The Heathens Ace Atkins 2022-05-24 Sheriff Quinn Colson and his former deputy Lillie Virgil find themselves on opposite sides of a case for the first time after a woman is found dead and three delinquent teens go on the run. Before he was an Army Ranger who came home to become Tibbehah County Sheriff and take down a corrupt system, Quinn Colson was a kid who got into trouble--a lot of it. So when juvenile delinquent TJ Byrd insists that she doesn't know who killed her mother--an unreliable addict who has disappeared--Quinn's inclined to believe her. But no one else does--not the town, not the sheriff in a neighboring county, not her mother's older boyfriend, and certainly not Quinn's friend and former deputy, U.S. Marshal Lillie Virgil. The Byrd family has always been trouble, and sixteen-year-old TJ is known for petty theft, fighting, and general hellraising. She's also no fool, and when she senses she's about to take the fall for her mother's murder, TJ, her boyfriend, her best friend, and her nine-year-old brother go on the run. As Lillie Virgil tracks the kids across a trail of burglaries, stolen cars and even a kidnapping, intent on bringing TJ to justice, Quinn sets out to find the truth back in Tibbehah. Someone has gone to a lot of violent trouble to make TJ and her friends the logical target of the investigation. It's easy, and who cares about a bunch of lawless kids? As the bloody evidence against TJ piles up, Quinn knows someone truly evil is at work here--and that puts TJ and her friends in more danger than they can imagine.

The Russian Dreambook of Color and Flight Gina Ochsner 2011-02-15 The tenants of a post-Soviet slum face the absurdity of Russian life in this Flannery O'Connor Award-winning debut novel “of startling redemptive beauty” (The New York Times Book Review). In a crumbling apartment building in post-Soviet Russia, there’s a ghost who won’t keep quiet. Mircha fell from the roof and was never properly buried, so he sticks around to heckle the living: his wife,

Azade; Olga, a disillusioned translator/censor for a military newspaper; Yuri, an army veteran who always wears an aviator's helmet; and Tanya. Tanya carries a notebook wherever she goes, recording her observations and her dreams of finding love and escaping her job at the All-Russia All-Cosmopolitan Museum, a place which holds a fantastic and terrible collection of art knockoffs created using the tools at hand, from foam to chewing gum, Popsicle sticks to tomato juice. When the museum's director hears of a mysterious American group seeking to fund art in Russia, it looks like she might get her chance at a better life, if she can only convince them of the collection's worth. Enlisting the help of Azade, Olga, and even Mircha, Tanya scrambles to save her dreams and her neighbors, and along the way discovers that love may have been waiting in her own courtyard all along. This is a "delightful" novel by an author who has won two Oregon Book Awards and the Raymond Carver Prize, among other literary honors (Minneapolis Star-Tribune). "A crazy adventure of the imagination . . . [that] has echoes of Jonathan Safran Foer's *Everything Is Illuminated*, Gary Shteyngart's laugh-out-loud *Absurdistan* and Olga Grushin's more romantic *The Dream Life of Sukhanov*." –The Observer (UK)

Gina from Siberia Charlotte Glynn 2017-08-15 Based on the true story of Gina, a wire haired terrier, whose family snuck her out of Siberia and into the USA at the conclusion of the Cold War, this beautiful and thrilling tale follows Gina as her family travels by bus, train, car, plane and minivan. Upon arrival at her new home, 5,681 miles away from her old home, Gina is not happy and lets everyone around her know it. But slowly, she comes to accept her new surroundings with the help of her new friend Victor, a large boxer. Talking about her friends and family back home in Siberia heals the emotional wounds, making Gina believe that just maybe her new home isn't so bad after all. Jane Bernstein is the author of five books, most recently *Rachel in the Word*. Her film work includes the screenplay for the Warner Brothers movie *Seven Minutes in Heaven*. The Dreamer's Challenge Nikita Wolf 2019-05-28 It's been over 800 Earth years since the fall of the Solar Empire, over 1200 Venusian days. On a terraformed Venus, the inhabitants of a dark age society struggle to rebuild civilization, only to be attacked century after century by a mysterious enemy, that abducts

entire nations, in the long frozen night. Now, the word has come that the last nation on the Isle of West-Istyia has fallen in the night, and the President of the Istyan Union has invited the long-banished Solar Legion back from exile on the continent of Afrodyti. He is amassing an army on the eastern shores to West-Istyia that will march into the nightfall and destroy whatever is lurking there, and in the process, conquer the vast empty island into the Union. Gina has spent most of her life in the Imperial Spire, following imperial law, and studying diligently. She had wanted to become a medic until she saw the tools they used and became fascinated by technology. Studying technology was strictly controlled under imperial law, too much technology had caused the Solar Empire to fall, and now after years of study, she is ready to take the final exam, the Sleeper's Challenge. If she passes she will become a technician, and spend the rest of her life in the Spire, but if she fails, the imperial guardians will execute her. Now a heretic legionary has arrived stating the spire on the island of West-Istyia has fallen in the night, and the president wants technicians, chemists, and engineers for the army he is building. To make things worse, she has just learned her best friend is a sexual deviant and will be executed if the imperial clerics find out. Will she pass her exam, or be executed? And if she passes, will she stay in the spire, or leave forever, and join the president's army?

The Oxford Guide to the Transeurasian Languages Martine Robbeets 2020-05-27 The Oxford Guide to the Transeurasian Languages provides a comprehensive account of the Transeurasian languages, and is the first major reference work in the field since 1965. The term 'Transeurasian' refers to a large group of geographically adjacent languages that includes five uncontroversial linguistic families: Japonic, Koreanic, Tungusic, Mongolic, and Turkic. The historical connection between these languages, however, constitutes one of the most debated issues in historical comparative linguistics. In the present book, a team of leading international scholars in the field take a balanced approach to this controversy, integrating different theoretical frameworks, combining both functional and formal linguistics, and showing that genealogical and areal approaches are in fact compatible with one another. The volume is divided into five parts. Part I deals with the historical sources and periodization of the Transeurasian languages and their classification and typology. In Part II, chapters provide individual structural overviews of the Transeurasian languages and the linguistic subgroups that they belong to, while Part III explores Transeurasian phonology, morphology, syntax, lexis, and semantics from a

comparative perspective. Part IV offers a range of areal and genealogical explanations for the correlations observed in the preceding parts. Finally, Part V combines archaeological, genetic, and anthropological perspectives on the identity of speakers of Transeurasian languages. The Oxford Guide to the Transeurasian Languages will be an indispensable resource for specialists in Japonic, Koreanic, Tungusic, Mongolic, and Turkic languages and for anyone with an interest in Transeurasian and comparative linguistics more broadly.

I'm with Stupid Gene Weingarten 2004-02-03 Is God male or female? Why do women, but not men, flush public toilets with their feet? Why are men, but not women, obsessed with parallel parking? Why do women, but not men, leave eleven-minute messages on answering machines? Why do men feel guilty about nothing, and women feel guilty about everything? Was Marilyn Monroe...fat? These philosophical quandaries, and more, are finally debated in *I'm with Stupid*, an uproariously funny dialogue between Gene Weingarten, the gleefully misogynistic Washington Post humor columnist, and Gina Barreca, the gleefully feminist University of Connecticut professor. The first significant book about men and women actually written by a man and a woman, *I'm with Stupid* is privy to the dark secrets of both sexes. It's not a lecture, but an extended argument, a combustion of viewpoints that winds up unearthing startling truths. In the words of Gene and Gina: "Our Mars and Venus breach their orbits and collide in a screaming fireball from Hell." The subject matter spans art and expression, science and technology, politics and history, spirituality and religion, sex and sexuality, as well as the complex etiology, sociology, and etymology of dirty jokes. Men: Learn at last how to know for sure when you are having a fight. Women: Learn what he really means when he says "I'm sorry." Take sides as Gene and Gina face off in a haggling challenge in which the winner manages to get the lowest price for a Mercedes S500. Or just take in the show. *I'm with Stupid* is the book that finally establishes, conclusively, that women are funnier than men. And vice versa.

[Siberian Shamanism](#) Virlana Tkacz 2015-09-17 An intimate account of an ancient shamanic ritual of Siberia • Illustrated with vivid, full-color photographs throughout • Details the many preparations and ritual objects as well as the struggles of the shamans to complete the ceremony successfully Near the radiant blue waters of Lake Baikal, in the lands where Mongolia, Siberia, and China meet, live the Buryats, an indigenous people little known to the Western world. After seventy years of religious persecution by the Soviet government, they can now pursue their traditional spiritual practices, a unique blend of Tibetan Buddhism and shamanism. There are two distinct shamanic paths in the Buryat tradition: Black shamanism, which draws power from the earth, and White shamanism, which draws power from the sky. In the Buryat Aga region, Black and White shamans conduct rituals together, for the Buryats believe that they are the children of the Swan Mother, descendants of heaven who can unite both sides in harmony. Providing an intimate account of one of the Buryats' most important shamanic rituals, this book documents a complete Shanar, the ceremony in which a new shaman first contacts his ancestral spirits and receives his power. Through dozens of full-color photographs, the authors detail the preparations

of the sacred grounds, ritual objects, and colorful costumes, including the orgay, or shaman's horns, and vividly illustrate the dynamic motions of the shamans as the spirits enter them. Readers experience the intensity of ancient ritual as the initiate struggles through the rites, encountering unexpected resistance from the spirit world, and the elder shamans uncover ancient grievances that must be addressed before the Shanar can be completed successfully. Interwoven with beautiful translations of Buryat ceremonial songs and chants, this unprecedented view of one of the world's oldest shamanic traditions allows readers to witness extraordinary forces at work in a ritual that culminates in a cleansing blessing from the heavens themselves.

The Lost Pianos of Siberia Sophy Roberts 2020-08-04 This "melodious" mix of music, history, and travelogue "reveals a story inextricably linked to the drama of Russia itself . . . These pages sing like a symphony." –The Wall Street Journal Siberia's story is traditionally one of exiles, penal colonies, and unmarked graves. Yet there is another tale to tell. Dotted throughout this remote land are pianos—grand instruments created during the boom years of the nineteenth century, as well as humble Soviet-made uprights that found their way into equally modest homes. They tell the story of how, ever since entering Russian culture under the westernizing influence of Catherine the Great, piano music has run through the country like blood. How these pianos traveled into this snowbound wilderness in the first place is testament to noble acts of fortitude by governors, adventurers, and exiles. Siberian pianos have accomplished extraordinary feats, from the instrument that Maria Volkonsky, wife of an exiled Decembrist revolutionary, used to spread music east of the Urals, to those that brought reprieve to the Soviet Gulag. That these instruments might still exist in such a hostile landscape is remarkable. That they are still capable of making music in far-flung villages is nothing less than a miracle. *The Lost Pianos of Siberia* follows Roberts on a three-year adventure as she tracks a number of instruments to find one whose history is definitively Siberian. Her journey reveals a desolate land inhabited by wild tigers and deeply shaped by its dark history, yet one that is also profoundly beautiful—and peppered with pianos. "An elegant and nuanced journey through literature, through history, through music, murder and incarceration and revolution, through snow and ice and remoteness, to discover the human face of Siberia. I loved this book." –Paul Theroux

The Trans-Siberian Railway Aleksandra Litvina 2021-09 The Trans-Siberian railway links Russia like a sewing thread on which towns and villages are skewered like pearls. This large-format book takes readers on a fascinating journey along its whole length, from Moscow to Vladivostok, a journey that takes seven days and covers over 5,700 miles. In a striking style, reminiscent of a graphic novel, readers will discover facts about the journey and the history of the railway, but will also hear from local people who live along the line as they share details of their lives, their favourite places, and everything they would like to tell travellers on the Trans-Siberian railway. The book also includes tips such as how to organize one's life on the train and what souvenirs to look out for.

Rachel in the World Jane Bernstein 2010-10-01 What happens when love is no longer enough? Jane Bernstein thought that learning to accept her daughter's disabilities meant her struggles were over. But as Rachel grew up and needed more than a parent's devotion, both mother and daughter were confronted with formidable obstacles. *Rachel in the World*, which begins in Rachel's fifth year and ends when she turns twenty-two, tells of their barriers and successes with the same honesty and humor that made *Loving Rachel*, Bernstein's first memoir, a classic in its field. The linked accounts in part 1 center on family issues, social services, experiences with caregivers, and Rachel herself--difficult, charming, hard to fathom, eager for her own independence. The second part of the book chronicles Bernstein's attempt to find Rachel housing at a time when over 200,000 Americans with mental retardation were on waiting lists for residential services. As Rachel prepares to leave her mother's constant protection, Bernstein invites the reader to share the frustrations and unexpected pleasures of finding a place for her daughter, first in her family, and then in the world.

The Extincts: Quest for the Unicorn Horn (The Extincts #1) Scott Magoon 2022-03-29 A team of extinct animals embark on top-secret missions around the world in this new graphic novel series! Meet Scratch, Martie, Lug, and Quito, members of a secret organization called R.O.A.R., or the Rescue Ops Acquisition Rangers. When their boss, Dr. Z, finally calls on them for their first big mission, the team heads to Siberia to retrieve an ancient unicorn horn from the thawing permafrost. Scratch is thrilled at the chance to prove his worth to Dr. Z—but as soon as they land, the team runs into a mysterious enemy determined to take them down. With exciting missions, plenty of humor, and an environmental angle, this series starter from New York Times bestselling illustrator Scott Magoon is an action-packed adventure from start to finish. The book will also include nonfiction back matter about extinct animals, climate change, and what kids can do to help!

Gina Gerson Valentina Dzherson 2021-10-26 As a successful entrepreneur and one of the most popular personalities in adult entertainment, Valentina Dzherson explains what she refers to as her "superpower"--mental, spiritual, and social confidence that allows one to be free, confident, relaxed, and happy. She discusses how sexuality led her to achieve fame and success and she shows how, if one properly trains their mind, anyone can harness that same energy and build the confidence necessary to achieve success in all aspects of life. As Valentina says, "No one can have power over you if you have power over yourself." In this unique autobiography, Valentina shares her colorful life story and reveals how her strong personality, self-confidence, passion, and sexuality led to her incredible success. But she goes one step further and she explains how these same methods can inspire others and help them to improve their own lives by achieving success and peace of mind.

The Truth Hurts Rebecca Reid 2020-07-28 In this twisty, compelling thriller, a young woman quickly embarks on what she thinks is the relationship and love of a lifetime, and she's thrilled when her new husband insists they follow one rule: they don't talk about the past, but it's a rule that has dangerous consequences—perfect for fans of *A Simple Favor* and *The Kiss Quotient*. Is her new husband hiding something? Caught up in a whirlwind romance that starts in sunny Ibiza and leads to the cool corridors of a luxurious English country estate, Poppy barely has time to catch her breath, let alone seriously question if all this is too good to be true. Drew is enamored, devoted, and, okay, a little mysterious—but that's part of the thrill. What's the harm in letting his past remain private? Maybe he's not the only one... Fortunately, Drew never seems to wonder why his young wife has so readily agreed to their unusual pact to live only in the here and now and not probe their personal histories. Perhaps he assumes, as others do, that she is simply swept up in the intoxication of infatuation and sudden wealth. What's the harm in letting them believe that? How far will they go to keep the past buried? Isolated in Drew's sprawling mansion, Poppy starts to have time to doubt the man she's married, to wonder what in his past might be so terrible that it can't be spoken of, to imagine what harm he might be capable of. She doesn't want this dream to shatter. But Poppy may soon be forced to confront the dark truth that there are sins far more dangerous than the sin of omission...

Navigate Your Stars Jesmyn Ward 2020-04-07 A revelatory, uplifting, and gorgeously illustrated meditation on dedication, hard work, and the power of perseverance from the beloved, New York Times bestselling, and two-time National Book Award-winning Jesmyn Ward. For Tulane University's 2018 commencement, Jesmyn Ward delivered a stirring speech about the value of hard work and the importance of respect for oneself and others. Speaking about the challenges she and her family overcame, Ward inspired everyone in the audience with her meditation on tenacity in the face of hardship. Ward's moving words will inspire readers as they prepare for the next chapter in their lives, whether, like Ward, they are the first in their families to graduate from college or are preceded by generations, or whether they are embarking on a different kind of journey later in life. Beautifully illustrated in full color by Gina Triplett, this gorgeous and profound book will charm a generation of students—and their parents. Ward's inimitable voice shines through as she shares her experience as a Southern black woman and addresses the themes of grit, adversity, and the importance of family bonds. *Navigate Your Stars* is a perfect gift for anyone in need of inspiration from the author of *Salvage the Bones*, *Men We Reaped*, and *Sing, Unburied, Sing*.

The Nesting Dolls Alina Adams 2020-07-14 Spanning nearly a century, from 1930s Siberia to contemporary Brighton Beach, a page turning, epic family saga centering on three generations of women in one Russian Jewish family—each striving to break free of fate and history, each yearning for love and personal fulfillment—and how the consequences of their choices ripple through time. Odessa, 1931. Marrying the handsome, wealthy Edward Gordon, Daria—born Dvora Kaganovitch—has fulfilled her mother’s dreams. But a woman’s plans are no match for the crushing power of Stalin’s repressive Soviet state. To survive, Daria is forced to rely on the kindness of a man who takes pride in his own coarseness. Odessa, 1970. Brilliant young Natasha Crystal is determined to study mathematics. But the Soviets do not allow Jewish students—even those as brilliant as Natasha—to attend an institute as prestigious as Odessa University. With her hopes for the future dashed, Natasha must find a new purpose—one that leads her into the path of a dangerous young man. Brighton Beach, 2019. Zoe Venakovsky, known to her family as Zoya, has worked hard to leave the suffocating streets and small minds of Brighton Beach behind her—only to find that what she’s tried to outrun might just hold her true happiness. Moving from a Siberian gulag to the underground world of Soviet refuseniks to oceanside Brooklyn, *The Nesting Dolls* is a heartbreaking yet ultimately redemptive story of circumstance, choice, and consequence—and three dynamic unforgettable women, all who will face hardships that force them to compromise their dreams as they fight to fulfill their destinies.

The Face Tells the Secret Jane Bernstein 2019-10-18 Everything has been hidden from Roxanne G.--her birth name, her sister, her family history--until her "boyfriend" tries to ingratiate himself by flying in her estranged mother from Tel Aviv. That visit is the start of a tumultuous journey, in which she first learns about a profoundly disabled sister who lives in a residential community in the Galilee and later begins to unearth disturbing long-held family secrets. The process of facing this history and acknowledging the ways she's been shaped by it will enable Roxanne to forge the kinds of meaningful connections that had for so long been elusive. In this way, *The Face Tells the Secret* is the story about a woman who finds love and learns how to open herself to its pleasures. *The Face Tells the Secret* is also a story that explores disability from many angles and raises questions about our responsibility to care for our kin. How

far should Roxanne go to care for the wounded people in her life--her mother, her sister, the man who professes undying love? What should she take on? When is it necessary to turn away from someone's suffering?

Small Gina Perry 2017-08-01 In this empowering picture book, one spunky heroine realizes she is anything but small. The city is big and I am small. While spending the day with her mom and baby sibling, one little girl feels overwhelmed by the big world that surrounds her. Tall buildings, noisy cars, and hungry ducks who want to eat her lunch all make her feel like she is small. Until . . . she dreams big by being an artist, plays big and makes the winning shot, and swings big because she is brave. Soon she realizes she IS big, and nothing can stand in her way!

Midnight in Siberia David Greene 2015-02 David Green decides to travel thousands of kilometres from Moscow to Vladivostok on the iconic Trans-Siberian line. On the train and in the many Siberian outposts he stops at he meets a wide range of ordinary Russian people - from a group of Beatles-singing babushkas to soldiers and struggling entrepreneurs - with situations arising that are at times comical, awkward or poignant. Travelling in third class, he learns to adhere to the train's unwritten social codes and to navigate the unfamiliar environment of Siberia, occasionally shadowed by security agents.

Siberia Ann Halam 2007-12-18 When Sloe was tiny, her Papa disappeared and she and her mama went to live in a prison camp in the snowy north, in a time and place when there are no more wild animals. Mama's crime: teaching science, and her dedication to the hope that the lost animal species can be reborn. To Sloe, Mama's secret work is magic, as enchanting as Mama's tales of a bright city across the ice where they will be free. Years later, Sloe is sent to a prison school, and Mama disappears. At 13, Sloe escapes, pursued by a mysterious man. With only hope to keep her going, Sloe sets out on a solitary 1000-mile journey. But she is not truly alone for Mama left Sloe a gift: the seeds of five missing species and the knowledge to bring them to life.

The Hidden Letters of Velta B. Gina Ochsner 2016-07-26 "A beautifully spun tale" set in a tiny town in Latvia—"an astonishing alchemy of history, romance, and fable" (Kirkus Reviews, starred review). Maris was born knowing things: His very large, very special ears enable him to hear the secrets of the dead, as well as the memories that haunt his Latvian hometown. As a boy, he finds himself heir to an odd assortment of hidden letters, from which he would weave a story that could finally expose—and maybe even patch—the holes in the fabric of his family and their town. With humor, heart, and her characteristic "luminous writing [and] affection for her characters," Gina Ochsner creates an intimate, hopeful portrait of a fascinating town in all its complications and charm. From the onset of World War II through the cold shock of independence, we see how, despite years of distrust, a community can come through love and loss to the joy of understanding (The New York Times). A finalist for the Oregon Book Awards Ken Kesey Award for Fiction, *The Hidden Letters of Velta B.* is "a captivating novel of secrets, love, and memory . . . This terrific novel knocked me out" (Janet Fitch, author of *Paint It Black*). "Intimate, vibrant, and richly colored." —Portland Monthly "A gift on par with Joanne Harris's *Chocolat* . . . Quirky, ethereal, hilarious, and sorrowful." —Shelf Awareness "[An] extraordinary feat of storytelling . . . A spellbinding novel as tough as it is beautiful." —Helen Simonson, author of *The Summer Before the War*

Hot for the Fireman Gina L. Maxwell 2017-03-27 Ex-Army Ranger Erik Grady lives for his job as a Boston firefighter. So when he's forced to choose between mandated therapy or a permanent desk job, Erik reluctantly agrees to see a shrink. Only the good doctor isn't quite what he expects. Hotter than a four-alarm fire? Check. The kind of woman that can heat his blood in and out of bed? Check and check. His unforgettably wicked one-night stand? That's one helluva check... Psychologist Olivia Jones can't believe her eyes—or the spike in her heart rate—when Erik walks into her office. Her wickedly hot hook-up is

definitely not playing by the One Night Stand Rules. She has very good reasons for keeping her distance, especially when it comes to delicious firefighters. And now he's playing dirty...just so she'll date him. But Erik needs Olivia's help—which means she can handle whatever heat he throws her way. She's a professional, damn it. And if that means dating Mr. I'm Too Sexy For My Bunker Pants, she'll do it...and see just how much heat this fireman can take.

A Good Man Judith Henry Wall 2005-05-05 Twenty-five years after a childhood friendship is shattered by Gina Kay's elopement with Rhonda's boyfriend, Rhonda is called back to their Texas hometown to attend the boyfriend's funeral, an event that reunites the friends and prompts a conciliatory visit to New York City.
