How to be Handy [hairy bottom not required] Ian Anderson 2017-08-20 Do you want to be handy and live a more practical life? Then this book is for you. Because it's a different kind of DIY book, one which will take you far beyond trying to blindly follow step-by-step instructions, to where you can stop faking it, and actually make it. To actually be practical; to be handy. Using Ian's simple R.E.L.E.A.R.N method you'll 'relearn' how you look at DIY; to see the world through 'practical eyes'. Relearn how you observe, listen, feel, and smell everything and what it all means. Plus, you'll know how and where to find the information you need to fill any gaps and create workable solutions for your DIY projects. You'll learn how to use a few simple tools to easily transform your home, using your own head, hands, and heart to create something wonderful, fix something you treasure, maintain something you want to keep forever or build something just for fun. There's more than 30 years of experience from a professional builder and handyman, packed into this easy to follow method which explains how handy people like Ian tackle practical tasks, (especially the new and unknown), learning 'just enough' to get the job done. Once you experience the physical world like a handy person does, you'll think like a handy person and then you'll be able to do anything. Seriously; anything you set your mind to. Is this book right for me? If you want to learn how to DIY and live a more practical life, be good with your hands, be good with tools, be knowledgeable about practical things, able to deal with breakdowns, make improvements or even build stuff from scratch; then YES If you've never done DIY before, make this the first book you read. If you've already started, it'll show you how to build and improve the skills you have. Here are the Chapter headings... Developing Practical Knowledge Developing Practical Skills Preparation and Plans Buying Stuff Tools, Tools, and Even More Tools Fixings and Fasteners Assembling & Installing (Flat Packs) Maintaining Stuff Repairing Stuff Dismantling & Demolishing Stuff Improving Stuff Making New Stuff Health and Safety Appendices and Glossary Be a DIY superstar and... Develop your 'handiness' and practical know-how. Plan your projects including the best places to buy materials. Use tools, materials, fasteners, and hardware properly. Why Africa? Bona Udeze 2009 Why Africa? an abstract first painted in 1993 and reproduced in collage in 2004, is variously described by his admirers as an emotional revelation. The work depicts the African question problems and prospects including political instability, corruption, and poverty in the midst of rich natural and human resources. Thus, Why Africa? inspired him to write a book on the subject, applying his creativity with a unique perspective on the African case. Bona has written one book (unpublished) titled: The Ancient and Modern (1992) a story on Urualla, his ancestral origin in Nigeria.

Women Make the Best Salesmen Marion Luna Brem 2005-05-17 A thirty-year-old mother of two, Marion Luna Brem had just been given a death sentence: terminal cancer. She had no job. No health insurance. Her marriage would collapse under the stress of her treatment. And her most pressing concern: How do I pay next month's rent? Her first major "sale" was landing a job as a car salesman. Within two months she had become salesperson of the month and by the end of her first year, salesperson of the year. Four and a half years after selling her first car, Brem bought her own dealership, and in the next decade went on to open additional dealerships and businesses. She beat her cancer, too. In *Women Make the Best Salesmen*, Brem reveals the top sales strategies she discovered, refined, and applied to build her multimillion dollar enterprise. But, as she points out, we are all

"salesmen" - whether we interviewing for a job or operating a register at a department store, trying to get our children into a special program or looking for a lifelong companion. And women, with their natural social skills and acute emotional antennae, have natural advantages both sexes can learn from. Filled with unconventional wisdom and real-life lessons, *Women Make the Best Salesmen* is the essential guide to the art of selling yourself.

Home Sweet Rented Home Medina Grillo 2019-08-22 'So many useful tips in here - this is so different to most other books out there!' - Alex Stedman, *The Frugality* 'There seems to be no end of resourceful, affordable and creative ideas.' - Sophie Robinson You've got the keys from your landlord, moved into your new home, and the boxes are unpacked. Now you want to put your stamp on the place, but how do you do this when you can't paint the walls, refurbish the kitchen or replace the old, tired flooring? And can you really live with magnolia walls? What about those outdated kitchen cupboards? Not to mention the tattered lampshades, old sofa and sparse furniture... In this invaluable book, award-winning interiors blogger Medina Grillo shares her favourite tips, tricks and DIY projects for transforming a rented space. Discover ways to add a splash of colour with removable wallpaper, learn how to hang artworks without damaging the walls, and turn your hand to upcycling those furniture bargains you picked up at the flea market. With chapters covering all aspects of the home, from walls, flooring and lighting to storage and accessories, *Home Sweet Rented Home* will enable every reader to make their house feel like home, whether they are a DIY expert or have never before lifted a paintbrush. Filled with photography and illustrations, it is the perfect read for any renter looking to live in a beautiful and stylish home.

How to Make Money Teaching Online with Your Camcorder and Pc Anne Hart 2002-03-11 What Can You Teach Online from Home Using Your Camcorder, Personal Computer and the Internet? Did you know that you can teach almost any subject online, on the Web at Blackboard.com, (<http://www.blackboard.com>) for a university, community college, continuing education department, or in adult education, or for yourself as an independent contractor in your own personal broadcasting network? Blackboard is where I teach. Founded to transform the Internet into a powerful environment for teaching and learning, Blackboard traces its technology roots to Cornell University. Today, thousands of institutions in 140 countries deliver e-Education services through Blackboard's suite of enterprise systems. If you put up a course at Blackboard.com on the Web or for any similar type of teaching area on the Web, you can teach online independently without anyone hiring you as a teacher. You are an independent consultant, a trainer, an independent contractor, or you can start your own school or one course online and teach. This book is about using your personal computer and your camcorder linked together to teach online from your home any subject you are able to teach, have expertise in, or enjoy researching. This can be a hobby, what you have studied and are credentialed or licensed, or any how-to subject. You can teach writing, using a camcorder, public speaking, or any technology that you have worked with and have expert knowledge of in a home-based online office.
