Media, Culture and Society Paul Hodkinson 2016-12-07 'In his beautifully balanced, clear and broad-ranging account of a fast-changing field, Paul Hodkinson has successfully brought together myriad perspectives with which to critically analyse today's media culture and media society.' – Sonia Livingstone, Professor of Media & Communication, LSE Paul Hodkinson's bestseller is back, once again exploring the concepts and complexities of the media in an accessible, balanced and engaging style. Additions to the Second Edition include: A new chapter on advertising and sponsorship Extensive revision and updating throughout all chapters New material on technologies, censorship, online news, fan cultures and representations of poverty Greater emphasis on and examples of digital, interactive and mobile media throughout Fully reworked chapter on media, community and difference Up-to-date examples covering everything from social media, contemporary advertising, news events and mobile technologies, to representations of class, ethnicity and gender. Combining a critical survey of the field with a finely judged assessment of cutting-edge developments, this Second Edition cements its reputation as the must-have text for any undergraduate student studying media, culture and society.

Invisible Women Caroline Criado Perez 2019-03-12 Data is fundamental to the modern world. From economic development, to healthcare, to education and public policy, we rely on numbers to allocate resources and make crucial decisions. But because so much data fails to take into account gender, because it treats

men as the default and women as atypical, bias and discrimination are baked into our systems. And women pay tremendous costs for this bias, in time, money, and often with their lives. Celebrated feminist advocate Caroline Criado Perez investigates shocking root cause of gender inequality and research in *Invisible Women*, diving into women's lives at home, the workplace, the public square, the doctor's office, and more. Built on hundreds of studies in the US, the UK, and around the world, and written with energy, wit, and sparkling intelligence, this is a groundbreaking, unforgettable exposé that will change the way you look at the world.

Gendered Lives + Mindtap Speech, 1 Term 6 Months Access Card 2018

Gendered Lives Julia T. Wood 2003 Written by the leading gender communication scholar, this text introduces students to theories, research, and pragmatic information that demonstrates the multiple, often interactive, ways in which our views of masculinity and femininity are shaped within contemporary culture.

The Psychosocial Implications of Disney Movies Lauren Dundes 2019-07-11 In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

Gendered Lives Gwyn Kirk 2019-08-16 *Gendered Lives: Intersectional Perspectives, Seventh Edition*, is an interdisciplinary text-reader that provides an introduction to women's and gender studies within a global context by examining the diversity of US women's lives across categories of race-ethnicity, class, sexuality, gender expression, disability, age, and immigration status. Substantial chapter introductions provide statistical information and explanations of key concepts and ideas as a context for the reading selections. Each chapter includes reading questions and suggestions for taking action, to help students link what they learn to their own lives and to the world around them.

Postfeminist News Mary Douglas Vavrus 2012-02-01 Examines the representation of women in the media.

Whipping Girl Julia Serano 2016-03-08 "A foundational text for anyone hoping to understand transgender politics and culture in the U.S. today." –NPR Named as one of 100 Best Non-Fiction Books of All Time by Ms. Magazine Julia Serano shares her experiences and insights—both pre- and post-transition—to reveal the ways in which fear, suspicion, and dismissiveness toward femininity shape our societal attitudes toward trans women, as well as gender and sexuality as a whole. Serano's well-honed arguments and pioneering advocacy stem from her ability to bridge the gap between the often-disparate biological and social perspectives on gender. In this provocative manifesto, she exposes how deep-rooted the cultural belief is that femininity is frivolous, weak, and passive. In addition to debunking popular misconceptions about being transgender, Serano makes the case that today's feminists and transgender activists must work to embrace and empower femininity—in all of its wondrous forms.

The Process of Gender Belle A. Edson 2014-08-25

Interpersonal Communication: Everyday Encounters Julia T. Wood 2015-01-01
Written by leading scholar and award-winning teacher Julia T. Wood, INTERPERSONAL COMMUNICATION: EVERYDAY ENCOUNTERS, 8e relates theory and skills directly to students' everyday interactions as it delivers a solid introduction to interpersonal communication. Completely up to date, the new Eighth Edition integrates the latest communication research, including findings from more than 125 new sources. Reflecting the author's expertise in gender and social diversity, the text includes an unparalleled focus on diversity. The new edition also features increased coverage of social media and an expanded emphasis on ethical choices. It addresses such timely issues as emotional intelligence and forgiveness, interracial relationships, safe sex, ways to deal with abuse from intimates, race-related differences between conflict styles, and the power of language. Important Notice: Media content referenced within

The SAGE Handbook of Gender and Communication Bonnie J. Dow 2006-07-19 The SAGE Handbook of Gender and Communication is a vital resource for those seeking to explore the complex interactions of gender and communication. Editors Bonnie J. Dow and Julia T. Wood, together with an illustrious group of contributors, review and evaluate the state of the gender and communication field through the discussion of existing theories and research, as well as through identification of important directions for future scholarship. The first of its kind, this Handbook examines the primary contexts in which gender and communication are shaped, reflected, and expressed: interpersonal, organizational, rhetoric, media, and intercultural/global.

Persuasion Robert H Gass 2015-07-17 First Published in 2015. Routledge is an imprint of Taylor & Francis, an Informa company.

Winsome Conviction Tim Muehlhoff 2020-12-08 In today's polarized context, Christians often have committed, biblical rationales for very different positions. How can Christians navigate disagreements with both truth and love? Tim Muehlhoff and Rick Langer provide lessons from conflict theory and church history on how to negotiate differing biblical convictions in order to move toward Christian unity.

Difference Matters Brenda J. Allen 2010-07-19 Allens proven ability and flare for presenting complex and oftentimes sensitive topics in nonthreatening ways carry over in the latest edition of *Difference Matters*. Her down-to-earth analysis of six social identity categories reveals how communication establishes and enacts identity and power dynamics. She provides historical overviews to show how perceptions of gender, race, social class, sexuality, ability, and age have varied throughout time and place. Allen clearly explains pertinent theoretical perspectives and illustrates those and other discussions with real-life experiences (many of which are her own). She also offers practical guidance for how to communicate difference more humanely. While many examples are from organizational contexts, readers from a wide range of backgrounds can relate to them and appreciate their relevance. This eye-opening, vibrant text, suitable for use in a variety of disciplines, motivates readers to think about valuing difference as a positive, enriching feature of society. Interactive elements such as Spotlights on Media, I.D. Checks, Tool Kits, and Reflection Matters questions awaken interest, awareness, and creative insights for change.

Gender, Communication, and the Leadership Gap Carolyn M. Cunningham 2017-09-01 *Gender, Communication, and the Leadership Gap* is the sixth volume in the *Women and Leadership: Research, Theory, and Practice* series. This cross-disciplinary series, from the International Leadership Association, enhances leadership knowledge and improves leadership development of women around the world. The purpose of this volume is to highlight connections between the fields of

communication and leadership to help address the problem of underrepresentation of women in leadership. Readers will profit from the accessible writing style as they encounter cutting-edge scholarship on gender and leadership. Chapters of note cover microaggressions, authentic leadership, courageous leadership, inclusive leadership, implicit bias, career barriers and levers, impression management, and the visual rhetoric of famous women leaders. Because women in leadership positions occupy a contested landscape, one goal of this collection is to clarify the contradictory communication dynamics that occur in everyday interactions, in national and international contexts, and when leadership is digital. Another goal is to illuminate the complexities of leadership identity, intersectionality, and perceptions that become obstacles on the path to leadership. The renowned thinkers and scholars in this volume hail from both Leadership and Communication disciplines. The book begins with Sally Helgesen and Brenda J. Allen. Helgesen, co-author of *The Female Vision: Women's Real Power at Work*, discusses the two-fold challenge women face as they struggle to articulate their visions. Her chapter offers six practices women can use to relieve this struggle. Allen, author of the groundbreaking book, *Difference Matters: Communicating Social Identity*, discusses the implications of how inclusive leadership matters to women and what it means to think about women as people who embody both dominant and non-dominant social identity categories. She then offers practical communication strategies and an intersectional ethic to the six signature traits of highly inclusive leaders. Each chapter includes practical solutions from a communication and leadership perspective that all readers can employ to advance the work of equality. Some solutions will be of use in organizational contexts, such as leadership development and training initiatives, or tools to change organizational culture. Some solutions will be of use to individuals, such as how to identify and respond productively to micro-aggressions or how to be cautious rather than optimistic about practicing authentic leadership. The writing in this volume also reflects a range of styles, from in-depth scholarship that produces new knowledge to shorter forums that feature interesting ideas worth considering.

The Lives of Transgender People Genny Beemyn 2011 Responding to a critical need for greater perspectives on transgender life in the United States, Genny Beemyn and Susan (Sue) Rankin apply their extensive expertise to a groundbreaking survey—one of the largest ever conducted in the U.S.—on gender development and identity-making among transsexual women, transsexual men, crossdressers, and genderqueer individuals. With nearly 3,500 participants, the survey is remarkably diverse, and with more than 400 follow-up interviews, the data offers limitless opportunities for research and interpretation. Beemyn and Rankin track the formation of gender identity across individuals and groups, beginning in childhood and marking the "touchstones" that led participants to identify as transgender. They explore when and how participants noted a feeling of difference because of their gender, the issues that caused them to feel uncertain about their gender identities, the factors that encouraged them to embrace a transgender identity, and the steps they have taken to meet other transgender individuals. Beemyn and Rankin's findings expose the kinds of discrimination and harassment experienced by participants in the U.S. and the

psychological toll of living in secrecy and fear. They discover that despite increasing recognition by the public of transgender individuals and a growing rights movement, these populations continue to face bias, violence, and social and economic disenfranchisement. Grounded in empirical data yet rich with human testimony, *The Lives of Transgender People* adds uncommon depth to the literature on this subject and introduces fresh pathways for future research.

Intercultural Communication Kathryn Sorrells 2015-08-19 *Intercultural Communication: Globalization and Social Justice, Second Edition*, introduces students to the study of communication among cultures within the broader context of globalization. Kathryn Sorrells highlights history, power, and global institutions as central to understanding the relationships and contexts that shape intercultural communication. Based on a framework that promotes critical thinking, reflection, and action, this text takes a social justice approach that provides students with the skills and knowledge to create a more equitable world through communication. Loaded with new case studies and contemporary topics, the Second Edition has been fully revised and updated to reflect the current global context, emerging local and global issues, and more diverse experiences.

Readings in Gender Communication Phil Backlund 2004 READINGS IN GENDER COMMUNICATION is a compilation of studies, stories, analyses, and personal testimonies contributed by communication, gender, psychology, and sociology scholars and students. The reader is designed as a supplemental text for a gender communication course with primary emphasis given to demonstrating how gender theory is applicable to students' lives.

Language and Gender Mary Talbot 2019-12-23 Since its first publication in 1998, Mary Talbot's *Language and Gender* has been a leading textbook, popular with students for its accessibility and with teachers for the range and depth it achieves in a single volume. This anticipated third edition has been thoroughly revised and updated for the era of #MeToo, genderqueer, Trump, and cyberhate. The book is organized into three parts. An introductory section provides grounding in early 'classic' studies in the field. In the second section, Talbot examines language used by women and men in a variety of speech situations and genres. The last section considers the construction and performance of gender in discourse, reflecting the interest in mass media and popular culture found in recent research, as well as the preoccupation with social change that is central to Critical Discourse Analysis. Maintaining an emphasis on recent research, Talbot covers a range of approaches at an introductory level, lucidly presenting sometimes difficult and complex issues. Each chapter concludes with a list of recommended readings, enabling students to further their interests in various topics. *Language and Gender* will continue to be an essential textbook for undergraduates and postgraduates in linguistics, sociolinguistics, cultural and media studies, gender studies and communication studies.

Riptides & Solaces Unforeseen Debby Mayer 2013-04-01 Part mystery, part love

Downloaded from avenza-dev.avenza.com
on October 4, 2022 by guest

story, part report from the medical front in the United States today, Riptides relates the fast-onset brain cancer that ripped through a strong, healthy man and led to his death four months later at the age of fifty-six. The book is a searing chronology of the effects of devastating illness, of being caught in the maw of hospitals, of unthinkable decision-making and small, unexpected solaces. Tightly written, fact-based, it is never maudlin, and it offers an element of hope without sentimentality. Riptides is a harrowing read. The writing is honest and intimate, the language spare and precise. Encounters with the health care system doctors, nurses, aides repeatedly fail to provide reassurance, honesty, or reliable information, and often end in promises that are not kept. These are human failings, but they are devastating when two is becoming one. Our hospitals and hospices can do better than that. Nancy H. Smith Professor Emeritus of Anthropology and Psychology Antoin Boisen, the father of clinical pastoral education, wrote that every patient and family member is a living, human document a story waiting to be heard. As a health-care chaplain I recommend this story, Riptides, to anyone working with patients. Keith F. Patterson Chaplain, Episcopal Diocese of Vermont In four months an active, intelligent, forceful man becomes an invalid, incapable of speech or voluntary movement. Friends and family barely have time to adjust to one set of symptoms before the decline advances. The impact of these terrible events is heightened by the writer's understated, matter-of-fact prose until the reader feels almost a participant in this tragic story. No one who reads it will ever forget this book. Molly Laird RN, PhD, Emergency Room Psychiatric Nurse Debby Mayer's blog, 2becomes1: widowhood for the rest of us, can be found at debbymayer.blogspot.com or through debbymayer.com. An excerpt from Riptides was awarded a grant in creative nonfiction from the New York Foundation for the Arts. Debby Mayer is also the author of Sisters: A Novel (Putnam's, Berkley). Her short fiction and journalism have been widely published. She lives in Hudson, New York. "

Gendered Lives Julia T. Wood 2018-01-01 Well-written and well-researched by leading gender communication scholars Julia T. Wood and Natalie Fixmer-Oraiz, GENDERED LIVES: COMMUNICATION, GENDER, & CULTURE, 13th Edition, provides the latest theories, research and pragmatic information to help readers think critically about gender and society. The book demonstrates the multiple and often interactive ways a person's views of masculinity and femininity are shaped within contemporary culture. It offers balanced coverage of different sexes, genders and sexual orientations. Reflecting emerging trends and issues, the new edition includes expansive coverage of men's issues, an integrated emphasis on social media and a stronger focus on gender in the public sphere. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Middlesex Jeffrey Eugenides 2011-07-18 Spanning eight decades and chronicling the wild ride of a Greek-American family through the vicissitudes of the twentieth century, Jeffrey Eugenides' witty, exuberant novel on one level tells a traditional story about three generations of a fantastic, absurd, lovable immigrant family -- blessed and cursed with generous doses of tragedy and high comedy. But there's a provocative twist. Cal, the narrator -- also Callie -- is a hermaphrodite. And the explanation for this takes us spooling back in time, through a breathtaking review of the twentieth century, to 1922, when the Turks sacked Smyrna and Callie's grandparents fled for their lives. Back to a tiny village in Asia Minor where two lovers, and one rare genetic mutation, set our narrator's life in motion. *Middlesex* is a grand, utterly original fable of crossed bloodlines, the intricacies of gender, and the deep, untidy promptings of desire. It's a brilliant exploration of divided people, divided families, divided cities and nations -- the connected halves that make up ourselves and our world.

Men and Women in Interaction Elizabeth Aries 1996-02-29 For many years the dominant focus in gender relations has been the differences between men and women. Authors such as Deborah Tannen (*You Just Don't Understand*) and John Gray (*Men are from Mars, Women are from Venus*) have argued that there are deep-seated and enduring differences between male and female personalities, styles, even languages. Elizabeth Aries sees the issue as more complex and dependent on several variables, among them the person's status, role, goals, conversational partners, and the characteristics of the situational context. Aries discusses why we emphasize the differences between the sexes, the ways in which these are exaggerated, and how we may be perpetuating the very stereotypes we wish to abandon. For psychologists and researchers of gender and communication, this book will illuminate recent studies in gender relations. For general readers it will offer a stimulating counterpoint to prevailing views.

The Gender Communication Connection Teri Kwal Gamble 2014-12-18 The authors

explore the many ways that gender and communication intersect and affect each other. Every chapter encourages a consideration of how gender attitudes and practices, past and current, influence personal notions of what it means not only to be female and male, but feminine and masculine. The second edition of this student friendly and accessible text is filled with contemporary examples, activities, and exercises to help students put theoretical concepts into practice.

Gendered Lives Julia T. Wood 2014-01-01 Written by leading gender communication scholar Julia T. Wood, *GENDERED LIVES*, 11E introduces you to theories, research, and pragmatic information, demonstrating the multiple and often interactive ways that one's views of masculinity and femininity are shaped within contemporary culture. With the most up-to-date research, balanced perspectives of masculinity and femininity, a personal introduction to the field, and a conversational first-person writing style, this engaging text encourages you to think critically about gender and society. Gendered Lives Julia T. Wood 2016-01-01 Written by leading gender communication scholars Julia T. Wood and Natalie Fixmer-Oraiz, *GENDERED LIVES: COMMUNICATION, GENDER, & CULTURE*, 12E provides the latest theories, research, and pragmatic information to help readers think critically about gender and society. The book demonstrates the multiple and often interactive ways a person's views of masculinity and femininity are shaped within contemporary culture. It offers balanced coverage of different sexes, genders, and sexual orientations. In addition, the 12th Edition includes expanded coverage of gays, lesbians, bisexuals, and transgender people as well as new discussions of work-life balance, transgender issues on campus, bullying in school, gender and health, and reproductive violence. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Gendered Lives Julia T. Wood 2017

Gender Actualized 2009

Sex Differences and Similarities in Communication Daniel J. Canary 2009-03-04 *Sex Differences and Similarities in Communication* offers a thorough exploration of sex differences in how men and women communicate, set within the context of sex similarities, offering a balanced examination of the topic. The contents of this distinctive volume frame the conversation regarding the extent to which sex differences are found in social behavior, and emphasize different theoretical perspectives on the topic. Chapter contributors examine how sex differences and similarities can be seen in various verbal and nonverbal communicative behaviors across contexts, and focus on communication behavior in romantic relationships. The work included here represents recent research on the topic across various disciplines, including communication, social

psychology, sociology, linguistics, and organizational behavior, by scholars well-known for their work in this area. In this second edition, some chapters present new perspectives on sex/gender and communication; others present substantially revised versions of earlier chapters. All chapters have a stronger theoretical orientation and are based on a wider range of empirical data than those in the first edition. Readers in communication, social psychology, relationships, and related fields will find much of interest in this second edition. The volume will serve as a text for students in advanced coursework as well as a reference for practitioners interested in research-based conclusions regarding sex differences in communicative behavior.

Communication Mosaics: An Introduction to the Field of Communication Julia T. Wood 2016-01-01 COMMUNICATION MOSAICS: AN INTRODUCTION TO THE FIELD OF COMMUNICATION, 8E draws from the most up-to-date research, theories, and technological information to provide both an overview of the field and practical applications you can immediately use to improve your personal, professional, and public communication skills. Extremely student friendly, the text combines the author's signature first-person narrative style with popular student commentaries. It introduces the basic processes and skills central to all communication contexts and then explains how these aspects of communication are applied in specific contexts such as interpersonal and public speaking. New coverage in Chapter 13 walks you step-by-step through the process of planning and preparing a public speech. As you progress through the text, each chapter ends with a case study enabling you to put what you learn into practice. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Women and Leadership Lisa DeFrank-Cole 2021-01-13 While women in the United States account for nearly half the workforce, they continue to encounter unique personal, social, and structural dynamics as leaders. Authors Lisa DeFrank Cole and Sherylle J. Tan explore these dynamics and more in *Women and Leadership: Journey Towards Equity*. Grounded in leadership theory and research, this text delves into the barriers and challenges women face on their leadership journeys, including stereotypes, bias, inequality, discrimination, and domestic responsibilities. The text includes several chapters devoted to strategies and tools for overcoming obstacles, creating structural change, and moving towards greater equity.

within Communication Studies, explores the processes and factors involved in family interactions and relationships. *Communication in Family Contexts* is a clear and accessible survey of the essential principles, theories, and concepts of the field. Unlike textbooks that present a vast amount of material across only a few chapters—this innovative textbook features brief, easily-understood chapters ideally-suited for undergraduate courses on the subject. The text provides concise yet comprehensive coverage of a diverse range of topics, from fundamental aspects of caretaking and sibling communication, to topics not covered in other textbooks such as estrangement and marginalization. 33 chapters cover theories of family communication, family communication processes, and communicating in family relationships. The authors, noted researchers and educators in the field, complement discussions of standard topics with those of growing contemporary interest, such as LGBTQ family communication, step-family and half-sibling relationships, and the influence of technology on family. This textbook: Provides a well-rounded examination of the major elements of Family Communication studies Explains the foundational theories of the field, including Family Communication Patterns Theory and Relational Dialectics Theory Features numerous practical application exercises to enable students apply theory to practice Includes a complete set pedagogical features, such as case studies, visualizations and models of theories, illustrations, and discussion questions Offers a flexible organizational structure that allows instructors to pick and choose chapters to meet the needs of their courses *Communication in Family Contexts: Theories and Processes* is an important resource for instructors and students in the field of family communication, the wider discipline of Communication Studies, and related areas such as social psychology and sociology.
