Beautiful on the Outside Adam Rippon 2019-10-15 Former Olympic figure skater and self-professed America's Sweetheart Adam Rippon shares his underdog journey from beautiful mess to outrageous success in this hilarious, big-hearted memoir. Your mom probably told you it's what on the inside that counts. Well, then she was never a competitive figure skater. Olympic medalist Adam Rippon has been making it pretty for the judges even when, just below the surface, everything was an absolute mess. From traveling to practices on the Greyhound bus next to ex convicts to being so poor he could only afford to eat the free apples at his gym, Rippon got through the toughest times with a smile on his face, a glint in his eye, and quip ready for anyone listening. Beautiful on the Outside looks at his journey from a homeschooled kid in Scranton, Pennsylvania, to a self-professed American sweetheart on the world stage and all the disasters and self-delusions it took to get him there. Yeah, it may be what's on the inside that counts, but life is so much better when it's beautiful on the outside.

Figure Skating Now Gérard Châtaigneau 2003 The second edition of this inspiring, beautifully illustrated books focuses the spotlight on the world's best skaters, covering the singles, doubles, and dance pairs that made the sport an international favorite including Timothy Goebel, Sarah Hughes, Michelle Kwan, and many, many others. A Day for Skating Sarah Sullivan 2019-11-05 In a sweet rhyming tale, a young child's first skating adventure on a frozen pond ends with a cozy bedtime story. Tap and step, then slide and turn. Whoops! Fall down. That's how we learn. On a brisk winter's day, the frozen pond is crisscrossed by figure skaters, hockey players, new skaters, and old pros, all gliding across the ice. It's time to bundle up, lace your skates, and give it a try -- then head inside for cocoa and snacks when your cheeks grow rosy and your toes are cold. Back at home, warm bedtime rituals make for the end of a perfect day. But when darkness falls at the pond, who will come out to skate?

My Sergei Ekaterina Gordeeva 2009-09-26 The Olympic gold medalist offers a poignant, loving account of her life with her long-time partner and beloved husband, Sergei Grinkov, from their first introduction and successive world pairs skating championships, to their storybook romance and marriage, to the fatal heart attack that took Sergei's life.

Figure Skating Training Log Backspin Books 2020-02-02 Take your skating to the next level with this Figure Skating Training Log! Developed BY figure skaters, FOR figure skaters, this book will help keep skaters of all ages stay focused during practice sessions so he or she can reach the next level of success. This practice journal contains all of the tools we wish we had during our journey! Each section contains an example of how to use it; especially handy for young skaters! Coaches will love how easily skaters will be able to stay organized and on task. You will be able to progress faster because there will be less repetitive instruction during lessons! Goals: Write down your goals for the season. Whether it is to learn a new element, pass a test, or improve a competition result, cross them off when you accomplish them and make new ones to continue challenging yourself. Conveniently in the front of the book for you to review whenever you need that extra motivation to do one more program runthrough. Notes: The notes section contains both blank and lined pages. Drawing on the ice is fun, but what about after the lesson is over? Never again will your coach have to scramble to find a scrap of paper to draw a tracing or program layout! Use the blank side for drawings and diagrams and make notes of technique or steps during each lesson on the lined side. You could even sketch costumes for your programs! Practice: Lessons are fun and important, but the real path to success is PRACTICE. Use this section to stay on track with the elements you need to practice or track the training of your program. This visual representation will help you and your coach have a better idea of what is working and what isn't. This section is great for when you have a new trick

you are working on that is outside of your typical warm-up and practice routine so you don't forget to practice it. Next time your coach asks to see that new skill, you will be able to proudly show that you have been practicing! Nothing better than a happy coach! Additional Features: Glossy finish Total of 196 pages White paper 6" x 9" size will fit perfectly on the rink boards and in your skate bag We can all agree that skating is more fun when you are conquering new skills and wearing new medals. So, are you ready for more efficient practice sessions? Are you prepared to be a better skater tomorrow than you were yesterday? Start your next practice with this Figure Skating Practice Journal. It will make you jump for joy as you twizzle to the top!

Kids' Book of Figure Skating Rikki Samuels 2004 We all love to watch figure skaters as they glide across the ice and perform amazing spins and jumps. Figure Skating for Fun! Jen Jones 2006 Explains the fundamentals of figure skating, including choosing skates, moving backwards, performing turns, and falling safely.

Ice Dance Kent Castle 2014-08-29 A woman with an obsession, a man with a weakness, a girl with a dream. This contemporary romance novel series develops around a mother/daughter/young man romantic triangle. The story traces the figure skating career of a newly formed pairs team from their rocky startup, working their way up the competition ladder all the way to the Olympics. This second book in the series covers the early competitions and the maturing of the relationships between Millie, Dean, and Shannon. "An enjoyable romance on ice. A consistently entertaining work of steamy fun." "Readers who enjoy a fun, light romance will get everything they hope for." "The well-written skating scenes are precise and accurate. Castle knows his way around a rink." - Kirkus review. "Titillating melodrama takes to the ice rink in this story of ambition and exploitation with a vividly portrayed setting." "Castle relies on his extensive knowledge of figure skating to create a glitzy, exciting setting." "Seduction mingles with humor in riveting scenes between Dean Steele, the experienced skater, and Millie, the mother of the aspiring young skater. They interact, adding a sexual charge by getting physical with each other. Their relationship is titillating." "This down-and-dirty view of competitive ice skating ranks high in entertainment value." - ForeWord Clarion review. "The plot is logical. The pace is fast and keeps the reader engaged." "This is an adult book with explicit sexual content." - Blueink review.

Inside Edge Christine Brennan 2008-06-26 Chronicles a season on the skating circuit, intimately portraying the lives of such figures as Peggy Fleming, Scott Hamilton, Nancy Kerrigan, and Oksana Baiul, and identifying their

ambitions and challenges. Reprint.

Henry Holton Takes the Ice Sandra Bradley 2015-01-02 A lively hockey and ice dancing picture book in the tradition of Billy Elliot and The Sissy Duckling Henry Holton's whole family is hockey mad. Everyone, that is, except Henry. When he holds a hockey stick, Henry becomes a menace to the game—and an embarrassment to his sports-minded family. It's not until he sees his first ice dancing performance that Henry realizes there's something he can do on the ice that doesn't involve boarding and body checking. Henry is ready to hang up his gear and try on some figure skates, but first he has to convince his hockey-obsessed family to let him follow his own path.

The Essential Figure Skater Patti Tashman 2000 Illustrates technique and form for basic maneuvers, freestyle jumps, and ice dancing, and offers advice on appropriate clothing, preparing for competition, and judging.

Ice Dance Kent Castle 2013-08 A woman with an obsession, a man with a weakness, a girl with a dream. This contemporary romance novel series develops around a mother/daughter/young man romantic triangle. The story traces the figure skating career of a Houston pairs team from their rocky startup, working their way up the competition ladder all the way to the Olympics. It depicts the effort and sacrifice that go into, and the agony and ecstasy that emerge from top-level figure skating competition. It contrasts the lifestyle and attitudes of a wealthy family with those of a young middle-class bachelor working his way through graduate school. The quest for a gold medal requires dedication, sacrifice, and resilience. It is complicated by teenage pique, unspoken desires, emotional demands, and unfair competition. This first book in the series covers the rocky startup and early development of the pairs skating team. Accurate in its treatment of the sport of figure skating, it shows what determined competitors must be willing to do to survive the competition, both on and off the ice. "Passions flare both on and off the ice." "An enjoyable romance on ice. A consistently entertaining work of steamy fun." "Readers who enjoy a fun, light romance will get everything they hope for." "The well-written skating scenes are precise and accurate. Castle knows his way around a rink." - Kirkus review. "Titillating melodrama takes to the ice rink in this story of ambition and exploitation with a vividly portrayed setting." "Kent Castle's well-researched novel explores more than the petty fights that fill the air with tension. Castle relies on his extensive knowledge of figure skating to create a glitzy, exciting setting." "Seduction mingles with humor in riveting scenes between Dean Steele, the experienced skater, and Millie, the mother of the aspiring young skater. They interact, adding a sexual charge by getting physical with each other. Their relationship is titillating" "This down-and-dirty view of competitive ice skating edges into a shock-worthy presentation that ranks high in entertainment value. It is likely an enjoyable tale for fans of this popular sport." - Clarion review. "The pace is fast and keeps the reader engaged. The plot is logical." "This is an adult book with explicit sexual content." - Blueink review.

Figure Skating John Misha Petkevich 1989 Tells how to select skates, clothing, and rinks, demonstrates basic and advanced skating techniques, and tells how to choreograph a routine

You Can Be an Ice-Skater Alix Wood 2013-12-30 The Olympics are full of skating sports! Graceful figure skaters impress with jumps, speed skaters zoom around the icy track, and hockey players turn on a dime to chase down the puck. Readers will enjoy learning about different skills needed for each of these activities. With colorful photographs illustrating the postures, foot placement, and techniques needed to learn how to ice-skate, the main content shows readers what fun they can have on the ice. Ice-skating is a great way to get moving, whether in a figure 8 or guarding a hockey net!

Journal of Health, Physical Education, Recreation 1951

Figure Skating in the Formative Years James R Hines 2015-03-30 Once a winter pastime for socializing and courtship, skating evolved into the wildly popular competitive sport of figure skating, one of the few athletic arenas where female athletes hold a public profile--and earning power--equal to that of men. Renowned sports historian James R. Hines chronicles figure skating's rise from its earliest days through its head-turning debut at the 1908 Olympics and its breakthrough as entertainment in the 1930s. Hines credits figure skating's explosive expansion to an ever-increasing number of women who had become proficient skaters and wanted to compete, not just in singles but with partners as well. Matters reached a turning point when British skater Madge Syers entered the otherwise-male 1902 World Championship held in London and finished second. Called skating's first feminist, Syers led a wave of women who made significant contributions to figure skating and helped turn it into today's star-making showcase at every Winter Olympics. Packed with stories and hard-to-find details, *Figure Skating in the Formative Years* tells the early history of a sport loved and followed by fans around the world.

Michelle Kwan Anne E. Hill 2004-01-01 Profiles figure-skating star Michelle Kwan.

Ice Cream Toller Cranston 2002 The skaters included in this book all made a strong impression on the skating world, contributing to the development of the sport through commanding athletic prowess, unusual aesthetic characteristics, or sheer force of personality. They reflected and illuminated their times and environments. Certainly none of them could be called boring, the deadliest sin in Toller's lexicon. In many cases they are skaters who elevated figure skating to an art form, but some altered the course of the sport in a way that may have been negative. Each chapter starts with a short biography and then Toller contributes his well-honed and very personal assessment. Finally, Toller brings the book right up to date with his Epilogue: A Salt Lake City Retrospective. Readers and fans are aware of Toller Cranston's way with a quip, his flamboyant personality, and his outspoken opinions. "In *Ice Cream*, they will also learn more about his deep knowledge of skating, his sensitive artistic judgement, and

his acute observations of fellow skaters. But make no mistake, the Toller we all know is here in spades.

Figure Skating Now Gérard Châtaigneau 2001 A tribute to over 70 of today's Olympic and World Stars.
