The Invention of Wings Sue Monk Kidd 2015-05-05 From the celebrated author of *The Secret Life of Bees* and the forthcoming novel *The Book of Longings*, a novel about two unforgettable American women. Writing at the height of her narrative and imaginative gifts, Sue Monk Kidd presents a masterpiece of hope, daring, the quest for freedom, and the desire to have a voice in the world. Hetty “Handful” Grimke, an urban slave in early nineteenth century Charleston, yearns for life beyond the suffocating walls that enclose her within the wealthy Grimke household. The Grimke’s daughter, Sarah, has known from an early age she is meant to do something large in the world, but she is hemmed in by the limits imposed on women. Kidd’s sweeping novel is set in motion on Sarah’s eleventh birthday, when she is given ownership of ten year old Handful, who is to be her handmaid. We follow their remarkable journeys over the next thirty five years, as both strive for a life of their own, dramatically shaping each other’s destinies and forming a complex relationship marked by guilt, defiance, estrangement and the uneasy ways of love. As the stories build to a riveting climax, Handful will endure loss and sorrow, finding courage and a sense of self in the process. Sarah will experience crushed hopes, betrayal, unrequited love, and ostracism before leaving Charleston to find her place alongside her fearless younger sister, Angelina, as one of the early pioneers in the abolition and women’s rights movements. Inspired by the historical figure of Sarah Grimke, Kidd goes beyond the record to flesh out the rich interior lives of all of her characters, both real and invented, including Handful’s cunning mother, Charlotte, who courts danger in her search for something better. This exquisitely written novel is a triumph of storytelling that looks with unswerving eyes at a devastating wound in American history, through women whose struggles for liberation, empowerment, and expression will leave no reader unmoved.

Quilting with a Modern Slant Rachel May 2014-01-28 “May does a marvelous job of capturing a moment in the modern quilting movement, as well as the viewpoints and opinions of the creators” (Library Journal, starred review). City of Thieves David Benioff 2008-05-15 From the critically acclaimed author of *The 25th Hour* and *When the Nines Roll Over* and co-creator of the HBO series *Game of Thrones*, a captivating novel about war,

courage, survival — and a remarkable friendship that ripples across a lifetime. During the Nazis' brutal siege of Leningrad, Lev Beniov is arrested for looting and thrown into the same cell as a handsome deserter named Kolya. Instead of being executed, Lev and Kolya are given a shot at saving their own lives by complying with an outrageous directive: secure a dozen eggs for a powerful Soviet colonel to use in his daughter's wedding cake. In a city cut off from all supplies and suffering unbelievable deprivation, Lev and Kolya embark on a hunt through the dire lawlessness of Leningrad and behind enemy lines to find the impossible. By turns insightful and funny, thrilling and terrifying, the New York Times bestseller *City of Thieves* is a gripping, cinematic World War II adventure and an intimate coming-of-age story with an utterly contemporary feel for how boys become men.

The Improv Handbook for Modern Quilters Sherri Lynn Wood 2015-04-28 An exciting new approach for beginning to advanced quilters who want to improvise on their own, with a friend, or with a community of fellow makers. Forget step-by-step instructions and copycat designs. In *The Improv Handbook for Modern Quilters*, Sherri Lynn Wood presents a flexible approach to quilting that breaks free of old paradigms. Instead of traditional instructions, she presents 10 frameworks (or scores) that create a guiding, but not limiting, structure. To help quilters gain confidence, Wood also offers detailed lessons for stitching techniques key to improvisation, design and spontaneity exercises, and lessons on color. Every quilt made from one of Wood's scores will have common threads, but each one will look different because it reflects the maker's unique interpretation. Featured throughout the book are Wood's own quilts and a gallery of contributor works chosen from among the hundreds submitted when she invited volunteers to test her scores during the making of this groundbreaking work. "Wood offers a series of techniques, guidelines and lessons on color choice for those ready to explore improvisational quilting. Her book is loaded with full-color photos and examples to inspire." —Dallas Morning News "Despite how it may "seam," quilting isn't all about rules! Quilting can be an exhilarating way to channel your creativity and express yourself. This book is focused more on exploration than explanation—a perfect mindset for beginners!" —Powell's Books Staff Pick

Improvising Tradition Alexandra Ledgerwood 2014-12-30 Improvisational piecing methods anchored within traditional quilting designs. *Improvising Tradition* pairs improvisationally pieced elements with more structured, and perhaps more familiar, quilt patterns to create projects that share a fresh, clean, and modern aesthetic. Author Alexandra Ledgerwood introduces readers to three basic improv piecing techniques: strip sets, piecing improvised strata, and slice and insert, then marries them with traditional quilting designs such as log cabins, coin and bar quilts, and even Hawaiian quilts. By using improvised elements within traditional patchwork quilt designs, Alexandra merges new and old quilting styles into projects that will appeal to a wide range of quilters. Eighteen original and modern quilting projects combine the beauty and familiarity of traditional techniques with the fresh, fun spirit of improvised quilting.

Never Get Their Coffee Lakisha Ann Woods 2022-02-01 For fans of Rachel Hollis and Rachel Rodgers, here's a fast read that is sure to inspire the unapologetic, shame-free embrace of not playing small in life. Ladies, leadership, and legacy! Like gravity, sowing and reaping is a natural law of life—you simply reap what you sow. It naturally plays and pays out, until it DOESN'T. Time and again, history has shown that until society learns and positively changes from the past with its deeply-rooted thought patterns and norms, we are condemned to repeat its many trappings, stereotypes, and shortcomings. *Never Get Their Coffee* is a call to action and underscores the glass ceiling disparities of gender equity in the marketplace. However, its focus fixates on helping shape societal strides in fueling fearless leadership, and its mission is in inspiring faith and tenacity of the human spirit to dream a dream, sow a thought, reap an action...a habit...a character...and ultimately to discover one's destiny. Woods' challenge for all her readers is that death is no respecter of persons—stop apologizing for success, aim high, dream deeply, and start living your divine calling. Become doers of destiny.
