**Jean Rhys and the Novel As Women's Text** Nancy R. Harrison 2017-10-10 Is a woman's writing different from a man's? Many scholars -- and readers -- think so, even though there has been little examination of the way women's novels enact the theories that women theorists have posited. In *Jean Rhys and the Novel as Women's Text*, Nancy Harrison makes an important contribution to the exchange of ideas on the writing practice of women and to the scholarship on Jean Rhys. Harrison determines what the form of a well-made women's novel discloses about the conditions of women's communication and the literary production that emerges from them. Devoting the first part of her book to theory and general commentary on Rhys's approach to writing, she then offers perceptive readings of *Voyage in the Dark*, an early Rhys novel, and *Wide Sargasso Sea*, Rhys's masterpiece written twenty-seven years later. She shows how Rhys uses the terms of a man's discourse, then introduces a woman's (or several women's) discourse as a compelling counterpoint that, in time, becomes prominent and gives each novel its thematic impact. In presenting a continuing dialogue with the dominant language and at the same time making explicit the place of a woman's own language, Rhys gives us a paradigm for a new and

basically moral text. Originally published in 1988. **The Golden Notebook** Doris Lessing 2008-10-14 Anna is a writer, author of one very successful novel, who now keeps four notebooks. In one, with a black cover, she reviews the African experience of her earlier years. In a red one she records her political life, her disillusionment with communism. In a yellow one she writes a novel in which the heroine relives part of her own experience. And in a blue one she keeps a personal diary. Finally, in love with an American writer and threatened with insanity, Anna resolves to bring the threads of all four books together in a golden notebook. Doris Lessing's best-known and most influential novel, *The Golden Notebook* retains its extraordinary power and relevance decades after its initial publication.

*The Grass is Singing* Doris Lessing 1973 This murder story features a Rhodesian farmer's wife and her houseboy.

*The Memoirs of a Survivor* Doris Lessing 1995 A compelling vision of a disorientating and barbaric future from Doris Lessing, winner of the Nobel Prize for Literature.

Public Library and Other Stories Ali Smith 2016-10-04 From the acclaimed, award-winning author: Why are books so very powerful? What do the books we've read over our lives—our own personal libraries—make of us? What does the unraveling of our tradition of public libraries, so hard-won but now in jeopardy, say about us? The stories in Ali Smith's new collection are about what we do with books and what they do with us: how they travel with us; how they shock us, change us, challenge us, banish time while making us older, wiser and ageless all at once; how they remind us to pay attention to the world we make. Woven between the stories are conversations with writers and readers reflecting on the essential role that libraries have played in their lives. At a time when public libraries around the world face threats of cuts and closures, this collection stands as a work of literary activism—and as a wonderful read from one of our finest authors.

Doris Lessing Gayle Greene 1997 An original and compelling appraisal of this important international literary figure

**The Grandmothers** Doris Lessing 2009-10-13 Shocking, intimate, often uncomfortably honest, these stories reaffirm Doris Lessing's unequalled ability to capture the truth of the human condition In the title novel, two friends fall in love with each other's teenage sons, and these passions last for years, until the women end them, vowing a respectable old age. In *Victoria and the Staveney's*, a young woman gives birth to a child of mixed race and struggles with feelings of estrangement as her daughter gets drawn into a world of white privilege. *The Reason for It* traces the birth, faltering, and decline of an ancient culture, with enlightening modern resonances. *A Love Child* features a World War II soldier who believes he has fathered a love child during a fleeting wartime romance and cannot be convinced otherwise.

Spies I Have Known and Other Stories Doris May Lessing 1995-01 A collection of ten short stories covering a range of subjects and genres from this highly acclaimed author.

The Grass is Singing Doris Lessing 2000-01 Mary marries Charlie Turner, a poor white South African farmer. As her loneliness and unhappiness increase, she falls obsessively in love with her black servant, yet she still treats him cruelly, as with all black people.

**Kinflicks** Lisa Alther 1977-03-01 In *Kinflicks*, Lisa Alther reels through the ups and downs of Ginny Babcock's coming of age in Hullsport, Tennessee, during the '50s and '60s. Ginny bounces from one identity to another, adopting the values, politics, lifestyle, even the sexual orientation of each new

partner. In her wise, funny, and ultimately heartbreaking story, Alther explores the limited roles offered to women in the '60s - from cheerleader to motorcycle moll, bulldyke to madonna - each embodying important truths about the aspirations of the culture that created them.

**Alfred and Emily** Doris Lessing 2009-10-13 I think my father's rage at the trenches took me over, when I was very young, and has never left me. Do children feel their parents' emotions? Yes, we do, and it is a legacy I could have done without. What is the use of it? It is as if that old war is in my own memory, my own consciousness. In this extraordinary book, the 2007 Nobel Laureate Doris Lessing explores the lives of her parents, each irrevocably damaged by the Great War. Her father wanted the simple life of an English farmer, but shrapnel almost killed him in the trenches, and thereafter he had to wear a wooden leg. Her mother, Emily, spent the war nursing the wounded in the Royal Free Hospital after her great love, a doctor, drowned in the Channel. In the fictional first half of *Alfred and Emily*, Doris Lessing imagines the happier lives her parents might have made for themselves had there been no war; a story that begins with their meeting at a village cricket match outside Colchester. This is followed by a piercing examination of their relationship as it actually was in the shadow of the Great War, of the family's move to Africa, and of the impact of her parents' marriage on a young woman growing up in a strange land. "Here I still am," says Doris Lessing, "trying to get out from under that monstrous legacy, trying to get free." Triumphant, with the publication of *Alfred and Emily*, she has done just that.

**Revise the English and English Literature Anthology for AQA A** Tony Childs 2002 This revision guide supports the AQA/A English Anthology for 2004-2006, with glossaries, notes and questions to prepare students for the exam. The practice questions are accompanied by advice on how students can plan, structure and write successful answers.

*The Cleft* Doris Lessing 2009-10-13 From Doris Lessing, "one of the most important writers of the past hundred years" (Times of London), comes a brilliant, darkly provocative alternative history of humankind's beginnings. In the last years of his life, a Roman senator retells the history of human creation and reveals the little-known story of the Clefts, an ancient community of women living in an Edenic coastal wilderness. The Clefts have neither need nor knowledge of men; childbirth is controlled through the cycles of the moon, and they bear only female children. But with the unheralded birth of a strange new child—a boy—the harmony of their community is suddenly thrown into jeopardy. In this fascinating and beguiling novel, Lessing confronts the themes that inspired much of her early writing: how men and women manage to live side by side in the world and how the troublesome particulars of gender affect every aspect of our existence.

*Feminist Stylistics* Sara Mills 2016-03-30 First published in 2004. Routledge is an imprint of Taylor & Francis, an informa company.

*Free Woman* Lara Feigel 2018-05-08 A genre-defying memoir in which Lara Feigel experiments with sexual, intellectual and political freedom while reading and pursuing Doris Lessing How might we live more freely, and will we be happier or lonelier if we do? Re-reading *The Golden Notebook* in her thirties, shortly after Doris Lessing's death, Lara Feigel discovered that Lessing spoke directly to her as a woman, a writer, and a mother in a way that no other novelist had done. At a time when she was dissatisfied with the conventions of her own life, Feigel was enticed by Lessing's vision of freedom. *Free Woman* is essential reading for anyone whose life has been changed by books or has questioned the structures by which they live. Feigel tells Lessing's own story, veering between admiration and fury at the choices Lessing made. At the same time, she scrutinises motherhood, marriage and sexual

relationships with an unusually acute gaze. And in the process she conducts a dazzling investigation into the joys and costs of sexual, psychological, intellectual and political freedom. This is a genre-defying book: at once a meditation on life and literature and a daring act of self-exposure.

### **Aqa Gcse English Lit P. Burns 2007-02**

**Shikasta** Doris Lessing 1994 From Doris Lessing, winner of the Nobel Prize for Literature, this is the first instalment in the visionary novel cycle 'Canopus in Argos: Archives'. The story of the final days of our planet is told through the reports of Johor, an emissary sent from Canopus. Earth, now named Shikasta (the Stricken) by the kindly, paternalistic Canopeans who colonised it many centuries ago, is under the influence of the evil empire of Puttiora. War, famine, disease and environmental disasters ravage the planet. To Johor, mankind is a 'totally crazed species', racing towards annihilation: his orders to save humanity set him what seems to be an impossible task. Blending myth, fable and allegory, Doris Lessing's astonishing visionary creation both reflects and redefines the history of our own world from its earliest beginnings to an inevitable, tragic self-destruction.

**Doris Lessing and Sufi Equilibrium** S. Fahim 1994-07-12 The purpose of this study is to examine the rationale of Doris Lessing's development from Classical Realism to mysticism and forms of science fiction and to consider the unifying motifs that appear throughout her novels in her consistent search for Sufi Equilibrium. The four novels selected in this study represent significant stages in Lessing's work. Chapter one focuses on *The Grass is Singing*, which represents the author's early traditionally realistic writing, to show how far the preoccupations of Lessing's later novels find expression in this early work. Chapter two studies *The Golden Notebook*, which marks a turning point in formal structure in Lessing's canon and is selected as evidence of her interest in Sufism at that early stage. Chapter three concentrates on the study of *The Memoirs of a Survivor*, which has elicited a comparatively limited amount of criticism but which proves to be a major achievement when brought into line with Sufi methods of writing. Chapter four considers Lessing's science fiction series, 'Canopus in Argos', tracing sources from Oriental literature - a key which unlocks many areas of obscurity.

*A Literature of Their Own* Elaine Showalter 2020-12-08 When first published in 1977, *A Literature of Their Own* quickly set the stage for the creative explosion of feminist literary studies that transformed the field in the 1980s. Launching a major new area for literary investigation, the book uncovered the long but neglected tradition of women writers in England. A classic of feminist criticism, its impact continues to be felt today. This revised and expanded edition contains a new introductory chapter surveying the book's reception and a new postscript chapter celebrating the legacy of feminism and feminist criticism in the efflorescence of contemporary British fiction by women.

**English & English Literature** Franz Fitzsimmons 2006-07 This volume covers the 2006 subject specifications for all exam boards. The text is laid out in 'sound bite' boxes to aid recollection, with clearly labelled diagrams to add visual clarity and further demonstrate the subject matter.

**Teaching Literature and Language Through Multimodal Texts** Domínguez Romero, Elena 2018-08-17 In the past few decades, there has been a growing interest in the benefits of linking the learning of a foreign language to the study of its literature. However, the incorporation of literary texts into language curriculum is not easy to tackle. As a result, it is vital to explore the latest developments in text-based teaching in which language, culture, and literature are taught as a continuum. *Teaching Literature and Language Through Multimodal Texts* provides innovative insights into multiple language

teaching modalities for the teaching of language through literature in the context of primary, secondary, and higher education. It covers a wide range of good practice and innovative ideas and offers insights on the impact of such practice on learners, with the intention to inspire other teachers to reconsider their own teaching practices. It is a vital reference source for educators, professionals, school administrators, researchers, and practitioners interested in teaching literature and language through multimodal texts.

**The Aesthetic Cold War** Peter J. Kalliney 2022-10-04 How decolonization and the cold war influenced literature from Africa, Asia, and the Caribbean How did superpower competition and the cold war affect writers in the decolonizing world? In *The Aesthetic Cold War*, Peter Kalliney explores the various ways that rival states used cultural diplomacy and the political police to influence writers. In response, many writers from Africa, Asia, and the Caribbean—such as Chinua Achebe, Mulk Raj Anand, Eileen Chang, C.L.R. James, Alex La Guma, Doris Lessing, Ngũgĩ wa Thiong'o, and Wole Soyinka—carved out a vibrant conceptual space of aesthetic nonalignment, imagining a different and freer future for their work. Kalliney looks at how the United States and the Soviet Union, in an effort to court writers, funded international conferences, arts centers, book and magazine publishing, literary prizes, and radio programming. International spy networks, however, subjected these same writers to surveillance and intimidation by tracking their movements, tapping their phones, reading their mail, and censoring or banning their work. Writers from the global south also suffered travel restrictions, deportations, imprisonment, and even death at the hands of government agents. Although conventional wisdom suggests that cold war pressures stunted the development of postcolonial literature, Kalliney's extensive archival research shows that evenly balanced superpower competition allowed savvy writers to accept patronage without pledging loyalty to specific political blocs. Likewise, writers exploited rivalries and the emerging discourse of human rights to contest the attentions of the political police. A revisionist account of superpower involvement in literature, *The Aesthetic Cold War* considers how politics shaped literary production in the twentieth century.
