Bullets and Opium Liao Yiwu 2020-03-03 A “memorable series of portraits of the working class people who defended Tiananmen Square” (The New York Review of Books) during the protests from the award-winning poet, dissident, and “one of the most original and remarkable Chinese writers of our time” (Philip Gourevitch). Much has been written about the Tiananmen Square protests, but very little exists in the words of those who were actually there. For over seven years, Liao Yiwu—a master of contemporary Chinese literature, imprisoned and persecuted as a counter-revolutionary until he fled the country in 2011—secretly interviewed survivors of the devastating 1989 Tiananmen Square massacre. Tortured, imprisoned, and forced into silence and the margins of Chinese society for thirty years, their harrowing and unforgettable stories are now finally revealed in this “indispensable historical document” (Kirkus Reviews, starred review).

Of Starlight and Plague Beth Hersant 2021-11-19 It began, as big events often do, with small things – a little girl, a little dog, a microscopic virus that leads to a tragedy no one should ever have to face. Having lost his daughter to rabies, Dr. Aaron Pickman tries to derive some meaning from her death. In his search

for a cure, he unleashes a virus that will bring the world to its knees. However, just as great tragedies often have small beginnings, great individuals can have humble origins... Tammany, an injured woman running with a baby in her arms, has one slim, heart-stopping chance to save him. Fletch, an infected man, tries desperately to protect his oldest friend. And Louella, an old woman on her Pennsylvanian farm, offers shelter to survivors and becomes the unlikely leader of Camp North Star – one of the last outposts of uninfected humanity. They are all frail, flawed, ordinary people who rise to meet the challenge of this deadly new threat. Yes, it is a time of plague; but in that darkness, they are the starlight.
