Comprehending as capably as promise even more than new will provide each success. neighboring to, the notice as capably as perception of this first hundred words in russian can be taken as well as picked to act.

A Gentleman in Moscow Amor Towles 2019-03-26 The mega-bestseller with more than 2 million readers, soon to be a Showtime/Paramount series starring Ewan McGregor as Count Alexander Rostov From the #1 New York Times-bestselling author of *The Lincoln Highway* and *Rules of Civility*, a beautifully transporting novel about a man who is ordered to spend the rest of his life inside a luxury hotel In 1922, Count Alexander Rostov is deemed an unrepentant aristocrat by a Bolshevik tribunal, and is sentenced to house arrest in the Metropol, a grand hotel across the street from the Kremlin. Rostov, an indomitable man of erudition and wit, has never worked a day in his life, and must now live in an attic room while some of the most tumultuous decades in Russian history are unfolding outside the hotel's doors. Unexpectedly, his reduced circumstances provide him entry into a much larger world of emotional discovery. Brimming with humor, a glittering cast of characters, and one beautifully rendered scene after another, this singular novel casts a spell as it relates the count's endeavor to gain a deeper understanding of what it means to be a man of purpose.

The 4-Hour Work Week Timothy Ferriss 2007 Offers techniques and strategies for increasing income while cutting work time in half, and includes advice for leading a more fulfilling life.

The Protocols of the Learned Elders of Zion Sergei Nilus 2019-02-26 "The Protocols of the Elders of Zion" is almost certainly fiction, but its impact was not. Originating in Russia, it landed in the English-speaking world where it caused great consternation. Much is made of German anti-semitism, but there was fertile soil for "The Protocols" across Europe and even in America, thanks to Henry Ford and others.

A Thousand Pieces of You Claudia Gray 2014-11-04 *Cloud Atlas* meets *Orphan Black* in this epic dimension-bending trilogy by New York Times bestselling author Claudia Gray about a girl who must chase her father's killer through multiple dimensions. Marguerite Caine's physicist parents are known for their groundbreaking achievements. Their most astonishing invention, called the Firebird, allows users to jump into multiple universes—and promises to revolutionize science forever. But then Marguerite's father is murdered, and the killer—her parent's handsome, enigmatic assistant Paul— escapes into another dimension before the law can touch him. Marguerite refuses to let the man who destroyed her family go free. So she races after Paul through different universes, always leaping into another version of herself. But she also meets alternate versions of the people she knows—including Paul, whose life entangles with hers in increasingly familiar

ways. Before long she begins to question Paul's guilt—as well as her own heart. And soon she discovers the truth behind her father's death is far more sinister than she expected. *A Thousand Pieces of You* explores an amazingly intricate multi-universe where fate is unavoidable, the truth elusive, and love the greatest mystery of all.

One Day in the Life of Ivan Denisovich Alexander Solzhenitsyn 1984-07-01 “Stark . . . the story of how one falsely accused convict and his fellow prisoners survived or perished in an arctic slave labor camp after the war.”—*Time* From the icy blast of reveille through the sweet release of sleep, Ivan Denisovich endures. A common carpenter, he is one of millions viciously imprisoned for countless years on baseless charges, sentenced to the waking nightmare of the Soviet work camps in Siberia. Even in the face of degrading hatred, where life is reduced to a bowl of gruel and a rare cigarette, hope and dignity prevail. This powerful novel of fact is a scathing indictment of Communist tyranny, and an eloquent affirmation of the human spirit. The prodigious works of Alexander Solzhenitsyn, including his acclaimed *The Gulag Archipelago*, have secured his place in the great tradition of Russian literary giants. Ironically, *One Day in the Life of Ivan Denisovich* is the only one of his works permitted publication in his native land. Praise for *One Day in the Life of Ivan Denisovich* “Cannot fail to arouse bitterness and pain in the heart of the reader. A literary and political event of the first magnitude.”—*New Statesman* “Both as a political tract and as a literary work, it is in the Doctor Zhivago category.”—*Washington Post* “Dramatic . . . outspoken . . . graphically detailed . . . a moving human record.”—*Library Journal*

Words on Fire Jennifer A. Nielsen 2019-10-01 New York Times bestselling author Jennifer A. Nielsen transports readers to a corner of history with this inspiring story of a girl who discovers the strength of her people united in resisting oppression. Danger is never far from Audra's family farm in Lithuania. She always avoids the occupying Russian Cossack soldiers, who insist that everyone must become Russian -- they have banned Lithuanian books, religion, culture, and even the language. But Audra knows her parents are involved in something secret and perilous. In June 1893, when Cossacks arrive abruptly at their door, Audra's parents insist that she flee, taking with her an important package and instructions for where to deliver it. But escape means abandoning her parents to a terrible fate. As Audra embarks on a journey to deliver the mysterious package, she faces unimaginable risks, and soon she becomes caught up in a growing resistance movement. Can joining the underground network of book smugglers give Audra a chance to rescue her parents?

My First Russian Alphabets Picture Book with English Translations Veronika S. 2019-11-08 Did you ever want to teach your kids the basics of Russian ? Head First Statistics Dawn Griffiths 2008-08-26 Wouldn't it be great if there were a statistics book that made histograms, probability distributions, and chi square analysis more enjoyable than going to the dentist? *Head First Statistics* brings this typically dry subject to life, teaching you everything you want and need to know about statistics through engaging, interactive, and thought-provoking material, full of puzzles, stories, quizzes, visual aids, and real-world examples. Whether you're a student, a professional, or just curious about statistical

analysis, Head First's brain-friendly formula helps you get a firm grasp of statistics so you can understand key points and actually use them. Learn to present data visually with charts and plots; discover the difference between taking the average with mean, median, and mode, and why it's important; learn how to calculate probability and expectation; and much more. Head First Statistics is ideal for high school and college students taking statistics and satisfies the requirements for passing the College Board's Advanced Placement (AP) Statistics Exam. With this book, you'll: Study the full range of topics covered in first-year statistics Tackle tough statistical concepts using Head First's dynamic, visually rich format proven to stimulate learning and help you retain knowledge Explore real-world scenarios, ranging from casino gambling to prescription drug testing, to bring statistical principles to life Discover how to measure spread, calculate odds through probability, and understand the normal, binomial, geometric, and Poisson distributions Conduct sampling, use correlation and regression, do hypothesis testing, perform chi square analysis, and more Before you know it, you'll not only have mastered statistics, you'll also see how they work in the real world. Head First Statistics will help you pass your statistics course, and give you a firm understanding of the subject so you can apply the knowledge throughout your life.

My First Russian Alphabet Heritage Press LLC 2002-12 *My First Russian Alphabet* is a board book for children that introduces letters in the Russian alphabet. Having this book is like owning a Russian alphabet poster and Russian flashcards in one convenient place, beautifully bound in durable board book form. Throughout the book, there are numerous examples of how Russian letters are used in over 100 words. The words are accompanied by vivid photographs that are translated into Russian, English, and phonetic Russian which will help all members of the family read and speak Russian everyday words in no time. One of the few English and Russian books of its kind, the book is a great addition to any bilingual library in order to master Russian words. The book is ideal for learning Russian for beginners, especially in the preschool and elementary years. With its wide variety of themes and beautiful presentation of words, the book is sure to be read over and over again for many years to come.

Secondhand Time Svetlana Alexievich 2016-05-24 NEW YORK TIMES BESTSELLER • A symphonic oral history about the disintegration of the Soviet Union and the emergence of a new Russia, from Svetlana Alexievich, winner of the Nobel Prize in Literature NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND PUBLISHERS WEEKLY • LOS ANGELES TIMES BOOK PRIZE WINNER NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times • The Washington Post • The Boston Globe • The Wall Street Journal • NPR • Financial Times • Kirkus Reviews When the Swedish Academy awarded Svetlana Alexievich the Nobel Prize, it cited her for inventing “a new kind of literary genre,” describing her work as “a history of emotions—a history of the soul.” Alexievich’s distinctive documentary style, combining extended individual monologues with a collage of voices, records the stories of ordinary women and men who are rarely given the opportunity to speak, whose experiences are often lost in the official histories of the nation. In *Secondhand Time*, Alexievich chronicles the demise of communism. Everyday Russian citizens recount the past thirty years, showing us what life was like during the fall of the Soviet Union and what it’s like to live in the new Russia left in its wake. Through interviews spanning 1991 to 2012, Alexievich takes us behind the propaganda and contrived media accounts, giving us a

panoramic portrait of contemporary Russia and Russians who still carry memories of oppression, terror, famine, massacres—but also of pride in their country, hope for the future, and a belief that everyone was working and fighting together to bring about a utopia. Here is an account of life in the aftermath of an idea so powerful it once dominated a third of the world. A magnificent tapestry of the sorrows and triumphs of the human spirit woven by a master, *Secondhand Time* tells the stories that together make up the true history of a nation. “Through the voices of those who confided in her,” *The Nation* writes, “Alexievich tells us about human nature, about our dreams, our choices, about good and evil—in a word, about ourselves.” Praise for Svetlana Alexievich and *Secondhand Time* “The nonfiction volume that has done the most to deepen the emotional understanding of Russia during and after the collapse of the Soviet Union of late is Svetlana Alexievich’s oral history *Secondhand Time*.”—David Remnick, *The New Yorker*

Your First 100 Words in Arabic (Book Only) Jane Wightwick 1999-08-22 This book is designed to teach the beginner a basic vocabulary of 100 Arabic words—covering 8 everyday topics: around the home/ clothes/ around town (including transportation)/ countryside/ essentials/ opposites/ animals/ parts of the body.

A People's Tragedy Orlando Figes 2014 Vast in scope, based on exhaustive original research, and written with passion, narrative skill and human sympathy, this book offers an account of the Russian Revolution for a new generation.

Fluent in 3 Months Benny Lewis 2014-03-11 Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, *Fluent In 3 Months*. Lewis is a full-time “language hacker,” someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. *Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World* is a new blueprint for fast language learning. Lewis argues that you don’t need a great memory or “the language gene” to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.

A Swim in a Pond in the Rain George Saunders 2021-01-12 NEW YORK TIMES BESTSELLER • From the Booker Prize–winning author of *Lincoln in the Bardo* and *Tenth of December* comes a literary master class on what makes great stories work and what they can tell us about ourselves—and our world today. **LOGLISTED FOR THE PEN/DIAMONSTEIN-SPIELVOGEL AWARD • ONE OF THE BEST BOOKS OF THE YEAR:** *The Washington Post*, *NPR*, *Time*, *San Francisco Chronicle*, *Esquire*, *Milwaukee Journal Sentinel*, *Town & Country*, *The Rumpus*, *Electric Lit*, *Thrillist*, *BookPage* • “[A] worship song to writers and readers.”—*Oprah Daily* For the last twenty years, George Saunders has been teaching a class on the Russian short story to his MFA students at Syracuse University. In *A Swim in a Pond in the Rain*, he shares a version of that class with us, offering some of what he and his students have discovered together over the years. Paired with iconic short stories by Chekhov, Turgenev, Tolstoy, and Gogol, the seven essays in this book are intended for anyone interested in how fiction works and why it’s more relevant than ever in these turbulent times. In his introduction, Saunders writes, “We’re going to enter seven fastidiously constructed scale models of the world, made for a specific purpose that our time maybe doesn’t fully endorse but that these writers accepted

implicitly as the aim of art—namely, to ask the big questions, questions like, How are we supposed to be living down here? What were we put here to accomplish? What should we value? What is truth, anyway, and how might we recognize it?" He approaches the stories technically yet accessibly, and through them explains how narrative functions; why we stay immersed in a story and why we resist it; and the bedrock virtues a writer must foster. The process of writing, Saunders reminds us, is a technical craft, but also a way of training oneself to see the world with new openness and curiosity. *A Swim in a Pond in the Rain* is a deep exploration not just of how great writing works but of how the mind itself works while reading, and of how the reading and writing of stories make genuine connection possible.

My First Book of Russian Words Katy R. Kudela 2010 "Simple text paired with themed photos invite the reader to learn to speak Russian"--Provided by publisher.

The Russian Debutante's Handbook Gary Shteyngart 2003-04-29 A visionary novel from the author of *Super Sad True Love Story* and *Little Failure*. *The Russian Debutante's Handbook* introduces Vladimir Girshkin, one of the most original and unlikely heroes of recent times. The twenty-five-year-old unhappy lover to a fat dungeon mistress, affectionately nicknamed "Little Failure" by his high-achieving mother, Vladimir toils his days away as a lowly clerk at the bureaucratic Emma Lazarus Immigrant Absorption Society. When a wealthy but psychotic old Russian war hero appears, Vladimir embarks on an adventure of unrelenting lunacy that takes us from New York's Lower East Side to the hip frontier wilderness of Prava--the Eastern European Paris of the nineties. With the help of a murderous but fun-loving Russian mafioso, Vladimir infiltrates the Prava expat community and launches a scheme as ridiculous as it is brilliant. Bursting with wit, humor, and rare insight, *The Russian Debutante's Handbook* is both a highly imaginative romp and a serious exploration of what it means to be an immigrant in America.

The First Hundred Words in French Heather Amery 1988 This delightful and amusing book, beautifully illustrated by Stephen Cartwright, contains a basic vocabulary of a hundred words in French.

Corpus linguistics around the world 2016-08-01 This volume contains a selection of the papers delivered at the Corpus Linguistics 2003 conference, held at Lancaster University in April 2003. The papers selected address a wide range of world languages - Basque, Chinese, Danish, Dutch, English, French, German, Maltese, Russian, Spanish, and Slovene. Both synchronic and diachronic studies are included, as well as studies of learner language. In addition to mainstream linguistic analyses of phonetics, vocabulary, syntax, semantics, and rhetoric, application areas covered in the volume include financial forecasting, cross-cultural research, corpus processing, and language teaching.

Beginner's Dictionary of USA English Thomas E. Zurinkas 2006-02 This dictionary of USA English is directly taken from the Voice of America (VOA) "Intermediate Dictionary of English." There are about 1,500 words in the dictionary. The VOA uses these words primarily for broadcasting in a simplified English mode. The words and definitions in this book are exactly as in the VOA version. However, because there is no pronunciation guide in the VOA version, a truespel pronunciation guide is provided modeled after the voicings of English on m-w.com, the Merriam-Webster talking dictionary. Unique to this dictionary is a reverse guide that lists phonetic words alphabetically so they can be looked up phonetically. This solves the problem of silent first letters. A large volume reverse dictionary will be available as truespel book 2. More info is available at truespel.com.

First Hundred Words in Russian Heather AMERY 2017-12 One hundred everyday words are illustrated in busy scenes and with labelled pictures, to help readers learn key Russian words. Don't forget to look out for the Usborne Little Yellow Duck on every page!

Master the Russian Alphabet, a Handwriting Practice Workbook Lang Workbooks 2019-09-11 Do you want to perfect your handwriting? Do you need a trustworthy resource to teach your small children to trace the Russian alphabet? Then this workbook is the perfect companion for your studies. In it, you'll find all the modern Russian consonants and vowels, including upper and lower case variations in both the print and cursive handwriting styles. Your benefits: Clear large letters make it easy to recognize even the most detailed of the Russian characters. Detailed stroke order instructions provide you with a strong foundation to build your skills. Dedicated "Trace and Learn" sections are designed to imprint proper stroke technique unto your muscle memory. Font variations in both the print and cursive form of each letter train your brain to recognize alternative character styles easily. Simple pronunciation guidelines prevent you from feeling overwhelmed while helping you to understand the basic sound of each letter. As a bonus, for each character, you'll find extra 8.5 x 11 inches pages fully dedicated to the handwriting practice of that letter, in both print and cursive, uppercase and lowercase, with and without a guiding background light-gray letter. Feel free to photocopy these pages as you wish to extend the lifetime value of your workbook. Special information: As with all Lang Workbooks, this work is a labor of love. Accordingly, if you are a teacher, a student of Russian, or homeschooling your children, then you can photocopy any part of this workbook for your own, or your students, personal use. Learning to write the Russian script by heart has never been made easy.

The Man Without a Face Masha Gessen 2013-03-05 Documents the Russian prime minister's rapid ascent from a low-level KGB operative to the presidency, describing his selection by an ailing Boris Yeltsin's oligarchy and the ways in which the author believes that his views and ambitions have renewed Russia's threatening position to its citizens and the world. By the author of *Perfect Rigor*. Reprint. 35,000 first printing.

Your First 100 Words in Chinese W/CD Audio Jane Wightwick 2007-09-19 Presents activities that teach one hundred Chinese vocabulary words, covering the home, clothing, town, the countryside, animals, the body, opposites, and useful expressions.

The Russian Origins of the First World War Sean McMeekin 2011-12-12 In a major reinterpretation, Sean McMeekin rejects the standard notion of the war's beginning as either a Germano-Austrian pre-emptive strike or a miscalculation. The key to the outbreak of violence, he argues, lies in St. Petersburg. Russian statesmen unleashed the war through policy decisions based on imperial ambitions in the Near East.

English Lessons Now! Everyday English Words Funbook First 100 Words - Russian Edition S J Peters 2019-06-05 Learning English words doesn't have to be boring and difficult! First Thousand Words in German Heather Amery 2004-01-01 Presents one thousand everyday German words accompanied by simple drawings and a pronunciation guide.

The Slynx Tatyana Tolstaya 2016-10-25 "A postmodern literary masterpiece." –The Times Literary Supplement Two hundred years after civilization ended in an event known as the Blast, Benedikt isn't one to complain. He's got a job—transcribing old books and presenting them as the words of the great new leader, Fyodor Kuzmich, Glorybe—and though he doesn't enjoy the privileged status of a Murza, at least he's not a serf or a half-human four-legged Degenerator harnessed to a troika. He has a house, too, with enough mice to cook up a tasty meal, and he's happily free of mutations: no extra fingers, no gills, no cockscombs sprouting from his eyelids. And he's managed—at least so far—to steer clear of the ever-vigilant Saniturations, who track down anyone who manifests the slightest sign of Freethinking, and the legendary screeching Slynx that waits in the wilderness beyond. Tatyana Tolstaya's *The Slynx* reimagines dystopian fantasy as a wild, horripilating amusement park ride. Poised between Nabokov's *Pale Fire* and Burgess's *A Clockwork Orange*, *The Slynx* is a

brilliantly inventive and shimmeringly ambiguous work of art: an account of a degraded world that is full of echoes of the sublime literature of Russia's past; a grinning portrait of human inhumanity; a tribute to art in both its sovereignty and its helplessness; a vision of the past as the future in which the future is now.

Your First 100 Words in Persian Jane Wightwick 2003-02-15 YOUR FIRST 100 WORDS IN . . . PERSIAN A paperback original Takes the intimidation out of learning a new language In the Your First 100 Words In series, readers are shown how to decipher and read a new script by learning 100 primary words in a new language. Covering the languages of Iran and Afghanistan, this new addition to the Your First 100 Words In series can be used by students as a supplement for their language courses, by parents as an introduction for young children, or by learners independently.

A Frequency Dictionary of Russian Serge Sharoff 2014-04-04 A Frequency Dictionary of Russian is an invaluable tool for all learners of Russian, providing a list of the 5,000 most frequently used words in the language and the 300 most frequent multiword constructions. The dictionary is based on data from a 150-million-word internet corpus taken from more than 75,000 webpages and covering a range of text types from news and journalistic articles, research papers, administrative texts and fiction. All entries in the rank frequency list feature the English equivalent, a sample sentence with English translation, a part of speech indication, indication of stress for polysyllabic words and information on inflection for irregular forms. The dictionary also contains twenty-six thematically organised and frequency-ranked lists of words on a variety of topics, such as food and drink, travel, and sports and leisure. A Frequency Dictionary of Russian enables students of all levels to get the most out of their study of vocabulary in an engaging and efficient way. It is also a rich resource for language teaching, research, curriculum design, and materials development. A CD version is available to purchase separately. Designed for use by corpus and computational linguists it provides the full text in a format that researchers can process and turn into suitable lists for their own research purposes.

images are designed to attract the attention of babies and toddlers. This book will help children learn a variety of important concepts in English and Russian before preschool.

The Hundred-Year Marathon Michael Pillsbury 2015-02-03 One of the U.S. government's leading China experts reveals the hidden strategy fueling that country's rise – and how Americans have been seduced into helping China overtake us as the world's leading superpower. For more than forty years, the United States has played an indispensable role helping the Chinese government build a booming economy, develop its scientific and military capabilities, and take its place on the world stage, in the belief that China's rise will bring us cooperation, diplomacy, and free trade. But what if the "China Dream" is to replace us, just as America replaced the British Empire, without firing a shot? Based on interviews with Chinese defectors and newly declassified, previously undisclosed national security documents, *The Hundred-Year Marathon* reveals China's secret strategy to supplant the United States as the world's dominant power, and to do so by 2049, the one-hundredth anniversary of the founding of the People's Republic. Michael Pillsbury, a fluent Mandarin speaker who has served in senior national security positions in the U.S. government since the days of Richard Nixon and Henry Kissinger, draws on his decades of contact with the "hawks" in China's military and intelligence agencies and translates their documents, speeches, and books to show how the teachings of traditional Chinese statecraft underpin their actions. He offers an inside look at how the Chinese really view America and its leaders – as barbarians who will be the architects of their own demise. Pillsbury also explains how the U.S. government has helped – sometimes unwittingly and sometimes deliberately – to make this "China Dream" come true, and he calls for the United States to implement a new, more competitive strategy toward China as it really is, and not as we might wish it to be. *The Hundred-Year Marathon* is a wake-up call as we face the greatest national security challenge of the twenty-first century.

Russian Social Media Influence Todd C. Helmus 2018-04-12 Russia employs a sophisticated social media campaign against former Soviet states that includes news tweets, nonattributed comments on web pages, troll and bot social media accounts, and fake hashtag and Twitter campaigns. Nowhere is this threat more tangible than in Ukraine. Researchers analyzed social media data and conducted interviews with regional and security experts to understand the critical ingredients to countering this campaign.

The Possessed Elif Batuman 2010-02-16 One of *The Economist's* 2011 Books of the Year THE TRUE BUT UNLIKELY STORIES OF LIVES DEVOTED—ABSURDLY! MELANCHOLICALLY! BEAUTIFULLY!—TO THE RUSSIAN CLASSICS No one who read Elif Batuman's first article (in the journal *n+1*) will ever forget it. "Babel in California" told the true story of various human destinies intersecting at Stanford University during a conference about the enigmatic writer Isaac Babel. Over the course of several pages, Batuman managed to misplace Babel's last living relatives at the San Francisco airport, uncover Babel's secret influence on the making of King Kong, and introduce her readers to a new voice that was unpredictable, comic, humane, ironic, charming, poignant, and completely, unpretentiously full of love for literature. Batuman's subsequent pieces—for *The New Yorker*, *Harper's Magazine*, and the *London Review of Books*—have made her one of the most sought-after and admired writers of her generation, and its best traveling companion. In *The Possessed* we watch her investigate a possible murder at Tolstoy's ancestral estate. We go with her to Stanford,

Switzerland, and St. Petersburg; retrace Pushkin's wanderings in the Caucasus; learn why Old Uzbek has one hundred different words for crying; and see an eighteenth-century ice palace reconstructed on the Neva. Love and the novel, the individual in history, the existential plight of the graduate student: all find their place in *The Possessed*. Literally and metaphorically following the footsteps of her favorite authors, Batuman searches for the answers to the big questions in the details of lived experience, combining fresh readings of the great Russians, from Pushkin to Platonov, with the sad and funny stories of the lives they continue to influence—including her own.

The Burning of Moscow Alexander Mikaberidze 2014-02-11 As soon as Napoleon and his Grand Army entered Moscow, on 14 September 1812, the capital erupted in flames that eventually engulfed and destroyed two thirds of the city. The fiery devastation had a profound effect on the Grand Army, but for thirty-five days Napoleon stayed, making increasingly desperate efforts to achieve peace with Russia. Then, in October, almost surrounded by the Russians and with winter fast approaching, he abandoned the capital and embarked on the long, bitter retreat that destroyed his army. The month-long stay in Moscow was a pivotal moment in the war of 1812 – the moment when the initiative swung towards the Tsar's armies and spelled doom for the invading Grand Army – yet it has rarely been studied in the same depth as the other key events of the campaign.??Alexander Mikaberidze, in this third volume of his in-depth reassessment of the war between the French and Russian empires, emphasizes the importance of the Moscow fire and shows how Russian intransigence sealed the fate of the French army. He uses a vast array of French, German, Polish and Russian memoirs, letters and diaries as well as archival material in order to tell the dramatic story of the Moscow fire. Not only does he provide a comprehensive account of events, looking at them from both the French and Russian points of view, but he explores the Russians' motives for leaving, then burning their capital. Using extensive eyewitness accounts, he paints a vivid picture of the harsh reality of life in the remains of the occupied city and describes military operations around Moscow at this turning point in the campaign.

A Frequency Dictionary of German Randall Jones 2015-06-03 A Frequency Dictionary of German is an invaluable tool for all learners of German, providing a list of the 4,034 most frequently used words in the language. Based on a 4.2 million-word corpus which is evenly divided between spoken, fiction and non-fiction texts, the dictionary provides a detailed frequency-based list plus alphabetical and part of speech indexes. All entries in the rank frequency list feature the English equivalent, a sample sentence plus an indication of major register variation. The dictionary also contains twenty-one thematically organized lists of frequently used words on a variety of topics as well as eleven special vocabulary lists. A Frequency Dictionary of German aims to enable students of all levels to maximize their study of German vocabulary in an efficient and engaging way.

Hiroshima John Hersey 2020-06-23 Hiroshima is the story of six people—a clerk, a widowed seamstress, a physician, a Methodist minister, a young surgeon, and a German Catholic priest—who lived through the greatest single manmade disaster in history. In vivid and indelible prose, Pulitzer Prize–winner John Hersey traces the stories of these half-dozen individuals from 8:15 a.m. on August 6, 1945, when Hiroshima was destroyed by the first atomic bomb ever dropped on a city, through the hours and days that followed. Almost

four decades after the original publication of this celebrated book, Hersey went back to Hiroshima in search of the people whose stories he had told, and his account of what he discovered is now the eloquent and moving final chapter of Hiroshima.

Heart of Darkness Joseph Conrad 2012-02-29 Dark allegory of a journey up the Congo River and the narrator's encounter with the mysterious Mr. Kurtz. Masterly blend of adventure, character study, psychological penetration. For many, Conrad's finest, most enigmatic story.
