Gandhi: An Illustrated Biography Pramod Kapoor 2018-02-08 His life and ideals remain an inspiration across the world but in reality, it was the complexity of his character that made Mohandas Karamchand Gandhi such a fascinating subject. Yet, much of the finer details of his life and intellectual growth has been obscured by the greatness of his achievements. To bring them all together in this illustrated biography is to bring alive one of the most revered figures in modern Indian history and in a way that is a departure from earlier works. *Gandhi: An Illustrated Biography* is an intimate study into the evolution of a mischievous, fun-loving boy, into the Mahatma. From his schooling and early marriage in Kathiawar to his first brushes with the grandeur of London; from his chance employment for a legal case in South Africa to a train ride in Pietermaritzburg that led to his first fight for equality; from a relatively unsuccessful lawyer to a globally celebrated crusader for human rights - Gandhi was that rare rebel who redefined the meaning of mass resistance for generations to come. This book is the result of intensive research and tracks Gandhi's life through photographs sourced from across the world. The chronological text and accompanying photographs bring out his unique complexities - his failures and successes, the intimate relations he shared with his contemporaries and the difficult one he shared with his own family. This book is a labour of love and an attempt to portray Gandhi's methods and his message for a new generation of readers.

The Voyage Out Virginia Woolf 2000 1. Do you consider Rachel Vinrace a sympathetic character? Why or why not? Discuss Michael Cunningham's reading of her as 'an engine of perception.' 2. Critics have compared *The Voyage Out* to Jane Austen's novels, since both involve marriage plots. In what ways are they similar? Different? 3. Both Susan Warrington and Rachel receive marriage proposals in Santa Marina. Compare the attitudes each has toward marriage. How is each woman's social predicament different? 4. In his Introduction, Michael Cunningham writes that it was Woolf's conviction that 'what's important in a life, what remains at its end, is less likely to be its supposed climaxes than its unexpected moments of awareness, often arising out of unremarkable experience, so deeply personal they can rarely be explained.' Consider this notion in light of Rachel's character. What moments of awareness does Rachel experience? Compare her moments of awareness with those of another character, for instance, Helen Ambrose. What similarities or differences can you draw from the comparison? 5. Discuss the significance of the novel's title. To which 'voyage' do you think it refers? 6. In Chapter XVIII, Terence considers the sacrifices women must make in marriage. He then resolves that Rachel, if she will marry him, will be 'free, like the wind or the sea.' In what ways does his later behavior indicate this may not be the case? 7. Why, ultimately, do you think Rachel dies? What effect does her death have on the novel's

structure? 8. In her essay 'Modern Fiction,' which she published a decade after the publication of *The Voyage Out*, Woolf writes, 'Life is not a series of gig lamps symmetrically arranged; but a luminous halo, a semi-transparent envelope surrounding us from the beginning of consciousness to the end.' To what extent do you think *The Voyage Out* adheres to this vision?

Library of Luminaries: Jane Austen Zena Alkayat 2016-03-15 Discover the stories behind the stories in this treasurable illustrated biography of Jane Austen. Enchanting illustrations and handwritten text featuring excerpts from Austen's personal letters outline the intimate details of the literary icon's life—her childhood on a farm, the writing of her first novella, her marital woes, the inspiration behind *Sense and Sensibility* and *Pride and Prejudice*, and more. Brimming with delightful details like the objects Austen kept on her desk and how much Emma originally sold for, this beautiful ebook is a lovely new way to celebrate Austen's legacy.

The Publishers' Circular and Booksellers' Record of British and Foreign Literature 1906

The Essential Samuel Beckett Enoch Brater 2003 Samuel Beckett was one of the truly seminal and influential writers of the 20th century. The Nobel Prize for Literature awarded to him in 1969 symbolized his acceptance by the international community. He is undoubtedly a 'difficult' writer, and one of the virtues of Enoch Brater's concise literary biography is to give the general reader easier access to Beckett's work, particularly his later and more elliptical theatre and prose pieces. Professor Brater follows Beckett's career from the early days in Ireland, to the efflorescence in France just after the Second World War, and beyond that to the unfolding of his success in the rest of the world following the universal appeal of his cryptic, moving play *Waiting for Godot*. In his analysis of the way Beckett approaches his work, Brater emphasises the Irish rhythms in his writing, and examines, at all stages, the intriguing relationships between his fiction and his compositions for theatre, film and television. Supported by a large selection of photographs, personal and public, this is a brilliant and informed study of Beckett's life and works.

A Long Walk to Water Linda Sue Park 2010 When the Sudanese civil war reaches his village in 1985, 11-year-old Salva becomes separated from his family and must walk with other Dinka tribe members through southern Sudan, Ethiopia and Kenya in search of safe haven. Based on the life of Salva Dut, who, after emigrating to America in 1996, began a project to dig water wells in Sudan. By a Newbery Medal-winning author.

Sweet and Clean? Susan North 2020-03-26 *Sweet and Clean?* challenges the widely held beliefs on bathing and cleanliness in the past. For over thirty years, the work of the French historian, George Vigarello, has been hugely influential on early modern European social history, describing an aversion to water and bathing, and the use of linen underwear as the sole cleaning agent for the body. However, these concepts do not apply to early modern England. *Sweet and Clean?* analyses etiquette and medical literature, revealing repeated recommendations to wash or bathe in order to clean the skin. Clean linen was essential for propriety but advice from medical experts was contradictory. Many doctors were convinced that it prevented the spread of contagious diseases, but others recommended flannel for undergarments, and a few thought changing a fever patient's linens was dangerous. The methodology of material culture helps determine if and how this advice was practiced. Evidence from inventories, household accounts and manuals, and surviving linen garments tracks underwear through its life-cycle of production, making, wearing, laundering, and final recycling. Although the material culture of washing bodies is much sparser, other sources, such as the Old Bailey records, paint a more accurate picture of cleanliness in early modern England than has been previously described. The contrasting analyses of linen and bodies reveal what histories material culture best serves. Finally, what of the diseases-plague, smallpox, and typhus-that cleanliness of body and clothes were thought to prevent? Did following early modern medical advice protect people from these illnesses?

Jacob's Room Virginia Woolf 1990 Written by the author of *To the Lighthouse*, *The Waves*, *Orlando*, *Night and Day* and *Mrs Dalloway*, this novel evokes the life and death of Jacob Flanders.

Who Was Babe Ruth? Joan Holub 2012-01-05 Just in time for baseball season! Babe Ruth came from a poor Baltimore family and, as a kid, he was a handful. It was at a reform school

that Babe discovered his talent for baseball, and by the age of nineteen, he was on his way to becoming a sports legend. Babe was often out of shape and even more often out on the town, but he had a big heart and an even bigger swing! Kids will learn all about the Home Run King in this rags-to-riches sports biography. With black-and-white illustrations throughout, a true sports legend is brought to life.

Between the Acts Virginia Woolf 1992 In Woolf's last novel, the action takes place on one summer's day at a country house in the heart of England, where the villagers are presenting their annual pageant. A lyrical, moving valedictory.
