amazing Life Of Fidel Castro - Famous People Matt Green Fidel Castro was born on 13th August 1926 near Biran in the south eastern Oriente Province of Cuba. His father Angel Castro Y Argiz was a wealthy sugarcane planter and migrates to Cuba from Galicia, Northwest Spain. At 17 years age, Fidel was formally accepted by his father and his name was changed from Ruz to Castro. At 6 years age, Castro went to live with his teacher in Santiago de Cuba. He then went to the privately funded, Jesuit-run Dolores School in Santiago. Although he disliked the strict discipline in the school, Fidel soon proved that he was very smart and intelligent. For more interesting facts you must read his biography. Grab Your biography book now!

in the Sierra Maestra, life with the Soviet Union, involvement in Third World politics, and survival in the face of the hostility of the United States just ninety miles away. The author has researched archives from Havana, London, Washington, and Madrid and conducted original interviews with Fidel Castro's contemporaries, in Cuba and throughout the world, that provide fascinating insights into his personality and achievements.Â

The Double Life of Fidel Castro Juan Reinaldo Sanchez 2015-05-12 A revelatory memoir of the 17 years Juan Sanchez spent as one of Fidel Castro's personal soldiers, in his innermost circle

Fidel Castro Hourly History 2017-09-27 Fidel Castro When Fidel Castro died on November 25, 2016, it seemed as if much of the world didn't quite know what to make of the revolutionary leader. The images of loyal Cubans in Havana openly crying in the streets stood in stark contrast to the Cuban exiles and their descendants just 90 miles away in Miami, Florida. While Cuban citizens were mourning, Cuban Americans were celebrating; they were laughing, dancing, and drinking to celebrate Castro's demise. It seems that Fidel Castro was just as polarizing in death as he was in life. Inside you will read about... - The Beginnings of a Revolutionary - Castro Meets Che Guevara - The Bay of Pigs - The Cuban Missile Crisis - Castro's Soviet Ally - The Assassination Conspiracy - Doctors For Oil And much more! Learn more about the life of one of the twentieth century's most controversial figures.

Fidel Castro Reader Fidel Castro 2007 By his mastery of the spoken word, Fidel Castro reveals the unfolding process of the Cuban revolution, its extraordinary challenges, crises, chaos and achievements. Part of a two-volume anthology, this first volume is based on Castro's speeches.

Celebrity Biographies - The Amazing Life Of Nelson Mandela and Fidel Castro - Biography Series Matt Green Nelson Mandela was born on July 18, 1918 in a small South African village. His father, a tribal chief, gave his son the name Rolihlahla. At the age of 7, he began his British education, and his teacher gave him the name Nelson. When his father died, Nelson was sent to live with the leader of the Thembu people. Fidel Castro, a charismatic leader and a revolutionary politician remained the Prime Minister of Cuba from 1959 to 1976 and the President of Cuba from 1976 to 2008. He also served as the Commander in Chief of the Cuban Armed Forces from 1959 to 2008. He was the First Secretary of the Communist Party of Cuba from 1961 to 2011. He was twice the Secretary General of the Non-Aligned Movement. An illegitimate son of sugarcane planter, Fidel was born in Cuba on 13th of August 1926. He led the law student federation and participated in two political uprisings in Columbia and Dominican Republic. He earned his law degree from the University of Havana in 1950. For more interesting facts You must read the biographies.

and the Caribbean.

Guerrilla Prince: The Untold Story Of Fidel Georgie Geyer 2011-02-01 Based on hundreds of interviews conducted over many years in 28 countries, including extensive personal interviews with Castro himself, Georgie Anne Geyer reveals the untold story of Fidel Castro in this definitive biography.

Fidel Castro Petra Press 2000 A biography of the president of Cuba, Fidel Castro, discussing his childhood, family, revolutionary activities, and role as leader of his country since 1959.

Fidel Castro Volker Skierka 2014-09-04 Fidel Castro is one of the most interesting and controversial personalities of our time – he has become a myth and an icon. He was the first Cuban Caudillo – the man who freed his country from dependence on the USA and who led his people to rediscover their national identity and pride. Castro has outlived generations of American presidents and Soviet leaders. He has survived countless assassination attempts by the CIA, the Mafia, and Cubans living in exile. He has become one of the greatest politicians of the 20th Century. His biography, and the history of his country exemplify the tensions between East and West, North and South, rich and poor. As Castro's life draws to a close, the question as to what will become of Cuba is more important than ever. Will Castro open Cuba to economic reform and democratization, or stick to his old slogan socialism or death? In this remarkable, up-to-date reconstruction of Castro's life, Volker Skierka addresses these questions and provides an account of the economic, social, and political history of Cuba since Castro's childhood. He draws on a number of little-known sources, including material from the East German communist archives on Cuba, which were until recently inaccessible. This is an exciting, painstakingly researched, and authoritative account of the life of one of the most extraordinary political figures of our time.

Fidel Castro Robert E. Quirk 1993 Traces the life of the Cuban Prime Minister, describes his childhood and education, recounts his overthrow of the Batista government, and looks at the challenges he has faced, including the Bay of Pigs invasion and the Cuban Missile Crisis

Fidel Nestor Kohan 2010-06-01 In the United States, ninety miles from Cuban shores, tempers flare on the subject of Fidel Castro: some say he is a liberator, some say a dictator. In *Fidel*, Nestor Kohan and Nahuel Scherma present one of the towering figures of the twentieth-century as he is seen by Latin Americans: as the leader who, for over fifty years, has stood up to the greatest military power in the world, and remained standing. Here, in Kohan's incisive prose and Scherma's passionate illustrations, is the man who, inspired by decades of Latin American Marxist thinking, fought from the mountains of the Sierra Maestra to free his country--the man who walked the razor's edge between military threats by the United States and political coercion by the Soviet Union--the man who became a leader in the revolution against colonial governments from Angola to Vietnam to Latin America--the man who fought, above all, to transform the conscience of his people, spreading literacy, culture, and free medical care to everyone on the island. Here is Fidel--the man who became the symbol of the revolution in the New World.

The Man Who Invented Fidel Anthony DePalma 2007-05-01 In 1957, Herbert L. Matthews of the New York Times, then considered one of the premiere foreign correspondents of his time, tracked down Fidel Castro in Cuba's Sierra Maestra mountains and returned with what was considered the scoop of the century. His heroic portrayal of Castro, who was then believed dead, had a powerful effect on American perceptions of Cuba, both in and out of the government, and profoundly influenced the fall of the Batista regime. When Castro emerged as a Soviet-backed dictator, Matthews became a scapegoat; his paper turned on him, his career foundered, and he was accused of betraying his country. In this fascinating book, New York Times reporter DePalma investigates the Matthews case to reveal how it contains the story not just of one newspaperman but of an age, not just how Castro came to power but how America determines who its enemies are. He re-creates the atmosphere of revolutionary Cuba and Cold War America, and clarifies the facts of Castro's ascension and political evolution from the many myths that have sprung up around them. Through a dramatic, ironic, in ways tragic story, *The Man Who Invented Fidel* offers provocative insights into Cuban politics, the Cuban-American relationship, and the many difficult balancing acts of responsible journalism.

Fidel Peter G. Bourne 1986 An account of the life, career, personal and public character, talents, and shortcomings of the Cuban leader, written by a psychiatrist and former U.S. government official

Give Me Liberty David E. Hoffman 2022-06-21 From the Pulitzer Prize-winning Washington Post reporter David E. Hoffman comes the riveting biography of Oswaldo Payá, a dissident who dared to defy Fidel Castro, inspiring thousands of Cubans to fight for democracy. Oswaldo Payá was seven years old when Fidel Castro seized power in Cuba, promising to create a “free, democratic, and just Cuba.” But Castro instead created an authoritarian regime with little tolerance of free speech or thought. His secret police were trained to crush dissent by East Germany’s ruthless Stasi. Throughout Cuba’s 20th century history, the dream of democracy was often just within reach, only to be dashed by dictatorship and revived again by a new generation. Payá inherited this dream and it became his life’s work. As a teenager in Communist Cuba, he led a protest against the Soviet-led shattering of the Prague Spring. Before long, he was sent to Castro’s forced labor camps. Payá later became a leading voice of opposition and formed a pro-democracy movement. A devoted Catholic, he championed a simple, bedrock belief that rights are bestowed by God, and not the state. Every day, he witnessed these rights trampled in Cuba. He could not stay silent. Payá’s most daring challenge to the Cuban government was the Varela Project, a one-page citizen petition demanding free speech, a free press, freedom of association, freedom of belief, private enterprise, free elections and freedom for political prisoners. More than 35,000 people signed the Varela Project, an extraordinary outpouring of protest—with nothing more than pen and paper—against Castro’s decades of despotism. The regime responded by ignoring the petition, arresting dozens of Payá’s followers and sending them to prison for many years. After receiving multiple death threats, Payá was killed in a suspicious car wreck on a remote country road. Pulitzer Prize-winning reporter David E. Hoffman returns with an epic portrait of a lone individual who had the courage, faith, and persistence to struggle for democracy against an unforgiving dictator. At its heart, *Give Me Liberty* is a sweeping account of one country’s tragic and continuing struggle for its freedom.

Guerrilla Prince Georgie Anne Geyer 1993 Presents the story of the first modern guerrilla leader, in which the charismatic Cuban revolutionary emerges as his people's betrayer, motivated by megalomania and anti-Americanism

Young Castro Jonathan M. Hansen 2020-06-30 This intimate, revisionist portrait of Fidel Castro, showing how an unlikely young Cuban led his country in revolution and transfixed the world, is “sure to become the standard on Castro’s early life” (Publishers Weekly). Until now, biographers have treated Castro’s life like prosecutors, scouring his past for evidence to convict a person they don’t like or don’t understand. *Young Castro* challenges us to put aside the caricature of a bearded, cigar-munching, anti-American hothead to discover how Castro became the dictator who acted as a thorn in the side of US presidents for nearly half a century. In this “gripping and edifying narrative...Hansen brings imposing research and notable erudition” (Booklist) to Castro’s early life, showing Castro getting his toughness from a father who survived Spain’s class system and colonial wars to become one of the most successful independent plantation owners in Cuba. We see a boy running around

that plantation more comfortable playing with the children of his father's laborers than his own classmates at elite boarding schools in Santiago de Cuba and Havana. We discover a young man who writes flowery love letters from prison and contemplates the meaning of life, a gregarious soul attentive to the needs of strangers but often indifferent to the needs of his own family. These pages show a liberal democrat who admires FDR's New Deal policies and is skeptical of communism, but is also hostile to American imperialism. They show an audacious militant who stages a reckless attack on a military barracks but is canny about building an army of resisters. In short, Young Castro reveals a complex man. The first American historian in a generation to gain access to the Castro archives in Havana, Jonathan Hansen was able to secure cooperation from Castro's family and closest confidants. He gained access to hundreds of never-before-seen letters and interviewed people he was the first to ask for their impressions of the man. The result is a nuanced and penetrating portrait of a man at once brilliant, arrogant, bold, vulnerable, and all too human: a man who, having grown up on an island that felt like a colonial cage, was compelled to lead his country to independence.

Fidel Castro Thomas M. Leonard 2004 Describes the life of the leader of Cuba, outlines the four stages of the Cuban Revolution, narrates his successes and failures, and includes a timeline extending from 1926 through 2002.

Bacardi and the Long Fight for Cuba Tom Gjelten 2008-09-04 In this widely hailed book, NPR correspondent Tom Gjelten fuses the story of the Bacardi family and their famous rum business with Cuba's tumultuous experience over the last 150 years to produce a deeply entertaining historical narrative. The company Facundo Bacardi launched in Cuba in 1862 brought worldwide fame to the island, and in the decades that followed his Bacardi descendants participated in every aspect of Cuban life. With his intimate account of their struggles and adventures across five generations, Gjelten brings to life the larger story of Cuba's fight for freedom, its tortured relationship with America, the rise of Fidel Castro, and the violent division of the Cuban nation.

Who Was Fidel Castro? Sarah Fabiny 2017-08-22 When Fidel Castro died on November 25, 2016, many people around the world responded with mixed emotions. Learn all about the man who shaped Cuba for more than half a decade. After overthrowing Fulgencia Batista in 1959, Fidel Castro became the leader of an island country only ninety miles away from Florida. While in power, Castro outlasted ten US presidents and turned the small nation into a one-party state with influence over the entire world. Called a leader by some and a dictator by others, Castro defined not one but several eras in world politics.

Cuba (Winner of the Pulitzer Prize) Ada Ferrer 2021-09-07 The epic history of Cuba from before Columbus arrived to modern times and its complex relationship with the United States

Castro's Daughter Alina Fernandez 1998-10-15 "Mommy, mommy, call him. Tell him to come here right away. I have so many things to tell him!" I had a ton of

things to tell him. I wanted him to find a solution to all the shortages of clothes; of meat, so it would again be distributed through the ration books. I also wanted to ask him to give our Christmas back. And to come live with us. I wanted to let him know how much we really needed him... Fidel didn't answer my letter. I kept writing him letters from a sweet and well-behaved child, a brave but sad girl. Letters resembling those of a secret, spurned lover... As a girl growing up in Cuba, Alina Fernandez found nothing abnormal in the fact that Fidel Castro would occasionally visit her house bearing gifts just for her. At the age of ten, her mother finally told her the truth: she was Castro's Daughter.

Fidel Castro Robert E. Quirk 1993 A vivid biography goes beyond the story of one man steering a nation on a perilous course to track the people of a small nation caught in the uncertainty of perpetual revolution.

The Real Fidel Castro Leycester Coltman 2008-10-01 Rhetoric during and after the Cold War years has painted starkly contrasting portraits of Cuba's Fidel Castro: an unblemished idealist on the one hand, a ruthless dictator on the other. This insightful book, the most intimate and dispassionate biography of the revolutionary leader to date, shows that neither assessment is true. Leycester Coltman, British ambassador to Cuba in the early 1990s, came as close to personal friendship with Castro as any foreigner was permitted. With frequent contact and regular conversations, Coltman was in a unique position to observe the dictator's personality in both public and private situations. Here he presents a close-up view of the man who for half a century has been loved, admired, feared, and hated, but seldom really understood. Coltman chronicles the events of the Cuban leader's extraordinary life from the political activism of his university days in Havana to periods of exile, imprisonment, and guerilla warfare alongside Che Guevara, to the uncertainties of his old age. Drawing on personal observation and archival sources in Cuba and abroad, Coltman explores the contradiction between the private character and the public reputation, and highlights the complexities of the consummate actor who continues to play a crucial role on the international stage.
