How to Mash Monsters Catherine Leblanc 2014-06-03 The next paperback installment in the How to Banish Fears series, How to Mash Monsters is a book for kids who are scared of these frightening mythical creatures. Written by a psychologist to help children face their fears, How to Mash Monsters is filled with zany illustrations that will make confronting these scary beasts fun for kids. Also included are stickers that will delight young readers. This book is a follow-up to the popular How to Outwit Witches, How to Get Rid of Ghosts, and How to Demolish Dinosaurs. There are many kinds of monsters: the big, the small, the drooling ones, those who sting, those who growl . . . but all of them are weaker than they look! With whimsical text and illustrations, How to Mash Monsters will help kids banish their fears—and have fun doing it! Kids will love these clever tricks and tips for getting rid of monsters.

Hamlet's Mill Giorgio De Santillana 1969

Thinking the body as a basis, provocation and burden of life Gert Melville 2015-08-31 The body is at the same time a place where we express duration and/or discontinuity in history, a witness of radical social changes, and a factor of stabilization, but also of the transformation of human life - and therefore an eminent challenge for every human being. This book will contribute in a decisively interdisciplinary and cross-cultural way to a better understanding of the place, role, and connection of the body within social, political, and cultural shifts.

Point de repère 1996

I Would Really Like to Eat a Child Sylviane Donnio 2007 One morning Achilles, a young crocodile, insists that he will eat a child that day and refuses all other food, but when he actually finds a little girl, she puts him in his place.

The Witch in the Broom Cupboard and Other Tales Pierre Gripari 2015-09-01 Absurd fairy tales, very sensibly told There once was a good little devil - did you read that right? Yes you did: not a wicked little devil but a good one, and boy, was he in a fix! Instead of doing bad things like forgetting his homework

and playing tricks on his teachers, this little devil kept trying to be good. He did all his homework - and sometimes enjoyed it! He was never rude and he even encouraged sinners to say sorry. His parents were at their wits' end. So the little devil struck out on his own. On his quest to learn to be good, our little devil meets all kinds of people, from priests to police and from the Pope in Rome to Little Jesus himself. But will the angels let a little red devil with black horns into Heaven? In these thirteen tales, clever young people find nifty ways to overcome greedy kings, wicked witches, unlucky spells and even silly names. And there's a big dash of magic to help them on the way! In these tales, the giants, witches and mermaids of traditional fairy tales leap from the page, animated by a very modern spirit. Blessed with a healthy disrespect for authority, the author took great pleasure in upsetting the natural order of the fantastic.

Through My Window Ariana Godoy 2022-01-04 "Raquel Margarita Raquel Álvarez is hard-working, stays on the straight and narrow, and focuses on her future. She's got one goal--make that two goals: become a psychologist...and get Ares Hildago to look at her. Ares is the hot, rich, local playboy, and Raquel's been obsessed with him since she was eight-years-old--even though they've never spoken...After a chance encounter reveals her crush, Raquel decides it's time to stop hiding and make Ares notice her."--Page 4 of cover.

Who What Where? Olivier Tallec 2016-09-06 In this charming follow-up to 2015's hit *Who Done It?*, each page asks the reader a question about the lineup of characters featured on the spread. Sharp eyes and keen observation are necessary. There's only one right answer, and it's not always easy! Kids will love learning early concepts like expressions and positions as a natural consequence of their hunt for clues in the details of the lineup. It's a book for all audiences: the seek-and-find call to action of every page makes *Who What Where?* a wonderful lap or parent read. Plus, this is the fixed format version, which looks almost identical to the print edition.

Things That Go Away Beatrice Alemagna 2020-03-24 A playful ode to things that come and go in life—and the one special bond that never fades There are many things that go away: leaves fall, tears dry, music lasts only for a few moments, and bubbles pop, vanishing without a trace. Everything in life passes, moves on, or transforms—except one thing that never fades. With her signature warmth, playfulness, and beautiful illustrations, Beatrice Alemagna reminds us that in a changing world, the love between parent and child remains constant.

Give and Take Lucie Félix 2015-09 Learn new words and practice motor skills and shape recognition with this playful book of opposites. Press out the shape and turn the page to complete a new picture. Best of all, ask a grown-up to play along with you. From 'take' and 'give' and 'break' and 'build' to 'now you see me', 'now you don't!' till you rediscover the red circle of the beginning, now become an apple. Once you're there, you can go backwards through the book and do it all again! This stunning and robust novelty book contains 9 press-put pieces and a surprise mylar mirror.

Hamlet's Mill Hertha Von Dechend 2020-02-10 The main argument of the book may be summarized as the claim of an early (Neolithic) discovery of the precession of the equinoxes (usually attributed to Hipparchus, 2nd century BCE), and an associated very long-lived Megalithic civilization of "unsuspected sophistication" that was particularly preoccupied with astronomical observation. The knowledge of this civilization about precession, and the associated astrological ages, would have been encoded in mythology, typically in the form of a story relating to a millstone and a young protagonist—the "Hamlet's Mill" of the book's title, a reference to the kenning *Amlóða kvren* recorded in the Old Icelandic *Skáldskaparmál*.^[1] The authors indeed claim that mythology is primarily to be interpreted as in terms

of archaeoastronomy ("mythological language has exclusive reference to celestial phenomena"), and they mock alternative interpretations in terms of fertility or agriculture.[2]

Big Wolf & Little Wolf, the Little Leaf that Wouldn't Fall Nadine Brun-Cosme 2009 Join Big Wolf and Little Wolf as they move through the seasons and share an adventure.

ABC 3D Marion Bataille 2008 From A to Z an astoundingly beautiful and creative novelty book. The alphabet has never been so beautiful.

Terracotta Ovens of My Childhood Elite Olshtain 2010-04-16

The Science is in the Lemon Cecile Jugla 2020-06-16 A new series of books developing children's curiosity, creativity, and scientific mind, through a hands-on approach, and the pleasure of "doing". Each book has one simple concept: discovering basic scientific principles with ten simple experiments, using one everyday object. Can a lemon float? How can you create a volcano with lemon juice? It's time to find out! Try these ten simple and surprising experiments to discover basic scientific principles using... a lemon!

The Adventures of Hermes, God of Thieves Murielle Szac 2015-11-10 Follow Hermes on 100 unforgettable journeys across the fascinating, colourful world of Greek mythology. The young god is determined to have adventures from the very moment of his unusual birth, stealing sacred cows, discovering fire and inventing the lyre and flute. With his tumbling brown curls and cheerful fearlessness, he charms his fellow gods: mighty Apollo, mournful Artemis, beautiful Aphrodite, and even the king of the gods, his father, Zeus himself. He will drink the nectar of Olympus and discover the truth about the immortals, from their first moments and worst monsters to their greatest loves and most terrible battles-but Hermes won't let any of it distract him from that whole wide world of good fun...

My Emotions Isabelle Filliozat 2020 "An interactive workbook for kids on learning to recognize and cope with emotions"--

Personal Religion Among the Greeks Andre-Jean Festugiere 2021-05-28 This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1954.

Little Mouse's Big Secret ric Battut 2017-04-04 Shh...! Little Mouse has a secret! He's found a delicious-looking apple and doesn't want to share a bite. So he buries it, and Little Mouse refuses to reveal what he's hidden. But when a tree sprouts from the seeds of the fruit, there are enough apples for everyone -- and Little Mouse realizes some secrets are even better when they're shared. Award-winning illustrator ♦ric Battut has created a charming story that will delight--and teach--children. New in board.

Buddhism in the Shadow of Brahmanism Johannes Bronkhorst 2011-02-14 This book deals with the confrontation of Buddhism and Brahmanism in India. Both depended on support from the royal court, but Buddhism had less to offer in return than Brahmanism. Buddhism developed in a manner to make up for this.

Sense of Place in Natural Resource Recreation and Tourism Jennifer Farnum 2005 Understanding sense of place and related concepts often presents challenges for both managers and researchers. Inconsistent application of terms, questions regarding their origin, and a lack of awareness of research findings contribute to the ambiguity of these concepts. This integrative review of research provides relevant, current information on the role of sense of place in natural-resourcebased recreation and tourism. Special focus is given to the foundations of place attachment, how place attachment may differ among user types, and the relation of place attachment to other psychological phenomena such as attitudes. The role of theory in place attachment also is addressed, and gaps in theoretical and empirical work are identified. This review provides specific recommendations for managers and others wanting to better understand the dynamics of sense of place.

Studies in the Book of Lamentations Norman K. Gottwald 2010-08-01 When published, this work on the Book of Lamentations opened a new wave of studies on that much neglected biblical book. After a fresh translation, followed by acute analyses of the acrostic form and literary genres, the author develops the two-fold theology of "doom" and "hope" that reverberates through the five laments composed during the exile to cope with the fall of Jerusalem. Created for public performance, the poems artfully alternate the voices of the poet and the community, personified by turns as a forlorn widow (Fair Zion) and as an afflicted man (Jacob/Israel). The book attributes the catastrophe in part to the moral and social failures of Judah's leadership, but it also finds the enormity of the suffering beyond moral or theological explanation.

Edmond, the Moonlit Party Astrid Desbordes 2015 In Edmond, The Moonlit Party, Edmond the squirrel is shy and a bit lonely, but he nevertheless believes that his life is just as it should be. He's happy making his colorful pompoms, stirring his nut jam, and going to sleep early. But one evening, when there's once again a party in his apartment house tree, the fragrance of his jam brings an unexpected visitor to his door. With the entrance of Owl, an aficionado of disguises and fun, into his life, everything begins to change for Edmond. Not only does he agree to attend Owl's party. He goes and has the best evening ever, and the world seems deeper and more wonderful than ever before, and just right, too! Awash with rich color and the funniest, liveliest details ever, Edmond, The Moonlit Party is thoughtful and thought provoking as well as just plain fun! Each page deepens the story while providing a rich serving of visual pleasure! Astrid Desbordes received her degree in philosophy and has written a number of books on philosophy and religion for adults. Currently, she divides her time between writing and editing. Her first book and her first to be published in the United States was Daydreams of A Solitary Hamster. This is her second book to be published by Enchanted Lion Books. Marc Boutavant has created picture books in English, French, and Japanese. He also does editorial illustration and comics. Several of his books, including Around the World With Mouk, Ariol, and Ghosts, have been published in the United States. Marc lives in Paris and is nothing short of a genius. Take a close look at Edmond. You'll see!

The Vanlife Companion Lonely Planet 2018-11-01 Hit the open road with this practical and inspiring guide. In part two, we'll tell you how to stay safe, save money and park legally, then share the best road trips around the world, complete with itineraries.

The Bear's Song Benjamin Chaud 2013-09-17 New York Times Notable Children's Book "Sweet" has new meaning in this richly illustrated, immersive picture book about two bears on a big-city adventure. Papa Bear is searching for Little Bear, who has escaped the den. Little Bear is following a bee, because where there are bees, there is honey! When the quest leads both bears into the bustling city and a

humming opera house, theatrical hijinks ensue, culminating in a deliciously harmonious reunion. Children and parents alike will savor Benjamin Chaud's lush illustrations, and relish in the book's bonus seek-and-find elements. Plus, this is the fixed format version, which will look almost identical to the print version. Additionally for devices that support audio, this ebook includes a read-along setting.

Greater Magadha Johannes Bronkhorst 2013-01-01 Greater Magadha, roughly the eastern part of the Gangetic plain of northern India, has so far been looked upon as deeply indebted to Brahmanical culture. Religions such as Buddhism and Jainism are thought of as derived, in one way or another, from Vedic religion. This belief is defective in various respects. The book argues for the importance and independence of Greater Magadha as a cultural area until a date close to the beginning of the Common Era. In order to correct the incorrect notions, two types of questions are dealt with: questions pertaining to cultural and religious dependencies, and questions relating to chronology. As a result a modified picture arises that also has a bearing on the further development of Indian culture. The book is arranged in five parts. Part-I describes cultural features of Greater Magadha, under which there are three chapters-The Fundamental Spiritual Ideology, Other Features and Conclusions. Part-II: Brahmanism vis-a-vis Rebirth and Karmic Retribution has three sections- Hesitantly Accepted, Rebirth and Karmic Retribution Ignored or Rejected, and Urban Brahmins. Under section one there are chapters on,, Dharma Sutra, a portion from the Mahabharata and the early Upanisads. Section two features chapters on Rebirth and Karmic Retribution Ignored and Rebirth and Karmic Retribution Rejected. Section three is on urban Brahmins. Part-III dwells on the chronological issues, - linguistic consideration, the Vedic texts known to the early Sanskrit grammarians, to the early Buddhists, some indications in late-Vedic literature, urban versus rural culture, etc. Part-IV is Conclusion, while Part V has useful appendices-The antiquity of the Vedanta philosophy, a Carvaka in the Mahabharata, Vedic texts known to Panini, the form of the Rgveda known to Panini, Vedic texts known to Patanjali, Brahmins in the Buddhist canon, Brahmanism in Gandhara and surrounding and Carvakas and the Sabarabhasya

Disaster Falls Stéphane Gerson 2017-01-24 A haunting chronicle of what endures when the world we know is swept away On a day like any other, on a rafting trip down Utah's Green River, Stéphane Gerson's eight-year-old son, Owen, drowned in a spot known as Disaster Falls. That night, as darkness fell, Stéphane huddled in a tent with his wife, Alison, and their older son, Julian, trying to understand what seemed inconceivable. "It's just the three of us now," Alison said over the sounds of a light rain and, nearby, the rushing river. "We cannot do it alone. We have to stick together." Disaster Falls chronicles the aftermath of that day and their shared determination to stay true to Alison's resolution. At the heart of the book is an unflinching portrait of a marriage tested. Husband and wife grieve in radically different ways that threaten to isolate each of them in their post-Owen worlds. ("He feels so far," Stéphane says when Alison shows him a selfie Owen had taken. "He feels so close," she says.) With beautiful specificity, Stéphane shows how they resist that isolation and reconfigure their marriage from within. As Stéphane navigates his grief, the memoir expands to explore how society reacts to the death of a child. He depicts the "good death" of his father, which reveals an altogether different perspective on mortality. He excavates the history of the Green River—rife with hazards not mentioned in the rafting company's brochures. He explores how stories can both memorialize and obscure a person's life—and how they can rescue us. Disaster Falls is a powerful account of a life cleaved in two—raw, truthful, and unexpectedly consoling.

Les Livres disponibles 2004 La liste exhaustive des ouvrages disponibles publiés en langue française dans le monde. La liste des éditeurs et la liste des collections de langue française.

Daddy Long Legs Nadine Brun-Cosme 2017-05-02 An endearing tale about a little boy who wants to be sure. "See you this afternoon," says Daddy when he drops off Matthew at kindergarten. But Matthew says, "What if, this afternoon, the old green car doesn't start?" Thus begins a series of what-ifs that Matthew poses to all of Daddy's ideas about how he'll fetch him, each one more fantastic than the last: he'll come by teddy bear, by the wings of birds, by dragon! Finally, Daddy says he'll use his own two long legs, the ultimate reassurance that he'll come back for Matthew, no matter what! A hug of a book. Children will want to snuggle up inside its warm covers.

Three Sisters Investigate Jiro Akagawa 1989

Curse of the Dream Witch Allan Stratton 2013-09-01 An exhilarating fairytale adventure from the author of the Governor General's Award nominated *The Grave Robber's Apprentice*. The Dream Witch haunts the forest beyond the kingdom of Bellumen, waiting to collect on a horrible debt owed by the king and queen — the heart of their only daughter, Princess Olivia. Until she has it, none of the kingdom's children are safe. As Olivia's thirteenth birthday approaches and the witch's deadline draws near, her desperate mother seeks help from Prince Leo of neighbouring Pretonia. But the treacherous prince seizes their castle instead, determined to marry Olivia and take over the kingdom. So Olivia makes a daring escape from the castle, two friends by her side: the peasant boy Milo and a curious talking mouse with a surprising past. Together, the friends face certain danger and fantastical adversaries to save their families and rescue a kingdom.

Claiming India Jyoti Mohan 2017-11-27 Most of us grew up with the knowledge that India had been a British colony—the jewel in the crown of the Raj. Even those with slightly deeper knowledge who knew that France had once been a contender for the Indian empire consider it a romantic interlude between the Mughals and their self-proclaimed Anglo-successors. Yet our ideas about India, fundamentally wrought from the colonial recasting of knowledge in strictly 'Western' categories—religion, history, politics, economy, mythology, and even the modern self-conception of race (Aryan v/s Dravidian)—were drawn from the studies of French Indologists. So France, a failed temporal conqueror, had actually conquered 'India'—the idea. This book traces the process by which France 'claimed India' by defining India through caste, history, race and religion. The obvious question is, of course, why? Why did France invest all this energy, time, and money into defining an area she no longer controlled politically? To challenge the British? To demonstrate her own commitment to the 'civilizing mission'? This book demonstrates how France's fascination with India stemmed from all of these motives, as well as being a key component of her own national self-definition in the nineteenth century.

The Many Ways of Being Stephen Annett 1976 Includes sections on Christian organisations & groups connected with alternative medicine.

The Garden of Inside-Outside Chiara Mezzalama 2020-06-02 Inspired by the childhood of the author, whose father was appointed Italian ambassador to Tehran in 1980, this picture book is a beautiful evocation of a country struck by war, where friendship arises despite the rising walls. In the summer of 1981, Chiara and her family join their father in Iran. At their beautiful palace, there is an inside and an outside, separated by a wall. Inside, there is a wild garden where princes and princesses used to walk. Outside, in the black city, there are soldiers with heavy boots, big beards and bombs. One day, a boy from outside climbs the wall into the garden. The garden no longer feels impenetrable but Chiara has made a friend, Massoud, who will keep the secret of the inside-outside. The story of an unexpected friendship of two children, on either side of war and peace.

Lost Goddesses Trudy Jacobsen 2008 In prehistoric times, Southeast Asian women enjoyed high status. When, how and why did that change? This book explores the history of gender relations through economics, politics, art and literature. This title is a narrative and visual tour de force, of interest to scholars and the general public.

My Fears Isabelle Filliozat 2020 "An interactive workbook for children on learning to recognize and cope with their fears and the other emotions that may accompany it"--

The Yark Bertrand Santini 2018-03 The Yark loves children...with the love of a gourmand! This hairy monster dreams of child buffetsham of boy, orphan gratin, schoolchild puree, breaded babies, girl rillettes. But he has a problem: his delicate stomach can only tolerate the flesh of nice children; liars give him heartburn, savages spoil his teeth. There are not nearly enough good, edible children around to keep him from starvation. Then the Yark does find delicious, sweet Madeleine. Will he gobble her up? Or will she survive long enough to change his life? Origin: France

Egyptomania Emma Giuliani 2017-10 Find out all about Ancient Egypt in this beautifully illustrated and innovative Lift The Flap book. Learn what Ancient Egyptians wore, what's inside a pyramid, how a mummy is made and much much more by lifting the flaps and discovering the secrets hiding underneath!

Mr. Postmouse Takes a Trip Marianne Dubuc 2017-04-04 Mr. Postmouse and his family are going on vacation! Of course, he'll need to bring along a few parcels. After all, "a postmouse's rounds are never done!" Traveling by hot-air balloon, cruise ship and even by camel, the intrepid mouse family treks around the world, from the forest to the sea, the desert to the ice field, finding adventure, new discoveries and animal friends at every stop. And all along the way, Mr. Postmouse never misses a delivery! Kids will want to pack their bags and tag along. They've never seen a vacation quite like this one!

My Valley Claude Ponti 2017-03-07 In My Valley, Claude Ponti leads us on a journey through an enchanted world inhabited by "Touims" (tiny, adorable, monkey-like creatures), secret tree dwellings, flying buildings, and sad giants. Clever language and beautifully detailed maps of imaginary landscapes will delight children and adults alike. Ponti himself has said, "My stories are like fairytales, always situated in the marvelous, speaking to the interior life and emotions of children. That way each child can get what they want out of the images: the characters and dreams are their own."
