Thatches and Thatching Marjorie Sanders 2012-02-20 The book examines key issues in thatched property management and maintenance: Understanding and managing the risk of fire in thatch:- Preventing thatch fires is the biggest single challenge facing the survival of historic thatch, and the number of devastating fires in listed properties continues to increase year by year. Not only is this a large financial burden, it represents an irretrievable loss of heritage. Raw materials supplies:- Measures are being adopted to allow sustainable growth and sourcing of straw varieties and reed, but seventy-five percent of water reed thatch is imported. Modern harvesting and storage methods:- Examines strategies and innovations by landowners to keep the economics of growing thatching straw competitive with land pressures for bio-fuels and other specialist crops. Managing owner expectations:- The current generation of thatch owners has high expectations for the longevity and appearance of their thatch that are not always realistic. The book provides well-researched explanations for the owner of the dynamics of thatch, and how to deal with the most common problems. New buildings and thatch:- A renaissance in thatch popularity has led to an increase in the number of thatched buildings on new developments. Good design provides an opportunity for modern craftsmen to put their own mark along the thatching time-line and at the same time take out the risks associated with fire.

The Partner's Guide to Asperger Syndrome Susan J. Moreno 2011-12-15 Adults with Asperger Syndrome (AS) often have difficulties acquiring relationship skills due to the defining characteristics of the syndrome, experiences with peers during childhood and adolescence, and the expectations of their partners. However, an increasing number do go on to achieve happy and successful long-term relationships with non-spectrum (NS) partners. This supportive book will give NS partners a better understanding of NS/AS relationships, and of what other NS partners have found to be helpful in terms of better understanding themselves and their partners, and enriching their relationships. Drawing on

interviews with over 100 people in NS/AS relationships, as well as on their own experiences of having family members on the autism spectrum, the authors explore the key differences which may impact upon AS/NS relationships, such as communication, social skills, and sensory issues, and offer tried-and-tested advice on how to surmount difficulties and make things work. The book includes chapters on coping with stress and meltdowns, parenting, positive AS qualities and how to use them to their full advantage in a relationship, as well as advice on how the NS partner can ensure that their own needs are met. This book will provide support and encouragement to those in a relationship with someone who has been diagnosed with AS, or who is suspected of having AS, and will also be a useful resource for counsellors and other professionals who wish to deepen their understanding of AS/NS relationships.

My Favorite Things Maira Kalman 2014-10-21 From Maira Kalman, the author of the bestsellers *The Principles of Uncertainty* and *The Elements of Style*, comes this beautiful pictorial and narrative exploration of the significance of objects in our lives, drawn from her personal artifacts, recollections, and selections from the collection of the Cooper-Hewitt, Smithsonian Design Museum. With more than fifty original paintings and featuring bestselling author and illustrator Maira Kalman's signature handwritten prose, *My Favorite Things* is a poignant and witty meditation on the importance of both quotidian and unusual objects in our culture and private worlds. Created in the same colorful, engaging, and insightful style as her previous works, which have won her fans around the world, *My Favorite Things* features more than fifty objects from both the Cooper-Hewitt, Smithsonian Design Museum and Kalman's personal collections: the pocket watch Abraham Lincoln was carrying when he was shot, original editions of *Winnie-the-Pooh* and *Alice in Wonderland*, a handkerchief in memoriam of Queen Victoria, an Ingo Maurer lamp, Rietveld's Z chair, a pair of Toscanini's pants, and photographs Kalman has taken of people walking towards and away from her. A pictorial index provides photographs of the actual objects and a short description of them, enhancing the reading experience. As it speaks to the universal experience and importance of beloved objects in our lives—big and small, famous and private—this unique work is a fresh way of examining and understanding our society, history, culture, and ourselves.

Sara Berman's Closet Maira Kalman 2018-12-04 Maira Kalman, the author of the bestsellers *The Principles of Uncertainty* and *The Elements of Style*, and Alex Kalman, the designer, curator, writer, and founder of Mmuseumm, combine their talents in this captivating family memoir, a creative blend of narrative and striking visuals that is a paean to an exceptional woman and a celebration of individuality, personal expression, and the art of living authentically. In the early 1950s, Jewish émigré Sara Berman arrived in the Bronx with her husband and two young daughters. When the children were grown, she and her husband returned to Israel, but Sara did not stay for long. In the late 1960s, at age sixty, she left her husband after thirty-eight years of marriage. One night, she packed a single suitcase and returned alone to New York City, moving into a studio apartment in Greenwich Village near her family. In her new home, Sara began discovering new things and establishing new rituals, from watching *Jeopardy* each night at 7:00 to eating pizza at the Museum of Modern Art's cafeteria every Wednesday. She also began discarding the unnecessary, according

to the Kalmans: "in a burst of personal expression, she decided to wear only white." Sara kept her belongings in an extraordinarily clean and organized closet. Filled with elegant, minimalist, heavily starched, impeccably pressed and folded all-white clothing, including socks and undergarments, as well as carefully selected objects—from a potato grater to her signature perfume, Chanel No.19—the space was sublime. Upon her death in 2004, her family decided to preserve its pristine contents, hoping to find a way to exhibit them one day. In 2015, the Mmuseumm, a new type of museum located in a series of unexpected locations founded and curated by Sara's grandson, Alex Kalman, recreated the space in a popular exhibit—Sara Berman's Closet—in Tribeca. The installation eventually moved to the Metropolitan Museum of Art, and in spring 2019, will become an outdoor monument to independence at the National Museum of American Jewish History on Independence Mall in Philadelphia. Inspired by the exhibit, this spectacular illustrated memoir, packed with family photographs, exclusive images, and Maira Kalman's distinctive paintings, is an ode to Sara's life, freedom, and re-invention. Sara Berman's Closet is an indelible portrait of the human experience—overcoming hardship, taking risks, experiencing joy, enduring loss. It is also a reminder of the significance of the seemingly insignificant moments in our lives—the moments we take for granted that may turn out to be the sweetest. Filled with a daughter and grandson's wry and touching observations conveyed in Maira's signature script, Sara Berman's Closet is a beautiful, loving tribute to one woman's indomitable spirit.

Beloved Dog Maira Kalman 2017-10-31 Maira Kalman, with wit and great sensitivity, reveals why dogs bring out the best in us Maira Kalman + Dogs = Bliss Dogs have lessons for us all. In *Beloved Dog*, renowned artist and author Maira Kalman illuminates our cherished companions as only she can. From the dogs lovingly illustrated in her acclaimed children's books to the real-life pets who inspire her still, Kalman's *Beloved Dog* is joyful, beautifully illustrated, and, as always, deeply philosophical. Here is Max Stravinsky, the dog poet of *Oh-La-La (Max in Love)*-fame, and her own Irish Wheaten Pete (almost named Einstein, until he revealed himself to be "clearly no Einstein"), who also made an appearance in the delightful *What Pete Ate: From A to Z*. And of course, there is Boganch, Kalman's in-laws' "big black slobbering Hungarian Beast." And that's just the beginning. With humor and intelligence, Kalman gives voice to the dogs she adores, noting that they are constant reminders that life reveals the best of itself when we live fully in the moment and extend unconditional love. "And it is very true," she writes, "that the most tender, complicated, most generous part of our being blossoms without any effort, when it comes to the love of a dog."

The Bullet Journal Method Ryder Carroll 2021-12 THE NEW YORK TIMES BESTSELLER Transform your life using the Bullet Journal Method, the revolutionary organisational system and worldwide phenomenon. The Bullet Journal Method will undoubtedly transform your life, in more ways than you can imagine' Hal Elrod, author of The Miracle Morning In his long-awaited first book, Ryder Carroll, the creator of the enormously popular Bullet Journal organisational system, explains how to use his method to: * TRACK YOUR PAST: using nothing more than a pen and paper, create a clear, comprehensive, and organised record of your thoughts and goals. * ORDER YOUR PRESENT: find daily calm by prioritising and minimising your workload and tackling your to-do list in a more mindful and productive way. * PLAN YOUR FUTURE: establish and appraise your short-term and long-term goals, plan more complex projects simply and effectively, and live your life with meaning and purpose. Like many of us, Ryder Carroll tried everything to get organised - countless apps, systems, planners, you name it. Nothing really worked. Then he invented his own simple system that required only pen and paper, which he found both effective and calming. He shared his method with a few friends, and before long he had a worldwide viral movement. The system combines elements of a wishlist, a to-do list, and a diary. It helps you identify what matters and set goals accordingly. By breaking long-term goals into small actionable steps, users map out an approachable path towards continual improvement, allowing them to stay focused despite the crush of incoming demands. But this is much more than a time management book. It's also a manifesto for what Ryder calls "intentional living": making sure that your beliefs and actions align. Even if you already use a Bullet Journal, this book gives you new exercises to become more calm and focused, new insights on how to prioritise well, and a new awareness of the power of analogue tools in a digital world. *** This book has been printed with three different colour designs, black, Nordic blue and emerald. We are unable to accept requests for a specific cover. The different covers will be assigned to orders at random. ***

Dressage in Harmony Walter Zetttl 1998-08-01 Maybe the best way to introduce this book to our audience is to quote Max Gahwyler when he read the book when it was in manuscript form: "You must publish this. It is superb!" We agree this is, truly, one of, if not the clearest, most readable books on training dressage ever written. It's just delightful! As Egon von Neindorf, a recognized master himself, says in the Foreword, "If you are not fortunate enough to be taught by Walter Zetttl personally, he gives you in this book a very valuable guide to the art of classical riding. In clearly worked out and easy to understand chapters, he takes you through each step of the training stages, discusses problems that occur, and assists with competent, sensible corrections, from Beginner to becoming a Master. With Walter Zetttl's guidance, it is made possible."

The Circle of Trust Walter Zetttl 2007 Walter Zetttl's first book, Dressage in Harmony, was dedicated to the riding and training of horses and received wide acclaim. In this beautiful new book, Herr Zetttl discusses those who have a critical influence on the welfare of horses and the future of the sport of dressage. That group includes the breeder, without whom we would not have horses; the owner and sponsor, who finance and sustain the horse; the rider, who signals to the horse through proper aids; the trainer and/or instructor, who guide the horse and rider into harmonic partnership; the stable manager and groom, who keep the horse happy, safe and secure; the show committee, which regulates the competitive side of the sport; and the judge, who must recognize and reward correct training.
