**Going the Distance** Ken Norton 2000 The 1970s ushered in boxing's greatest class of heavyweight fighters. The fight game has never before or since seen such a talented and charismatic group. Muhammad Ali, Joe Frazier, George Foreman, Larry Holmes, and Ken Norton have been hailed as "Champions Forever, " as the world heavyweight title was passed among them throughout the decade. On March 31, 1973, Norton broke Ali's jaw in the process of winning a 12-round decision over "The Greatest." Going the Distance traces the incredible path of Norton's life, from Jacksonville, Illinois, to Northeast Missouri State University, to the U.S. Marines, to his historic bout with Ali in San Diego, California, and on to his life today. The book includes exclusive personal photos from Norton's collection, as well as a chronology of Norton's 49 professional fights.

**Hard Luck** Steve Springer 2011-04-01 The story of boxing legend Jerry Quarry has it all: rags to riches, thrilling fights against the giants of the Golden Age of Heavyweights (Ali—twice, Frazier—twice, Patterson, Norton), a racially and politically electric sports era, the thrills and excesses of fame, celebrities, love, hate, joy, and pain. And tragedy. Like the man he fought during two highly controversial fight cards in 1970 and '72—Muhammad Ali—boxing great Jerry Quarry was to suffer gravely. He died at age fifty-three, mind and body ravaged by Dementia Pugilistica. In Hard Luck, "Irish" Jerry Quarry comes to life—from his Grapes of Wrath days as the child of an abusive father in the California migrant camps to those as the undersized heavyweight slaying giants on his way to multiple title bouts and the honor of being the World's Most Popular Fighter in '68, '69, '70, and '71. The story of Jerry Quarry is one of the richest in the annals of boxing, and through painstaking research and exclusive access to the Quarry family and its archives, Steve Springer and Blake Chavez have captured it all.

**Smokin' Joe** Mark Kram, Jr. 2019-06-04 A gripping, all-access biography of Joe Frazier, whose rivalry with Muhammad Ali riveted boxing fans and whose legacy as a figure in American sports and society endures History will remember the rivalry of Joe Frazier and Muhammad Ali as one for the ages, a trilogy of extraordinary fights that transcended the world of sports and crossed into a sociocultural drama that divided the country. Joe Frazier was a much more complex figure than just his rivalry with Ali would suggest. In this riveting and nuanced portrayal, acclaimed sports writer Mark Kram, Jr. unlinks Frazier from Ali and for the first time gives a full-bodied accounting of Frazier's life, a journey that began as the youngest of thirteen children packed in small farm house, encountering the bigotry and oppression of the Jim Crow

South, and continued with his voyage north at age fifteen to develop as a fighter in Philadelphia. Tracing Frazier's life through his momentous bouts with the likes of Ali and George Foreman and the developing perception of him as the anti-Ali in the eyes of blue-collar America, Kram follows the boxer through his retirement in 1981, exploring his relationship with his son, the would-be heavyweight Marvis, and his fragmented home life as well as the uneasy place that Ali continued to occupy in his thoughts. A propulsive and richly textured narrative that is also a powerful story about race and class in America, *Smokin' Joe* is unparalleled in its scope, depth, and access and promises to be the definitive biography of a towering American figure whose life was galvanized by conflict and whose mark has proven lasting.

**Insurrecto** Gina Apostol 2019-08-20 Two women, a Filipino translator and an American filmmaker, go on a road trip in Duterte's Philippines, collaborating and clashing in the writing of a film script about a massacre during the Philippine-American War. Chiara is working on a film about an incident in Balangiga, Samar, in 1901, when Filipino revolutionaries attacked an American garrison, and in retaliation American soldiers created "a howling wilderness" of the surrounding countryside. Magsalin reads Chiara's film script and writes her own version. Through these two rival scripts--one about a white photographer, the other about a Filipino schoolteacher--find their way to their own truths and histories. -- adapted from publisher info

The Girl from the Well Rin Chupeco 2014-08-05 "[A] Stephen Kinglike horror story...A chilling, bloody ghost story that resonates."— Kirkus From the highly acclaimed author of the Bone Witch trilogy comes a chilling story of a Japanese ghost looking for vengeance and the boy who has no choice but to trust her, lauded as a "a fantastically creepy story sure to keep readers up at night" (RT Book Reviews) I am where dead children go. Okiku is a lonely soul. She has wandered the world for centuries, freeing the spirits of the murdered-dead. Once a victim herself, she now takes the lives of killers with the vengeance they're due. But releasing innocent ghosts from their ethereal tethers does not bring Okiku peace. Still she drifts on. Such is her existence, until she meets Tark. Evil writhes beneath the moody teen's skin, trapped by a series of intricate tattoos. While his neighbors fear him, Okiku knows the boy is not a monster. Tark needs to be freed from the malevolence that clings to him. There's just one problem: if the demon dies, so does its host. Suspenseful and creepy, *The Girl from the Well* is perfect for readers looking for Spooky books for young adults Japanese horror novels Ghost stories for teens East Asian folklore Praise for *The Girl from the Well* "There's a superior creep factor that is pervasive in every lyrical word of Chupeco's debut, and it's perfect for teens who enjoy traditional horror movies...the story is solidly scary and well worth the read." — Booklist "Chupeco makes a powerful debut with this unsettling ghost story...told in a marvelously disjointed fashion from Okiku's numbers-obsessed point of view, this story unfolds with creepy imagery and an intimate appreciation for Japanese horror, myth, and legend." — Publishers Weekly STARRED review "It hit all the right horror notes with me, and I absolutely recommend it to fans looking for a good scare. " — The Book Smugglers

**Sidecountry: Tales of Death and Life from the Back Roads of Sports** John Branch 2021-06-01 Breathtaking tales of climbers and hunters, runners and racers, winners and losers by the Pulitzer Prize-winning reporter. New York Times reporter John Branch's riveting, humane pieces about ordinary people doing extraordinary things at the edges of the sporting world have won nearly every major journalism prize. *Sidecountry* gathers the best of Branch's work for the first time, featuring 20 of his favorites from the more than 2,000 pieces he has published in the paper. Branch is renowned for covering the offbeat in the sporting world, from

alligator hunting to wingsuit flying. Sidecountry features such classic Branch pieces, including “Snow Fall,” about downhill skiers caught in an avalanche in Washington state, and “Dawn Wall,” about rock climbers trying to scale Yosemite’s famed El Capitan. In other articles, Branch introduces people whose dedication and decency transcend their sporting lives, including a revered football coach rebuilding his tornado-devastated town in Iowa and a girls’ basketball team in Tennessee that plays on despite never winning a game. The book culminates with his moving personal pieces, including “Children of the Cube,” about the surprising drama of Rubik’s Cube competitions as seen through the eyes of Branch’s own sports-hating son, and “The Girl in the No. 8 Jersey,” about a mother killed in the 2017 Las Vegas shooting whose daughter happens to play on Branch’s daughter’s soccer team. John Branch has been hailed for writing “American portraiture at its best” (Susan Orlean) and for covering sports “the way Lyle Lovett writes country music—a fresh turn on a time-honored pleasure” (Nicholas Dawidoff). Sidecountry is the work of a master reporter at the top of his game.

**The Year of Magical Thinking** Joan Didion 2007-02-13 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • From one of America’s iconic writers, a stunning book of electric honesty and passion that explores an intensely personal yet universal experience: a portrait of a marriage—and a life, in good times and bad—that will speak to anyone who has ever loved a husband or wife or child. Several days before Christmas 2003, John Gregory Dunne and Joan Didion saw their only daughter, Quintana, fall ill with what seemed at first flu, then pneumonia, then complete septic shock. She was put into an induced coma and placed on life support. Days later—the night before New Year’s Eve—the Dunes were just sitting down to dinner after visiting the hospital when John Gregory Dunne suffered a massive and fatal coronary. In a second, this close, symbiotic partnership of forty years was over. Four weeks later, their daughter pulled through. Two months after that, arriving at LAX, she collapsed and underwent six hours of brain surgery at UCLA Medical Center to relieve a massive hematoma. This powerful book is Didion’s attempt to make sense of the “weeks and then months that cut loose any fixed idea I ever had about death, about illness ... about marriage and children and memory ... about the shallowness of sanity, about life itself.

**Ghosts of Manila** Mark Kram 2002 A brilliant and often brutal account of the dual lives of Muhammad Ali and Joe Frazier and the long-running feud between them. Be prepared to have your previously held opinions challenged, then shattered, by this thought-provoking study.

*Ghosts of Manila* James Hamilton-Paterson 1994 Part-travelogue, the novel chronicles a Third World country gone amok. It is told through the eyes of John Prideaux, a British film maker in the Philippines. A tale of corruption, sexual exploitation, slums and sweatshops. By the author of *The Great Deep*.

**Backcountry Ghosts** Josh Sides 2021-04 California is an infamously tough place to be poor: home to about half of the entire nation’s homeless population, burdened by staggering home prices and unsustainable rental rates, California is a state in crisis. But it wasn’t always that way, as prize-winning historian Josh Sides reveals in *Backcountry Ghosts*. In 1862 President Abraham Lincoln signed the Homestead Act, the most ambitious and sweeping social policy in the history of the United States. In the Golden State more than a hundred thousand people filed homesteading claims between 1863 and the late 1930s. More than sixty thousand Californians succeeded, claiming about ten million acres. In *Backcountry Ghosts* Josh Sides

tells the histories of these Californian homesteaders, their toil and enormous patience, successes and failures, doggedness in the face of natural elements and disasters, and resolve to defend hard-earned land for themselves and their children. While some of these homesteaders were fulfilling the American Dream—that all Americans should have the opportunity to own land regardless of their background or station—others used the Homestead Act to add to already vast landholdings or control water or mineral rights. Sides recovers the fascinating stories of individual homesteaders in California, both those who succeeded and those who did not, and the ways they shaped the future of California and the American West. *Backcountry Ghosts* reveals the dangers of American dreaming in a state still reeling from the ambitions that led to the Great Recession.

*The Other Face of Battle* Wayne E. Lee 2021-05-10 Taking its title from *The Face of Battle*, John Keegan's canonical book on the nature of warfare, *The Other Face of Battle* illuminates the American experience of fighting in "irregular" and "intercultural" wars over the centuries. Sometimes known as "forgotten" wars, in part because they lacked triumphant clarity, they are the focus of the book. David Preston, David Silbey, and Anthony Carlson focus on, respectively, the Battle of Monongahela (1755), the Battle of Manila (1898), and the Battle of Makuan, Afghanistan (2020)—conflicts in which American soldiers were forced to engage in "irregular" warfare, confronting an enemy entirely alien to them. This enemy rejected the Western conventions of warfare and defined success and failure—victory and defeat—in entirely different ways. Symmetry of any kind is lost. Here was not ennobling engagement but atrocity, unanticipated insurgencies, and strategic stalemate. War is always hell. These wars, however, profoundly undermined any sense of purpose or proportion. Nightmarish and existentially bewildering, they nonetheless characterize how Americans have experienced combat and what its effects have been. They are therefore worth comparing for what they hold in common as well as what they reveal about our attitude toward war itself. *The Other Face of Battle* reminds us that "irregular" or "asymmetrical" warfare is now not the exception but the rule. Understanding its roots seems more crucial than ever.

**Little Manila Is in the Heart** Dawn Bohulano Mabalon 2013-05-29 In the early twentieth century—not long after 1898, when the United States claimed the Philippines as an American colony—Filipinas/os became a vital part of the agricultural economy of California's fertile San Joaquin Delta. In downtown Stockton, they created Little Manila, a vibrant community of hotels, pool halls, dance halls, restaurants, grocery stores, churches, union halls, and barbershops. Little Manila was home to the largest community of Filipinas/os outside of the Philippines until the neighborhood was decimated by urban redevelopment in the 1960s. Narrating a history spanning much of the twentieth century, Dawn Bohulano Mabalon traces the growth of Stockton's Filipina/o American community, the birth and eventual destruction of Little Manila, and recent efforts to remember and preserve it. Mabalon draws on oral histories, newspapers, photographs, personal archives, and her own family's history in Stockton. She reveals how Filipina/o immigrants created a community and ethnic culture shaped by their identities as colonial subjects of the United States, their racialization in Stockton as brown people, and their collective experiences in the fields and in the Little Manila neighborhood. In the process, Mabalon places Filipinas/os at the center of the development of California agriculture and the urban West.

*Hey, Joe* Ted Lerner 2000-01-13 "Hey, Joe, you like snake?" "Hey, Joe, welcome to Tondo!" "Hey, Joe, what's your name?" It's the phrase that greets every foreign guy in the Philippines on a daily basis. And perhaps nobody personifies the meaning of this moniker better than Ted Lerner, an American whose popular, freewheeling column, "Hey, Joe," has been entertaining readers in the Philippines and overseas for nearly 15 years. In "Hey, Joe," Ted presents a collection of his best Manila stories, a kaleidoscope of funny and bizarre incidents, offbeat characters and keen observations dished up by a wide-eyed foreigner living in a city exploding with life, unfathomable urban chaos and a story around every corner. Readers will hitch a ride with the author and spend a night at the cock fights - the Philippines' violent and gentlemanly national pastime. Walk through bustling, colorful markets that turn the senses on full blast. Experience the harrowing thrill of riding a bicycle through some of the world's worst and wildest traffic. Visit a secretive girlie-bar reserved mainly for foreigners. Enjoy the party-like atmosphere in the cemetery of one of the world's most unique observances of the dead. Lounge in the author's very own urban nipa hut. Hang out with the rather laid back and care free folks on Manila's lively and teeming streets. Simple daily living also provides material for fascinating and humorous reading. From his run ins with mangy Filipino mutts, to everyone asking him "Where's my Christmas?," to the characters who peddle every product under the sun through his neighborhood, the author captures perfectly the ups and downs of everyday life experienced by the foreigner living in one of the world's largest and most chaotic cities. In all, the 33 short stories in "Hey, Joe" paint a multi-colored portrait of this imposing Asian metropolis, a third world, urban travel adventure as told not only through a foreigner's eyes, but also through his ears, nose, fingers and mouth. Indeed, like the city of Manila itself, Ted Lerner's "Hey, Joe," is a full body experience. \*This version of Hey, Joe is the official version of the book authorized by the author Ted Lerner. All other copies of the book sold on Amazon are either used or sold through re-sellers. Make sure to buy the official version and support the author. Thanks!

[The Killings of Stanley Ketchel](#) James Carlos Blake 2010-01-26 Hailed as "one of the greatest chroniclers of the mythical American outlaw life" (Entertainment Weekly), James Carlos Blake turns to the blazing story of Stanley Ketchel, the legendary ragtime-era middleweight boxing champion and daring rakehell, whose brief and meteoric life burned with violence and tragedy in and out of the ring. *The Killings of Stanley Ketchel* is a sweeping and powerful literary adventure by one of our most daring novelists.

**Ghosts of Manila** Mark Kram, Jr. 2009-06-09 When Muhammad Ali met Joe Frazier in Manila for their third fight, their rivalry had spun out of control. The Ali-Frazier matchup had become a madness, inflamed by the media and the politics of race. When the "Thrilla in Manila" was over, one man was left with a ruin of a life; the other was battered to his soul. Mark Kram covered that fight for *Sports Illustrated* in an award-winning article. Now his riveting book reappraises the boxers -- who they are and who they were. And in a voice as powerful as a heavyweight punch, Kram explodes the myths surrounding each fighter, particularly Ali. A controversial, no-holds-barred account, *Ghosts of Manila* ranks with the finest boxing books ever written.

**Ghosts of Harvard** Francesca Serritella 2021-06-22 TEEN VOGUE BOOK CLUB PICK • A Harvard freshman becomes obsessed with her schizophrenic brother's suicide. Then she starts hearing voices. "A rich, intricately plotted thriller . . . Serritella, who is a Harvard grad herself, writes about the campus with an insider's savvy."—Maureen Corrigan, *The Washington Post* "Every time I thought I knew where *Ghosts of Harvard* was heading, I turned out to be wrong. Part mystery, part ghost story, part psychological thriller, this novel is all entertainment."—#1 New York Times bestselling author Jodi Picoult Cadence Archer arrives on Harvard's campus desperate to understand why her brother, Eric, a genius who developed paranoid schizophrenia took his own life there the year before. Losing Eric has left a black hole in Cady's life, and while her decision to follow in her brother's footsteps threatens to break her family apart, she is haunted by questions of what she might have missed. And there's only one place to find answers. As Cady struggles under the enormous pressure at Harvard, she investigates her brother's final year, armed only with a blue notebook of Eric's cryptic scribbblings. She knew he had been struggling with paranoia, delusions, and illusory enemies—but what tipped him over the edge? Voices fill her head, seemingly belonging to three ghosts who passed through the university in life, or death, and whose voices, dreams, and terrors still echo the halls. Among them is a person whose name has been buried for centuries, and another whose name mankind will never forget. Does she share Eric's illness, or is she tapping into something else? Cady doesn't know how or why these ghosts are contacting her, but as she is drawn deeper into their worlds, she believes they're moving her closer to the truth about Eric, even as keeping them secret isolates her further. Will listening to these voices lead her to the one voice she craves—her brother's—or will she follow them down a path to her own destruction?

**The Fight** Norman Mailer 1997 The spirited chronicler of war, politics, sex, and modern life trains his wits and sights on the principles, promoters, and observers of the 1974 Ali-Forman championship boxing match held in Kinshasa, Zaire. Reprint. 12,500 first printing.

*The Hundred Secret Senses* Amy Tan 2010-12-28 The "wisest and most captivating novel" (Boston Globe) from the author of the bestselling *The Valley of Amazement* and the new memoir *Where the Past Begins* Set in San Francisco and in a remote village of Southwestern China, Amy Tan's *The Hundred Secret Senses* is a tale of American assumptions shaken by Chinese ghosts and broadened with hope. In 1962, five-year-old Olivia meets the half-sister she never knew existed, eighteen-year-old Kwan from China, who sees ghosts with her "yin eyes." Decades later, Olivia describes her complicated relationship with her sister and her failing marriage, as Kwan reveals her story, sweeping the reader into the splendor and violence of mid-nineteenth century China. With her characteristic wisdom, grace, and humor,

Tan conjures up a story of the inheritance of love, its secrets and senses, its illusions and truths.

**Bridge of Souls (City of Ghosts #3)** Victoria Schwab 2021-03-02 Victoria ("V. E.") Schwab, the #1 New York Times bestselling author of *The Invisible Life of Addie LaRue*, invites readers to haunted New Orleans in this third installment of her thrillingly spooky *City of Ghosts* series! Where there are ghosts, Cassidy Blake follows . . . Unless it's the other way around? Cass thinks she might have this ghost-hunting thing down. After all, she and her ghost best friend, Jacob, have survived two haunted cities while traveling for her parents' TV show. But nothing can prepare Cass for New Orleans, which wears all of its hauntings on its sleeve. In a city of ghost tours and tombs, raucous music and all kinds of magic, Cass could get lost in all the colorful, grisly local legends. And the city's biggest surprise is a foe Cass never expected to face: a servant of Death itself.

Sparring with Smokin' Joe Glenn Lewis 2021-02-10 An intimate portrait of Joe Frazier, whose ferocious rivalry with Muhammad Ali made them both boxing legends and cultural touchstones for an era. Just in time for the fiftieth anniversary of the Fight of the Century (Ali-Frazier I), *Sparring with Smokin' Joe* provides a penetrating, at times brutally candid, look at legendary champion Joe Frazier. Glenn Lewis spent several months in the gym, on the road, and in verbal tussles with Frazier in 1980, when Frazier was at a crossroads in his life and career. Lewis recounts Frazier's candid takes on his still-recent Hall-of-Fame career, wars with Ali, and hard-scrabble roots. Frazier also reflects on Ali's upcoming comeback fight against Larry Holmes, his own possible return to the ring, preparing his son Marvis for a pro boxing debut, and the impact of racial tensions and cultural upheaval on his fighting legacy. *Sparring with Smokin' Joe* reveals compelling, never-before-heard anecdotes that give new insight into the usually private Frazier, including how Ali's verbal attacks on Frazier alienated him from his own people and continued to trouble him long after retiring from the ring. An intimate portrait of a legendary fighter, *Sparring with Smokin' Joe* finally shares Frazier's side of an unforgettable rivalry.

**The Best of Me (Movie Tie-In Enhanced Ebook)** Nicholas Sparks 2015-01-20 WITH FEATURETTES FROM NICHOLAS SPARKS AND THE MOVIE CAST, DELETED SCENES, MUSIC VIDEO, AND MORE! IN THEATERS OCTOBER 17, 2014! Starring Michelle Monaghan, James Marsden, Luke Bracey, and Liana Liberato "Everyone wanted to believe that endless love was possible. She'd believed in it once, too, back when she was eighteen." In the spring of 1984, high school students Amanda Collier and Dawson Cole fell deeply, irrevocably in love. Though they were from opposite sides of the tracks, their love for one another seemed to defy the realities of life in the small town of Oriental, North Carolina. But as the summer of their senior year came to a close, unforeseen events would tear the young couple apart, setting them on radically divergent paths. Now, twenty-five years later, Amanda and Dawson are summoned back to Oriental for the funeral of Tuck Hostetler, the mentor who once gave shelter to their high school romance. Neither has lived the life they imagined . . . and neither can forget the passionate first love that forever changed their lives. As Amanda and Dawson carry out the instructions Tuck left behind for them, they realize that everything they thought they knew -- about Tuck, about themselves, and about the dreams they held dear -- was not as it seemed. Forced to confront painful memories, the two former lovers will discover undeniable truths about the choices they have made. And in the course of a single, searing weekend, they will ask of the living, and the dead: Can love truly rewrite the past?

Territory of Light Yuko Tsushima 2019-02-12 From one of the most significant contemporary Japanese writers, a haunting, dazzling novel of loss and rebirth “Yuko Tsushima is one of the most important Japanese writers of her generation.” —Foumiko Kometani, *The New York Times* I was puzzled by how I had changed. But I could no longer go back . . . It is spring. A young woman, left by her husband, starts a new life in a Tokyo apartment. *Territory of Light* follows her over the course of a year, as she struggles to bring up her two-year-old daughter alone. Her new home is filled with light streaming through the windows, so bright she has to squint, but she finds herself plummeting deeper into darkness, becoming unstable, untethered. As the months come and go and the seasons turn, she must confront what she has lost and what she will become. At once tender and lacerating, luminous and unsettling, Yuko Tsushima’s *Territory of Light* is a novel of abandonment, desire, and transformation. It was originally published in twelve parts in the Japanese literary monthly *Gunzo*, between 1978 and 1979, each chapter marking the months in real time. It won the inaugural Noma Literary Prize.

*From the Land of Green Ghosts* Pascal Khoo Thwe 2003-12-02 In 1988, Dr. John Casey, a professor visiting Burma, meets a waiter in Mandalay with a passion for the works of James Joyce, and the encounter changes both their lives. Pascal, a member of the Kayan Padaung tribe, was the first member of his community to study English at a university. Within months of his meeting with Dr. Casey, Pascal's world lay in ruins. Burma's military dictatorship forces him to sacrifice his studies, and the regime's brutal armed forces murder his lover. Fleeing to the jungle, he becomes a guerrilla fighter in the life-or-death struggle against the government. In desperation, he writes a letter to the Englishman he met in Mandalay. Miraculously reaching its destination, the letter leads to Pascal's rescue and his enrollment in Cambridge University, where he is the first Burmese tribesman ever to attend. *From the Land of Green Ghosts* unforgettably evokes the realities of life in modern-day Burma and one man's long journey to

freedom despite almost unimaginable odds.

**Killers of the Flower Moon** David Grann 2017-04-18 NATIONAL BOOK AWARD FINALIST • NATIONAL BESTSELLER • A twisting, haunting true-life murder mystery about one of the most monstrous crimes in American history, from the author of *The Lost City of Z*. In the 1920s, the richest people per capita in the world were members of the Osage Nation in Oklahoma. After oil was discovered beneath their land, the Osage rode in chauffeured automobiles, built mansions, and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. The family of an Osage woman, Mollie Burkhart, became a prime target. One of her relatives was shot. Another was poisoned. And it was just the beginning, as more and more Osage were dying under mysterious circumstances, and many of those who dared to investigate the killings were themselves murdered. As the death toll rose, the newly created FBI took up the case, and the young director, J. Edgar Hoover, turned to a former Texas Ranger named Tom White to try to unravel the mystery. White put together an undercover team, including a Native American agent who infiltrated the region, and together with the Osage began to expose one of the most chilling conspiracies in American history.

*Once There Were Giants* Jerry Izenberg 2020-11-03 \*\*New edition updated with a foreword by Manny Pacquiao.\*\* A celebration and memorial of the greatest era of heavyweight fighters from 1962 to 1997, as witnessed ringside by an International Boxing Hall of Fame sportswriter. Once upon a time, of all the memories made in ballparks and arenas from California to New York, there was nothing to rival that magic moment that could grab a heavyweight fight crowd by its collective jugular vein and trigger a tsunami of raw emotion before a single punch had even been thrown. That's the way it was when the heavyweight giants danced in the boxing ring during the golden eras of the greats Ali, Frazier, Holmes, and Spinks, to name a few. There will never again be a heavyweight cycle like the one that began when Sonny Liston stopped Floyd Patterson and ended when Mike Tyson bit a slice out of Evander Holyfield's ear; when no ersatz drama, smoke, mirrors, and noise followed a fighter's entry into the ring; when the crowds knew that these men were not actors on a stage but rather giants in a ring with a single purpose—to fight other giants. By the ringside, acclaimed sportswriter Jerry Izenberg

watched history as it was being made during those legendary days, witnessing fights like the Thrilla in Manila and the Rumble in the Jungle and preserving them in punchy yet tremendous prose. Delivering both his eyewitness accounts and revelatory back stories of this greatest era of heavyweight boxing, Izenberg invites readers to a place of recollection. *Once There Were Giants* is his memorial to this extraordinary time, the likes of which we shall never see again.

**The Fight of the Century** Michael Arkush 2007-10-26 Advance Praise "The Fight of the Century brings back memories of a different and troubled time both in sports and in our country. It is vividly reported and a perfect example of the old saying that the genius is in the details." --John Feinstein "The Fight of the Century just floats like a butterfly and sings like a canary. Arkush recaptures the period of the late '60s when America was in a quandary about Vietnam, Ali's refusal to be drafted, about Smokin' Joe Frazier's claim on the heavyweight title, and the amazing build-up to this great fight. I saw the fight and remember the intensity in Madison Square Garden; people were fainting in the aisles. The electricity of that fight buzzes through this book." --Phil Jackson "Ali-Frazier I was the greatest sports event I ever saw or ever expect to see. With his landscape portrait of the men and their times, Michael Arkush takes us again to that historic moment in Madison Square Garden when two of boxing's proudest warriors began their blood feud." --Dave Kindred, author of *Sound and Fury: Two Powerful Lives, One Fateful Friendship* "Arkush not only gives us the inside story on one of the century's signature sporting events, he frames it politically and socially. I was there, and now I know much more about what happened. This is flesh and blood and history." --Robert Lipsyte "The Fight of the Century transcends the mere sports story. In Michael Arkush's capable hands, this classic duel and its surrounding pressures and personalities show us where we have been as a society and where we are going. It is a story that truly stands for a place and time. It is a fully engrossing read." --Michael Connelly, #1 New York Times bestselling author "Never is a long time, but there'll never be another cosmic boxing event like Ali-Frazier I. Michael Arkush brings alive that melodrama with all its political-social implications, wheeling and dealing, hyping and hitting." --Larry Merchant, author and boxing commentator "A richly detailed history of Ali and Frazier's first big fight and the social and political forces at play. A great read." --Ron Shelton, director of *Bull Durham* and *Tin Cup*

**TRAGIC THEATER** G. M. Coronel 2009-08-01 In February 1999, a group of spirit communicators attempted to exorcise the then-abandoned Manila Film Center of ghosts. These supernatural beings were believed to be those of the victims from a fatal accident during its hasty construction. Unknown to them, something had long ago taken sanctuary inside the building feeding on the anger and misery of the victims' souls. They learned this secret too late and walked into a horrifying encounter.

**Ginseng and Other Tales from Manila** Marianne Villanueva 1991 Beautiful and poignant stories set in the Philippines

*Ghastly Ghosts* Teresa Bateman 2019-09-01 Old Dave inherits a lonely old house from his uncle—a nice enough place, if a bit lonely. One cold night he hears a voice: Ghastly ghosts in the old coal shed! At first he tries to ignore it, but he hears it again and again—Ghastly ghosts in the old coal shed! And when the fireplace runs out of coal, Dave has no choice but to brave the dreaded coal shed...and whatever dwells within. But Old Dave's got an idea that just might work out for him AND the spirits.

Tunnel of Bones (City of Ghosts #2) Victoria Schwab 2019-09-03 The thrilling sequel to Victoria Schwab's New York Times bestselling City of Ghosts! Trouble is haunting Cassidy Blake . . . even more than usual. She (plus her ghost best friend, Jacob, of course) are in Paris, where Cass's parents are filming their TV show about the world's most haunted cities. Sure, it's fun eating croissants and seeing the Eiffel Tower, but there's true ghostly danger lurking beneath Paris, in the creepy underground Catacombs. When Cass accidentally awakens a frighteningly strong spirit, she must rely on her still-growing skills as a ghosthunter -- and turn to friends both old and new to help her unravel a mystery. But time is running out, and the spirit is only growing stronger. And if Cass fails, the force she's unleashed could haunt the city forever. #1 New York Times bestselling author Victoria Schwab returns to the spooky and heart-pounding world of City of Ghosts, delivering thrilling new adventures and an unforgettable spin on friendship. (Because sometimes, even psychic ghost best friends have secrets. . .)
