She tastes of warmth and grace and sweet seduction. London, present day. Life has always been easy for Maxim Trevelyan, the "spare" to the earldom of Trevethick. With his good looks, aristocratic connections, and money, he's never had to work, and he's rarely slept alone. But all that changes when tragedy strikes and Maxim inherits his family's title, wealth, and estates, and the responsibility that entails. It's a role he's not prepared for and one he struggles to face. But his biggest challenge is fighting his desire for an unexpected, enigmatic young woman who's recently joined his staff. Reticent, beautiful, and musically gifted, she's an alluring mystery, possessing little more than a dangerous and troublesome past. And can he protect her from the malevolence that threatens her? From the heart of London through wild, rural Cornwall to the bleak, forbidding beauty of the Albanian Balkans, *The Mister* combines the sensuality of a modern Regency romance with the danger, desire, and adventure of E L James's captivating storytelling, leaving the reader breathless to the very last page.

Hit Makers Derek Thompson 2017-02-07 NATIONAL BESTSELLER A Book of the Year Selection for Inc. and Library Journal "This book picks up where The Tipping Point left off." -- Adam Grant, Wharton professor and New York Times bestselling author of ORIGINALS and GIVE AND TAKE Nothing "goes viral." If you think a popular movie, song, or app came out of nowhere to become a word-of-mouth success in today's crowded media environment, you're missing the real story. Each blockbuster has a secret history--of power, influence, dark broadcasters, and passionate cults that turn some new products into cultural phenomena. Even the most brilliant ideas wither in obscurity if they fail to connect with the right network, and the consumers that matter most aren't the early adopters, but rather their friends, followers, and imitators -- the audience of your audience. In his groundbreaking investigation, Atlantic senior editor Derek Thompson uncovers the hidden psychology of why we like what we like and reveals the economics of cultural markets that invisibly shape our lives. Shattering the sentimental myths of hit-making that dominate pop culture and business, Thompson shows quality is insufficient for success, nobody has "good taste," and some of the most popular products in history were one bad break away from utter failure. It may be a new world, but there are some enduring truths to what audiences and consumers want. People love a familiar surprise: a product that is bold, yet sneakily recognizable. Every business, every artist, every person looking to promote themselves and their work wants to know what makes some works so successful while others disappear. Hit Makers
