Prussian Army Soldiers and the Seven Years' War Katrin Möbius 2019-10-31 The army of Frederick the Great of Prussia is generally known as an efficient fighting machine based on brutal and strict drill procedures that led to broken but fearless soldiers as well as glorious battle victories. In analysing the mentalities of the men who established Prussia's great power status, *Prussian Army Soldiers and the Seven Years' War* fundamentally challenges this interpretation. Drawing on a vast array of primary sources (including the writing of regimental chaplain Küster, who could probably be called the first modern military psychologist) and presenting the first English translation of 12 letters of common Prussian soldiers from the Seven Years' War, this book shows that the soldiers were feeling individuals. They were loving husbands, vulnerable little brothers, deeply religious preachers, and sometimes even bold adventurers. All these individuals, however, were united by one idea which made them fight efficiently: honour. In *Prussian Army Soldiers and the Seven Years' War*, the different elements of the Prussian soldiers' concept of such honour are expertly analysed. The result is a nuanced, sophisticated, and much-needed psychological history of Frederick the Great's army.

Library Journal Melvil Dewey 1905 Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.

Freimaurerei, Politik und Gesellschaft Helmut Reinalter 2018-10-01 Bei dem Buch handelt es sich um eine Geschichte der Freimaurerei unter dem Gesichtspunkt ihres Einflusses auf Politik, Gesellschaft und Kultur. Diese Perspektive war bisher eine Lücke der masonischen

Forschung. Die Schwerpunkte der Darstellung liegen aber nicht nur auf dem politischen Aspekt, sondern vor allem auf den geistigen Strömungen der jeweiligen Zeit. In diesem Sinne versteht sich das Buch auch als eine Ideen- und Sozialgeschichte der Bruderkette. Sie verdeutlicht den direkten oder indirekten Einfluss der diskreten Gesellschaft auf den historischen Entwicklungsprozess von der Frühen Neuzeit bis zur Gegenwart.

T&T Clark Handbook to the Historical Paul Ryan S. Schellenberg 2022-05-05 The T&T Clark Handbook to the Historical Paul gathers leading voices on various aspects of Paul's biography into a thorough reconsideration of him as a historical figure. The contributors show how recent trends in Pauline scholarship have invited new questions about a variety of topics, including his social location, his mode of subsistence, his cultural formation, his place within Judaism, his religious experience and practice, and his affinities with other religious actors of the Roman world. Through careful attention to biographical detail, social context, and historical method, it seeks to describe him as a contextually plausible social actor. The volume is structured in three parts. Part One introduces sources, methods, and historiographical approaches, surveying the foundational texts for Paul and the early Pauline tradition. Part Two examines key biographical questions pertaining to Paul's bodily comportment, the material aspects of his career, and his religious activities. Part Three reconstructs the biographical portraits of Paul that emerge from the letters associated with him, presenting a series of "micro-biographies" pieced together by leading Pauline scholars.

You Never Forget Your First Alexis Coe 2020 "In a genre overdue for a shakeup, Alexis Coe takes a closer look at our first--and finds he's not quite the man we remember Young George Washington was raised by a struggling single mother, demanded military promotions, chased rich young women, caused an international incident, and never backed down--even when his dysentery got so bad he had to ride with a cushion on his saddle. But after he married Martha, everything changed. Washington became the kind of man who named his dog Sweetlips and hated to leave home. He took up arms against the British only when there was no other way, though he lost more battles than he won. Coe focuses on his activities off the battlefield--like espionage and propaganda. After an unlikely victory in the Revolutionary War, Washington once again shocked the world by giving up power, only to learn his compatriots wouldn't allow it. The founders pressured him into the presidency--twice. He established enduring norms but left office heartbroken over the partisan nightmare his backstabbing cabinet had created. Back on his plantation, the man who fought for liberty finally confronted his greatest hypocrisy--what to do with the hundreds of men, women, and children he owned--before succumbing to a brutal death. Alexis Coe combines rigorous research and unsentimental storytelling, finally separating the man from the legend."--

Nordamerikastudien Thomas Fröschl 2000 Dieser Sammelband bietet einen aktuellen Überblick über die Nordamerika-Forschungen an den österreichischen Universitäten. Nordamerika und Europa, Selbstbild und Fremdbild, Österreich und die USA, Kultur, Politik und Recht, Hispanoamerika und die USA sind die Themen, die aus verschiedenen Blickwinkeln betrachtet werden. So entsteht ein repräsentativer Querschnitt, der sowohl Historiker als auch Literaturwissenschaftler anspricht.
