Early Childhood Educators' Perspectives of Play in Preschool ...

Fred Froebel created the concept of kindergarten in 1816, which means “child’s garden” (UNICEF, 2013). The kindergarten and preschool teachers of today struggle with how to implement play in their classrooms. Often teachers use playtime as a reward for good behavior. In the 1930s, early childhood education began moving away from play

Charter School Purpose Preparatory Academy

While this handbook is very detailed, we know that it will not address all of the questions that you may have about Purpose Prep. If you do have any additional questions, please contact the school for any clarification. We look forward to embarking on this journey with you, as we set your child on the path to college. With purpose, Lagra Newman,

Unit 6: Instructional Alignment

The sound riddles help captivate a kindergarten students interest. The activity did not offer students the opportunity to share their prior knowledge, but it did allow them to demonstrate what they already know about hearing the /b/ sound at the beginning of end of words.
