A Prehistory of Hinduism Manu V. Devadevan 2016-01-01 This book is a pioneering attempt to understand the prehistory of Hinduism in South Asia. Exploring religious processes in the Deccan region between the eleventh and the nineteenth century with class relations as its point of focus, it throws new light on the making of religious communities, monastic institutions, legends, lineages, and the ethics that

governed them. In the light of this prehistory, a compelling framework is suggested for a revision of existing perspectives on the making of Hinduism in the nineteenth and the twentieth century.

765 Notable Horoscopes Raj Kumar In any horoscope, the 1st, 5th & 9th houses are considered to be the most auspicious ones. It is believed that the soul enters the world through 5th house of Poorva Janam Karma to the ascendant in the form of human body and exit through the 9th house after completing the Karma assigned for the present birth through 10th house. These three houses together constitute the spiritual or Dharma Trikon, which primarily aims at transforming the native to a higher stage of evolution through their Divine faculties and creativity. Their lords irrespective of their natural traits, are favourable to a native leading to greater happiness. The ascendant is always the most beneficial house and its lord the most helpful planet, which guides and assists the native in all walks of life. The houses constituting Dharma Trikon reveal many special features of the native's destiny through his sojourn during the present incarnation. As per classics, there are four goals of human life, Dharma, Artha, Kaam & Moksha. Classics have extolled Dharma & Moksha and looked down Artha & Kaam. But Materialistic world of today has just the opposite view. Corresponding to the four goals are the four Trikones in any chart. All the four trikones have their Apex in a Kendra house, which indicates the involvement of the native in immediate / everyday life. There is no denying the prominence of Dharma Trikon, but to ignore the other three will be a Himalayan blunder. In fact all the four Trikones are dependent on Artha Trikon for sustenance and all the progress, we see around us, originates and get accomplished in Kaam Trikon.

The Diary of Manu Gandhi 2019-08-20 Manu Gandhi, M.K. Gandhi's grand-niece, joined him in 1943 at the age of fifteen. An aide to Gandhi's ailing wife Kasturba in the Aga Khan Palace prison in Pune, Manu remained with him until his assassination. She was a partner in his final yajna, an experiment in Brahmacharya, and his invocation of Rama at the moment of his death. Spanning two volumes, *The Diary of Manu Gandhi* is a record of her life and times with M.K. Gandhi between 1943 and 1948. Authenticated by Gandhi himself, the meticulous and intimate entries in the diary throw light on Gandhi's life as a prisoner and his endeavour to establish the possibility of collective non-violence. They also offer a glimpse into his ideological conflicts, his efforts to find his voice, and his lonely pilgrimage to Noakhali during the riots of 1946. The first volume (1943-44) chronicles the spiritual and educational pursuits of an adolescent woman who takes up writing as a mode of self-examination. The author shares a moving portrait of Kasturba Gandhi's illness and death and also unravels the deep emotional bond she develops with Gandhi, whom she calls her 'mother'.

From the Beginning of Time Ganesh Swaminathan 2020-10-13 The Puranas, as suggested by their name, describe events deep in the earth's past. Finding a complete cosmology in the ancient Puranic texts that is mostly aligned to the view of cutting-edge science is almost incredible. This book attempts to do so - through an exploratory analysis. The narrative is pieced together by exploring familiar stories from the Puranas in great depth. In the well-known story of the Descent of Ganga, the extra-terrestrial origin of Earth's waters has been described in amazing detail. The story of the birth of the Sun God Martanda bears a striking resemblance to the origin of the sun. The Churning of the Milk Ocean recounts the re-appearance of the Moon. The book delves into many such stories along with external evidence to come up with a compelling chronicle of our Universe. The book shows the Puranic texts in a fascinating new light. It also serves as a primer to the general interest reader by tackling some of the questions that modern science is grappling with in its study of the cosmos.

McDonaldisation, Masala McGospel and Om Economics Jonathan D James 2010-09-09 This book looks at religion in a transnational and global context and presents a systematic account of the methods undertaken by modern day missionaries to convert people. The author seeks to understand the outworking of the American phenomenon of televangelism in India, in a new historical, cultural, religious, political and economic setting. He likens global televangelism to 'McDonaldisation', because of its standardised, 'one size fits all' approach. 'Glocal' televangelism-the fusion of the American and Indian evangelism-is referred to as 'Masala McGospel' because of the overwhelming presence of the global, American grammar and logic in the presentation and style of these programmes in India. The author then goes on to show how a disjunction is being created in Hindu televangelism because of such blending of American techniques with the holiness of ancient scriptures, making them subservient to the modern day aspirations of globalisation and consumerism.

Militant and Migrant Radhika Chopra 2012-03-12 This book is a study of the transformations in Punjab created by biotechnological revolutions, economic restructuring, persistent migrations, and political upheaval in the late 20th century. The sacred centre at Amritsar, the transnational settlement of Southall and a Doaba village form the terrain for this — three sites that can be seen as metonymic spaces of identity that transcend geographic boundaries, and form the structure of this book. Relations between the rural, the sacred and the transnational, fostered through migration, marriage and material exchange, existed well before 1984. After 1984, however, and through the violent decades of the militancy period, these three locations became connected via the circulation of political ideologies, violent deaths, financial aid, a sense of disaffection, and the migration of men. Analysis of the linkages between transnational migration and religious revival is a key theme of this study. Conversely, the enhanced engagements of the diaspora with homeland politics became a source of support and created sanctuary spaces for political asylum seekers and transnational migrant labour. Re-analysing existing material and drawing on fieldwork-based interviews, as well as local history archives, the book presents a different framework to analyse the politics and social history of Punjab.

Meditations on Sri Jayadeva's Gita Govinda Sudarshan R Iyengar 2021-05-31 This book is an attempt to explore the metaphorical aspect of the original work of Sri Jayadeva's Gita Govinda. Gita Govinda is an overtly misunderstood epic love poem depicting intense emotional exchanges between Radha and Krishna mediated by Radha's confidante - Sakhi. As one unravels the apparent emotions of love, elation, anxiety, depression, lack of trust etc. one sees hidden layers, revealing deeper spiritual processes in the life of a sincere seeker. The Meditations in this book are an attempt to present that esoteric journey of a sadhaka, his relationship with his Lord and the role of a Guru, as seen through the eyes of the epic work.

Rajaji Rajmohan Gandhi 2010-10-14 The definitive biography of free India's first Head of State Chakravarti Rajagopalachari (1878-1972), popularly called C.R. or Rajaji, is usually remembered as free India's Governor-General, or the first Indian Head of State. At one time considered Gandhi's heir, this brilliant lawyer from Salem was regarded in pre-independence years as one of the top five leaders of the Congress along with Nehru, Prasad, Patel and Azad. This biography written by Rajaji's grandson, the noted historian and biographer Rajmohan Gandhi, highlights Rajaji's role in the events preceding Partition. A statesman and conciliator of conflicts between stalwarts, he was perhaps the sole Congress leader in the forties to admit to the likelihood of Partition. He prophesied even then that Pakistan might break up in twenty-five years! Later, C.R. became a strident critic of Nehru and the Congress. As a founder of the Swatantra party in the fifties, he attacked the 'permit-license Raj' fearing its potential for corruption and stagnation, even while the tide was in favour of Nehru's socialistic pattern. Meticulously researched, using C.R.'s private papers, his contemporaries' archives, extensive interviews with eyewitnesses and contemporary accounts and newspapers, this intensely personal, yet objective account gives us an unparalleled portrait of one of the outstanding Indians of this century.

Anandamayi Richard Lannoy 1996 Anandamayi was a simple country girl from a remote village on the easternmost border of India who became a personality of the highest spiritual distinction. Like her great predecessor, Shankaracharya, she encompassed all castes, faiths and creeds on a journey which took her to all four extremities of the Indian subcontinent. Drawing extensively on her own words and advice to followers, Richard Lannoy reveals a personality at once both breathtakingly simple and an enigma of fathomless complexity. His high-speed action photography captures her essence while his text recounts her dramatic spiritual metamorphosis from youthful ecstatic to venerable sage.

Kabir Says David Masterman 2020-06-05 Kabir was a 15th century Indian spiritual master who left a legacy of extraordinary poems which continue to capture the imagination of a diverse audience today. The poems downplay the importance of ritual and austerity, and teach that God is not confined to centers of worship or places of pilgrimage but found everywhere in creation. Most importantly, God is within us and this is where we must meet him. Kabir elevates us into the realm of the spirit - a world of beauty, majesty, even romance, where the relationship between lovers is a recurring metaphor for our relationship to the divine.For the last century, Rabindranath Tagore's classic translation, "Songs of Kabir," has been the standard, but over the years it has suffered the ravages of time. In "Kabir Says," David Masterman has reworked Tagore's translation and breathed new life into it for the 21st century reader.

Annihilation of Caste B.R. Ambedkar 2014-10-07 "What the Communist Manifesto is to the capitalist world, Annihilation of Caste is to India." —Anand Teltumbde, author of *The Persistence of Caste* B.R. Ambedkar's *Annihilation of Caste* is one of the most important, yet neglected, works of political writing from India. Written in 1936, it is an audacious denunciation of Hinduism and its caste system. Ambedkar – a figure like W.E.B. Du Bois – offers a scholarly critique of Hindu scriptures, scriptures that sanction a rigidly hierarchical and iniquitous social system. The world's best-known Hindu, Mahatma Gandhi, responded publicly to the provocation. The hatchet was never buried. Arundhati Roy introduces this extensively annotated edition of *Annihilation of Caste* in "The Doctor and the Saint," examining the persistence of caste in modern India, and how the conflict between Ambedkar and Gandhi continues to resonate. Roy takes us to the beginning of Gandhi's political career in South Africa, where his views on race, caste and imperialism were shaped. She tracks Ambedkar's emergence as a major political figure in the national movement, and shows how his scholarship and intelligence illuminated a political struggle beset by sectarianism and obscurantism. Roy breathes new life into Ambedkar's anti-caste utopia, and says that without a Dalit revolution, India will continue to be hobbled by systemic inequality.

Sanathana Sarathi English Volume 05 (2000 to 2010) Sri Sathya Sai Media Centre 2022-11-11 Started in 1958, *Sanathana Sarathi* is a monthly magazine devoted to Sathya (Truth), Dharma (Righteousness), Shanti (Peace) and Prema (Love) - the four cardinal principles of Bhagawan Baba's philosophy. It is published from Prasanthi Nilayam (the Abode of Highest Peace) and acts as a mouthpiece of Baba's Ashram as it speaks of the important events that take place in His sacred Abode, besides carrying Divine Messages conveyed through Divine Discourses of Bhagawan Sri Sathya Sai Baba. The word meaning of *Sanathana Sarathi* is the 'Eternal Charioteer'. It signifies the presence of the Lord in every being as the atma guiding their lives like a charioteer. It implies that he who places his life, the body being likened to a chariot, in an attitude of surrender in the hands of the Lord, will be taken care of by the Lord even as a charioteer would take the occupant of his chariot safely to its destination. The magazine is an instrument

to disseminate spiritual knowledge for the moral, physical and mental uplift of humanity without any discrimination as the subject matter discussed therein is always of common interest and of universal appeal. The fifteen Vahinis - streams of sacredness - known as the Vahini Series comprising annotation and interpretation of the Upanishads and other scriptures, Itihasas like the Ramayana, the Bhagavatha and the Mahabharata, and authentic explanations on Dhyana, Dharma, Prema, etc., have been serially published in this magazine as and when they emanated from the Divine pen of Bhagawan Baba. This magazine is published in almost all Indian languages, English and Telugu from Prasanthi Nilayam and others from respective regions. Every year Sanathana Sarathi comes out with a special issue in November commemorating the Divine Birthday. The English and Telugu magazines are posted on the 10th and 23rd respectively, of every month, from Prasanthi Nilayam. This magazine has wide, ever increasing circulation in India as well as abroad, as the study of it brings the reader closer to the philosophy of the Avatar in simple understandable language THUS SPAKE SAI... Discoursing during the launch of Sanathana Sarathi... From this day, our Sanathana Sarathi will lead to victory the cohorts of truth - the Vedas, the Sastras and similar scriptures of all faiths, against the forces of the ego such as injustice, falsehood, immorality and cruelty. This is the reason why it has emerged. This Sarathi will fight in order to establish world prosperity. It is bound to sound the paean of triumph when universal Ananda is achieved.
