With hundreds of thousands of words of steamy, romantic fiction, the books in this limited edition omnibus have gathered over 1000 five-star reviews across Amazon and Goodreads, and will provide you with hours and hours of reading! WHAT ARE READERS SAYING? "It is no secret that Gabi is one of my favorite go-to authors whenever I want an exceptionally well-penned bad boy romance, because Ms. Moore certainly knows her bad boys. Her books are always so refreshingly different, with totally unexpected and profound storylines that make you think on so many levels; with characters you could both kiss and slap in the same breath, and killer endings that always make me regret finishing them so quickly. Oh well!" INCLUDED IN THIS COLLECTION: NEVER LOOK BACK When they kidnapped her, something dark inside me came bubbling to the surface. I knew I wasn't afraid anymore. I wasn't going to ignore my past any longer. This time, I would fight... WRECKED & YOURS When the ship went under, I acted fast, and I did what I had to. And now we were stuck in the middle of nowhere, and the worst was yet to come. Looking back, I guess I always had a suspicion that there was something fated about those three strange days we spent together, and about the chain reaction afterwards that brought us both square into one another's lives. COME UNDONE I can spot women like her a mile away. Uptight, fearful, holding onto their perfect lives by a thread. The moment I saw her, I wanted to break that thread. I want to possess her. Strip her down. Unravel her little world, and get at her hidden inner core that I've only had glimpses of so far. ONE LAST BREATH Aden - ex military and professional killer - has had it with the big city. Out in the snowy forests of Maine, he doesn't have to deal with any of that. It was perfect. Until she showed up. Broken, forgotten, and left for dead. It's time for Aden to discover just how much passion still exists in his calloused heart... AGAINST ALL ODDS She wasn't my type. Not even close. So how did I end up here, in a steel container in a warehouse, feeling things I'd never felt for anyone before? I didn't know why, but I just knew that after that night we spent together, our lives would change forever... WHATEVER IT TAKES She's still as beautiful as I remember, but she hates my guts, and I don't blame her. But now I have a chance to do what's right. And I will. Whatever it takes... RESISTING THE BAD BOY I can see right through her good girl charade. I'm an actor, after all. I do what I want, and I don't do anything unless it excites me. And she excites me. There's something dark about her. Something magical, chaotic and beautiful. I could stay away. I should stay away. But I won't... BARE HANDS She was pretty, I'll give her that. Damsel-in-distress was a good look on her. And like all the other missionaries, she came to this remote part of the world with an agenda. And I can't wait to see that agenda fall to pieces as she realizes what she's really out here to find. And when she does, I'll be right here, waiting, ready to give it to her. ALL OR NOTHING If you think you've heard this story before, well, what can I say. Parts of my life certainly are predictable. My life, from some angles, looks a hell of a lot like a cheesy daytime

soap. But that's not all it is. You might not believe me yet, but this is a story about love. No, really. You'll see... HEART OF DARKNESS Can I open my heart to her, completely - no matter how dark that heart is? Grab your copy TODAY of this LIMITED EDITION boxed set!

*Mister Bossy* Cassie-Ann L Miller 2021-03 He's my boss. My grumpy, jaded, fresh-out-of-jail boss. Falling for him is not okay. Too bad I'm already up-to-my-eyeballs in love. I always imagined myself with my very own Prince Charming. The kind of man in those fairytales I grew up reading. And when Eli Kingston shows up in Crescent Harbor-grumpy, jaded and fresh out of jail-I know he's not the one for me. So what if I find myself living under his roof as nanny to his adorable daughter? I can resist his wide shoulders, his muscled forearms, the big d\*ck energy pinging off him like electromagnetic waves. Like I said, he's not the one. But seeing him turn to goo for his daughter? That's my weak spot, right there. Watching him banter with his brothers? There goes another point in his favor. Seeing him fight like hell to rebuild the life he lost when he got tossed into jail? I'm Team Eli all the way. Soon, I discover that his kisses are magic. And when our bodies meet, it's almost too good to be true. Now, I've got capital-F 'feelings' for my boss. When he discovers that I'm not as innocent as I seem, will the pages of our fairytale go up in flames? *Mister Bossy* is a steamy, laugh-out-loud, single dad and nanny small town romance featuring a schmexy ex-convict daddy with a big, big heart under a big, big layer of concrete. *Think Like a Monk* Jay Shetty 2020-09-08 Jay Shetty, social media superstar and host of the #1 podcast *On Purpose*, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: - How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited

Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

**The Daily Show (The Book)** Chris Smith 2016-11-22 NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers—including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

**The Road** Cormac McCarthy 2007-03-20 NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the

worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's new novel, *The Passenger*.

*Bad Boys* Sandra Cisneros 1980

*Bad Boy* Walter Dean Myers 2009-10-06 A classic memoir that's gripping, funny, and ultimately unforgettable from the bestselling former National Ambassador of Books for Young People. A strong choice for summer reading—an engaging and powerful autobiographical exploration of growing up a so-called "bad boy" in Harlem in the 1940s. As a boy, Myers was quick-tempered and physically strong, always ready for a fight. He also read voraciously—he would check out books from the library and carry them home, hidden in brown paper bags in order to avoid other boys' teasing. He aspired to be a writer (and he eventually succeeded). But as his hope for a successful future diminished, the values he had been taught at home, in school, and in his community seemed worthless, and he turned to the streets and to his books for comfort. Don't miss this memoir by New York Times bestselling author Walter Dean Myers, one of the most important voices of our time.

**In Cold Blood** Truman Capote 2013-02-19 Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are Breakfast at Tiffany's and Other Voices, Other Rooms (in one volume), Portraits and Observations, and The Complete Stories Truman Capote's masterpiece, In Cold Blood, created a sensation when it was first published, serially, in The New Yorker in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.

**Bad Boys Need Love Too** Christa Tomlinson 2014-10-20 "You won't let anybody else have you, Joseph. I won't let anybody else have you. I want you all to myself." - Gage Mason We've all had our experience with him. The Bad Boy. The one we've been warned about. The one with rips in his jeans and a lazy, devil may care smile on his mouth. The one who makes you do bad things that feel so good. For me it was Gage Mason. We met when he worked on my Ducati. I knew immediately he was trouble, but something about that Bad Boy drew me in. Maybe it's his dark eyes that study me like he wants to know everything about me. Maybe it's the way he makes me feel; the rough touch of his hands, his possessive grip on my hair when we kiss, the way he feels deep inside me. Or maybe it's the way he needs me, even though he won't admit it. For once in my life I'm taking a risk. Despite everything that tells me I shouldn't, I'm taking a chance to be with Gage. I don't know if it will end well, but I do know I can't resist that Bad Boy. Joseph Naderi

Tempting Me Roxy Sinclair 2017-09-21 Aria: The only thing I need is him... It was the night before my wedding. Maybe I cursed it by visiting my fiance. I didn't expect him to cheat on me with my best friend. That night I ended up going to the strip club. The same one I went for my bachelorette party. That guy told me to come back if it didn't work out. I laughed at the thought. Well, it came true, because it didn't. What was I to do next? Ryan: I want her, but I know I can't... I had my eye on her the whole night at the club. Usually, I can control myself. But not that night. She came from a rich family. I came from the trailer. She was educated. I wish I was. There was no way it would work. But maybe if things changed, they could? This is a full length bad boy romance novel. It is book three of the City Bad Boys series. It has NO cheating, NO cliffhanger, and a happily ever after.

*Black Boy [Seventy-fifth Anniversary Edition]* Richard Wright 2020-02-18 A special 75th anniversary edition of Richard Wright's powerful and unforgettable memoir, with a new foreword by John Edgar Wideman and an afterword by Malcolm Wright, the author's grandson. When it exploded onto the literary scene in 1945, *Black Boy* was both praised and condemned. Orville Prescott of the *New York Times* wrote that "if enough such books are written, if enough millions of people read them maybe, someday, in the fullness of time, there will be a greater understanding and a more true democracy." Yet from 1975 to 1978, *Black Boy* was banned in schools throughout the United States for "obscenity" and "instigating hatred between the races." Wright's once controversial, now celebrated autobiography measures the raw brutality of the Jim Crow South against the sheer desperate will it took to survive as a Black boy. Enduring poverty, hunger, fear, abuse, and hatred while growing up in the woods of Mississippi, Wright lied, stole, and raged at those around him—whites indifferent, pitying, or cruel and Blacks resentful of anyone trying to rise above their circumstances. Desperate for a different way of life, he headed north, eventually arriving in Chicago, where he forged a new path and began his career as a writer. At the end of *Black Boy*, Wright sits poised with pencil in hand, determined to "hurl words into this darkness and wait for an echo." Seventy-five years later, his words continue to reverberate. "To read *Black Boy* is to stare into the heart of darkness," John Edgar Wideman writes in his foreword. "Not the dark heart Conrad searched for in Congo jungles but the beating heart I bear." One of the great American memoirs, Wright's account is a poignant record of struggle and endurance—a seminal literary work that illuminates our own time.
