**Tom Ford 002** Tom Ford 2021-11-16 A fashion icon, provocative American designer Tom Ford brings us his highly anticipated second book, which takes readers through the illustrious trajectory of his billion-dollar luxury empire established in 2005. Synonymous with high-octane glamour, opulent sexuality, and fearless fashion, Tom Ford is an iconic designer whose namesake label has devout followers across the globe, from Milan and New Delhi to Shanghai and New York. Seventeen years after his best-selling debut book *Tom Ford* (2004), which detailed his time as creative director for the Italian label Gucci, this second volume is a visual ode to Ford's eponymous brand created in 2005 and encompasses cosmetics, eyewear, menswear, and his critically acclaimed womenswear line. The revered designer not only catapulted his brand to the highest echelons of the fashion world—receiving accolades from the Council of Fashion Designers of America and *Time* magazine's Best Designer of the Year—but also commanded the attention of Hollywood by featuring loyal A-list fans such as Julianne Moore, Lauren Hutton, Pat Cleveland, and Nicholas Hoult in his runway shows and advertising campaigns. This gorgeous slipcased volume includes dazzling imagery of Ford's clothing and accessories designs, fashion editorials featuring top models such as Gigi Hadid, Joan Smalls, Mica Argañaraz, and Jon Kortajarena, and his signature sexually-charged advertising campaigns by photographers such as Inez & Vinoodh, Nick Knight, Steven Meisel, and Mert & Marcus. This volume, printed with Forest Stewardship Council approved materials and edited by Ford personally, reflects his exceptional taste and unapologetic sensual aesthetic and is a true collector's item for his devotees and connoisseurs of fashion, style, and design.

**Peter Lindbergh** Peter Lindbergh 2011 Internationally-known German fashion photographer Peter Lindbergh revolutionized his metier with iconic images of Linda Evangelista, Naomi Campbell, Cindy Crawford, Tatjana Patitz and other models. His photographs sought to capture the personality, character, and identity of the models--and not just the glitter and glamour. His new project represents another innovative chapter in the field of fashion photography. *The Unknown* is a photographic "serial novel" of fashion shootings set against the backdrop of a fictitious landing of beings from outer space. The extra terrestrial theme is elegantly augmented

with elements of Hollywood glamour from the fifties, the German cinema of Fritz Lang, and futuristic scenarios of science fiction movies--much in the manner of Orson Welles or Ridley Scott. Lindbergh has now joined these photographs together for the first time to form a large-scale pictorial narrative for the exhibition in Beijing."

**Myron Herrick - Friend Of France** Colonel T. Bentley Mott 2014-08-15 The Biography of the foremost Francophile diplomat, possessed of political courage a sharp wit and a winning charm. "Herrick was born in Huntington, Lorain County, Ohio, the son of Timothy Robinson Herrick a local farmer. He studied at Oberlin College and Ohio Wesleyan University, but graduated from neither. He married Carolyn M. Parmely of Dayton, Ohio on June 30, 1880. They had one son, Parmely Webb Herrick. From 1885 to 1888, Herrick was a member of Cleveland City Council.[1][2] In 1886, he helped to finance the founding of The National Carbon Company, along with W. H. Lawrence, James Parmelee, and James Webb Cook Hayes (see Webb Hayes), son of U.S. President Rutherford B. Hayes, in Cleveland, Ohio. This company would come to figure prominently in the history of the consumer battery and the flashlight. Herrick was a Presidential elector in 1892 for Harrison/Reid. Herrick served as the Governor of Ohio from 1904 to 1906; (future United States President) Warren G. Harding served as his Lieutenant Governor. He had been a protégé of political boss Mark Hanna, but in 1906 was defeated by the efforts of Wayne Wheeler and the Anti-Saloon League after he refused to support their plan for prohibition of alcohol in Ohio. He subsequently served as United States Ambassador to France from 1912 to 1914 and again from 1921 to 1929. He is the only American ambassador to France with a street named after him in Paris, in the 8th arrondissement. Herrick was the ambassador who hosted Charles Lindbergh in Paris after his successful New York to Paris Atlantic crossing in 1927.[5] He was an unsuccessful candidate for the U.S. Senate in 1916 against Atlee Pomerene. Herrick was serving as United States Ambassador to France at the time of his death on March 31, 1929. He died from a heart attack. He is interred at Lake View Cemetery in Cleveland, Ohio."-Wiki

Peter Lindbergh. on Fashion Photography. 40th Ed. Peter Lindbergh 2020 Fu nel 1988, sulla spiaggia di Malibu, che Peter Lindbergh creò la serie *White Shirts*. Questi semplici scatti oggi famosissimi fecero scuola e presentarono al mondo Linda Evangelista, Christy Turlington, Rachel Williams, Karen Alexander, Tatjana Patitz ed Estelle Lefébure. Questo evento segnò l'inizio di una nuova epoca nel mondo della moda, e Lindbergh continuò a modificare il panorama della fotografia di moda per i decenni a venire. Questo volume raccoglie oltre 300 fotografie che ripercorrono i 40 anni della carriera di Lindbergh, celebrando l'approccio umanistico e il tocco cinematografico del fotografo tedesco, in grado di creare immagini al tempo stesso seducenti e introspettive. Nel 1980 Rei Kawakubo chiese a Lindbergh di creare una campagna per *Commes des Garçons*: questa fu una delle sue prime incursioni nel mondo della fotografia commerciale. Kawakubo gli diede carta bianca. Negli anni successivi seguirono altre collaborazioni con i nomi più osannati della moda che sfociarono in un rapporto di reverenza reciproca: il rispetto che Lindbergh portava ad alcuni dei più grandi stilisti del nostro tempo è palpabile nei suoi ritratti. Tra gli altri, Lindbergh lavorò per Azzedine Alaïa, Giorgio Armani, Alber Elbaz, John Galiano, Jean Paul Gaultier, Karl Lagerfeld, Thierry Mugler, Yves Saint Laurent, Jil Sander e Yohji Yamamoto. Considerato da molti un pioniere nel suo campo, Lindbergh si sottrasse agli standard della bellezza industriale per celebrare l'essenza e l'individualità dei suoi soggetti. Il suo contributo fu cruciale per l'ascesa al successo di modelle come Kate Moss, Naomi Campbell, Linda Evangelista, Cindy Crawford, Mariacarla Boscono, Lara Stone, Claudia Schiffer, Amber Valletta, Nadja Auermann e Kristen McMenamy. La portata dell'opera di Lindbergh si estese a tutta Hollywood e oltre: nei suoi scatti appaiono Cate Blanchett, Charlotte Rampling, Richard Gere, Isabelle Huppert, Nicole Kidman, Madonna, Brad Pitt, Catherine Deneuve e Jeanne Moreau. Dalla fotografia scelta da Anna Wintour come copertina della sua prima uscita di *Vogue* al leggendario scatto di Tina Turner sulla Torre Eiffel, non sono mai gli abiti, la celebrità o il glamour il punto focale nelle fotografie di Lindbergh. Ogni immagine trasmette l'umanità del suo soggetto con una serena malinconia che è il tratto distintivo, unico e inconfondibile di Lindbergh. Fin dall'inizio della sua carriera, Lindbergh era noto nel mondo dell'arte contemporanea, e le sue fotografie venivano esposte nelle gallerie ben prima di apparire sulle riviste. Questa edizione include un'introduzione aggiornata ricavata da un'intervista del 2016, che offre uno sguardo dietro l'obiettivo di Lindbergh, e in cui il fotografo parla delle sue prime collaborazioni, del delicato rapporto tra arte e pubblicità e del potere della narrazione.

*Invasion* Peter Lindbergh 2002 Although he's most widely known for his artistic vision of the fashion world, Peter Lindbergh is also a science fiction nut. This fun and fantastic collection of rarely seen photos demonstrates Lindbergh's flair for the dramatic, the weird, and the downright spooky. These images of aliens and explosions, flying saucers and dumbstruck models venture into the realm of film and pop art, but they are every bit as glamorous as his fashion work. From UFOs over a modern city and frightened figures wrapped in mist, to an elegant couple witnessing a desert explosion and their capture by extraterrestrials, Lindbergh's attention to detail, his sophisticated sense of irony, as well as his wit and charm make these colorful explosive photos a dynamic addition to an already brilliant career.

**The Flight of the Century** Thomas Kessner 2010-07-20 In late May 1927 an inexperienced and unassuming 25-year-old Air Mail pilot from rural Minnesota stunned the world by making the first non-stop transatlantic flight. A spectacular feat of individual daring and collective technological accomplishment, Charles Lindbergh's flight from New York to Paris ushered in America's age of commercial aviation. In *The Flight of the Century*, Thomas Kessner takes a fresh look at one of America's greatest moments, explaining how what was essentially a publicity stunt became a turning point in history. He vividly recreates the flight itself and the euphoric reaction to it on both sides of the Atlantic, and argues that Lindbergh's amazing feat occurred just when the world--still struggling with the disillusionment of WWI--desperately needed a hero to restore a sense of optimism and innocence. Kessner also shows how new forms of mass media made Lindbergh into the most famous international celebrity of his time, casting him in the role of a humble yet dashing American hero of rural origins and traditional values. Much has been made of Lindbergh's personal integrity and his refusal to cash in on his fame. But Kessner reveals that Lindbergh was closely allied with, and managed by, a group of powerful businessmen--Harry Guggenheim, Dwight Morrow, and Henry Breckenridge chief among them--who sought to exploit aviation for mass transport and massive profits. Their efforts paid off as commercial air traffic soared from 6,000 passengers in 1926 to 173,000 passengers in 1929. Kessner's book is the first to fully explore Lindbergh's central role in promoting the airline industry--the rise of which has influenced everything from where we live to how we wage war and do business. *The Flight of the Century* sheds new light on one of America's fascinatingly enigmatic heroes and most transformative moments.

*The American Axis* Max Wallace 2004-12-13 Seeks to reveal how Henry Ford and Charles Lindbergh posed a serious threat to democracy throughout the world, charging them with abuses of power that supported the rise of Hitler and undermined the Allied war effort. Reprint. 20,000 first printing.

Lindbergh vs. Roosevelt James P. Duffy 2010-09-27 Was aviation pioneer and popular American hero Charles A. Lindbergh a Nazi sympathizer and anti-Semite? Or was he the target of a vicious personal vendetta by President Roosevelt? In *Lindbergh vs. Roosevelt*, author James Duffy tackles these questions head-on, by examining the conflicting personalities, aspirations, and actions of Franklin D. Roosevelt and Charles A. Lindbergh. Painting a politically incorrect portrait of both men, Duffy shows how the hostility between these two American giants divided the nation on both domestic and international affairs. From cancelling U.S. air mail contracts to intervening in World War II, Lindbergh and Roosevelt's clash of ideas and opinions shaped the nation's policies here and abroad. Insightful, and engaging, *Lindbergh vs. Roosevelt* reveals the untold story about two of history's most controversial men, and how the White House waged a smear campaign against Lindbergh that blighted his reputation forever.

Peter Lindbergh Peter Lindbergh 2004 The supermodel phenomenon has captured the 90s all over the globe, surpassing every known form of star cult. Peter Lindbergh, German photographer living in Paris, made a major contribution to the optical creation of this worldwide myth. The most beautiful and most celebrated supermodels owe many of their best photographs to Peter Lindbergh's creativity, perception, and particularly his sensitive camera eye. In his first book *Ten Women*, published in 1996, Peter Lindbergh has devoted one chapter to each of his most beautiful young women: Naomi Campbell, Helena Christensen, Cindy Crawford, Linda Evangelista, Kristen McMenamy, Kate Moss, Tatjana Patitz, Claudia Schiffer, Christy Turlington and Amber Valetta. Fashion designer Karl Lagerfeld wrote a short foreword to the book, not devoid of a streak of melancholy. Argentinian star designer Juan Gatti composed the orderly format of this publication, now available in a softcover reprint.

The Ghosts of Hopewell Jim Fisher 2006-08 In this illustrated examination of the Lindbergh kidnapping case, Jim Fisher seeks to set the record straight regarding Bruno Hauptmann's guilt in "the crime of the century." In February 1935, following a sensational, six-week trial, a jury in Flemington, New Jersey, found German carpenter Hauptmann guilty of kidnapping and murdering the twenty-month-old son of Charles and Anne Lindbergh. Although circumstantial, the evidence against Hauptmann—the handwriting on the ransom notes, the homemade kidnapping ladder, Colonel Lindbergh's money found in his garage, his matching the description of the man who accepted the ransom payoff in the Bronx cemetery, his inability to prove an alibi,

and his incredible explanation of his possession of the ransom money—was overwhelming, leaving few to doubt his guilt. After a series of appeals and stays, Hauptmann died fourteen months later in the electric chair. A confession would have spared him the death sentence, but Hauptmann chose to die maintaining his innocence. It was not until the mid-1970s that revisionists began to challenge the conventional wisdom in the case: that Hauptmann was the lone killer. Revisionist books and articles appeared, as did plays, TV shows, and a movie, all portraying Hauptmann as the victim of a massive police and prosecution frame-up. At this point, the focus shifted from the evidence to the conduct of the police. By the 1980s, most people familiar with the case were convinced of Hauptmann's complete innocence. Many denied the murder, believing that the Lindbergh baby remained alive. Several men claimed to be the firstborn son of Charles and Anne Lindbergh, one of whom sued to claim his share of the Lindbergh estate after Charles Lindbergh's death in 1974. Another group held that the kidnapping was an elaborate hoax to cover up the murder of the baby by his parents. Anna Hauptmann's series of federal lawsuits against New Jersey and others in the mid-1980s fueled further interest in the case. Although Hauptmann's widow lost all of her lawsuits, she had won the hearts and minds of the American people before her death at the age of ninety-four. Former FBI agent Fisher discusses the hard evidence, such as the ransom notes and the wood of the kidnapping ladder. He analyzes and debunks the various revisionist theories and presents new evidence that, coupled with the undisputed facts, prove beyond a reasonable doubt that Hauptmann was guilty as charged: he kidnapped and murdered the infant son of Charles and Anne Lindbergh.

*On Fashion* Shari Benstock 1994 Until recently, fashion was considered the "F-word" in intellectual circles, dismissed as unworthy of serious attention. Yet no area of life, no individual moment, stands outside fashion's discourses. Intuitively, we all know that clothing is a language, incessantly communicating messages about its wearer. But who speaks this language, to whom is it addressed, what does it mean, and how are its meanings established and transformed? *On Fashion* explores the ways our material, political, psychological, sexual, even intellectual lives are woven into fashion's fabric. This stimulating collection of essays explores fashion's symbolic and figurative functions in photography, cinema, and video; in consumerism, postmodernism, and feminism; in political and material culture; and in self-definition and subjectivity. They demonstrate the pervasive reach of fashion and its expressions. This collection contains over sixty photographs and illustrations and includes essays by Barbara Brodman, Mary Ann Caws, Linda Benn DeLibero, Hlne Cixous, Diana Fuss, Cheryl Herr, Karla Jay, Deborah Jenson, Douglas Kellner, Ingeborg Majer O'Sickey, Leslie W. Rabine, Andrew Ross, Sonia Rykiel, Carol Shloss, Kaja Silverman, Maureen Turim, and Iris Marion Young.

*The Guest List* Ethan Mordden 2010-09-28 From the 1920s to the early 1960s, Manhattan was America's beacon of sophistication. From the theatres of Broadway to the lobby of the Algonquin Hotel to tables at the Stork Club, intelligence and wit were the twinned coins of the realm. Alexander Woolcott, Irving Berlin, Edna Ferber, Arturo Toscanini, Leonard Bernstein, Cole Porter, Dorothy Parker, Truman Capote, the Lunts and Helen Hayes presided over the town. Their books, plays, performances, speeches, dinner parties, masked balls, loves, hates, likes and dislikes became the aspirations of a nation. If you wanted to be sophisticated, you played by Manhattan's rules. If you didn't, you simply weren't on the guest list. The Heartland rebelled against Manhattan's dictum, but never prevailed. In this lively cultural history, Mordden chronicles the city's most powerful and influential era.
