Official and Confidential Anthony Summers 2012-01-17 A New York Times—bestselling author's revealing, "important" biography of the longtime FBI director (The Philadelphia Inquirer). No one exemplified paranoia and secrecy at the heart of American power better than J. Edgar Hoover, the original director of the Federal Bureau of Investigation. For this consummate biography, renowned investigative journalist Anthony Summers interviewed more than eight hundred witnesses and pored through thousands of documents to get at the truth about the man who headed the FBI for fifty years, persecuted political enemies, blackmailed politicians, and lived his own surprising secret life.
