In part 1, the authors summarize the Bible's consistent teaching regarding the care of widows. In part 2, the authors offer hands-on counseling and a host of practical suggestions related to ensuring that widows receive the support and encouragement they need to thrive in the church.

*Death, Religion, and the Family in England, 1480-1750* Ralph Anthony Houlbrooke 2000 This volume examines the effects of religious change on the English way of death between 1480 and 1750. **Funeral Homilies** William J. Bausch 2009 Father Bill Bausch's homilies are always outstanding. He brings a deep pastoral presence and much thought and preparation to each of them. This has never been more evident than here in this book of funeral homilies. Each is crafted to reflect the person remembered as well as the message of Scripture. Each reflects the communal nature of a Catholic funeral and is sensitive to the status of the mourners: non-Catholics, lapsed Catholics, faithful parishioners, relatives, and friends. Father Bill's words are faith-filled and compassionate, comforting and challenging, communal and personal. He regards the funeral liturgy as one of the greatest teachable moments the Church offers and here this is very evident. Highly recommended for all priests, deacons, and preachers. Book jacket.

*THE MAP OF TWO ETERNAL DESTINATIONS* Dipo Toby Alakija Most people are oblivious of the fact that the world is fast coming to an end despite the warnings of Jesus Christ in Mark 13:7- 22 where the signs of the inevitable destruction of the world are revealed. These signs include wars with nations rising against nations, earthquakes in various places, famines, pandemic, depressions, persecutions of Christians, abominations of desolations, lock-down and other tribulations. Despite these events which are obvious fulfillment of these prophecies in these modern days, most people; including Christians are still not prepared for eternity. In order to prepare Christians and inform every other person about eternal destinations, these illustrative and authoritative sermons which are delivered by the preacher and author of this book to hundreds of thousands of people online are compiled for group or personal studies. The author uses real life events and illustrations to explain the mysteries of the two eternities, teaching the ways to reach each of destinations as revealed in the Bible.

*The American Indian* R. J. Rushdoony 2013-11-08 Long before state health care or food stamps, before the creation of welfare ghettos in our major cities, America's first experiment with socialism and government dependency practically destroyed the American Indian. Government experts created the Indian reservations. America's churches whole-heartedly supported it, convinced the reservation would be the key to winning souls for Christianity. In 1944 young R. J. Rushdoony arrived at the Duck Valley Indian Reservation in

Nevada as a missionary to the Shoshone and the Paiute Indians. For eight years he lived with them, worked with them, ministered to them and listened to their stories. He came to know them intimately, both as individuals and as a people. This is his story, and theirs. It is also the story of an experiment that failed, disastrously—and exercise in statist paternalism and ineffective Christian meddling whose effects ravage the Indians to this day. The reservation system debased the people it was meant to serve, and the churches failed in their mission; until, in the end, the proud and resourceful Indian was transformed into “a defeated man, lacking in character.” This is Rushdoony’s eyewitness testimony to that failure. Today, as America’s leaders expand the welfare state and radically transform the entire nation, we’d do well to reconsider this first experiment in government dependency and a Christianity stripped of God’s law—before all of the United States is transformed into a massive reservation on a continental scale. Rushdoony’s description of our past is also an indictment of our statist future.

**Nearing Home** Billy Graham 2013-05-06 But I do not account my life of any value nor as precious to myself, if only I may finish my course and the ministry that I received from the Lord Jesus, to testify to the gospel of the grace of God. —Acts 20:24 (ESV) Growing old has been the greatest surprise of my life,” says Billy Graham, known by many as God’s Ambassador. “I would have never guessed what God had in store for me, and I know that as I am nearing home, He will not forsake me the last mile of the way.” In *Nearing Home* this man of faith—now in his nineties—explores the challenges of aging while gleaning foundational truths from Scripture. Billy Graham invites us to journey with him as he considers the golden years while anticipating the hope of being reunited with his wife, Ruth, in his heavenly home that eclipses this world. “When granted many years of life, growing old in age is natural, but growing old with grace is a choice,” says the author. “Growing older with grace is possible for all who will set their hearts and minds on the Giver of grace, the Lord Jesus Christ.” Join Billy Graham as he shares the challenges of fading strength but still standing strong in his commitment to finishing life well. “Explore with me not only the realities of life as we grow older but also the

hope and fulfillment and even joy that can be ours once we learn to look at these years from God's point of view and discover His strength to sustain us every day." —BILLY GRAHAM

*Hope for the Hurting* Tony Evans 2022-01-11 Life is painful. Everyone's story comes with unique challenges, difficulties, bumps, and bruises that leave you lost and drowning in their wake. It could be a financial disaster, a health issue, a broken relationship, or the loss of a loved one. Dr. Tony Evans, bestselling author and pastor of Oak Cliff Bible Fellowship, understands life's hardships firsthand. In a span of less than two years, he lost his brother, sister, brother-in-law, two nieces, father, and wife. At the same time, both of his daughters received cancer diagnoses. In the wake of all this pain, Dr. Evans had to put into practice, at the deepest levels, the truths he has preached about God for more than forty years. God's Word doesn't promise us a life free from pain and trouble. It promises us something else—Someone else. Someone who will walk with us through all of life's trials and troubles. There is hope for the hurting: His name is Jesus.

**Funerals Without God** Jane Wynne Willson The main purpose of this booklet is twofold: to help Humanists who are thinking of becoming officiants on a regular basis; and to help families and friends who are faced with the need to organize a ceremony themselves at short notice. A third group who may find parts of it useful are funeral directors coping with funerals where there is no officiant and the family has no wish to play an active role. The booklet aims to set out clearly the basic format of a Humanist ceremony, to suggest possible readings and turns of phrase, and to state simply the various practical measures that need to be taken. In short, it is a straightforward working manual. Readers' Comments: [It was] the first funeral I had attended where I felt comfortable, and comforted by the words spoken. . . it gave me a sense of great peace. To hear others publicly proclaim their love, respect and admiration for my husband made the funeral an uplifting experience.

Afterwards so many who had attended told me that it was the most interesting, most moving, most relevant and best funeral that they had ever been to. Their remarks gave me a great deal of comfort and I knew that I had treated my husband's atheism with the respect and dignity that it deserved. A large number of those present, from a wide range of beliefs and backgrounds, later expressed what we can only call enthusiasm for an experience that was new to them, and in many cases compared very favourably with the often awkward and impersonal alternatives with which they were familiar. Bearing in mind that this is a form of ceremony which has not yet gained wide acceptance, we consider ourselves fortunate . . . to have received such expert and personal attention.

Evangelism and the Sovereignty of God J. I. Packer 2012-06-28 If God is in control of everything, can Christians sit back and not bother to evangelize? Or does active evangelism imply that God is not really sovereign at all? J. I. Packer shows in this classic study how both of these attitudes are false.

God's Grand Design Sean Michael Lucas 2011-10-05 Jonathan Edwards was a preacher, pastor, revivalist, and theologian. This volume unpacks his magnificent theological vision, which starts with God's glory and ends with all creation returning to that glory. Sean Michael Lucas has converted his years of teaching on Edwards into this valuable work, which places Edwards's vision in an accessible, two-part framework. Part one focuses on Edwards's understanding of redemption history—God's cosmic, grand work from eternity past to eternity future, where all things are united in Christ. Part two examines Edwards's perspective on “redemption applied”—how that gracious, divine work unfolds in space and time to personally transform individuals, stirring their affections, illuminating their minds, and moving their wills to form new habits and practices. This overview of Edwards's theology will prove to be a thought-provoking, encouraging guide to contemporary believers at every stage of their spiritual journey.

The Oxford History of Life Writing: Volume 2. Early Modern Alan Stewart 2018-05-04 *The Oxford History of Life-Writing: Volume 2. Early Modern* explores life-writing in England between 1500 and 1700, and argues that this was a period which saw remarkable innovations in biography, autobiography, and diary-keeping that laid the foundations for our modern life-writing. The challenges wrought by the upheavals and the sixteenth-century English Reformation and seventeenth-century Civil Wars moulded British and early American life-writing in unique and lasting ways. While classical and medieval models continued to exercise considerable influence, new forms began to challenge them. The English Reformation banished the saints' lives that dominated the writings of medieval Catholicism, only to replace them with new lives of Protestant martyrs. Novel forms of self-accounting came into existence: from the daily moral self-accounting dictated by strands of Calvinism, to the daily financial self-accounting modelled on the new double-entry book-keeping. This volume shows how the most ostensibly private journals were circulated to build godly communities; how women found new modes of recording and understanding their disrupted lives; how men started to compartmentalize their lives for public and private consumption. The volume doesn't intend to present a strict chronological progression from the medieval to the modern, nor to suggest the triumphant rise of the fact-based historical biography. Instead, it portrays early modern England as a site of multiple, sometimes conflicting possibilities for life-writing, all of which have something to teach us about how the period understood both the concept of a 'life' and what it mean to 'write' a life.

Those asked to preach in the midst of tragedy know the anxiety of trying to say appropriate things from God's Word that will comfort and strengthen God's people when emotions and faith are stretched thin. This indispensable resource helps pastors prepare sermons in the face of tragedies by providing suggestions for how to approach different kinds of tragedy, as well as insight into how to handle the theological challenges of human suffering. Each topic provides a specific description of the context of the tragedy, the key concerns that need to be addressed in the message, and an outline of the approach taken in the sample sermon that follows. Topics addressed include: abortion; abuse; responding to national and community tragedies; the death of a child; death due to cancer and prolonged sickness; death due to drunk driving; drug abuse; and suicide. Bryan Chapell, author of *Christ-Centered Preaching*, has gathered together messages from some of today's most trusted Christian leaders including: John Piper, Tim Keller, Michael Horton, Jack Collins, Dan Doriani, Jerram Barrs, Mike Khandjian, Robert Rayburn, Wilson Benton, Bob Flayhart, and George Robertson. Each chapter provides you with the resources you need to communicate the life-giving hope of the gospel in the midst of tragedy. In addition, the appendices provide further suggestions of biblical texts for addressing various subjects as well as guidance for conducting funerals.

[Onward](#) Russell D. Moore 2015-08-01 *Keep Christianity Strange*. As the culture changes all around us, it is no longer possible to pretend that we are a Moral Majority. That may be bad news for America, but it can be good news for the church. What's needed now, in shifting times, is neither a doubling-down on the status quo nor a pullback into isolation. Instead, we need a church that speaks to social and political issues with a bigger vision in mind: that of the gospel of Jesus Christ. As Christianity seems increasingly strange, and even subversive, to our culture, we have the opportunity to reclaim the freakishness of the gospel, which is what gives it its power in the first place. We seek the kingdom of God, before everything else. We connect that kingdom agenda to the culture around us, both by speaking it to the world and by showing it in our churches. As we do so, we remember our mission to oppose demons, not to demonize opponents. As we advocate for human dignity, for religious liberty, for family stability, let's do so as those with a prophetic word that turns everything upside down. The signs of the times tell us we are in for days our parents and grandparents never knew. But that's no call for panic or surrender or outrage. Jesus is alive. Let's act like it. Let's follow him, onward to the future.
