Blizzards Mary B. Woods 2008-01-01 A winter snowfall can be beautiful. But if conditions call for dense snow, freezing temperatures, and bone-chilling wind, you are in for a dangerous

blizzard. These blinding, swirling storms can shut down roads and damage buildings. Violent winds can thrash vehicles driving on icy roads. Snowdrifts can pile up to block streets or even cover houses. Blizzards can knock out power and threaten the lives of people stranded inside for days—or worse, those caught outside in the storm. With dramatic images and first-hand survivor stories—plus the latest facts and figures—this book shows you blizzard disasters up close.

Breath of Spring Charlotte Hubbard 2014-05-06 “A great addition to the wonderful Seasons of the Heart romance series” from the beloved author of Autumn Winds and Winter of Wishes (RT Book Reviews, 4 stars). As a bright season brings a fresh start to Willow Ridge, Annie Mae Knepp feels she can never make peace with the past. Her disgraced ex-bishop father is furious she has taken her five siblings to live with her. She’s never been truly at home in her faith . . . or believing in herself. And Annie Mae fears no man will want to take on the responsibilities she’s gladly shouldered. True, her quiet neighbor Adam Wagler has been steadfast and unshakeable helping her through her trials, but he surely couldn't think of someone so lost as more than a friend. Believing she is unworthy because of her doubts, Annie Mae will find in a moment of surprising revelation that God can work impossible miracles—and that love makes all things new. “The warm and supportive town of Willow Ridge will appeal to readers who appreciate the traditional values and neighborly ways of the plain folk.”—Publishers Weekly Praise for Charlotte Hubbard and the Seasons of the Heart series “Fans of Amish fiction will love the Seasons of the Heart series.”—Marta Perry, national bestselling author “A heartwarming new voice for fans of Beverly Lewis.”—Emma Miller, author of An Amish Mystery series “These very special books will sit proudly on my keeper shelf!”—Romance Reviews Today

Pavarotti Luciano Pavarotti 1996 Every generation or so an opera singer attains the kind of public adulation and affection usually reserved for film stars or pop singers. Luciano Pavarotti reached this level of fame: he was the most celebrated tenor of all time, his concerts attended by thousands, his records selling millions of copies. In *Pavarotti: My World*, he talks candidly about his successes and trials, from his forays into popular music and his performances in China, to the boos he endured at La Scala, from the near-fatal illness of his youngest daughter, to his worldwide efforts to convert people to the joys of classical music and opera. Pavarotti's acclaimed autobiography shows us how this great artist felt about his extraordinary voice, how he saw his work and how he regarded his extraordinary position in the world of music and entertainment. Generously illustrated with photographs taken from Pavarotti's private collection, this is an intimate, absorbing and wonderfully honest account of an astonishing talent.

The Book of Happiness Nina Berberova 2002-05 An outstanding novel about a young Russian woman's life in exile after the Russian Revolution. The Book of Happiness is one of the outstanding novels the great Russian writer Nina Berberova wrote during the years she lived in Paris, and the most autobiographical. "All Berberova's characters live raw, unfurnished lives, in poverty, on the edge of cities, with little sense of belonging except in moments of epiphany to their time and in life itself" (The Observer). Such a character is Vera, the protagonist of The Book of Happiness. At the novel's opening, Vera is summoned to the scene of a suicide, that of her childhood companion, Sam Adler, whose family left Russia in the early days of the revolution and whom Vera has not seen in many years. His death reduces Vera to a flood of tears and memories of the times before Sam's departure, and thoughts about how her life has gone since her move to Paris where she lives tied to a brilliant but demanding invalid husband. Berberova spins the story with a wonderful unsentimental poignancy, making it a beautiful testament to the indestructibility of happiness.

La Syntaxe Du Français ... Pierre Guiraud 1962

Lost Downtown Peter Hujar 2016-02 It's a vanished world, and Peter Hujar was right there in it. The Lower East Side between 1972 and 1985 -- filled with artists, wannabe artists and hangers-on -- was a community of the misbegotten gathered from every town in America and relocated in the mean streets between Broadway and the Bowery. Nothing but their talent, their flamboyance, their rank gender-bending mockery and their arch irony supported them. Some made their names. Many came to grief. A few made art. In those days, the gutted streets of the Lower East Side looked like a war zone. Everyone lived and worked on the extreme outer margins of money and art, penniless and unknown. As a community, Downtown was a counterstatement to the rich New York of the banks, museums, media, corporations ... and the art world itself. That Downtown is forever gone. Time, gentrification, disease and death have taken their toll and turned this vibrant epoch into a chapter of art history. But before it vanished, its extravagant cast sat for Peter Hujar's camera -- and is now alive again in front of our eyes. Featured among others: Joe Brainard, William Burroughs, Remy Charlip, Edwin Denby, Divine, Ray Johnson, Fran Lebowitz, Charles Ludlum, Susan Sontag, Paul Thek, John Waters, Robert Wilson, David Wojnarowicz.

Living Currency Pierre Klossowski 2017-04-06 'I should have written you after my first reading of *The Living Currency*; it was already breath-taking and I should have responded. After reading it a few more times, I know it is the best book of our times.' Letter to Pierre Klossowski from Michel Foucault, winter 1970. *Living Currency* is the first English translation of Klossowski's *La monnaie vivante*. It offers an analysis of economic production as a mechanism of psychic production of desires and is a key work from this often overlooked but wonderfully creative French thinker.

The Living Wood Louis de Wohl 2016-10-20 The renowned novelist De Wohl, with his usual crisp language and descriptive narrative, as well as irony and humor, presents the colorful and tumultuous times of the early Christian era in this story of intrigue, romance and power politics revolving around Helena, the devoted and saintly mother of Constantine, the first Christian emperor. This historical novel tells the story of the quest for the True Cross through fifty years of the most exciting events in Roman and Christian history. The narrative begins when the Tribune Constantius, a Roman officer stationed in Britain, meets and wins Helena, only daughter of the mystical and oracular King Coel of Britain. Through the course of their early lives together, and during their ten-year separation when Constantius returns to Britain as a conquering Caesar and Helena has become a rejected wife, devoted mother, and militant Christian, there is a sure and convincing portrayal of character growth and personal conflict. Helena's fierce determination to raise Constantine as a warrior son and her gradual discovery and dramatic acceptance of Christianity prepare her for the final miracle of her life discovery of the True Cross, the Living Wood on Calvary. *The Living Wood* is a chapter from the turbulent half-forgotten pages of early Christian history and legend in which the religious conflicts and problems are handled with moving simplicity. It is also an action-packed novel of those times—with a lesson for us today—that captures with equal skill and tumult and the shouting of the battlefield and the devious plots and counter-plots of the court.

The Storyteller of Marrakesh: A Novel Joydeep Roy-Bhattacharya 2011-01-31 "An enigmatic fable in the tradition of 'The Thousand and One Nights.'" —Anderson Tepper, *New York Times Book Review* Hassan, a storyteller, has gathered listeners in Marrakesh's fabled Jemaa el Fna to perform his annual re-creation of the night on which two foreigners mysteriously disappeared from the square. But as his audience offers contradicting testimonies, and details transform or dissolve in the haze of memory, the couple takes on an air as enigmatic as their fate, leaving us to wonder whether Hassan is getting closer to the truth or, more disturbingly, is himself part of the mystery.
