*Cambridge IGCSE® French Teacher's Guide* Collins Uk 2019-03-07 Collins IGCSE® French provides comprehensive coverage of the Cambridge IGCSE French (0520) syllabus. To support the Student's Book and Workbook, this full and comprehensive Teacher's Guide provides teaching notes and support material to enable teachers to plan and manage their lessons. An indispensable resource for teachers, this Teacher's Guide provides clear and concise notes for all units to support teachers in preparing, planning and managing their lessons. A comprehensive introduction explains the approach of the course and how teachers can make best use of the resources. The units then follow the same structure as the Student's Book, making it easy to use alongside the other resources. There is advice on how to use the Introductory unit as a diagnostic tool at the start of the course, to help assess levels of knowledge within the class. There are also suggestions throughout as to how to work with a mixed ability class, offering differentiated support and activities for all levels. The course can also be used by teachers and students of Cambridge O Level French (3015) and IGCSE (9-1) French (7156). Collins is working with Cambridge Assessment International Education towards endorsement of this title for teacher support for examination from 2021.

**Attack on the High Seas!** Brian James 2008-08-01 A boring homework assignment involving knot tying proves invaluable when the student pirates help Captain Stinky Beard foil an attack.

**Advanced French Grammar** Monique L'Huillier 1999-06-17 This 1999 reference grammar, written for advanced students of French, their teachers, and others who want a better understanding of the French language, combines the best of modern and traditional approaches. Its objective is not only practical mastery of the language, but familiarity with its structure. Taking into account modern linguistic research, Advanced French Grammar approaches the French language primarily through the study of syntactic structures, but without excessive emphasis on formalism. It provides a generous number of examples, based on the author's own experience of teaching French to English-speakers, to help the student to understand the different meanings of apparently similar syntactic alternatives. The norms of 'correct expression' are given together with current usage and deviations, and appendixes provide information on the 1990 spelling reforms and on numbers. A substantial index of French and English words and of topics provides easy access to the text itself.
