Texas Monthly On . . . editors of Texas Monthly 2009-02-17 From reviews of the newest, hippest restaurants in cities across Texas to stories about the comfort foods we all love, Texans have long relied on Texas Monthly to dish up some of the best writing about food in the Lone Star state. This anthology brings together twenty-eight classic articles about food in Texas and the culture that surrounds it—markets that purvey exotic and traditional foods, well-known chefs, tributes to the cooks and cookbooks of days gone by, and even a feature on how to open a restaurant. Many of the articles are by Patricia Sharpe, Texas Monthly's longtime restaurant critic and winner of the James Beard Journalism Award for Magazine Feature Writing without Recipes. Joining her are Texas Monthly editor Evan Smith and contributors Gary Cartwright, Jordan MacKay, Skip Hollandsworth, Pamela Colloff, Anne Dingus, Suzy Banks, Joe Nick Patoski, and Prudence Mackintosh.

Texas Monthly 1978-09 Since 1973, TEXAS MONTHLY has chronicled life in contemporary Texas, reporting on vital issues such as politics, the environment, industry, and education. As a leisure guide, TEXAS MONTHLY continues to be the indispensable authority on the Texas scene, covering music, the arts, travel, restaurants, museums, and cultural events with its insightful recommendations.

Successful Meetings 1998

Pentecostals and Nonviolence April Alexander 2012-11-09 Pentecostals and Nonviolence explores how a distinctly Pentecostal-charismatic peace witness might be reinvigorated and sustained in the twenty-first century. To do so, the book examines the nature of the early Pentecostal commitment to nonviolence, and investigates the possibilities that might emerge from Pentecostals and Anabaptists entering into conversation and worship with each other. Contributors engage the arguments surrounding the heritage of Pentecostal pacifism in the United States and then move toward exploring nonviolence and peacemaking as crucial for contemporary Christianity as a whole. Ranging from theology, testimony, and pastoral ministry to interchurch relations, activism, and protest, this diverse collection of essays challenge and invite the whole church to the task of peacemaking while exploring the distinctive, and often neglected, contributions from the Pentecostal-charismatic tradition.

Haunted Places In Texas Sean Mosley 2013-01-30 Complete list of haunted places & history in Texas and how to ghost hunt. Have you ever dreamed of being a ghost hunter? How about visiting every haunted place in your territory? This 98 page book is everything you need to get you started in the world of ghost hunting!

Editor & Publisher 2004

Speaker Jim Wright J. Brooks Flippen 2018-04-01 Jim Wright made his mark on virtually every major public policy issue in the later twentieth century—energy, education, taxes, transportation, environmental protection, civil rights, criminal justice, and foreign relations, among them. He played a significant role in peace initiatives in Central America and in the Camp David Accords, and he was the first American politician to speak live on Soviet television. A Democrat representing Texas's twelfth district (Fort Worth), Wright served in the US House of Representatives from the Eisenhower administration to the presidency of George H. W. Bush, including twelve years (1977–1989) as majority leader and speaker. His long congressional ascension and sudden fall in a highly partisan ethics scandal spearheaded by Newt Gingrich mirrored the evolution of Congress as an institution. Speaker Jim Wright traces the congressman's long life and career in a highly readable narrative grounded in extensive interviews with Wright and access to his personal diaries. A skilled connector who bridged the conservative and liberal wings of the Democratic party while forging alliances with Republicans to pass legislation, Wright ultimately fell victim to a new era of political infighting, as well as to his own hubris and mistakes. J. Brooks Flippen shows how Wright's career shaped the political culture of Congress, from its internal rules and power structure to its growing partisanship, even as those new dynamics eventually contributed to his political demise. To understand Jim Wright in all his complexity is to understand the story of modern American politics.

Texas Monthly 1988-04 Since 1973, TEXAS MONTHLY has chronicled life in contemporary Texas, reporting on vital issues such as politics, the environment, industry, and education. King Ranch Noe Perez 2021 "Covering 825,000 acres in the Coastal Plain and Brush Country of South Texas, King Ranch, established in 1853, looms large in Texas and American history. Since its founding by the energetic and visionary Richard King, it has indelibly captured for generations the essence of the American West. As Tom Lea asserted in his epic 1953 history, the spirit of the place "is alive in the land itself, in the far quietness of growing grass and grazing herds." In *King Ranch: A Legacy in Art*, editors Bob Kinnan, William E. Reaves, and Linda J. Reaves have assembled a team of collaborators to present a beautiful, informative account of the ranch and its place in the artistic heritage of the region. Pairing original paintings by artist Noe Perez with

insightful essays from curators Bruce Shackelford and Ron Tyler, this book celebrates the many ways 'King Ranch culture' has enriched appreciation for the decorative, practical, and fine arts in Texas and the greater American West. Opening with a foreword by Jamey Clement, current chair of the board for King Ranch, Inc., and continuing with a brief introduction to the ranch's history by Bob Kinnan, *King Ranch: A Legacy in Art* will heighten appreciation of the natural beauty and artistic influence of this legendary place. BOB KINNAN previously managed the Santa Gertrudis Heritage Society and King Ranch Archives and has been King Ranch Historian since 2016. WILLIAM E. REAVES is the author of *Texas Art* and *A Wildcatter's Dream*, coauthor for *Of Texas Rivers* and *Texas Art*, and coeditor of *Sense of Home: The Art of Richard Stout*. LINDA J. REAVES is coeditor of *Sense of Home: The Art of Richard Stout* and coauthor of *A Book Maker's Art: The Bond of Arts and Letters* at Texas A&M University Press"--

Urban Land 1995

San Antonio Uncovered Mark Louis Rybczyk 2016-01-18 San Antonio is in the national spotlight as one of the fastest growing and most dynamic emerging major cities in America. Yet local lore has it that every Texan has two hometowns—his own and San Antonio. The Alamo City's charm, colorful surroundings, and diverse cultures combine to make it one of the most interesting places in Texas and the nation. In *San Antonio Uncovered*, Mark Rybczyk examines some of the city's internationally known legends and lore (including ghost stories) and takes a nostalgic look at landmarks that have disappeared. He also introduces some of the city's characters and unusual features, debunks local myths, and corrects common misconceptions. Rybczyk embraces San Antonio's peculiarities by chronicling the cross-country journey of the World's Largest Boots to their home in front of North Star Mall; the origins of the Frito corn chip and chewing gum; the annual Cornyation of King Anchovy; and Dwight Eisenhower's stint as the football coach at St Mary's University. This completely updated, new edition of *San Antonio Uncovered* highlights San Antonio as a modern, thriving city with the feel of a small town that sees beauty in the old and fights to save it, even something as seemingly insignificant as an old Humble Oil Station; and its diverse inhabitants as those who appreciate the blending of the old and the new at the Tobin Center and fight to save what's left of the Hot Wells Hotel.

Presto! Penn Jillette 2016-08-02 An unconventional weight loss tale from an unconventional personality—Penn Jillette tells how he lost 100 pounds with his trademark outrageous sense of humor and biting social commentary that makes this success story anything but ordinary. Legendary magician Penn Jillette was approaching his sixtieth birthday. Topping 330 pounds and saddled with a systolic blood pressure reading over 200, he knew he was at a dangerous crossroads: if he wanted to see his small children grow up, he needed to change. And then came Crazy Ray. A former NASA scientist and an unconventional, passionate innovator, Ray Cronise saved Penn Jillette's life with his wild "potato diet." In *Presto*, Jillette takes us along on his journey from skepticism to the inspiring, life-changing momentum that transformed the

magician's body and mind. He describes the process in hilarious detail, as he performs his Las Vegas show, takes meetings with Hollywood executives, hangs out with his celebrity friends and fellow eccentric performers, all while remaining a dedicated husband and father. Throughout, he weaves in his views on sex, religion, and pop culture, making his story a refreshing, genre-busting account. Outspoken, frank, and bitingly clever, Presto is an incisive, rollicking read.

The Tacos of Texas Mando Rayo 2016-09-20 Rooted in tradición mexicana and infused with Texas food culture, tacos are some of Texans' all-time favorite foods. In *The Tacos of Texas*, the taco journalists Mando Rayo and Jarod Neece take us on a muy sabroso taco tour around the state as they discover the traditions, recipes, stories, and personalities behind puffy tacos in San Antonio, trompo tacos in Dallas, breakfast tacos in Austin, carnitas tacos in El Paso, fish tacos in Corpus Christi, barbacoa in the Rio Grande Valley, and much more. Starting with the basics—tortillas, fillings, and salsas—and how to make, order, and eat tacos, the authors highlight ten taco cities/regions of Texas. For each place, they describe what makes the tacos distinctive, name their top five places to eat, and listen to the locals tell their taco stories. They hear from restaurant owners, taqueros, abuelitas, chefs, and patrons—both well-known and everyday folks—who talk about their local taco history and culture while sharing authentic recipes and recommendations for the best taco purveyors. Whether you can't imagine a day without tacos or you're just learning your way around the trailers, trucks, and taqueros that make tacos happen, *The Tacos of Texas* is the indispensable guidebook, cookbook, and testimonio.

Deleites de la Cocina Mexicana María Luisa Urdaneta 2010-07-05 Mexican food, Tex-Mex, Southwestern cuisine—call it what you will, the foods that originated in Mexico have become everyone's favorites. Yet as we dig into nachos and enchiladas, many people worry about the fats and calories that traditional Mexican food contains. *Deleites de la Cocina Mexicana* proves that Mexican cooking can be both delicious and healthy. In this bilingual cookbook, Maria Luisa Urdaneta and Daryl F. Kanter provide over 200 recipes for some of the most popular Mexican dishes—guacamole, frijoles, Spanish rice, chiles rellenos, chile con carne, chalupas, tacos, enchiladas, fajitas, menudo, tamales, and flan—to name only a few. Without sacrificing a bit of flavor, the authors have modified the recipes to increase complex carbohydrates and total dietary fiber, while decreasing saturated and total fats. These modifications make the recipes suitable for people with diabetes—and all those who want to reduce the fats and calories in their diet. Each recipe also includes a nutritional analysis of calories, fats, sodium, etc., and American Diabetic Association exchange rates. Because diabetes is a growing problem in the Mexican-American community, *Deleites de la Cocina Mexicana* is vital for all those who need to manage their diet without giving up the foods they love. Let it be your one-stop guide to cooking and eating guilt-free Mexican food.

Texas Citrus Fiesta Karen Gerhardt Fort and the Mission Historical Museum, Inc.

Downloaded from avenza-dev.avenza.com

2015-01-12 The Texas Citrus Fiesta has remained an exciting celebration since its beginnings in 1932. At that time, Mission civic leaders decided to promote the citrus industry through a festival featuring decorated streets and store windows, a parade, coronation of a king and queen, a court with ladies-in-waiting, a queen's ball, exhibits for citrus growers, and a variety of contests and activities. Social leaders, working through their clubs, added a style show of costumes covered with fruit, vegetable, and flower pieces. Children marched in their own unique parade. The Golden Grapefruit Golf Tournament was added in 1934. Today, directors of the Texas Citrus Fiesta continue these traditional events and others added since 1932. The creativity inspired by the festival, the recognition of regional participants, and the experienced planning needed to accommodate thousands of residents and visitors combine to make Mission's annual Texas Citrus Fiesta a premier event in the Lower Rio Grande Valley.

Standard Directory of Advertising Agencies National Register Publishing Co. Staff 1993 This vital resource supplies essential business facts on this rapidly changing industry, including names & titles of decision makers, total annual billings, billings by media, & much more. Covering over 9,700 agencies & branch offices, no other directory is as accurate, comprehensive, & current as the STANDARD DIRECTORY OF ADVERTISING AGENCIES 1993. Updated quarterly.

Texas BBQ, Small Town to Downtown Wyatt McSpadden 2018-06-01 In Texas BBQ, Wyatt McSpadden immortalized the barbecue joints of rural Texas in richly authentic photographs that made the people and places in his images appear as timeless as barbecue itself. The book found a wide, appreciative audience as barbecue surged to national popularity with the success of young urban pitmasters such as Austin's Aaron Franklin, whose Franklin Barbecue has become the most-talked-about BBQ joint on the planet. Succulent, wood-smoked "old school" barbecue is now as easy to find in Dallas as in DeSoto, in Houston as in Hallettsville. In Texas BBQ, Small Town to Downtown, Wyatt McSpadden pays homage to this new urban barbecue scene, as well as to top-rated country joints, such as Snow's in Lexington, that were under the radar or off the map when Texas BBQ was published. Texas BBQ, Small Town to Downtown presents crave-inducing images of both the new—and the old—barbecue universe in almost every corner of the state, featuring some two dozen joints not included in the first book. In addition to Franklin and Snow's, which have both occupied the top spot in Texas Monthly's barbecue ratings, McSpadden portrays urban joints such as Dallas's Pecan Lodge and Cattleack Barbecue and small-town favorites such as Whup's Boomerang Bar-B-Que in Marlin. Accompanying his images are barbecue reflections by James Beard Award-winning pitmaster Aaron Franklin and Texas Monthly's barbecue editor Daniel Vaughn. Their words and McSpadden's photographs underscore how much has changed—and how much remains the same—since Texas BBQ revealed just how much good, old-fashioned 'cue there is in Texas.

Texas Monthly 1989-05 Since 1973, TEXAS MONTHLY has chronicled life in contemporary Texas, reporting on vital issues such as politics, the environment, industry, and education. As a leisure guide, TEXAS MONTHLY continues to be the indispensable authority on the Texas scene, covering music,

the arts, travel, restaurants, museums, and cultural events with its insightful recommendations.

Texas Q Cheryl Jamison 2020-04-14 For bodacious, bragging-rights barbecue that's easy to master in your backyard smoker, look to Texas! Among the proud barbecue traditions in the United States, from the Carolinas to Memphis to Kansas City—whether spelled barbecue, barbeque, bar-b-q, BBQ, or just Q—none is prouder, more deeply flavored, or rich in tradition than Texas Q. Texas barbecue is best known for beef; and beef brisket in particular, the signature dish that has been celebrated over the years by such legends as Taylor's Louie Mueller and Houston's Jim Goode, as well as by modern-day wunderkind Aaron Franklin in Austin. Cheryl Alters Jamison, co-author with her late husband Bill of the definitive Texas Home Cooking and the original bible for backyard smoke-cooking, *Smoke & Spice*, knows her brisket backwards and forwards and offers several delectable recipes in this exciting book. Cheryl also knows that there's more to Texas barbecue than brisket. Among the more than 100 recipes in these pages you will find loads of ideas for other cuts of beef, as well as for chicken, pork, lamb, fish and other seafood, and vegetables, each infused—via rubs and mops and sauces and spices—with robust, distinctive Texas flavors. Here, too, you will find stunning preparations from outside the Anglo-American beef-and-brisket tradition, from the oft-overlooked Mexican-American, African-American, Eastern European immigrant, and Asian immigrant barbecue styles created by the people who make modern Texas so diverse and fascinating. For blue ribbon brisket and a whole lot more, this is a barbecue book you will use, and use again, for years.

Fonda San Miguel Gilliland, Tom 2016-12-06 “Walking through the old wooden doors at Fonda San Miguel is like a journey back to colonial Mexico. . . . World-class Mexican art and antiques decorate the interior, and famed Mexican chefs have taught and cooked here. Acclaimed as one of the best Mexican restaurants in the country serving authentic interior food . . .” —USA Today “The stately yet bright and colorful hacienda decor and standout Mexican-interior cooking . . . will transport you straight to Guanajuato.” —Vogue “It anchors the city as its premier Mexican restaurant institution.” —The Daily Meal, which named Fonda San Miguel one of “America’s 50 Best Mexican Restaurants” Updated and reissued to celebrate the restaurant’s four decades of success, Fonda San Miguel presents more than one hundred recipes. The selections include many of Fonda’s signature dishes—Ceviche Veracruzano, Enchiladas Suizas, Cochinita Pibil, Pescado Tikin Xik, and Carne Asada—as well as a delicious assortment of dishes from Mexico’s diverse regional cuisines. Supplementary sections contain tips on buying and cooking with the various chiles and other ingredients, along with information on basic preparation techniques, equipment, and mail-order sources. Full-color photographs illustrate special dishes, and representative works from the impressive Fonda San Miguel art collection are also featured, along with notes on the artists.

The Strange Career of William Ellis: The Texas Slave Who Became a Mexican Millionaire Karl Jacoby 2016-06-13 Winner of the Ray Allen Billington Prize and

the Phillis Wheatley Book Award "An American 'Odyssey,' the larger-than-life story of a man who travels far in the wake of war and gets by on his adaptability and gift for gab." –Wall Street Journal A black child born on the US-Mexico border in the twilight of slavery, William Ellis inhabited a world divided along ambiguous racial lines. Adopting the name Guillermo Eliseo, he passed as Mexican, transcending racial lines to become fabulously wealthy as a Wall Street banker, diplomat, and owner of scores of mines and haciendas south of the border. In *The Strange Career of William Ellis*, prize-winning historian Karl Jacoby weaves an astonishing tale of cunning and scandal, offering fresh insights on the history of the Reconstruction era, the US-Mexico border, and the abiding riddle of race in America.

Movies (And Other Things) Shea Serrano 2019-10-08 INSTANT #1 NEW YORK TIMES BESTSELLER WALL STREET JOURNAL BESTSELLER BARNES & NOBLE BESTSELLER AMAZON BESTSELLER "Paging through Serrano's *Movies (and Other Things)* is like taking a long drive at night with a friend; there's that warmth and familiarity where the chat is more important than the fastest route from Point A to Point B...It's like a textbook gone right; your attention couldn't wander if it tried." -- Elisabeth Egan, New York Times Book Review Shea Serrano is back, and his new book, *Movies (And Other Things)*, combines the fury of a John Wick shootout, the sly brilliance of Regina George holding court at a cafeteria table, and the sheer power of a Denzel monologue, all into one. *Movies (And Other Things)* is a book about, quite frankly, movies (and other things). One of the chapters, for example, answers which race Kevin Costner was able to white savior the best, because did you know that he white saviors Mexicans in *McFarland, USA*, and white saviors Native Americans in *Dances with Wolves*, and white saviors Black people in *Black or White*, and white saviors the Cleveland Browns in *Draft Day*? Another of the chapters, for a second example, answers what other high school movie characters would be in Regina George's circle of friends if we opened up the *Mean Girls* universe to include other movies (Johnny Lawrence is temporarily in, Claire from *The Breakfast Club* is in, Ferris Bueller is out, Isis from *Bring It On* is out...). Another of the chapters, for a third example, creates a special version of the Academy Awards specifically for rom-coms, the most underrated movie genre of all. And another of the chapters, for a final example, is actually a triple chapter that serves as an NBA-style draft of the very best and most memorable moments in gangster movies. Many, many things happen in *Movies (And Other Things)*, some of which funny, others of which are sad, a few of which are insightful, and all of which are handled with the type of care and dedication to the smallest details and pockets of pop culture that only a book by Shea Serrano can provide.

A Marmac Guide to Houston and Galveston Kearney, Syd 2005 An award-winning travel writer, photographer, and editor introduces the sites, restaurants, accommodations, and other features of these two major Texas metropolises to would-be visitors and new residents alike. Original.

Grocery Story Jon Steinman 2019-05-07 Hungry for change? Put the power of food co-ops on your plate and grow your local food economy. Food has become ground-

zero in our efforts to increase awareness of how our choices impact the world. Yet while we have begun to transform our communities and dinner plates, the most authoritative strand of the food web has received surprisingly little attention: the grocery store—the epicenter of our food-gathering ritual. Through penetrating analysis and inspiring stories and examples of American and Canadian food co-ops, Grocery Story makes a compelling case for the transformation of the grocery store aisles as the emerging frontier in the local and good food movements. Author Jon Steinman: Deconstructs the food retail sector and the shadows cast by corporate giants Makes the case for food co-ops as an alternative Shows how co-ops spur the creation of local food-based economies and enhance low-income food access. Grocery Story is for everyone who eats. Whether you strive to eat more local and sustainable food, or are in support of community economic development, Grocery Story will leave you hungry to join the food co-op movement in your own community.

Greentailing and Other Revolutions in Retail Neil Z. Stern 2008-11-03 An introduction to greentailing and the five other biggest trends in the retail business In their newest book on retailing, authors Stern and Ander examine the revolutions occurring in the retail marketplace, with particular emphasis on the influential green trend in retailing, or Greentailing. Greentailing is capitalizing on the huge and growing demand for organic, sustainable and wellness-related products. As it evolves, greentailing will force both suppliers and retailers alike in every category to take notice. Leading edge greentailers like Whole Foods and Wal*Mart continue to grow and innovate at

Downloaded from avenza-dev.avenza.com
