[The Art of French Beaded Flowers](#) Carol Benner Doelp 2005-09 New in Paper French beading is a simple yet lovely art, beautifully described here and illustrated in color with more than 70 close-up, how-to photos that show the intricacies of growing a garden of 30 flowers with delicate seed beads. Forty additional illustrations present the exact bead placement for each particular flower part. Just string the beads on wires and bend them into realistic, three-dimensional shapes; a helpful introductory section covers all the basics. You can indulge your creative passion almost anywhere--and the nicest thing is, they last forever. Construct a budding dogwood branch, frame a mirror with wisteria blooms, or make a holiday wreath of holly and gold-tipped pinecones. A gallery of vintage pieces illustrates the rich history of the craft.

flowers and working with crepe paper, this book is full of inspiration and expert advice for beginners. If you have a Cricut Maker, you can download the templates to your machine so you can enjoy your own homemade bouquets in no time. Crepe paper is the best material for creating paper flowers, especially for beginners. It's forgiving and malleable--easy to cut, bend, curl, and shape into peony petals, daffodil trumpets, chrysanthemum blooms, and more. And if you have a Cricut Maker, you can easily cut out the shapes from templates you download for free on Lia Griffith's website using a code. Then, follow instructions for crafting the flowers to arrange and display in vases and pots and as bouquets and wreaths.

Learn French Beading: Beginner Course Lauren Harpster 2020-02-12 French Beading is a bead-and-wire art from the Renaissance used primarily to make flowers. Learn the art from designer Lauren Harpster in this new publication made specifically for beginners who've never touched beads or wire, but is also an excellent resource for experienced French Beading artists. This title is a hard copy of my Learn French Beading: Beginner Course video series on YouTube. Instructions for accessing the videos are included inside the book (Videos will be available after Feb 29th). *Part 1 is the "Getting Started" guide. Before making French Beaded Flowers it is very important to understand the materials needed to make them. This section explores tools, beads, wire, and other supplies in detail, though not all of them will be necessary for this course. *Part 2 is the "Technique Guide", which contains six lessons that teach the techniques included in this course - Continuous Loops, Continuous Crossover Loops, Continuous Wraparound Loops, Fringe, Basic Frame, and Lacing. These lessons are important for learning French Beading terms and abbreviations, and how to read French Beading patterns. I like to teach techniques separately from flower patterns because there's so much more I can teach you about an individual technique than what I can cover in a single flower pattern. There are also some variations of the techniques that are not used in the practice patterns, but are included for education and reference. This section is also intended to be a one-stop technique reference so you can quickly look up specific techniques while working with other flower patterns. Each lesson has a video demonstration so you can see the techniques in action, but they also contain picture and written instructions for the techniques. *Part 3 contains four wildflower patterns that I've developed specifically for helping you practice the base techniques learned in Part 2 - Lavender, Dame's Rocket, Blue Virgin's Bower, and Black-Eyed Susan. The patterns have been written with beginners in mind and contain a high level of detail, so they're a great way to dip your toes into the art. This section is important for seeing practical application of the techniques, reinforcing the ability to read patterns, and learning how to assemble and shape a variety of flowers. I have also made video demonstrations of each of the flowers. While I demonstrate flower parts fully in the videos, I only show techniques as they are used in that particular flower. So you can start with Part 3 if you use the videos, but I do recommend that you go back through the lessons in Part 2. *Part 4 will demonstrate how to arrange the flowers from Part 3 to make a wildflower arrangement. I am not a professional florist, but I'd like to share what I've learned about arranging beaded flowers. This section is included only in the book version of the course.

More French-Beaded Flowers Dalene Kelly 2004-02-25 Crafters, artists, beaders, and jewelry makers--young and old--will discover the virtually indestructible and surprisingly realistic character of beaded flowers! Author Dalene Kelly expertly guides readers through this beautifully illustrated guide to the timeless art of French-beading, a craft that dates its origins back to the 16th century. Making a huge resurgence, the method involves stringing wires through seed beads and twisting them into elegant three-dimensional shapes. French Beaded Flowers introduces innovative ideas and techniques for 37 inspiring new flower patterns. Species of flowers range from exotic orchids to native favorites--snapdragons, coral beans, pansies, irises, tiger lilies, gardenias and more. General recommendations for color selection--choose yellow and red, or green and blue, for the Lollipop Plant--are included, but this guide allows the reader to trust their own creative instincts.

French Beaded Designs Donna DeAngelis Dick 2006 It's amazing that objects so beautiful can come from such simple techniques! These French beaded flowers sparkle, shine, and surprise, and yet they're made just by stringing beads on wire and wrapping them around to form stems and petals. Some of these flowers serve as eye-catching ornaments; others are sublimely practical, such as napkin rings and tiebacks. Follow the well-illustrated instructions to craft wildflowers, roses, daisies, tulips, anemones, and hydrangeas. For each one, there's a "What You Need to Know" and "What You Will Learn" box as guidance. The dazzling items include Black Tie Candleholders, Forsythia Urn, Lamp Shade, Tulip Tin, Clay Pot Critters, and Mistletoe Ball. A Selection of the Crafters Choice Book Club.
