**Famous Composers and Their Works (Classic Reprint)** John Knowles Paine 2017-10-20 Excerpt from Famous Composers and Their Works In 1877 Raff left Wiesbaden to become director of the new Conservatory of Music at Frankfort. He taught composition himself, arranged the library, and conducted the institution upon such a broad-minded plan that its success was assured from the beginning. He continued his labors in composition his symphonies after the seventh, having been written at Frankfort together with other important works. Ignorant of the fact that a mortal disease had fastened upon him he worked with undiminished zeal till 1882, when on the night of June 24, heart disease ended his career. **Introducing the Positions for Violin** Harvey Samuel Whistler 1989-03 (String Method). Introducing the Positions , a series widely used in classroom and private studio, represents a critical "next step" for string students. Position playing allows players to extend range beyond the basics and move into the ranks of intermediate and advanced ensemble groups. The most important positions vary for each instrument, and Whistler wisely introduces the most-used positions first in Volume 1, followed by the next most important in Volume 2. An irreplaceable component for every string student's training!

Musical Theatre John Kenrick 2017-07-27 Musical Theatre: A History is a new revised edition of a proven core text for college and secondary school students – and an insightful and accessible celebration of twenty-five centuries of great theatrical entertainment. As an educator with extensive experience in professional theatre production, author John Kenrick approaches the subject with a unique appreciation

of musicals as both an art form and a business. Using anecdotes, biographical profiles, clear definitions, sample scenes and select illustrations, Kenrick focuses on landmark musicals, and on the extraordinary talents and business innovators who have helped musical theatre evolve from its roots in the dramas of ancient Athens all the way to the latest hits on Broadway and London's West End. Key improvements to the second edition:

- A new foreword by Oscar Hammerstein III, a critically acclaimed historian and member of a family with deep ties to the musical theatre, is included
- The 28 chapters are reformatted for the typical 14 week, 28 session academic course, as well as for a two semester, once-weekly format, making it easy for educators to plan a syllabus and reading assignments.
- To make the book more interactive, each chapter includes suggested listening and reading lists, designed to help readers step beyond the printed page to experience great musicals and performers for themselves.

A comprehensive guide to musical theatre as an international phenomenon, *Musical Theatre: A History* is an ideal textbook for university and secondary school students.

Music in the Early Twentieth Century Richard Taruskin 2006-08-14 The universally acclaimed and award-winning Oxford History of Western Music is the eminent musicologist Richard Taruskin's provocative, erudite telling of the story of Western music from its earliest days to the present. Each book in this superlative five-volume set illuminates-through a representative sampling of masterworks-the themes, styles, and currents that give shape and direction to a significant period in the history of Western music. *Music in the Early Twentieth Century*, the fourth volume in Richard Taruskin's history, looks at the first half of the twentieth century, from the beginnings of Modernism in the last decade of the nineteenth century right up to the end of World War II. Taruskin discusses modernism in Germany and France as reflected in the work of Mahler, Strauss, Satie, and Debussy, the modern ballets of Stravinsky, the use of twelve-tone technique in the years following World War I, the music of Charles Ives, the influence of peasant songs on Bela Bartok, Stravinsky's neo-classical phase and the real beginnings of 20th-century music, the vision of America as seen in the works of such composers as W.C. Handy, George Gershwin, and Virgil Thomson, and the impact of totalitarianism on the works of a range of musicians from Toscanini to Shostakovich

**Music in the Seventeenth and Eighteenth Centuries** Richard Taruskin 2006-08-14 The universally acclaimed and award-winning Oxford History of Western Music is the eminent musicologist Richard Taruskin's provocative, erudite telling of the story of Western music from its earliest days to the present. Each book in this superlative five-volume set illuminates-through a representative sampling of masterworks-the themes, styles, and currents that give shape and direction to a significant period in the history of Western music. *Music in the Seventeenth and Eighteenth Centuries*, the second volume Richard Taruskin's monumental history, illuminates the explosion of musical creativity that occurred in the seventeenth and eighteenth centuries. Examining a wealth of topics, Taruskin looks at the elegant masques and consort music of Jacobean England, the Italian concerto style of Corelli and Vivaldi, and the progression from Baroque to Rococo to romantic style. Perhaps most important, he offers a fascinating account of the giants of this period: Bach, Handel, Mozart, Haydn, and Beethoven. Laced with brilliant observations, memorable musical analysis, and a panoramic sense of the interactions between history, culture, politics, art, literature, religion, and music, this book will be essential reading for anyone who wishes to understand this rich and diverse period.
