**Pre-Incident Indicators of Terrorist Incidents** Brent L. Smith 2011-01 This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

**Archaeology, Anthropology, and Interstellar Communication** Douglas A. Vakoch 2014 Are we alone? asks the writeup on the back cover of the dust jacket. The contributors to this collection raise

questions that may have been overlooked by physical scientists about the ease of establishing meaningful communication with an extraterrestrial intelligence. By drawing on issues at the core of contemporary archaeology and anthropology, we can be much better prepared for contact with an extraterrestrial civilization, should that day ever come. NASA SP-2013-4413.

Tom Clancy Target Acquired Don Bentley 2021-06-08 Jack Ryan, Jr., will do anything for a friend, but this favor will be paid for in blood in the latest electric entry in the #1 New York Times bestselling series. Jack Ryan, Jr. would do anything for Ding Chavez. That's why Jack is currently sitting in an open-air market in Israel, helping a CIA team with a simple job. The man running the mission, Peter Beltz, is an old friend from Ding's Army days. Ding hadn't seen his friend since Peter's transfer to the CIA eighteen months prior, and intended to use the assignment to reconnect. Unfortunately, Ding had to cancel at the last minute and asked Jack to take his place. It's a cushy assignment--a trip to Israel in exchange for a couple hours of easy work, but Jack could use the downtime after his last operation. Jack is here merely as an observer, but when he hastens to help a woman and her young son, he finds himself the target of trained killers. Alone and outgunned, Jack will have to use all his skills to protect the life of the child.

**Get in Trouble** Kelly Link 2015-02-03 FINALIST FOR THE PULITZER PRIZE • NATIONAL BESTSELLER • A bewitching story collection from a writer hailed as “the most darkly playful voice in American fiction” (Michael Chabon) and “a national treasure” (Neil Gaiman). NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BookPage • BuzzFeed • Chicago Tribune • Kirkus Reviews • NPR • San Francisco Chronicle • Slate • Time • Toronto Star • The Washington Post She has been hailed by Michael Chabon as “the most darkly playful voice in American fiction” and by Neil Gaiman as “a national treasure.” Now Kelly Link’s eagerly awaited new collection—her first for adult readers in a decade—proves indelibly that this bewitchingly original writer is among the finest we have. Link has won an ardent following for her ability, with each new short story, to take readers deeply into an unforgettable, brilliantly constructed fictional universe. The nine exquisite examples in this collection show her in full command of her formidable powers. In “The Summer People,” a young girl in rural North Carolina serves as uneasy caretaker to the mysterious, never-quite-glimpsed visitors who inhabit the cottage behind her house. In “I Can See Right Through You,” a middle-aged movie star makes a disturbing trip to the Florida swamp where his former on- and off-screen love interest is shooting a ghost-hunting reality show. In “The New Boyfriend,” a suburban slumber party takes an unusual turn, and a teenage friendship is tested, when the spoiled birthday girl opens her big present: a life-size animated doll. Hurricanes, astronauts, evil twins, bootleggers, Ouija boards, iguanas, The Wizard of Oz, superheroes, the Pyramids . . . These are just some of the talismans of an imagination as capacious and as full of wonder as that of any writer today. But as fantastical as these stories can be, they are always grounded by sly humor and an innate generosity of feeling for the frailty—and the hidden strengths—of human beings. In *Get in Trouble*, this one-of-a-kind talent expands the boundaries of what short fiction can do. Praise for *Get in Trouble* “Ridiculously brilliant . . . These stories make you laugh while staring into the void.”—The Boston Globe “When it comes to literary magic, Link is the real deal: clever, surprising, affecting, fluid and funny.”—San Francisco Chronicle

**Flyfisher's Guide to Arizona** Will Jordan 2008 Newest edition in the flyfisher's guide series. The author spent most of his life in Arizona, fishing the many streams and rivers.

**I Loved You More** Tom Spanbauer 2014-03-17 Tom Spanbauer's first novel in seven years is a love story triangle akin to *The Marriage Plot* and *Freedom*, only with a gay main character who charms gays and straights alike. *I Loved You More* is a rich, expansive tale of love, sex, and heartbreak, covering twenty-five years in the life of a striving, emotionally wounded writer. In New York, Ben forms a bond of love with his macho friend and foil, Hank. Years later in Portland, a now ill Ben falls for Ruth, who provides the care and devotion he needs, though they cannot find true happiness together. Then Hank reappears and meets Ruth, and real trouble starts. Set against a world of struggling artists, the underground sex scene of New York in the 1980s, the drab, confining Idaho of Ben's youth, and many places in between, *I Loved You More* is the author's most complex and wise novel to date.

**Trial by Fire** Will Jordan 2018-03-19 In a tense and action-filled novella, Ryan Drake and his team must go to Ukraine to find a compromised CIA source - but is new unit member Keira Frost up to the job? Tech specialist Keira Frost has just graduated to the big leagues. But despite numerous commendations for outstanding achievement and a tour of duty under her belt, it's a reputation for insubordination that precedes her with Agency field ops. Tasked with proving she can take orders and fit in, she's eager to get started, but new CO Ryan Drake is not going to make that easy. As the team are sent to the wasteland of Pripyat, the town devastated by the disaster of Chernobyl, radiation is not the only danger waiting for them... Praise for *Trial by Fire*: 'Great read ... I didn't see the ending coming and I loved the strong female character' Reader review 'The action soon starts and the twists keep coming. This is the first book I have read by this author and I will certainly look out for more' Reader review

*Can't Hurt Me* David Goggins 2021-04-01 New York Times Bestseller Over 2.5 million copies sold For David Goggins, childhood was a nightmare - poverty, prejudice, and physical abuse colored his days and haunted his nights. But through self-discipline, mental toughness, and hard work, Goggins transformed himself from a depressed, overweight young man with no future into a U.S. Armed Forces icon and one of the world's top endurance athletes. The only man in history to complete elite training as a Navy SEAL, Army Ranger, and Air Force Tactical Air Controller, he went on to set records in numerous endurance events, inspiring *Outside* magazine to name him The Fittest (Real) Man in America. In this curse-word-free edition of *Can't Hurt Me*, he shares his astonishing life story and reveals that most of us tap into only 40% of our capabilities. Goggins calls this The 40% Rule, and his story illuminates a path that anyone can follow to push past pain, demolish fear, and reach their full potential.

**Deadly Cargo** James Patterson 2017-07-13 James Patterson's BookShots. Short, fast-paced, high-impact entertainment. We have to go out, but we don't have to come back. **Shadow Conflict** Will Jordan 2017-08-14 The latest incredible thriller featuring rogue agent Ryan Drake Ryan Drake is incarcerated at a Black Site in an unknown location. Bruised, naked and freezing on the floor, he has nothing left. His plot to assassinate the treacherous Marcus Cain – the Deputy Director of the CIA and now his captor – failed, and Drake must face the consequences. But Cain needs information even more than he wants to take Drake's life. The whereabouts of the mysterious Anya are unknown, and therefore she remains a threat, both to herself, and to Cain's ruthless ambitions at Langley and beyond. He knows she'll give everything to get Drake free, but can he know what – or rather who – she's ready to take? Taking in Paris, Poland, Pakistan and Prague, before sweeping to a pulsatingly powerful conclusion, Shadow Conflict shows Will Jordan at the very height of his storytelling powers. It is a relentlessly twisting and exciting novel, and perfect for fans of Chris Ryan, Vince Flynn or Lee Child.

Say I Do Cynthia Eden 2020-09-29 She hates him. Dexter Ryan is smug. Arrogant. Manipulative. And he is also...Lacey Amari's new partner. Well, her partner on one case. A case she doesn't even want to take, but when Dex—CIA super operative and all around puppet-master—basically blackmails her, she has no choice. Then he asks her the big question... Will you marry me? The proposal isn't real. It's just an undercover assignment. Dex needs Lacey to be his fake fiancée for a case. Not exactly her dream job. But, she'll do it. He wants her to pretend to be head over heels in love with him, he wants her help on a dangerous investigation in a remote ski lodge, and he...wants her? Their desire isn't pretend. Dex doesn't work well with others and handling a case with a partner in close proximity—as in 24/7 close—isn't his normal style. He's pulled Lacey into the investigation because she is smart and resourceful, and maybe because he knows a secret about her that could prove to be very useful to him. After all, Dex uses people all the time. It's his thing. Yet the more he is around her, the idea of using Lacey suddenly doesn't seem like such a good plan. But getting her into his bed? Stellar idea. He wants her, but so do the bad guys. The attraction between Dex and Lacey burns red-hot, hot enough to melt the snow around them. Except, just as he planned, Lacey's presence draws in the enemy. Now the bad guys are after her, and Dex has to stick even closer to her. He's playing the role of the obsessed lover, only it's not just a role. Because for the first time in his life, Dex is falling hard. He's losing his control. He's lied. He's cheated. He's about to give up his heart. When Lacey finds out the secret he's known, her rage and pain break his heart. Dex has to find a way to make things up to her, and he has to stop the enemies who are closing in. Nothing he can't handle. Maybe. Dex is a master multi-tasker—most days, anyway. Dex will use every trick in his very large arsenal to win this case. Lacey melted the ice around what the whole world knows is Dex's very, very cold heart, and Dex will fight like hell to protect her and to prove to her that even master spies can fall in love. Author's note: Dex loves playing games. Some would even say he enjoys playing with other people's lives, but this time...it is Dex's life on the line. His life and his heart. The longer his pretend engagement to Lacey lasts, the longer Dex finds himself longing for the real deal. Prepare for lies, tricks,

dangerous enemies, and romance hot enough to melt some heavy snow...Dex's story will burn like fire and things will get WILDE. Stand-alone romance, no cliff-hangers, and a guaranteed happy ending.

**The 1.5 Billion People Question** Harold Alderman 2017-10-12 Most of the people in low and middle-income countries covered by social protection receive assistance in the form of in-kind food. The origin of such support is rooted in countries' historical pursuit of three interconnected objectives, namely attaining self-sufficiency in food, managing domestic food prices, and providing income support to the poor. This volume sheds light on the complex, bumpy and non-linear process of how some flagship food-based social protection programs have evolved over time, and how they currently work. In particular, it lays out the broad trends in reforms, including a growing move from in-kind modalities to cash transfers, from universality to targeting, and from agriculture to social protection. Case studies from Egypt, India, Indonesia, Mexico, Sri Lanka, and United States document the specific experiences of managing the process of reform and implementation, including enhancing our understanding of the opportunities and challenges with different social protection transfer modalities.

Cold Fear Brandon Webb 2022-06-07 Finn's search for his memory of one fateful night leads him to Iceland—only to be followed by an unhinged assassin intent on stopping him—in the riveting follow-up to *Steel Fear*, from the New York Times bestselling writing team Webb & Mann, combat-decorated Navy SEAL Brandon Webb and award-winning author John David Mann. "One of the best crime novels of the year . . . a brilliant blend of procedural mystery and geopolitical thriller."—Jeffery Deaver, New York Times bestselling author of *Hunting Time* Disgraced Navy SEAL Finn is on the run. A wanted man since he jumped ship from the USS Abraham Lincoln, he's sought for questioning in connection to war crimes committed in Yemen by a rogue element in his SEAL team. But his memory of that night—as well as the true fate of his mentor and only friend, Lieutenant Kennedy—is a gaping hole. Finn learns that three members of his team have been quietly redeployed to Iceland, which is a puzzle in itself; the tiny island nation is famous for being one of the most peaceful, crime-free places on the planet. His mission is simple: track down the three corrupt SEALs and find out what really happened that night in Yemen. But two problems stand in his way. On his first night in town a young woman mysteriously drowns—and a local detective suspects Finn's involvement. What's worse, a SEAL-turned-contract-killer with skills equal

to Finn's own has been hired to make sure he never gets the answers he's looking for. And he's followed Finn all the way to the icy north.

**Ghost Target** Will Jordan 2016-07-04 From Marseille to Islamabad at breakneck pace, it's kill or be killed... Ryan Drake - once a decorated field operative - is wanted for treason. On the run from the corrupt CIA Deputy Director Marcus Cain, he has settled in a remote French safehouse. His uneasy peace is soon shattered by a startling force. Meanwhile, with the war in Afghanistan faltering, the ambitious Cain claims to have a plan to destroy al-Qaeda's top commanders. And nobody will stand in his way. Backed into a corner, and suspecting Cain's motives, Drake turns to the deadly but unpredictable Anya - once Cain's protégé, now his most bitter enemy. With the fate of the War on Terror potentially hanging in the balance, Drake and a hastily assembled team travel to Pakistan to intercept Cain. As loyalties are tested and scores are settled, only one side will survive... An action-packed tale of desperation and betrayal, Ghost Target is ideal for fans of Tom Clancy and Vince Flynn

only loyalty is to the group who saved him, and the man who leads them. Until her... The assignment should have been easy. Capture a deadly assassin and take her to HQ. But flawed intel leads to disaster, and Jace abducts a beautiful art appraiser instead. Intrigued by her courage, he's drawn to her in ways he can't explain. Dr. Madeline Cole stood up to him, fought for her identity, and never backed down. She's the kind of woman he could fall for if it wasn't so dangerous—for her. Then Maddy is targeted for elimination because she's the sole person who can identify the mysterious female assassin—and the only thing standing between her and certain death is the sexy mercenary who swears he'll die before he lets anything happen to her. As the passion between them ignites, it seems clear that keeping Maddy safe has become the most important assignment of Jace's life. Even then, protecting her might not be enough—because Jace has secrets that could destroy them both. And someone is determined to unmask them all...

**Fostering Integrity in Research** National Academies of Sciences, Engineering, and Medicine 2018-01-13 The integrity of knowledge that emerges from research is based on individual and collective adherence to core values of objectivity, honesty, openness, fairness, accountability, and stewardship. Integrity in science means that the organizations in which research is conducted encourage those involved to exemplify these values in every step of the research process. Understanding the dynamics that support "or distort" practices that uphold the integrity of research by all participants ensures that the research enterprise advances knowledge. The 1992 report *Responsible Science: Ensuring the Integrity of the Research Process* evaluated issues related to scientific responsibility and the conduct of research. It provided a valuable service in describing and analyzing a very complicated set of issues, and has served as a crucial basis for thinking about research integrity for more than two decades. However, as experience has accumulated with various forms of research misconduct, detrimental research practices, and other forms of misconduct, as subsequent empirical research has revealed more about the nature of scientific misconduct, and because technological and social changes have altered the environment in which science is conducted, it is clear that the framework established more than two decades ago needs to be updated. *Responsible Science* served as a valuable benchmark to set the context for this most recent analysis and to help guide the committee's thought process. *Fostering Integrity in Research* identifies best practices in research and recommends practical options for discouraging and addressing research misconduct and detrimental research practices.
