While helping me try to remove my curse, my best friend performs an illegal spell. The result? A powerful supernatural is unleashed, seeking revenge on the shifters and the fae. He's wreaking havoc, and everyone wants to know who let him out. It's getting harder to rein in the chaos because the spell also revealed what I truly am. Suddenly, being Raven Cursed doesn't seem so bad. I've drawn the attention of Mephisto, a mysterious fae, and a god. And now, saving my best friend's life isn't my only problem.

**Mages and Masquerades: An Urban Fantasy Novel** Tansey Morgan 2018-09-11 Time is ticking, lives hang in the balance. I traded in my life of magic and demon hunting for a quiet one a long time ago. In the space of a couple of nights, I've become homeless, jobless, and I'm now hiding from people who want to open a back door to Hell itself. Things could be worse; I could be alone, too, instead I'm rooming up with the sexy mage, Levi, and that's been... interesting. Then one night I get a phone call from out of nowhere, and suddenly we have a lead on the book we've been looking for; or an invitation into a trap. Never one to take my own best advice, I spring into the lead head-on and go where it takes me, because the fate of London and the whole of the British Isles is at stake if I don't find that book. Good thing I used to be the best demon hunter in the entire United States; I'm gonna need every ounce of training if I'm going to succeed. Teaming up with Tansey Morgan, author of the hit series "The Last Serpent," Katerina Martinez is back doing what she does best; writing gripping, action-packed urban fantasy you won't want to put down. If you like snark, danger, action, and romance with a bit of bite, this book is for you!

**Crown Princess Academy** A. J. Flowers 2020-01-20 This is one crown you don't want. Born and raised in the Dregs, the last thing I expected was the "honor" of being recruited to Crown Princess Academy. And by honor, I mean fighting for my life against the fae that rule our world. Our first exam is in three weeks and not every student will make it out alive... don't these bimbos realize that? I'm not fooled. I know how ruthless the fae can be. All the princess initiates are captivated by Lucas, the sexy fae Crown Prince who, in turn, seems fixated on me. He can't know that I'm actually the most powerful Malice Caster in the Dregs. I'm sure my talents for the Criminal Guild won't earn me any extra credit in my princess classes. All my life I've stayed one step ahead of the two-faced fae and their Malice, the out of control black magic that has nearly wiped out all of humanity. This is my chance to do more than survive--this is my chance to fight back. I'll play the Crown Prince's game. I'll wear the tiny initiate

crown, dance in my glittering pink dress, survive the deadly exams, and ultimately graduate as the Crown Princess all while he thinks I'm playing right into his plans. He's in for a surprise when I reveal who I am and wipe that sexy, smug grin off his face... I just hope my heart doesn't forget he's the enemy. Crown Princess Academy: Book 1 is the first of a planned trilogy. As it is a series, there will be a cliffhanger. This is an upper YA/NA paranormal and fantasy series with enemies-to-lovers romance and HEA.

**Obsidian Magic** McKenzie Hunter 2017-03-17 The only thing standing between me and death is my secret. I'm a Legacy-a secret I'd planned on taking to my grave. Gareth, the enigmatic leader of the Supernatural Guild, knows it, but can I trust him to keep it? When mysterious deaths occur as a result of magic that mimics my own, I no longer have to worry about Gareth exposing me - it will be one of my own that does. Another Legacy is causing the chaos, and I'm forced to hunt my own kind. It seems simple, but we've existed for as long as we have because we're better hunters than prey. I'm forced to work with Gareth to clear my name and find the Legacy responsible. Not only is my secret about to be revealed-so is his. Gareth is much more dangerous than I expected. Is he my friend or my enemy?

**Shadowmark** McKenzie Hunter 2021-01-31 When a god wants you dead, it's safe to assume life can't get any worse. Wrong. I'm enemy-number-one to a powerful fae and I've ticked off the Master of the vampires one too many times. Life-or rather, death-is coming at me fast. I definitely didn't expect a demon placing a bounty on me to be added to the what-the-hell-else-could-go-wrong Bingo card. Adding to my problems, the two men in my life are pushing me to make a choice that could not only cost me a friendship but a valued ally. What do I do when: one of the most powerful beings in the world wants me dead, I'm out of my depth in unknown magic, and my allies could become my enemies? I'll do what I always do when I'm against the ropes or cornered-fight harder. Because there is only one option: Survive.

For with the Magic came the Bad Thing, and the Faerie, and then the Fool . . . and the resurrection of a primordial war with a forgotten People—a war that not only the Hastings but the whole human race could lose. “Absorbing, thought-provoking, and thoroughly magical. *How I Paid for College* Marc Acito 2004-09-07 A deliciously funny romp of a novel about one overly theatrical and sexually confused New Jersey teenager's larcenous quest for his acting school tuition It's 1983 in Wallingford, New Jersey, a sleepy bedroom community outside of Manhattan. Seventeen-year-old Edward Zanni, a feckless Ferris Bueller-type, is Peter Panning his way through a carefree summer of magic and mischief. The fun comes to a halt, however, when Edward's father remarries and refuses to pay for Edward to study acting at Juilliard. Edward's truly in a bind. He's ineligible for scholarships because his father earns too much. He's unable to contact his mother because she's somewhere in Peru trying to commune with Incan spirits. And, as a sure sign he's destined for a life in the arts, Edward's incapable of holding down a job. So he turns to his loyal (but immoral) misfit friends to help him steal the tuition money from his father, all the while practicing for his high school performance of Grease. Disguising themselves as nuns and priests, they merrily scheme their way through embezzlement, money laundering, identity theft, forgery, and blackmail. But, along the way, Edward also learns the value of friendship, hard work, and how you're not really a man until you can beat up your father—metaphorically, that is. *How I Paid for College* is a farcical coming-of-age story that combines the first-person tone of David Sedaris with the byzantine plot twists of Armistead Maupin. It is a novel for anyone who has ever had a dream or a scheme, and it marks the introduction to an original and audacious talent.
