Women, Islam and Everyday Life Nina Nurmila 2009-06-10 This book examines Islam and women's everyday life, focusing in particular on the highly controversial issue of polygamy. It discusses the competing interpretations of the Qur'anic verses that are at the heart of Muslim controversies over polygamy, with some groups believing that Islam enshrines polygamy as a male right, others seeing it as permitted but discouraged in favour of monogamy, and other groups arguing that Islam implicitly prohibits polygamy. Based on detailed fieldwork conducted in Indonesia, it provides an empirically-based account of women's lived experiences in polygamous marriages, describing the different perceptions of the practice and strategies in dealing with it. It also considers the impact of changing public policy, in particular Indonesia's 1974 Marriage Law which restricted the practice of polygamy. It shows that, in fact, this law has not resulted in widespread adherence, and considers how public policy could be modified to increase its effectiveness in affecting behaviour in everyday life. Overall, the book argues that polygamy has been a source of injustice towards women and children, that this is against Islamic teaching, and that a just Islamic law would need to call for the abolition of polygamy.

You Were Wrong Matthew Sharpe 2010-09-05 Meet Karl Floor: friendless, motherless, put-upon, living with his loudmouth stepfather and pretending to take satisfaction from teaching high school math. Karl returns home one day to discover his apartment being robbed by a beautiful woman named Sylvia. So begins a strange and mostly inadvertent saga: Karl, now in love with this unexpected woman, finds himself introduced to her friends and family, making promises to her, defending her honor (which she definitely has) against assailants (which she only might have). Sylvia is devastatingly attractive, and caught up in a situation that Karl, bless his heart, does his best to understand. As he gets pulled further into her life, and begged to solve her problems, Karl also begins to see his own limitations. Confronting his confusing paternal situation, his issues with class and responsibility, Karl emerges as an ingeniously funny, memorable, and heartwarming anti-hero. Matthew Sharpe addresses his heady themes with warmth and charisma. *You Were Wrong* is a

lovingly satiric, intelligent, and deeply enjoyable novel with a voice all its own.

Manga Paul Gravett 2004-08-03 Japan's output of manga is massive, accounting for a staggering forty percent of everything published each year in the country. Outside Japan, there has been a global boom in sales, with the manga aesthetic spreading from comics into all areas of Western youth culture through film, computer games, advertising, and design. *Manga: Sixty Years of Japanese Comics* presents an accessible, entertaining, and highly-illustrated introduction to the development and diversity of Japanese comics from 1945 to the present. Featuring striking graphics and extracts from a wide range of manga, the book covers such themes as the specific attributes of manga in contrast to American and European comics; the life and career of Osamu Tezuka, creator of *Astro Boy* and originator of story manga; boys' comics from the 1960s to the present; the genres and genders of girls' and women's comics; the darker, more realistic themes of *gekiga* -- violent samurai, disturbing horror and apocalyptic science fiction; issues of censorship and protest; and manga's role as a major Japanese export and global influence.

Women and Work in Indonesia Michele Ford 2008-02-19 This book examines the meaning of work for women in contemporary Indonesia. It takes a broad definition of work in order to interrogate assumptions about work and economic activity, focusing on what women themselves see as their work, which includes not only paid employment, home life and child care, but also activities surrounding ritual, healing and religious life. It analyses the key issues, including the contrasts between 'new' and 'old' forms of work, the relationship between experiences of migration and work, and the ways in which religion – especially Islam – shapes perceptions and practice of work. It discusses women's work in a range of different settings, both rural and urban, and in different locations, covering Sumatra, Bali, Lombok, Java, Sulawesi and Kalimantan. A wide range of types of employment are considered: agricultural labour, industrial work and new forms of work in the tertiary sector such as media and tourism, demonstrating how capitalism, globalization and local culture together produce gendered patterns of work with particular statuses and identities. It address the question of the meaning and valuing of women's 'traditional' work, be it agricultural labour, domestic work or other kinds of reproductive labour, challenging assumptions of women as 'only' mothers and housewives, and demonstrating how women can negotiate new definitions of 'housewife' by mobilizing kinship and village relations to transcend conventional categories such as wage labour and the domestic sphere. Overall, this book is an important study of the meaning of work for women in Indonesia.

The Women's Bible Elizabeth Cady Stanton 2010-09-09 Published in two parts in 1895 and 1898, and written by Stanton with a committee of twenty-six other women, *The Women's Bible* challenges the tradition of religion that woman should

be subservient to man. Stanton introduced a radical, women's theology, that stressed independence and self development. The book attracted a great deal of controversy and antagonism in its time, and became a runaway bestseller. It remains to this day a standard text in Women's Studies.

Beauty Is a Wound Eka Kurniawan 2015-09-08 The English-language debut of Indonesia's rising star. The epic novel *Beauty Is a Wound* combines history, satire, family tragedy, legend, humor, and romance in a sweeping polyphony. The beautiful Indo prostitute Dewi Ayu and her four daughters are beset by incest, murder, bestiality, rape, insanity, monstrosity, and the often vengeful undead. Kurniawan's gleefully grotesque hyperbole functions as a scathing critique of his young nation's troubled past: the rapacious offhand greed of colonialism; the chaotic struggle for independence; the 1965 mass murders of perhaps a million "Communists," followed by three decades of Suharto's despotic rule. *Beauty Is a Wound* astonishes from its opening line: One afternoon on a weekend in May, Dewi Ayu rose from her grave after being dead for twenty-one years.... Drawing on local sources—folk tales and the all-night shadow puppet plays, with their bawdy wit and epic scope—and inspired by Melville and Gogol, Kurniawan's distinctive voice brings something luscious yet astringent to contemporary literature.

A Widow for One Year John Irving 1999-12-21 "A *Widow For One Year* will appeal to readers who like old-fashioned storytelling mixed with modern sensitivities. . . . Irving is among the few novelists who can write a novel about grief and fill it with ribald humor soaked in irony."—USA Today In *A Widow for One Year*, we follow Ruth Cole through three of the most pivotal times in her life: from her girlhood on Long Island (in the summer of 1958) through the fall of 1990 (when she is an unmarried woman whose personal life is not nearly as successful as her literary career), and at last in the autumn of 1995, when Ruth is a forty-one-year-old widow and mother (and she's about to fall in love for the first time). Both elegiac and sensual, *A Widow for One Year* is a multilayered love story of astonishing emotional force. Praise for *A Widow for One Year* "Compelling . . . By turns antic and moving, lusty and tragic, *A Widow for One Year* is bursting with memorable moments. . . . A testament to one of life's most difficult lessons: In the end, you just have to find a way to keep going."—San Francisco Examiner-Chronicle "A sprawling 19th-century production,

chock full of bizarre coincidences, multiple plot lines, lengthy digressions, and stories within stories. . . . An engaging and often affecting fable, a fairy tale that manages to be old-fashioned and modern all at once.”—The New York Times “[Irving’s] characters can beguile us onto thin ice and persuade us to dance there. His instinctive mark is the moral choice stripped bare, and his aim is impressive. What’s more, there’s hardly a writer alive who can match his control of the omniscient point of view.”—The Washington Post Book World “In the sprawling, deeply felt *A Widow for One Year*, John Irving has delivered his best novel since *The World According to Garp*. . . . Like a warm bath, it’s a great pleasure to immerse yourself in.”—Entertainment Weekly “John Irving is arguably the American Balzac, or perhaps our Dickens—a rip-roaring storyteller whose intricate plot machinery is propelled by good old-fashioned greed, foolishness and passion.”—The Nation “Powerful . . . a masterpiece.”—St. Louis Post-Dispatch

The Silent Wife A. S. A. Harrison 2013-06-25 The New York Times bestselling novel soon to be a major motion picture starring Nicole Kidman, for fans of *The Woman in the Window* and *The Silent Patient*. Much is at stake, including the affluent life they lead in their beautiful waterfront condo in Chicago, as she, the killer, and he, the victim, rush haplessly toward the main event. He is a committed cheater. She lives and breathes denial. He exists in dual worlds. She likes to settle scores. He decides to play for keeps. She has nothing left to lose. Indonesian Islam in a New Era Susan Blackburn 2008 Indonesian Islam in a new era examines the religious practices and identities of Indonesian Muslim women in the post-Suharto era. After 1998 Indonesian Islam changed socially and nationally as society underwent sweeping alterations. Based on new empirical research by sociologists, political scientists, and anthropologists from Indonesia and Australia, the book underscores the negotiations Muslim women have made in arenas such as schools, organisations, popular culture and village life. Whereas theology has until recently dominated studies of women and Islam in Indonesia, this book breaks new ground by examining from social science perspectives how Indonesian women negotiate their Muslim identities.

Catholic and Identitarian Julien Langella 2020-06-18 Is Christianity the natural enemy of identitarianism? Has it contributed to the liberalization of our societies and to the mass immigration which is so quickly altering our social make-up and changing the face of our nations? What can Christianity, past or present, offer us at this unprecedented historical moment of political and social change? *Catholic and Identitarian* seeks to answer these questions from a traditionalist Catholic perspective. Arguing that Christianity, and Catholicism in particular, far from being an enemy to identitarianism, actually forms the necessary underpinning for true European identitarianism, this book demonstrates that the teachings and traditions of the Church have always respected ethnic and national borders and protected the integrity of authentic human roots. At once a vindication of the Church against the misinterpretations and misrepresentations of left and right alike, and a stirring call to defend

Apostle Tom Bissell 2017-02-07 The story of Twelve Apostles is the story of early Christianity: its competing versions of Jesus's ministry, its countless schisms, and its ultimate evolution from an obscure Jewish sect to the global faith we know today in all its forms and permutations. In his quest to understand the underpinnings of the world's largest religion, Tom Bissell embarks on a years-long pilgrimage to the apostles' supposed tombs, traveling from Jerusalem and Rome to Turkey, Greece, Spain, France, India, and Kyrgyzstan. Along the way, Bissell uncovers the mysterious and often paradoxical lives of these twelve men and how their identities have taken shape over the course of two millennia. Written with empathy and a rare acumen—and often extremely funny—*Apostle* is an intellectual, spiritual, and personal adventure fit for believers, scholars, and wanderers alike.

Me, Myself, and Them Kurt Snyder 2007-10-29 During his second semester at college, Kurt Snyder became convinced that he was about to discover a fabulously important mathematical principle, spending hours lost in daydreams about numbers and symbols. In time, his thoughts took a darker turn, and he became preoccupied with the idea that cars were following him, or that strangers wanted to harm him. Kurt's mind had been hijacked by schizophrenia, a severe mental disorder that typically strikes during the late teen or young adult years. In *Me, Myself, and Them*, Kurt, now an adult, looks back from the vantage point of recovery and eloquently describes the debilitating changes in thoughts and perceptions that took hold of his life during his teens and twenties. As a memoir, this book is remarkable for its unvarnished look at the slow and difficult process of coming back from severe mental illness. Yet Kurt's memoir is only half the story. With the help of psychiatrist Raquel E. Gur, M.D., Ph.D., and veteran science writer Linda Wasmer Andrews, Kurt paints the big picture for others affected by adolescent schizophrenia. Drawing on the latest scientific and medical evidence, he explains how to recognize warning signs, where to find help, and what treatments have proved effective. Kurt also offers practical advice on topics of particular interest to young people, such as suggestions on managing the illness at home, school, and work, and in relationships with family and friends. Part of the Adolescent Mental Health Initiative series of books written specifically for teens and young adults, *My, Myself, and Them* offers hope to young people who are struggling with schizophrenia, helping them to understand and manage the challenges of this illness and go on to lead healthy lives.

Strategic Management of Human Capital in Education Allan R. Odden 2011-03
Strategic Management of Human Capital in Education offers a comprehensive and strategic approach to address what has become labeled as "talent and human capital." Grounded in extensive research and examples of leading edge districts, this book shows how the entire human resource system in schools—from recruitment, to selection/placement, induction, professional development, performance management and evaluation, compensation, and career progression—can be reformed and restructured to boost teacher and principal effectiveness in ways that dramatically improve instructional practice and student learning. Strategic Management of Human Capital in Education guides educators towards putting more effective teachers, teacher leaders, and principals in the country's schools—especially in poverty-impacted urban and rural communities—equipping those teacher and principals with instructional and leadership expertise, and rewarding and retaining those who are successful in attaining these objectives. Drawing from cases, experiences, and deliberations from a national task force, this book outlines a comprehensive framework for how to transform current human resource management practices into authentic, strategic talent management systems in order to improve student achievement.

The Mountbattens Andrew Lownie 2021-09-07 The intimate story of a unique marriage spanning the heights of British glamour and power that descends into infidelity, manipulation, and disaster through the heart of the twentieth century. DICKIE MOUNTBATTEN: A major figure behind his nephew Philip's marriage to Queen Elizabeth II and instrumental in the royal family taking the Mountbatten name, he was Supreme Allied Commander of South East Asia during World War II and the last Viceroy of India. EDWINA MOUNTBATTEN: Once the richest woman in Britain—and a playgirl who enjoyed numerous affairs—she emerged from World War II as a magnetic and talented humanitarian worker who was loved throughout the world. From British high society to the South of France, from the battlefields of Burma to the Viceroy's House, *The Mountbattens* is a rich and filmic story of a powerful partnership, revealing the truth behind a carefully curated legend. Was Mountbatten one of the outstanding

leaders of his generation, or a man over-promoted because of his royal birth, high-level connections, film-star looks and ruthless self-promotion? What is the true story behind controversies such as the Dieppe Raid and Indian Partition, the love affair between Edwina and Nehru, and Mountbatten's assassination in 1979?

New Reproductive Technologies and Disembodiment Carla Lam 2015-02-28 With attention to the ways in which new reproductive technologies facilitate the gradual disembodiment of reproduction, this book reveals the paradox of women's reproductive experience in patriarchal cultures as being both, and often simultaneously, empowering and disempowering. A rich exploration of birth appropriation in the West, *New Reproductive Technologies and Disembodiment* investigates the assimilation of women's embodied power into patriarchal systems of symbolism, culture and politics through the inversion of women's and men's reproductive roles. Contending that new reproductive technologies represent another world historical moment, both in their forging of novel social relations and material processes of reproduction, and their manner of disembodiment of women in unprecedented ways - a disembodiment evident in recent visual and literary, popular and academic texts - this volume locates the roots of this disembodiment in western political discourse. A call to feminist political theory to re-remember the material dimensions of bodies and their philosophical significance, *New Reproductive Technologies and Disembodiment* will appeal to scholars of sociology, gender studies, political and social theory and the study of science, technology and health.

Catatan pinggir 3 Goenawan Mohamad 2012 Buku ini merupakan kumpulan 160 esai pendek Goenawan Mohamad yang pernah dimuat majalah Tempo dari Januari 1986 sampai Februari 1990. Diawali dengan esai berjudul "Ding" (4 Januari 1986) sampai yang terakhir "Asongan" (24 Februari 1990). Esai-esai yang dikenal sebagai Catatan Pinggir itu berbicara beragam hal, bahkan hampir semua hal yang dekat dengan peristiwa di masyarakat dalam kurun waktu empat tahun itu: tentang kecemasan, kebebasan, kekuasaan, kemerdekaan, keserakahan, kebahagiaan, demokrasi. Mengenai topik yang disebut terakhir, William Liddle, dalam Kata Pengantar untuk buku ini, mengatakan kiranya jelas bahwa Goenawan sangat menyakini demokrasi sebagai jenis pemerintahan yang terbaik bagi negara kebangsaan Dunia Ketiga seperti Indonesia. Tetapi dia tidak berpretensi seolah-olah demokrasi dengan sendirinya mampu menyelesaikan segala persoalan... Goenawan Mohamad, kata Liddle, adalah burung langka dalam sangkar intelektual modern Indonesia. Dia menolak tegas pengkotakan Timur-Barat. Dalam sejumlah Catatan Pinggir ini, kata Liddle, dikotomi Timur-Barat beberapa kali ditampilkan
