Il quaderno può essere utilizzato, a fianco del libro di testo, come ripasso, approfondimento, o per rendere più leggeri i compiti a casa.

Vanessa & Virginia Susan Sellers 2010-04-12 This novel of Virginia Woolf and Vanessa Bell "captures the sisters' seesaw dynamic as they vacillate between protecting and hurting each other" (The Christian Science Monitor). You see, even after all these years, I wonder if you really loved me. Vanessa and Virginia are sisters, best friends, bitter rivals, and artistic collaborators. As children, they fight for the attention of their overextended mother, their brilliant but difficult father, and their adored brother, Thoby. As young women, they support each other through a series of devastating deaths, then emerge in bohemian Bloomsbury, bent on creating new lives and groundbreaking works of art. Through everything—marriage, lovers, loss, madness, children, success and failure—the sisters remain the closest of co-conspirators. But they also betray each other. In this lyrical, impressionistic account, written as a love letter and an elegy from Vanessa to Virginia, Susan Sellers imagines her way into the heart of the lifelong relationship between writer Virginia Woolf

and painter Vanessa Bell. With sensitivity and fidelity to what is known of both lives, Sellers has created a powerful portrait of sibling rivalry, and "beautifully imagines what it must have meant to be a gifted artist yoked to a sister of dangerous, provocative genius" (Cleveland Plain Dealer). "A delectable little book for anyone who ever admired the Bloomsbury group. . . . A genuine treat." –Publishers Weekly

Enigmistica in English Giorgio Di Vita 2021

Telephone Tales Gianni Rodari 2020-09-08 Reminiscent of Scheherazade and One Thousand and One Nights, Gianni Rodari's Telephone Tales is many stories within a story. Every night, a traveling father must finish a bedtime story in the time that a single coin will buy. One night, it's a carousel that adults cannot comprehend, but whose operator must be some sort of magician, the next, it's a land filled with butter men who melt in the sunshine Awarded the Hans Christian Anderson Award in 1970, Gianni Rodari is widely considered to be Italy's most important children's author of the 20th century. Newly re-illustrated by Italian artist Valerio Vidali (The Forest), Telephone Tales entertains, while questioning and imagining other worlds.

Discovering Dinosaurs Valerie Wilding 2003 Gideon Mantell - the hard-working doctor of humble birth who devotes his life to unearthing fossils around his home town of Lewes. His most famous find is a skeleton which he names Iguanodon. Facing bankruptcy and the debtors prison, he is forced to sell his 25-year-old fossil collection. After an accident leaves him in severe pain, he dies of opium overdose, not credited in his lifetime for his achievements. Richard Owen - an anatomist with ambition. Climbs to the top of the scientific establishment by claiming the work of Mantell and others as his own. Names 'dinosaurs' in a fossil report based on Mantell's findings and is asked to provide models for the Crystal Palace, which are still there. Links his findings to the Biblical story of evolution and is eventually discredited following the publication of Darwin's Origin of the Species.

The Night Before the Night Before Christmas Richard Scarry 2011-09-01 It's two nights before Christmas, and Mr. Frumble, trying to be helpful, mixes up all the dates in Santa Bear's workshop, leading everyone to think that it's the night before Christmas. Santa dashes off to deliver presents and gets stuck in Mr. Frumble's chimney. Find out how Mr. Frumble saves the day in this picture book.

Mindfulness Mark Williams 2011-05-05 THE LIFE-CHANGING BESTSELLER - OVER 1.5 MILLION COPIES SOLD 'A deeply compassionate guide to self-care - simple and profound' Sir Kenneth Branagh 'If you want to free yourself from anxiety and stress, and feel truly at ease with yourself, then read this book' Ruby Wax Authoritative, beautifully written and much-loved by its readers, Mindfulness: A practical guide to finding peace in a frantic world has become a word-of-mouth bestseller and global phenomenon. It reveals a set of simple yet powerful practices that you can incorporate into daily life to break the cycle of anxiety, stress unhappiness and exhaustion. It promotes the kind of happiness that gets into your bones and allows you to meet the worst that life throws at you with new courage. Mindfulness is based on mindfulness-based cognitive therapy (MBCT). Co-developed by Professor Mark Williams of Oxford University, MBCT is recommended by the UK's National Institute for Health and Care Excellence and is as effective as drugs for preventing depression. But, equally, it works for the rest of us who aren't depressed but who are struggling to keep up with the relentless demands of the modern world. By investing just a few minutes each day, this classic guide to mindfulness will put you back in control of your life once again.

The Five Misfits Beatrice Alemagna 2018-05-23 When Mr Perfect comes to stay, the five misfits find themselves questioning what their purpose in life is. Can they teach him that not fitting in is more fun than trying to be perfect? A quirky, allegorical picture book from the multi award-winning creator of *A Lion in Paris*.

How to Be a Friend Molly Wigand 2014-08-19 Those long summer days and weekends spent with our best friends can be among the happiest memories of childhood. But the art of making friends isn't a skill that is taught in most schools. Teaching children how to be good friends and cultivate healthy friendships is the work of parents, teachers, coaches, ministers, and caring adults. In *How to Be a Friend: A Book about Friendship . . . Just for Me!*, author, Molly Wigand, introduces children to those values that make for good friendships—loyalty, trust, and honesty—and to how they can become a good friend to others.

It provides a balanced information, with pleasant and amusing conversation and useful grammatical examples. Introduces students to modern Italy and its culture.

In the Sea There are Crocodiles Fabio Geda 2011-08-09 When ten-year-old Enaiatollah Akbari's small village in Afghanistan falls prey to Taliban rule in early 2000, his mother shepherds the boy across the border into Pakistan but has to leave him there all alone to fend for himself. Thus begins Enaiat's remarkable and often punishing five-year ordeal, which takes him through Iran, Turkey, and Greece before he seeks political asylum in Italy at the age of fifteen. Along the way, Enaiat endures the crippling physical and emotional agony of dangerous border crossings, trekking across bitterly cold mountain pathways for days on end or being stuffed into the false bottom of a truck. But not everyone is as resourceful, resilient, or lucky as Enaiat, and there are

many heart-wrenching casualties along the way. Based on Enaiat's close collaboration with Italian novelist Fabio Geda and expertly rendered in English by an award-winning translator, this novel reconstructs the young boy's memories, perfectly preserving the childlike perspective and rhythms of an intimate oral history. Told with humor and humanity, *In the Sea There Are Crocodiles* brilliantly captures Enaiat's moving and engaging voice and lends urgency to an epic story of hope and survival.

The Penguin Lessons Tom Michell 2015-10-27 A unique and moving real-life story of the extraordinary bond between a young teacher and a penguin, this book will delight readers who loved *Marley & Me*, *Dewey the Library Cat*, *The Good Good Pig*, and any book by Jon Katz. In 1975, twenty-three-year-old Englishman Tom Michell follows his wanderlust to Argentina, where he becomes assistant master at a prestigious boarding school. But Michell's adventures really begin when, on a weekend in Uruguay, he rescues a penguin covered in oil from an ocean spill, cleans the bird up, and attempts to return him to the sea. The penguin refuses to leave his rescuer's side. "That was the moment at which he became my penguin, and whatever the future held, we'd face it together," says Michell in this charming memoir. Michell names the penguin Juan Salvador ("John Saved"), but Juan Salvador, as it turns out, is the one who saves Michell. After Michell smuggles the bird back to Argentina and into his campus apartment, word spreads about the young Englishman's unusual roommate. Juan Salvador is suddenly the center of attention—as mascot of the rugby team, confidant to the dorm housekeeper, co-host of Michell's parties, and an unprecedented swimming coach to a shy boy. Even through the collapse of the Perónist government and amid the country's economic and political strife, Juan Salvador brings joy to everyone around him—especially Michell, who considers the affectionate animal a *compadre* and kindred spirit. Witty and heartwarming, *The Penguin Lessons* is a classic in the making, a story that is both absurd and wonderful, exactly like Juan Salvador. Praise for *The Penguin Lessons* "I loved this book, and you will, too! It's as charming, heartwarming, and surprising as a penguin on a roof terrace. What's more, *The Penguin Lessons* teaches an important truth: that a single act of compassion can be repaid a thousand-fold."—Sy Montgomery, author of *The Good Good Pig* and the National Book Award finalist *The Soul of an Octopus* "[Tom Michell's] tone suits the material perfectly. . . . You believe every word. . . . No fool, this penguin. No fools, these publishers, who have unleashed such a delightful and charming book just in time for Christmas."—Daily Mail (U.K.) "Heart-warming is a wholly inadequate phrase to describe this captivating story that is pure delight from beginning to end."—The Bookseller (U.K.)

The Fox and the Stork 2012-12-01 This book is suitable for children age 4 and above. "The Fox and the Stork" is a story about a stork that goes to a fox's house for dinner. The fox decides to make fun of a stork by treating it to a plate of soup. The stork is unable to drink the soup and leaves the fox's house hungry. The stork decides to teach the fox a lesson. The next day when the fox goes to the stork's house for dinner, the stork treats the fox to a tall jar of soup. The fox goes home hungry and realises its mistake.

Neutron Force Don Pendleton 2014-01-15 STONY MAN For the seasoned warriors of America's most elite and covert defense unit, each mission could be their last. Now a grim Presidential directive comes down hard, green-lighting a desperate search-and-destroy operation where minutes count. An unknown entity is in possession of one of the deadliest weapons known to man, sounding a death knell for nations across the globe. NEUTRON CANNON It kills instantly. No heat, no noise, no radiation. Just silent, invisible slaughter from ultra-fast subatomic particles. The death toll mounts in a random, controlled carnage that is sending a clear message of absolute power—while leaving false trails and conflicting clues. No nation can defend itself against the unilateral destructive power of a particle beam weapon. Stony Man's only option is to destroy it. But first they must find it...

Page Proof Raffaello Baldini 2001 Essays. Theater. Edited by Daniele Benati. Translated by Adria Bernardi. "Baldini's texts have the wonderful simplicity of fairy tales. It is for this reason that they can be read again and again without becoming tiresome. In the entire civilized western world, simplicity is usually considered as something inferior. Baldini is one of the few who makes us realize that simplicity is the highest conquest of words. But he achieves it through an unbelievably pliable, modulated, and complex prosody, which revolves around a few fundamental sounds, as in modern music. His dialect is a reservoir of these fundamental sounds of emotion" - Gianni Celati.

Swimmy (Oversized Board Book) Leo Lionni 2022-02-22 The gorgeous, Caldecott Honor-winning tale of a very clever fish by beloved picture book creator Leo Lionni. Deep in the sea lives a happy school of fish. Their watery world is full of wonders, but there is also danger, and the little fish are afraid to come out of hiding . . . until Swimmy comes along. Swimmy shows his friends

how—with ingenuity and team work—they can overcome any danger. Winner of the 1964 Caldecott Honor, this beloved tale of a brave little fish has been a favorite to generations of readers. To celebrate Swimmy's fiftieth anniversary, we are issuing a handsome special edition hardcover that includes a bonus poster.
