Frommer's? Nashville and Memphis Linda Romine 2012-05-01 Provides information on dining, sightseeing, shopping, accommodations, and nightlife.

Feeling Normal F. Hollis Griffin 2017-01-09 An analysis of emerging LGBTQ+ media, queer spaces in urban areas, and sexual identity. The explosion of cable networks, cinema distributors, and mobile media companies explicitly designed for sexual minorities in the contemporary moment has made media culture a major factor in what it feels like to be a queer person. F. Hollis Griffin demonstrates how cities offer a way of thinking about that phenomenon. By examining urban centers in tandem with advertiser-supported newspapers, New Queer Cinema and B-movies, queer-targeted television, and mobile apps, Griffin illustrates how new forms of LGBTQ+ media are less “new” than we often believe. He connects cities and LGBTQ+ media through the experiences they can make available to people, which Griffin articulates as feelings, emotions, and affects. He illuminates how the limitations of these experiences—while not universally accessible, nor necessarily empowering—are often the very reasons why people find them compelling and desirable. “As a guide to emerging queer media of our new century, Hollis Griffin is funny, generous, passionate, and lucid. Whether he’s explaining Grindr’s memes or the gayborhoods of Chicago, cable travel programs or online networks, Griffin discovers how it feels to be queer in the digital age.” —Amy Villarejo, author of *Ethereal Queer: Television, Historicity, Desire* “Offers a piercing examination of modern identity politics focused on relationships among new forms of media consumption and marketplaces, urban centers, and the experiences of sexual minorities. . . . Feeling Normal is a must-read for scholars and students in queer studies and communication, media studies, film studies, and sociology.” —Choice

Frommer's Dubai Shane Christensen 2008

Global Cities, Local Streets Sharon Zukin 2015-07-16 *Global Cities, Local Streets: Everyday Diversity from New York to Shanghai*, a cutting-edge text/ethnography, reports on the rapidly expanding field of global, urban studies through a unique pairing of six teams of urban researchers from around the world. The authors present shopping streets from each city - New York, Shanghai, Amsterdam, Berlin, Toronto, and Tokyo - how they have changed over the years, and how they illustrate globalization embedded in local communities. This is an ideal addition to courses in urbanization, consumption, and globalization.. The book’s companion website, www.globalcitieslocalstreets.org, has additional videos,

images, and maps, alongside a forum where students and instructors can post their own shopping street experiences.

Just Go! A Global Guide to Budget Travel John P. Cross 2013-03-18 Most people set their sights on a trip to Disney World , John Cross goes to Churchill Manitoba to watch Polar Bears. This is an adventure book full of historical and personal anecdotes rather than your usual travel guide. A great read for the daring traveler. Frank Hyland, former AJC writer and editor, and best selling biographer. "Travel is fatal to prejudice, bigotry, and narrow mindedness, and many of our people need it sorely on these accounts. Broad, wholesome, charitable views of man and things cannot be acquired by vegetating in one little corner of the earth all one's lifetime"Mark Twain Just Go! will be of interest to the arm chair traveler, or the traveler who is contemplating a trip. It includes budget ideas and travel tips to plan a trip. This book will inspire and motivate the would-be traveler. The reader will find history and culture integrated into the narrative. The book does not include every country as does some of the competition, but takes a global view. The reader develops a respect for the culture of other peoples. It is not ethnocentric. Just Go! has many competitors. Lonely Planet and Fommers are the foremost. The author firmly believes the intrepid traveler will find the book an inspiration and motivational. This travel book is the life experiences of the author where man meets the world. May you benefit from the author's travel experiences. Follow your dream. There is no limit to the beautiful travel memories you may accumulate in your lifetime of travel. The author simply recommends that if you get an idea for travel, "Just Go." You will have a world of experiences and memories. Follow your dream and "Happy Travels." "He who is outside his door already has the hardest part of his journey behind him."

Frommer's Italy 2010 Darwin Porter 2009-12-02 NOW IN FULL COLOR! Insider advice on avoiding the crowds as you explore some of Italy's greatest gems, from the Uffizi in Florence to the Vatican Museum in Rome, and from the ruins at Pompeii to Venice's St. Mark's basilica. Plus tips for navigating the country's lovely but less-traveled corners, like the Marches, the Dolomites, and even Sardinia. Where to find the absolute best seafood in Venice, the loveliest vineyards in Tuscany, the tastiest pizza in Naples, and, of course, the finest gelato that Italy has to offer. Insightful commentary on Italy's dazzling array of art and architectural masterpieces, from Michelangelo's statue of David to the glories of St. Peter's in Rome. Opinionated write-ups. No bland descriptions and lukewarm recommendations. Our expert writers are passionate about their destinations--tell it like it is in an engaging and helpful way. Exact prices listed for every establishment and activity--no other guides offer such detailed, candid reviews of hotels and restaurants. We include the very best, but also emphasize moderately priced choices for real people. All Complete guides offer user-friendly features including star ratings and special icons to point readers to great finds, excellent values, insider tips, best bets for kids, special moments, and overrated experiences.

Frommer's Texas David Baird 2003-06-20 Includes tips on planning a Texas trip, visiting sights in various parts of the state, and finding restaurants and hotels.

Frommer's Cambodia and Laos Daniel White 2010-03-01 This new first edition guide introduces two exotic destinations fast becoming required stops for globetrotting tourists. Through our expert author, readers are exposed to the rich culture and poignant history in Cambodia and Laos. Discover the region's food and gift markets, lovely beaches and islands, colorful temples, and charming villages. This title covers highlights of both countries, including Cambodia's tourist Mecca and spiritual center Angkor Wat, capital Phnom Penh, and beach resort Sihanoukville. Laos covers the relaxed city Vientiane, Luang Prabang (a UNESCO World Heritage city for its blend of Laotian and European architecture), and top spots for ecotourism. The planning chapter includes extensive information on

sustainable development and volunteer vacations. Special features include a Khmer and Laotian language primer and separate history and culture chapters for both nations.

Working in the Global Economy Roblyn Simeon 2013 It is clear that although the human resource management field has been drastically affected by global competition over the last twenty years, most of the research and publications in the field are geared to providing corporations with an understanding of their business environment. This book takes an entirely different approach by looking at the job and career markets from the point of view of individuals who are searching for new strategies to find, develop and manage their careers in a global environment. Not only does it provide the individual with the tools necessary to evaluate various domestic and international career markets, but it also presents strategies to help them package and market their skills and competencies at home and abroad. With the help of this vital guidebook to the global job market, readers will:

- Learn how to research national markets to spot new career opportunities
- Find information on dynamic regions and companies where careers are flourishing
- Find out about professional & skill certifications that help with global employment
- Learn how to build and mobilize personal and professional networks
- Learn about international oriented business sectors and career opportunities
- Identify education and training opportunities at home and abroad
- Create practical strategies for developing and managing their career

As global competition forces firms to adjust rapidly to changing market conditions, affecting the structure and content of jobs, careers and career markets around the world, the need for individuals to be proactive is becoming clear. This book offers readers the tools they need to evaluate and manage their career environment and personal career profiles, and ultimately, to have a rewarding career.

Frommer's South Africa Pippa de Bruyn 2009-12-09 Completely updated every 2 years, Frommer's South Africa features gorgeous color photos of the sights and experiences that await you and a brand new history and culture chapter. Our author, a lifelong resident of South Africa, hits all the highlights—including safaris in South Africa and Botswana, side trips to Victoria Falls, and vineyard tours outside Cape Town. She's checked out all the region's best game lodges, hotels, and restaurants in person; and she offers authoritative, candid reviews that will help you find the choices that suit your tastes and budget. You'll also get up-to-the-minute coverage of World Cup 2010; the South African political dynamic and its effects on travel in the region; active travel advice in nearly every destination chapter; in-depth coverage of dining, shopping, and nightlife in Cape Town; detailed driving tours; dozens of maps; and side trips to Botswana, Victoria Falls, and Zambia.

The Name You Can Trust. Find us online at www.frommers.com

Frommer's Boston 2005 Marie Morris 2004-07-30 You'll never fall into the tourist traps when you travel with Frommer's. It's like having a friend show you around, taking you to the places locals like best. Our expert authors have already gone everywhere you might go—they've done the legwork for you, and they're not afraid to tell it like it is, saving you time and money. No other series offers candid

reviews of so many hotels and restaurants in all price ranges. Every Frommer's Travel Guide is up-to-date, with exact prices for everything, dozens of color maps, and exciting coverage of sports, shopping, and nightlife. You'd be lost without us! Completely updated every year (unlike most of the competition), Frommer's Boston features gorgeous color photos of the sights and experiences that await you. Our author, a longtime resident of Boston's North End, hits all the highlights, from Fenway to the Freedom Trail. She's checked out all the city's best hotels and restaurants in person, and offers authoritative, candid reviews that will help you find the choices that suit your tastes and budget. You'll also get up-to-the-minute coverage of shopping and nightlife; in-depth coverage of Cambridge; detailed walking tours; accurate neighborhood maps; advice on planning a successful family vacation; and side trips to Lexington, Concord, Plymouth, and the North Shore. Frommer's Boston also includes a color fold-out map.

Companion Technology Susanne Biundo 2017-12-04 Future technical systems will be companion systems, competent assistants that provide their functionality in a completely individualized way, adapting to a user's capabilities, preferences, requirements, and current needs, and taking into account both the emotional state and the situation of the individual user. This book presents the enabling technology for such systems. It introduces a variety of methods and techniques to implement an individualized, adaptive, flexible, and robust behavior for technical systems by means of cognitive processes, including perception, cognition, interaction, planning, and reasoning. The technological developments are complemented by empirical studies from psychological and neurobiological perspectives.

Frommer's Northern Italy John Moretti 2006-04-10 Experience a place the way the locals do. Enjoy the best it has to offer. Frommer's. The best trips start here. Insights into Northern Italy's top travel options, including Cinque Terre hikes; Venice Carnevale parties; Great Dolomite Road drives; and custom itineraries for skiers and gourmands. Outspoken opinions on what's worth your time and what's not. Exact prices, so you can plan the perfect trip whatever your budget. Off-the-beaten-path experiences and undiscovered gems, plus new takes on top attractions. Find great deals and book your trip at Frommers.com

Frommer's India Pippa de Bruyn 2010-03-01 Completely updated, this fourth edition of Frommer's India will help you plan the trip that's right for you, whether you're traveling to soak up India's spirituality, chill out on the beaches, or live like a king in the land of princes. Experience the best of India: Visit the Taj Mahal as well as the cave temples at Ajanta and Ellora, watch the moon rise from Pushkar Palace during the Pushkar Mela, raft down the Zanskar, bump into a Bollywood star at a top rated restaurant, and sleep in a former king's bed at a heritage property (castles, palaces, and forts) in Rajasthan. Also learn tips on safety, etiquette, and the art of bargaining --including the real meaning behind the phrases "you pay what you like" and "just look, no buy." This guide is biannually updated (and personalized) by a small team of writers including Pippa de Bruyn, an award-winning journalist and travel writer; Dr. Keith Bain, who also has a doctorate in film; Niloufer Venkatraman, a Mumbai native who has a doctorate in anthropology; Shonar Joshi, a travel writer and reporter; and more. All are not afraid to speak their mind and give their opinions -- and share their passion for India. Frommer's India, 4e also includes 4 itineraries for exploring the country, including "North India Highlights in 16 Days" and "South India in 2 Weeks."

Bushmen in the Tourist Imaginary Roie Thomas 2016-12-14 This book is a semantic and semiotic analysis of tourism texts that represent specific groups of San (or Bushmen) in modern Botswana, and is framed by postcolonial theory, post-tourism and resistance theories. Critically, the book demonstrates

the power that both written and visual language can have upon consumers of texts. It provides a case-study of neo-colonial exploitation and, conversely, reveals the efficacy of self-representation for tourist consumption, with an increasing number of San offering alternatives to an entrenched ethnic hegemony, effecting gradual political and social recognition and autonomy. As such, the book is written in a spirit of optimism for the burgeoning self-determination of a long-marginalised group.

American Representations of Post-Communism Andaluna Borcila 2014-07-11 With the televised events of 1989, territories of Eastern and Central Europe that had been marked as impenetrable and inaccessible to the Western gaze exploded into visibility. As the narratives of the Cold War crumbled, new narratives emerged and new geographies were produced on and by American television. Using an understudied archive of American news broadcasts, and tracing their flashes and echoes through travel guides and narratives of return written by Eastern European-Americans, this book explores American ways of seeing and mapping communism's disintegration and the narratives articulated around post-communist sites and subjects.

Frommer's Easyguide to New York City 2020 Pauline Frommer 2019-10-22 Frommer's EasyGuides contain punchy, concise prose by our expert local journalists, which gives readers all they need to know to plan the perfect vacation. This includes reviews for travel venues in all price ranges, as well as information on culture and history that will enhance any trip.

Frommer's Paris 2010 Darwin Porter 2009-09-28 BRAND NEW - FULL-COLOR GUIDE! Our authors, longtime Paris experts, show you the highlights. They hit the city's many classic attractions, including its best museums (from the Louvre to the Fragonard Musee du Parfum). They also describe major churches, historical and architectural highlights, literary landmarks and beautiful Parisian parks and gardens. Paris prides itself on being the world's culinary capital. Our authors explore all the cuisines Paris has to offer--from regional cuisine of Alsace and Basque, to haute dining and nouvelle cuisine, to finding the perfect Parisian pastry, to family friendly restaurants. Detailed listings show you the best places to shop in Paris, from small antiques shops and vintage clothing stores to open-air galleries and art markets, food markets and cutting-edge designer boutiques. The guide also includes side trips to Versailles, Giverny (long-time home of Monet), Chartres and Disneyland Paris. PLUS: Hundreds of color photos, foldout map and detailed maps throughout, as well as exact prices, directions, opening hours, and other practical information

Europe For Dummies Donald Olson 2010-12-15

Frommer's Croatia Karen Torme Olson 2006-07-19 Free companion podcast available... You'll never fall into tourist traps when you travel with Frommer's. It's like having a friend show you around, taking you to the places locals like best. Our expert authors have already gone everywhere you might go— they've done the legwork for you, and they're not afraid to tell it like it is, saving you time and money. No other series offers candid reviews of so many hotels and restaurants in all price ranges. Every Frommer's Travel Guide is up-to-date, with exact prices for everything, dozens of color maps, and exciting coverage of sports, shopping, and nightlife. You'd be lost without us! Frommer's Croatia offers detailed, complete coverage of this captivating, increasingly popular country. Author Karen Olson takes you inside the thriving cities of Zagreb, Dubrovnik and Split, with their spectacular Roman ruins, medieval old towns and nearby storybook castles. She recommends the best way to sail or drive the country's stunning Dalmatian Coast, with pristine beaches along more than 3,000 miles of coastline, and more than 1,000 offshore islands. She explores such natural wonders as Plitvice Lakes National Park, where pristine turquoise lakes tumble into waterfalls over deposits of travertine. And she ventures into inland Croatia

for a visit to Hlebine, a colony of nearly 200 painters and sculptors that features the country's largest concentration of naive art. From the Turkish bazaar-like feel of Split's Pazarin market to the lowdown on Zagreb's see-and-be-seen cafe culture, Frommer's Croatia showcases the best of a country that has long been labeled Europe's best-kept secret.

apply structured analytic techniques and tackle real-life problems, each turnkey case delivers a captivating narrative, discussion questions, recommended readings, and a series of engaging analytic exercises.

Looking at Languages: A Workbook in Elementary Linguistics Paul R. Frommer 2014-01-01 This hands-on workbook gives students practice in analyzing 30 natural languages from Akan and Arabic to Welsh and Yiddish, plus constructed languages like Klingon and Na'vi. In addition, audio files on the accompanying website allow students to hear much of the foreign language data pronounced by native speakers. Exercises progress in level of challenge and are divided into English and non-English sections, while sample exercises and solutions in phonology and morphology give students additional practice. An answer key with extended discussions and pedagogical suggestions is available. Although developed to accompany Finegan's LANGUAGE: ITS STRUCTURE AND USE, it is an ideal companion to any linguistics textbook. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

We Visit Morocco Amie Jane Leavitt 2012-09-30 Morocco's paprika-colored sand dunes, ancient cities, snow-capped peaks, and beautiful coastlines are awaiting your visit. This beautiful country has ancient origins and much of its early culture still lives on. Step into the walls of the medina where you can barter for hand-woven Berber rugs, eat kebabs from pushcarts, and buy spices, fruits, cheese, and vegetables from local farmers. Visit the tannery in Fes where hides are transformed into colorful leather using ancient hands-on (and feet-on) methods. Relax in the coastal towns surfing in the Atlantic and eating fresh seafood. Before you leave, take a bumpy camel ride across the Sahara and a glide down the snowy Atlas Mountain slopes. Get ready; this book will take you on all these adventures and more!

Directories in Print 2011

Contracts for Engineers Robert D. Hunter 2017-12-19 Engineers encounter different types of contracts at nearly every turn in their careers. *Contracts for Engineers: Intellectual Property, Standards, and Ethics* is a tool to enhance their ability to communicate contractual issues to lawyers—and then better understand the legal advice they receive. Building on its exploration of contracts, this book expands discussion to: Patents, copyrights, trademarks, trade secrets, and other intellectual property issues Development of standards and the bodies that govern them, as well as conformity assessment and accreditation Ethics at both the micro and macro levels—a concept under major scrutiny after several major disasters, including the Gulf of Mexico oil spill, the collapse of Boston's Big Dig, and a coal-mining accident that resulted in many deaths With a brief introduction to common law contracts and their underlying principles, including basic examples, the book presents a sample of the Uniform Commercial Code (UCC) regarding the sale of goods. It evaluates elements of the different contracts that engineers commonly encounter, such as employee and associated consulting agreements and contracts involved in construction and government. Approaching intellectual property from a contract perspective, this reference focuses on the many different types of patents and their role in commerce. It touches on the application of trademarks and recent developments in the use of copyright as a form of contract and explains the process of obtaining patents, including the rationale for investing in them. Ethical standards receive special attention, which includes a review of several prominent professional codes of ethics and conduct for both organizations and individual engineers, particularly officers and higher-level managers.

Europe on 5 Dollars a Day Arthur Frommer 2007

Frommer's Washington, DC Free and Dirt Cheap Tom Price 2010-06-28 Washington has some of the highest rates for a hotel room in the U.S.: We'll point you to DC's Cheap Sleeps, from Dupont Circle's Windsor Inn (where rooms start at \$89) to shared rooms (starting at \$25) to private rooms (starting at \$79) at Washington's Hostelling International Hostel, to house or apartment-swapping and other options. From Foggy Bottom's Bread and Chocolate to Georgetown's Old Glory Barbecue, the authors list dozens of places where a good meal can be had for \$10 or less See some of the many films in the Library of Congress for free at the Mary Pickford Theater, where the offerings range from classic features to documentaries on a variety of topics; in other programs there, authors discuss film-related books and directors screen and discuss their films.

Exascale Scientific Applications Tjerk P. Straatsma 2017-11-13 From the Foreword: "The authors of the chapters in this book are the pioneers who will explore the exascale frontier. The path forward will not be easy... These authors, along with their colleagues who will produce these powerful computer systems will, with dedication and determination, overcome the scalability problem, discover the new algorithms needed to achieve exascale performance for the broad range of applications that they represent, and create the new tools needed to support the development of scalable and portable science and engineering applications. Although the focus is on exascale computers, the benefits will permeate all of science and engineering because the technologies developed for the exascale computers of tomorrow will also power the petascale servers and terascale workstations of tomorrow. These affordable computing capabilities will empower scientists and engineers everywhere." — Thom H. Dunning, Jr., Pacific Northwest National Laboratory and University of Washington, Seattle, Washington, USA "This comprehensive summary of applications targeting Exascale at the three DoE labs is a must read." — Rio Yokota, Tokyo Institute of Technology, Tokyo, Japan "Numerical simulation is now a need in many fields of science, technology, and industry. The complexity of the simulated systems coupled with the massive use of data makes HPC essential to move towards predictive simulations. Advances in computer architecture have so far permitted scientific advances, but at the cost of continually adapting algorithms and applications. The next technological breakthroughs force us to rethink the applications by taking energy consumption into account. These profound modifications require not only anticipation and sharing but also a paradigm shift in application design to ensure the sustainability of developments by guaranteeing a certain independence of the applications to the profound modifications of the architectures: it is the passage from optimal performance to the portability of performance. It is the challenge of this book to demonstrate by example the approach that one can adopt for the development of applications offering performance portability in spite of the profound changes of the computing architectures." — Christophe Calvin, CEA, Fundamental Research Division, Saclay, France "Three editors, one from each of the High Performance Computer Centers at Lawrence Berkeley, Argonne, and Oak Ridge National Laboratories, have compiled a very useful set of chapters aimed at describing software developments for the next generation exa-scale computers. Such a book is needed for scientists and engineers to see where the field is going and how they will be able to exploit such architectures for their own work. The book will also benefit students as it provides insights into how to develop software for such computer architectures. Overall, this book fills an important need in showing how to design and implement algorithms for exa-scale architectures which are heterogeneous and have unique memory systems. The book discusses issues with developing user codes for these architectures and how to address these issues including actual coding examples.' — Dr. David A. Dixon, Robert Ramsay Chair, The University of Alabama, Tuscaloosa, Alabama, USA

Fighting Jim Crow in the County of Kings Brian Purnell 2013-04-24 The Congress of Racial Equality

(CORE) established a reputation as one of the most important civil rights organizations of the early 1960s. In the wake of the southern student sit-ins, CORE created new chapters all over the country, including one in Brooklyn, New York, which quickly established itself as one of the most audacious and dynamic chapters in the nation. In *Fighting Jim Crow in the County of Kings*, historian Brian Purnell explores the chapter's numerous direct-action protest campaigns for economic justice and social equality. The group's tactics evolved from pickets and sit-ins for jobs and housing to more dramatic action, such as dumping trash on the steps of Borough Hall to protest inadequate garbage collection. The Brooklyn chapter's lengthy record of activism, however, yielded only modest progress. Its members eventually resorted to desperate measures, such as targeting the opening day of the 1964 World's Fair with a traffic-snarling "stall-in." After that moment, its interracial, nonviolent phase was effectively over. By 1966, the group was more aligned with the black power movement, and a new Brooklyn CORE emerged. Drawing from archival sources and interviews with individuals directly involved in the chapter, Purnell explores how people from diverse backgrounds joined together, solved internal problems, and earned one another's trust before eventually becoming disillusioned and frustrated. *Fighting Jim Crow in the County of Kings* adds to our understanding of the broader civil rights movement by examining how it was implemented in an iconic northern city, where interracial activists mounted a heroic struggle against powerful local forms of racism.
