Respect the Mic Peter Kahn 2022-02-01 An expansive, moving poetry anthology, representing 20 years of poetry from students and alumni of Chicago's Oak Park River Forest High School Spoken Word Club. "Poets I know sometimes joke that the poetry club at Oak Park River Forest High School is the best MFA program in the Chicagoland area. Like all great jokes, this one is dead serious." -Eve L. Ewing, award-winning poet, playwright, scholar, and sociologist For Chicago's Oak Park and River Forest High School's Spoken Word Club, there is one phrase that reigns supreme: Respect the Mic. It's been the club's call to arms since its inception in 1999. As its founder Peter Kahn says, "It's a call of pride and history and tradition and hope." This vivid new collection of poetry and prose -- curated by award-winning and bestselling poets Hanif Abdurraqib, Franny Choi, Peter Kahn, and Dan "Sully" Sullivan -- illuminates just that, uplifting the incredible legacy this community has cultivated. Among the dozens of current students and alumni, *Respect the Mic* features work by NBA champion Iman Shumpert, National Youth Poet Laureate Kara Jackson, National Youth Poet Laureate Kara Jackson, National Student Poet Natalie Richardson, comedian Langston Kerman, and more. In its pages, you hear the sprawling echoes of students, siblings, lovers, new parents, athletes, entertainers, scientists, and more --all sharing a deep appreciation for the power of storytelling. A celebration of the past, a balm for the present, and a blueprint for the future, *Respect the Mic* offers a tender, intimate portrait of American life, and conveys how in a world increasingly defined by separation, poetry has the capacity to bind us together.

Three Truths and a Lie Brent Hartinger 2016-08-02 When friends Rob, Liam, Mia, and Galen

gather for a weekend of fun deep in the forest, one is hiding a lie and not everyone will live to find out which one it is.

*Geography Club* Brent Hartinger 2009-09-22 A modern classic about a group of teens discovering sexuality and identity, perfect for fans of Becky Albertalli, Adam Silvera, and David Levithan. Brent Hartinger's debut novel is a fast-paced, funny, and trenchant portrait of contemporary teenagers who may not learn any actual geography, but who learn plenty about the treacherous social terrain of high school and the even more dangerous landscape of the human heart. Russel Middlebrook is convinced he's the only gay kid at Goodkind High School. Then his online gay chat buddy turns out to be none other than Kevin, the popular but closeted star of the school's baseball team. Soon Russel meets other gay students, too. There's his best friend Min, who reveals that she is bisexual, and her soccer-playing girlfriend Terese. Then there's Terese's politically active friend, Ike. But how can a group like this get together at school without drawing attention to themselves? "We just choose a club that's so boring, nobody in their right mind would ever in a million years join it. We could call it Geography Club!"

*The God Box* Alex Sanchez 2010-12-14 Paul, a religious teen living in a small conservative town, finds his world turned upside down when he meets Manuel—a young man who says he's both Christian and gay, two things that Paul didn't think could coexist in one person. Doesn't the Bible forbid homosexuality? As Paul struggles with Manuel's interpretation of the Bible, thoughts that Paul has long tried to bury begin to surface, and he finds himself re-examining his whole life. This is an unforgettable book on an extremely timely topic that strives to open minds on both ends of the spectrum.

**Pop-Up Cards** Mari Kumada 2012-10-09 A card is an even more special gift when it's made by hand, and the cards in this book make the giving even more fun through designs that pop up, move, and spin. The charm and whimsy of these cards will elevate any occasion. From children's birthday cards with wheels that spin to get-well wishes revealed with the pull of a tab and gift boxes that magically take shape when the card is opened, the cards in this book are sure to please. With over fifty designs for a range of occasions—from birthdays, baby announcements, and get-well wishes to Easter, Halloween, and Christmas—there's sure to be something for everyone in this book. Each project is presented through beautifully styled photographs, clear step-by-step instructions, detailed diagrams, and templates. Even those new to working with paper will be able to make the whimsical and elegant designs in this book. Make the cards in this book and give your friends and family a keepsake they will treasure.

*Shadow Walkers* Brent Hartinger 2011-02-08 Trying astral projection is just a joke. Zach never expects to leave his body and soar into a strange shadow place. On his first trip, he meets Emory, another astral traveler who's intriguing (and cute). Then Zach's little brother Gilbert disappears. Zach and Emory try to rescue Gilbert, but there's a menacing creature in their way.

*My First Geography Book* Igor Okunev 2020-10-22 A boy and his stuffed animals start a journey around their apartment. They find out that the apartment is a kingdom that has mountains, rivers, and cities, that everything in it has its purpose, and that the most important place in it is near the parent bedroom. They will also learn what a real geographer needs to leave the house, and finally, after looking into the laws of geography, our characters will

venture to explore the world around them. Do you have any maps, atlases, or geography books? Have you already travelled, and how did you prepare for those trips? Did you take your stuffed friends with you? Let's study geography together! Use #myfirstgeographybook to share your stuffed toys geographic explorations with other book readers.

Axel Honneth Christopher Zurn 2015-04-22 With his insightful and wide-ranging theory of recognition, Axel Honneth has decisively reshaped the Frankfurt School tradition of critical social theory. Combining insights from philosophy, sociology, psychology, history, political economy, and cultural critique, Honneth's work proposes nothing less than an account of the moral infrastructure of human sociality and its relation to the perils and promise of contemporary social life. This book provides an accessible overview of Honneth's main contributions across a variety of fields, assessing the strengths and weaknesses of his thought. Christopher Zurn clearly explains Honneth's multi-faceted theory of recognition and its relation to diverse topics: individual identity, morality, activist movements, progress, social pathologies, capitalism, justice, freedom, and critique. In so doing, he places Honneth's theory in a broad intellectual context, encompassing classic social theorists such as Kant, Hegel, Marx, Freud, Dewey, Adorno and Habermas, as well as contemporary trends in social theory and political philosophy. Treating the full range of Honneth's corpus, including his major new work on social freedom and democratic ethical life, this book is the most up-to-date guide available. Axel Honneth will be invaluable to students and scholars working across the humanities and social sciences, as well as anyone seeking a clear guide to the work of one of the most influential theorists writing today.

Double Feature Brent Hartinger 2014-12-19 Two books in one tell of sixteen-year-old friends Russel, who is gay, and Min, who is bisexual, as they face separate romantic troubles while working as extras on the set of a horror movie.

The Order of the Poison Oak Brent Hartinger 2012-12 The powerful sequel to "Geography Club" is a humorous, hip, and thoroughly engaging story filled with skinny-dipping, making out, Indian legends, and the mystery of a secret society called The Order of the Poison Oak.

**Strengthening Forensic Science in the United States** National Research Council 2009-07-29 Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. *Strengthening Forensic Science in the United States: A Path Forward* provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. *Strengthening Forensic Science in the United States* gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies,

criminal prosecutors and attorneys, and forensic science educators.

*Midnight Sun* Stephenie Meyer 2020-08-04 #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with this highly anticipated companion: the iconic love story of Bella and Edward told from the vampire's point of view. When Edward Cullen and Bella Swan met in Twilight, an iconic love story was born. But until now, fans have heard only Bella's side of the story. At last, readers can experience Edward's version in the long-awaited companion novel, *Midnight Sun*. This unforgettable tale as told through Edward's eyes takes on a new and decidedly dark twist. Meeting Bella is both the most unnerving and intriguing event he has experienced in all his years as a vampire. As we learn more fascinating details about Edward's past and the complexity of his inner thoughts, we understand why this is the defining struggle of his life. How can he justify following his heart if it means leading Bella into danger? In *Midnight Sun*, Stephenie Meyer transports us back to a world that has captivated millions of readers and brings us an epic novel about the profound pleasures and devastating consequences of immortal love. *The Road to Amazing* Brent Hartinger 2016-02-23 ""I think gay guys like weddings more than anyone. And it's not because we want to destroy marriage, like some people say. It's because we really, really want to get married!"" Russel Middlebrook is gettin' hitched! The wedding is taking place in a remote lodge on an island in Puget Sound. Russel and his husband-to-be have invited all their close friends to spend the whole weekend together beforehand. And for the first time in his life, Russel is determined to not be neurotic, and not over-think things. But that's before things start going wrong. Who expected a dead killer whale to wash up on the beach below the inn? And what's this about a windstorm approaching? Then there's the problem of Russel's anxious fiance, who is increasingly convinced the whole thing is going to be a disaster. Meanwhile, the wedding is taking place near the ruins of a small town, Amazing, where, a hundred years earlier, the people supposedly all disappeared overnight. Why does it feel like the secret at the end of the road to Amazing has something to do with Russel's own future? Can Russel's friends Min, Gunnar, Vernie, and Otto somehow help him make it all make sense? "The Road to Amazing," the final book in the Russel Middlebrook Futon Years trilogy, is a story about endings and beginnings, and also about growing up and growing older. But mostly it's a story about love and friendship--about how it's not the destination that makes a life amazing, but the people you meet along the way. Praise for Brent Hartinger: "Hits the narrative sweet spot." - NPR's "All Things Considered" "Downright refreshing." - "USA Today" "The most artful and authentic depiction of a gay teen since [19780]." - "Horn Book Magazine" "Touching and realistic...hilarious." - "Kirkus Reviews""

**The Flight Portfolio** Julie Orringer 2019 The long-awaited new work from the best-selling author of *The Invisible Bridge* takes us back to occupied Europe in this gripping historical novel based on the true story of Varian Fry's extraordinary attempt to save the work, and the lives, of Jewish artists fleeing the Holocaust In 1940, Varian Fry--a Harvard educated American journalist--traveled to Marseille carrying three thousand dollars and a list of imperiled artists and writers he hoped to rescue within a few weeks. Instead, he ended up staying in France for thirteen months, working under the veil of a legitimate relief organization to procure false

documents, amass emergency funds, and set up an underground railroad that led over the Pyrenees, into Spain, and finally to Lisbon, where the refugees embarked for safer ports. Among his many clients were Hannah Arendt, Franz Werfel, André Breton, Max Ernst, Marcel Duchamp, and Marc Chagall. The Flight Portfolio opens at the Chagalls' ancient stone house in Gordes, France, as the novel's hero desperately tries to persuade them of the barbarism and tragedy descending on Europe. Masterfully crafted, exquisitely written, impossible to put down, this is historical fiction of the very first order, and resounding confirmation of Orringer's gifts as a novelist.

**The Encyclopedia of LGBTQIA+ Portrayals in American Film** Erica Joan Dymond 2022  
"This fascinating reference explores the depiction of the LGBTQIA+ community in over 200 works from the past fifty years of American film history. It will not only educate and inform, but also help guide readers to see injustice more clearly and to inspire art that is both inclusive and thoughtful"--

*The Negro Motorist Green Book* Victor H. Green The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

*The Elephant of Surprise* Brent Hartinger 2014-12-20 Book 4 in the Lambda Award-winning Russel Middlebrook Series! People aren't always what they seem to be. Sometimes we even surprise ourselves. So discovers seventeen-year-old Russel Middlebrook in *The Elephant of Surprise*, a stand-alone sequel to Brent Hartinger's landmark 2003 gay young adult novel *Geography Club* (which has now been adapted as a feature film co-starring Scott Bakula and Nikki Blonsky). In this latest book, Russel and his friends Min and Gunnar are laughing about something they call the Elephant of Surprise - the tendency for life to never turn out as expected. Sure enough, Russel soon happens upon a hot but mysterious homeless activist named Wade, even as he's drawn back to an old flame named Kevin. Meanwhile, Min is learning surprising things about her girlfriend Leah, and Gunnar just wants to be left alone to pursue his latest technology obsession. But the elephant is definitely on the move in all three of their lives. Just who is Wade and what are he and his friends planning? What is Leah hiding? And why is Gunnar taking naked pictures of Kevin in the shower? *The Elephant of Surprise* includes Hartinger's trademark combination of humor and romance, angst and optimism. Before the story is over, Russel and his friends will learn that the Elephant of Surprise really does appear when you least expect him—and that when he stomps on you, it really, really hurts.

*The Most Typical Avant-Garde* David James 2005-05-30 Los Angeles has nourished a dazzling array of independent cinemas: avant-garde and art cinema, ethnic and industrial films, pornography, documentaries, and many other far-flung corners of film culture. This glorious panoramic history of film production outside the commercial studio system reconfigures Los

Angeles, rather than New York, as the true center of avant-garde cinema in the United States. As he brilliantly delineates the cultural perimeter of the film business from the earliest days of cinema to the contemporary scene, David James argues that avant-garde and minority filmmaking in Los Angeles has in fact been the prototypical attempt to create emancipatory and progressive culture. Drawing from urban history and geography, local news reporting, and a wide range of film criticism, James gives astute analyzes of scores of films—many of which are to found only in archives. He also looks at some of the most innovative moments in Hollywood, revealing the full extent of the cross-fertilization the occurred between the studio system and films created outside it. Throughout, he demonstrates that Los Angeles has been in the aesthetic and social vanguard in all cinematic periods—from the Socialist cinemas of the early teens and 1930s; to the personal cinemas of psychic self-investigation in the 1940s; to attempts in the 1960s to revitalize the industry with the counterculture's utopian visions; and to the 1970s, when African Americans, Asian Americans, Latinos, women, gays, and lesbians worked to create cinemas of their own. James takes us up to the 1990s and beyond to explore new forms of art cinema that are now transforming the representation of Southern California's geography.

Civil Rights Memorials and the Geography of Memory Owen J. Dwyer 2008 "Owen Dwyer and Derek Alderman examine civil rights memorials as cultural landscapes, offering the first book-length critical reading of the monuments, museums, parts, streets, and sites dedicated to the African-American struggle for civil rights and interpreting them in the context of the Movement's broader history and its current scene. In paying close attention to which stories, people, and places are remembered and which are forgotten, the authors present an engaging account of an unforgettable story."--BOOK JACKET.

**The Geography of Lost Things** Jessica Brody 2019-12-03 In this romantic road trip story perfect for fans of Sarah Dessen and Morgan Matson, a teen girl discovers the value of ordinary objects while learning to forgive her absent father. A lot can happen on the road from lost to found... Ali Collins doesn't have room in her life for clutter or complications. So when her estranged father passes away and leaves her his only prized possession—a 1968 Firebird convertible—Ali knows she won't keep it. Not when it reminds her too much of all her father's unfulfilled promises. And especially not when a buyer three hundred miles up the Pacific coast is offering enough money for the car to save her childhood home from foreclosure. There's only one problem, though. Ali has no idea how to drive a stick shift. But her ex-boyfriend, Nico, does. The road trip gets off to a horrible start, filled with unexpected detours, roadblocks, and all the uncomfortable tension that comes with being trapped in a car with your ex. But when Nico starts collecting items from the quirky strangers they meet along the way, Ali starts to

sense that these objects aren't random. Somehow they seem to be leading her to an unknown truth about her father. A truth that will finally prove to Ali that some things—even broken things—are worth saving.

**The Geography of You and Me** Jennifer E. Smith 2014-04-15 Lucy lives on the twenty-fourth floor. Owen lives in the basement. It's fitting, then, that they meet in the middle -- stuck between two floors of a New York City apartment building, on an elevator rendered useless by a citywide blackout. After they're rescued, Lucy and Owen spend the night wandering the darkened streets and marveling at the rare appearance of stars above Manhattan. But once the power is back, so is reality. Lucy soon moves abroad with her parents, while Owen heads out west with his father. The brief time they spend together leaves a mark. And as their lives take them to Edinburgh and to San Francisco, to Prague and to Portland, Lucy and Owen stay in touch through postcards, occasional e-mails, and phone calls. But can they -- despite the odds -- find a way to reunite? Smartly observed and wonderfully romantic, Jennifer E. Smith's new novel shows that the center of the world isn't necessarily a place. Sometimes, it can be a person.

**The Thing I Didn't Know I Didn't Know** Brent Hartinger 2014-11-27 ""I guess this was what they meant by a loss of innocence. Who knew?"" Russel Middlebrook is twenty-three years old, gay, and living in trendy Seattle, but life isn't keeping up with the hype. Most of his friends have a direction in life—either ruthlessly pursuing their careers or passionately embracing their own aimlessness. But Russel is stuck in place. All he knows is that crappy jobs, horrible dates, and pointless hook-ups just aren't cutting it anymore. What's the secret? What does everyone else know that he doesn't? Enter Kevin, Russel's perfect high school boyfriend. Could rekindling an old flame be the thing Russel needs to get his life back on track? Or maybe the answer lies in a new friend, an eccentric screenwriter named Vernie Rose, who seems plenty wise. Or what the hell? Maybe Russel will find some answers by joining his best friend Gunnar's crazy search for the legendary Bigfoot One way or another, Russel is determined to learn the all-important secret to life, even if it's a thing he doesn't even know he doesn't know. Author Brent Hartinger first made a splash writing books for teens. "The Thing I Didn't Know I Didn't Know," Hartinger's first book for older readers, is just as much of a page-turner as his earlier works, with plenty of his trademark irreverent humor. But now his books have grown up along with his readers, exploring the issues of new adults, especially the complicated matter of love and sex. "Praise for Brent Hartinger" "Hits the narrative sweet spot." - NPR's "All Things Considered" "Downright refreshing." - "USA Today" BRENT HARTINGER is an author, teacher, playwright, and screenwriter. "Geography Club," the book in which Russel Middlebrook first appears (as a teenager), is also a successful stage play and a feature film co-starring Scott Bakula. In 1990, Brent helped found one of the world's first gay teen support groups, in his hometown of Tacoma, Washington. In 2005, he co-founded the entertainment website AfterElton.com, which was sold to MTV/Viacom in 2006. He now lives in Seattle with his husband, Michael Jensen.

Spaces of Hope David Harvey 2000 "There is no question that David Harvey's work has been one of the most important, influential, and imaginative contributions to the development of human geography since the Second World War. . . . His readings of Marx are arresting and original—a remarkably fresh return to the foundational texts of historical materialism."--Derek Gregory, author of Geographical Imaginations

**Geography of Friendship** Sally Piper 2018-06-27 We can't ever go back, but some journeys require walking the same path again. When three young women set off on a hike through the wilderness they are anticipating the adventure of a lifetime. Over the next five days, as they face up to the challenging terrain, it soon becomes clear they are not alone and the freedom they feel quickly turns to fear. Only when it is too late for them to turn back do they fully appreciate the danger they are in. As their friendship is tested, each girl makes an irrevocable choice; the legacy of which haunts them for years to come. Now in their forties, Samantha, Lisa and Nicole are estranged, but decide to revisit their original hike in an attempt to salvage what they lost. As geography and history collide, they are forced to come to terms with the differences that have grown between them and the true value of friendship.

Abolition Geography Ruth Wilson Gilmore 2022-05-10 The first collection of writings from one of the foremost contemporary critical thinkers on racism, geography and incarceration Gathering together Ruth Wilson Gilmore's work from over three decades, *Abolition Geography* presents her singular contribution to the politics of abolition as theorist, researcher, and organizer, offering scholars and activists ways of seeing and doing to help navigate our turbulent present. *Abolition Geography* moves us away from explanations of mass incarceration and racist violence focused on uninterrupted histories of prejudice or the dull compulsion of neoliberal economics. Instead, Gilmore offers a geographical grasp of how contemporary racial capitalism operates through an "anti-state state" that answers crises with the organized abandonment of people and environments deemed surplus to requirement. Gilmore escapes one-dimensional conceptions of what liberation demands, who demands liberation, or what indeed is to be abolished. Drawing on the lessons of grassroots organizing and internationalist imaginaries, *Abolition Geography* undoes the identification of abolition with mere decarceration, and reminds us that freedom is not a mere principle but a place. Edited with an introduction by Brenna Bhandar and Alberto Toscano.

*The Order of the Poison Oak* Brent Hartinger 2006-01-31 After "coming out" at school, sixteen-year-old Russel decides to take a counselor job at a camp for burn victims to get away from the antagonism of his classmates, but finds ten-year-old boys have just as many problems as he does.

Split Screen Brent Hartinger 2009-04-21 It's a horror-movie extravaganza in this companion to Brent Hartinger's *Geography Club*! Two books in one recount the stories of best friends Min and Russel who sign up to be extras on the set of a zombie film - then learn that there's nothing scarier than high school romance! Read one story, flip the book over, and read the other! In *Attack of the Soul-Sucking Brain Zombies*, Russel must choose between his long-distance boyfriend and a close-to-home ex who wants to get back together. In *Bride of the Soul-Sucking Brain Zombies*, Min struggles to accept her cheerleader girlfriend's decision to

stay in the closet. Russel and Min's separate stories affect each other in surprising ways – but you'll have to read both books to find out how!

**Hollywood 101** Frederick Levy 2000-03-02 Looking for a career in the film business? Look no further. Making it in Hollywood is possible. But only if you have a workable strategy. When author Frederick Levy launched his own fledgling career, he didn't know a soul in the business. But that didn't stop him and it doesn't have to stop you. *Hollywood 101* is a complete game plan for getting your foot in the door of the film industry. With fascinating inside stories and advice from key players, it takes you step-by-step up the ladder of success. **The Bridges of Madison County** Robert James Waller 2001-03-15 Fall in love with one of the bestselling novels of all time -- the legendary love story that became a beloved film starring Clint Eastwood and Meryl Streep. If you've ever experienced the one true love of your life, a love that for some reason could never be, you will understand why readers all over the world are so moved by this small, unknown first novel that they became a publishing phenomenon and #1 bestseller. The story of Robert Kincaid, the photographer and free spirit searching for the covered bridges of Madison County, and Francesca Johnson, the farm wife waiting for the fulfillment of a girlhood dream, *The Bridges of Madison County* gives voice to the longings of men and women everywhere -- and shows us what it is to love and be loved so intensely that life is never the same again.

*The Geography of Bliss* Eric Weiner 2008-01-03 Part travel memoir, part humor, and part twisted self-help guide, *The Geography of Bliss* takes the reader across the globe to investigate not what happiness is, but WHERE it is. Are people in Switzerland happier because it is the most democratic country in the world? Do citizens of Qatar, awash in petrodollars, find joy in all that cash? Is the King of Bhutan a visionary for his initiative to calculate Gross National Happiness? Why is Asheville, North Carolina so damn happy? In a unique mix of travel, psychology, science and humor, Eric Weiner answers those questions and many others, offering travelers of all moods some interesting new ideas for sunnier destinations and dispositions.

*The Last Chance Texaco* Brent Hartinger 2009-09-22 The guy looked at me with a stare that would have frozen antifreeze. "You the new groupie, huh?" "Yeah," I said. "So?" "So no one wants you here. Why don't you go back where you came from?" I can't go back, I wanted to say. That was the thing about living in a group home. There was nowhere for me to go but forward. Brent Hartinger's second novel, a portrait of a subculture of teenagers that many people would like to forget, is as powerful and provocative as his first book, *Geography Club*.

*Naomi and Ely's No Kiss List* Rachel Cohn 2007-08-28 Now a motion picture starring Victoria Justice! From the New York Times bestselling authors of NICK & NORAH'S INFINITE PLAYLIST, NAOMI AND ELY'S NO KISS LIST is the quintessential Girl-Likes-Boy-Who-Likes-Boys story. Naomi and Ely are best friends. Inseparable since childhood. Naomi is straight. Ely is gay. Naomi dates guys who she claims to like. They're okay, but she likes Ely more. To protect their feelings, Naomi and Ely created a No Kiss List—a list of people neither of them is allowed to kiss under any circumstances. Naomi's latest boyfriend Bruce isn't on that list. But he probably should have been. Because when Ely kisses Bruce, it breaks Naomi's heart. The result? A rift of

universal proportions. Can these best friends come together again, or will this be end of Naomi and Ely: the Institution? Told in alternating voices using an array of emoticons and symbols by co-authors Rachel Cohn and David Levithan, co-author of WILL GRAYSON, WILL GRAYSON with John Green (THE FAULT IN OUR STARS), NAOMI AND ELY'S NO KISS LIST is the ultimate offbeat story about leaving room for every kind of love.

**Barefoot in the City of Broken Dreams** Brent Hartinger 2015-07-02 "There was no way moving to Los Angeles was going to make me give up my soul. After all, I'd already seen all the movies about Hollywood. I knew how things worked." Twenty-four year-old Russel Middlebrook and his boyfriend have moved to Los Angeles so Russel can try to make it as a screenwriter. Almost right away, in a forgotten old house off of Sunset Boulevard, Russel meets Isaac Brander, a once-famous film producer who is convinced he can turn Russel's screenplay into a movie. Russel knows that success can't possibly come this easy. After all, most of Russel's Los Angeles friends are so desperate to make it that it's downright scary. His ex-boyfriend, Otto, is trying everything to become an actor, and Daniel, the sexy neighbor, doesn't even need a casting couch to get naked. So what's the catch with Mr. Brander? Could it be that movies about Hollywood don't tell the whole truth? But what does that mean for Russel's soul? Barefoot in the City of Broken Dreams, a companion book to Brent Hartinger's The Thing I Didn't Know I Didn't Know, is a fast-paced, funny story about the price of fame in Hollywood: the hilarious lengths people will go to achieve it, and the touching secret to survival when things don't work out exactly as planned. Advance Praise for Barefoot in the City of Broken Dreams: "A sharp, canny, highly engaging tour through a Hollywood of cunning characters and colorful intrigues, guided by the clever voice of Russel Middlebrook as an eager young screenwriter trying to bust in. I was charmed by every sly, sexy page." - Barry Sandler, screenwriter of Making Love and Crimes of Passion "With his trademark wit, warmth, and economy, Brent Hartinger brilliantly captures what it's like to move to L.A. and try and make it in Hollywood: the highs and the lows, the friends and the phonies, the fun and the frustration. And by the way, is it too late for me to be Russel Middlebrook when I grow up?" - Dennis Hensley, co-screenwriter of Testosterone, author of Misadventures in the (213) BRENT HARTINGER is an author, teacher, playwright, and screenwriter. Geography Club, the book in which Russel Middlebrook first appears (as a teenager), is also a successful stage play and a feature film co-starring Scott Bakula. In 1990, Brent helped found one of the world's first gay teen support groups, in his hometown of Tacoma, Washington. In 2005, he co-founded the entertainment website AfterElton.com, which was sold to MTV/Viacom in 2006. He now lives in Seattle with his husband, Michael Jensen.
