**The Chinese Written Character as a Medium for Poetry** Ernest Fenollosa 2009-08-25 First published in 1919 by Ezra Pound, Ernest Fenollosa's essay on the Chinese written language has become one of the most often quoted statements in the history of American poetics. As edited by Pound, it presents a powerful conception of language that continues to shape our poetic and stylistic preferences: the idea that poems consist primarily of images; the idea that the

sentence form with active verb mirrors relations of natural force. But previous editions of the essay represent Pound's understanding—it is fair to say, his appropriation—of the text. Fenollosa's manuscripts, in the Beinecke Library of Yale University, allow us to see this essay in a different light, as a document of early, sustained cultural interchange between North America and East Asia. Pound's editing of the essay obscured two important features, here restored to view: Fenollosa's encounter with Tendai Buddhism and Buddhist ontology, and his concern with the dimension of sound in Chinese poetry. This book is the definitive critical edition of Fenollosa's important work. After a substantial Introduction, the text as edited by Pound is presented, together with his notes and plates. At the heart of the edition is the first full publication of the essay as Fenollosa wrote it, accompanied by the many diagrams, characters, and notes Fenollosa (and Pound) scrawled on the verso pages. Pound's deletions, insertions, and alterations to Fenollosa's sometimes ornate prose are meticulously captured, enabling readers to follow the quasi-dialogue between Fenollosa and his posthumous editor. Earlier drafts and related talks reveal the development of Fenollosa's ideas about culture, poetry, and translation. Copious multilingual annotation is an important feature of the edition. This masterfully edited book will be an essential resource for scholars and poets and a starting point for a renewed discussion of the multiple sources of American modernist poetry.

**The New Age of Russia** Birgit Menzel 2012 Occult and esoteric ideas became deeply embedded in Russian culture long before the Bolshevik Revolution. Everyone interested in the occult and esoteric will appreciate this book, because it documents their continued importance in Russia and raises new issues for research and discussion.

**Encyclopædia universalis: "Thesaurus-index."** 1974

**Sevastopol Sketches (Sebastopol Sketches)** Count Leo Nikolayevich Tolstoy 2013-01-01 "Sevastopol Sketches (Sebastopol Sketches)" is a collection of three works of historical fiction in which Tolstoy draws upon his real life experiences during the Siege of Sevastopol. The titular location draws its name from that of a city in Crimea and takes place during the Crimean war. The three tales in this collection are respectively titled "Sevastopol in December," "Sevastopol in May," and "Sevastopol in August." In the December tale Tolstoy introduces us to Sevastopol by giving the reader a tour and introducing us to the settings, mannerisms, and background that would be relevant in the following tales. In the May tale Tolstoy examines the senselessness of war, musings that would lay the foundation for his much larger work and magnum opus "War and Peace." In the third and final tale the fall of the town is detailed. Published in 1855 "Sevastopol" was written near the beginning of the author's literary career. It is a book in which we begin to see the writer exhibit a quality of prose that would one day establish him as the greatest of all writers in the Russian and any other language.

**Fred Directory of Radio** Ardele Leavelle 1980

**The Puppet Show Of Memory** Maurice Baring 2014-09-29 It was into the famous Baring family of merchant bankers that Maurice Baring was born in 1874, the seventh of eight children. A man of immense subtlety and style, Baring absorbed every drop of culture his fortunate background gave him; in combination with his many natural talents and prolific writing this assured him a place in literary history.

Hate Crime Statistics 1997

**The Hippocrates Diet and Health Program** Ann Wigmore 1983-12-01 For more than forty years, Ann Wigmore, founder of the renowned Hippocrates Health Institute and internationally acclaimed holistic health educator, taught that what we eat profoundly affects our health. She was among the first to note that our modern diet of "convenience food" was the prime cause of illness and obesity, and she offered a positive alternative. Developed over a twenty-year period at the Hippocrates Health Institute, one of the nation's first and finest holistic health centers, the Hippocrates Diet allows the body to correct its problems naturally and at its own pace. Through a diet of fresh fruits, vegetables, grains, nuts, and super nutritious foods such as sprouts and wheatgrass juice, all of which are prepared without cooking, the body is able to restore its internal balance—and its capacity to maintain a healthy weight, fight disease, and heal itself. The Hippocrates Diet and Health Program is an indispensable guide to healthy living, filled with easy-to-follow recipes and money-saving health tips. It is never easy for anyone to break bad eating habits, but when you are ready to make the decision to lose weight, regain youthful energy, or prevent illness, The Hippocrates Diet and Health Program can be your guide.

*Egoists, a Book of Supermen* James Huneker 2018-10-12 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Instigations Ernest Fenollosa 2013-05-13 The time when the intellectual affairs of America could be conducted on a monolingual basis is over. It has been irksome for long. The intellectual life of London is dependent on people who understand the French language about as well as their own. America's part in

contemporary culture is based chiefly upon two men familiar with Paris: Whistler and Henry James. It is something in the nature of a national disgrace that a New Zealand paper, "The Triad," should be more alert to, and have better regular criticism of, contemporary French publications than any American periodical has yet had. I had wished to give but a brief anthology of French poems, interposing no comment of my own between author and reader; confining my criticism to selection. But that plan was not feasible. I was indebted to MM. Davray and Valette for cordial semi-permissions to quote the "Mercure" publications.

*Rules for Compositors and Readers ... at the University Press, Oxford* Oxford University Press 1904

*Forthcoming Books* Rose Army 1988-11

*The Anarchist Cookbook* William Powell 2018-03-11 The Anarchist Cookbook will shock, it will disturb, it will provoke. It places in historical perspective an era when "Turn on, Burn down, Blow up" are revolutionary slogans of the day. Says the author "This book... is not written for the members of fringe political groups, such as the Weatherman, or The Minutemen. Those radical groups don't need this book. They already know everything that's in here. If the real people of America, the silent majority, are going to survive, they must educate themselves. That is the purpose of this book." In what the author considers a survival guide, there is explicit information on the uses and effects of drugs, ranging from pot to heroin to peanuts. There is detailed advice concerning electronics, sabotage, and surveillance, with data on everything from bugs to scramblers. There is a comprehensive chapter on natural, non-lethal, and lethal weapons, running the gamut from cattle prods to sub-machine guns to bows and arrows.

*The Comedy and Tragedy of the Second Empire* Edward Legge 1911

*Twelve Years a Slave* Solomon Northup 2021-01-01 "Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

*Ecstatic Encounters* Mattijs van de Port 2011 "Reality does not comply with our narrations of it. And that is most certainly the case with the narrations produced in academia. An anthropologist in Bahia, Brazil, fears to become possessed by the spirits he had come to study; falls madly in love with an 'informant'; finds himself baffled by the sayings of a clairvoyant; and has to come to grips with the murder of one of his best friends. Unsettling events that do not belong to the orderly world of scientific research, yet leave their

imprint on the way the anthropologist comes to understand the world. REflecting on his long research experience with the spirit possession cult Candomblê, the author shows, in a probing manner, how definitions of reality always require the exclusion of certain perceptions, experiences and insights. And yet, this 'rest-of-what-is' turns out to be an inexhaustible source of amazement, seduction and renewal." --P [4] of cover.

*On Love Stendhal* (Marie Henri Beyle) 2017-03-12 This collection of literature attempts to compile many of the classic works that have stood the test of time and offer them at a reduced, affordable price, in an attractive volume so that everyone can enjoy them.

*In Quest of Tolstoy* Hugh McLean 2008 Tolstoy has held the attention of mankind for well over a century. A gifted writer, whose novels and short stories continue to entrance readers all over the world, he was at the same time a fearless moral philosopher who explored and challenged the fundamental bases of human sociopolitical, economic, legal, and cultural. In these essays McLean investigates some of the numerous paradoxes in the Tolstoyan heritage, engaging both with Tolstoy the artist, author of those incomparable novels, and Tolstoy the thinker, who, from his impregnable outpost at Yasnaya Polyana, questioned the received ideas and beliefs of the whole civilized world. In two concluding essays, "Tolstoy beyond Tolstoy," McLean deals with the impact of Tolstoy on such diverse figures as Ernest Hemingway and Isaiah Berlin.

The 8-Hour Diet David Zinczenko 2013-12-03 A paradigm-shifting diet plan that allows you to eat anything you want, as much as you want—and still strip away 20, 40, 60 pounds, or more. After conducting extensive research at the Salk Institute and the National Institute on Aging, poring over copious amounts of

new research in intermittent fasting, and engaging 2,000 people for a test panel, bestselling authors David Zinczenko and Peter Moore determined that people can lose remarkable amounts of weight eating the foods they like best—as long as they eat within a set 8-hour time period. Fasting is, of course, an ancient spiritual and health practice, but it's also a way to sidestep many of the ills of the modern world—including diabetes, heart disease, and cognitive impairment. Zinczenko and Moore demonstrate how simply observing this timed-eating strategy, even just three days a week, will reset your metabolism so that you can enter fat-burning mode first thing in the morning—and stay there all day long. And by focusing on eight critical, nutrient-rich Powerfoods, you can build in a second layer of protection against Alzheimer's, heart disease, and even the common cold. In the book, you will find motivating strategies, delicious recipes, and an 8-minute workout routine to maximize calorie burn. The 8-Hour Diet promises to strip away unwanted pounds and give you the focus and willpower you need to reach your goals for weight loss and life.

*The Cathedrals of Southern France* Francis Miltoun 1904

Diversity and Unity in Federal Countries Luis Moreno 2010-07-01 In *Diversity and Unity in Federal Countries*, leading scholars and practitioners analyse the current political, socio-economic, spatial, and cultural diversity in the countries under consideration before delving into the role that social, historical, and political factors have had in shaping the balance of diversity and unity. The authors assess the value placed on diversity by examining whether present institutional arrangements and public policies restrict or enhance diversity and address the future challenges of balancing diversity and unity in an increasingly populated and mobile world.

**The Life of Hector Berlioz as Written by Himself in His Letters and Memoirs** Hector Berlioz 2022-07-21 Here, the author provides us with a biography of Hector Berlioz, a French Romantic composer and conductor. His output includes orchestral works such as the *Symphonie fantastique* and *Harold in Italy*, choral pieces including the *Requiem* and *L'Enfance du Christ*, his three operas *Benvenuto Cellini*, *Les Troyens* and *Béatrice et Bénédict*, and works of hybrid genres such as the "dramatic symphony" *Roméo et Juliette* and the "dramatic legend" *La Damnation de Faust*.

**The Three Musketeers** Alexandre Dumas 2006-08-03 "We read *The Three Musketeers* to experience a sense of romance and for the sheer excitement of the story," reflected Clifton Fadiman. "In these violent pages all is action, intrigue, suspense, surprise--an almost endless chain of duels, murders, love affairs, unmaskings, ambushes, hairbreadth escapes, wild rides. It is all impossible and it is all magnificent." First published in 1844, Alexandre Dumas's swashbuckling epic chronicles the adventures of D'Artagnan, a gallant young nobleman who journeys to Paris in 1625 hoping to join the ranks of musketeers guarding Louis XIII. He soon finds himself fighting alongside three heroic comrades--Athos, Porthos, and Aramis--who seek to uphold the honor of the king by foiling the wicked plots of Cardinal Richelieu and the beautiful spy

"Milady." "Dumas will be read a hundred, nay, three hundred years on," wrote John Galsworthy. "His greatest creation is undoubtedly D'Artagnan, type at once of the fighting adventurer and of the trusty servant, whose wily blade is ever at the back of those whose hearts have neither his magnanimity nor his courage. Few, if any, characters in fiction inspire one with such belief in their individual existences. . . . To one who made D'Artagnan all shall be forgiven." Clifton Fadiman agreed: "Dumas enjoyed writing his stories. . . . The pleasure he must have felt in creating D'Artagnan's troubles and triumphs flashes out of these pages. . . . Dumas rampaged through the history of France, inventing, changing, distorting--doing whatever was needed to produce a tale to hold the reader breathless."

**Helping Bereaved Children, Third Edition** Nancy Boyd Webb 2011-03-18 This acclaimed work describes a range of counseling and therapy approaches for children who have experienced loss. Practitioners and students are given practical strategies for helping preschoolers through adolescents cope with different forms of bereavement, including death in the family, school, and community. Grounded in research on child therapy, bereavement, trauma, and child development, the volume includes rich case presentations and clearly explains the principles that guide interventions. Eleven reproducible assessment tools and handouts can also be downloaded and printed in a convenient 8 1/2" x 11" size.

**High & Low** Kirk Varnedoe 1990 Readings in high & low

**A Book of Prefaces** H. L. Mencken 2021-11-22 The book "A Book of Prefaces, has been considered important throughout the human history, and so that this work is never forgotten we have made efforts in its preservation by republishing this book in a modern format for present and future generations. This whole book has been reformatted, retyped and designed. These books are not made of scanned copies and hence the text is clear and readable.
