The Works of Christina Rossetti Christina Georgina Rossetti 1995 "Christina Rossetti is widely regarded as the most considerable woman poet in England before the twentieth century. No reading of nineteenth century poetry can be complete without attention to this prolific and popular poet. Rossetti's inner life dominates her poetry, exploring loss and unattainable hope. Her divine poems have a freshness and toughness of thought, while many of her love poems are erotic, and as often express love for women as for men. The carried threads of Rossetti's concern are drawn together in what is perhaps her greatest poem, the strange and ambiguous Goblin Market." -- Wordsworth Poetry Library.

Christina Rossetti Susan Owens 2018-02-27 The first art book to explore Rossetti's art and poetry together, including her own artworks, illustrations to her writing, and art inspired by her *Christina Rossetti (1830-1894)* is among the greatest of English Victorian poets. The intensity of her vision, her colloquial style, and the lyrical quality of her verse still speak powerfully to us today, while her striking imagery has always inspired artists. Rossetti lived in an exceptionally visual environment: her brother, Dante Gabriel Rossetti, was the leading member of the avant-garde Pre-Raphaelite Brotherhood, and she became a favorite model for the group. She sat for the face of Christ in William Holman Hunt's *The Light of the World*, while both John Everett Millais and Frederick Sandys illustrated her poetry. Later on, the pioneering photographer Julia Margaret Cameron and the great Belgian Symbolist Fernand Khnopff were inspired by Rossetti's enigmatic verses. This engaging book explores the full artistic context of Rossetti's life and poetry: her own complicated attitude to pictures; the many portraits of her by artists, including her brother, John Brett, and Lewis Carroll; her own intriguing and virtually unknown drawings; and the wealth of visual images inspired by her words.

Goblin Market - Illustrated by Arthur Rackham Christina Georgina Rossetti 2013-04-16 'Goblin Market' (composed in 1859 and published in 1862) is a narrative poem by Christina Rossetti. Rossetti (1830 – 1894) was an English poet who wrote a large variety of romantic, devotional and children's poems. 'Goblin Market' is a work with a particularly curious history – it has features of remarkably sexual imagery – yet Rossetti often stated that the poem was intended for children, and indeed, wrote many other nursery tales. It essentially revolves around two close sisters; Laura and Lizzie, as well as the goblins to whom the title refers. The edition of 'Goblin Market' is also accompanied by a series of dazzling colour illustrations by Arthur Rackham (1867-1939). One of the most celebrated painters of the British Golden Age of Illustration (which encompassed the years from 1850 until the start of the First World War), Rackham's artistry is quite simply, unparalleled. Throughout his career, he developed a unique style, combining haunting humour with dream-like romance. Presented alongside the text, his illustrations further refine and elucidate Rossetti's masterful poetry. Pook Press celebrates the great 'Golden Age of Illustration' in children's literature – a period of unparalleled excellence in book illustration. We publish rare and vintage Golden Age illustrated books, in high-quality colour editions, so that the masterful artwork and story-telling can continue to delight both young and old.

The Complete Poems of Christina Rossetti Christina Rossetti 1986-02-01 Born in 1830, Christina Rossetti began composing verse at the age of eleven and continued to write for the remaining fifty-three years of her life. Her brother Dante Gabriel Rossetti, himself a poet and painter, soon recognized her genius and urged her to publish her poems. By the time of her death in 1894, Christina had written more than eleven hundred poems and had published over nine hundred

of them. Although she is regarded as the greatest woman poet of the Victorian period, there has not been until now an authoritative edition of her poetry. In this second volume of the three-volume *The Complete Poems of Christina Rossetti*, R.W. Crump continues the editorial standards she established in Volume I, published in 1979. She gives the reader a comprehensive text with notes revealing Christina's process of composition and revision and her painstaking concern for the technical details of her work. The variant readings in the notes are taken from extant manuscripts, individual poems as published or privately printed before being incorporated into her published collections, and all the English and American editions of her poems through William Michael Rossetti's *The Poetical Works of Christina Georgina Rossetti* (1904). A special feature of both Volumes I and II is a complete list of holographs and their locations. Volume II contains *Sing-Song: A Nursery Rhyme Book* (1872), *A Pageant and Other Poems* (1881), and *Verses* (1893), as well as the poems added to these volumes after their original publication. Volume III contains poems Christina published but did not include in any of her collections as well as poems that have not previously appeared in print.

Avedon Norma Stevens 2017-11-21 An intimate biography of Richard Avedon, the legendary fashion and portrait photographer who "helped define America's image of style, beauty and culture" (*The New York Times*), by his longtime collaborator and business partner Norma Stevens and award-winning author Steven M. L. Aronson. Richard Avedon was arguably the world's most famous photographer—as artistically influential as he was commercially successful. Over six richly productive decades, he created landmark advertising campaigns, iconic fashion photographs (as the star photographer for Harper's Bazaar and then Vogue), groundbreaking books, and unforgettable portraits of everyone who was anyone. He also went on the road to find and photograph remarkable uncelebrated faces, with an eye toward constructing a grand composite picture of America. Avedon dazzled even his most dazzling subjects. He possessed a mystique so unique it was itself a kind of genius—everyone fell under his spell. But the Richard Avedon the world saw was perhaps his greatest creation: he relentlessly curated his reputation and controlled his image, managing to remain, for all his exposure, among the most private of celebrities. No one knew him better than did Norma Stevens, who for thirty years was his business partner and closest confidant. In *Avedon: Something Personal*—equal parts memoir, biography, and oral history, including an intimate portrait of the legendary Avedon studio—Stevens and co-author Steven M. L. Aronson masterfully trace Avedon's life from his birth to his death, in 2004, at the age of eighty-one, while at work in Texas for *The New Yorker* (whose first-ever staff photographer he had become in 1992). The book contains startlingly candid reminiscences by Mike Nichols, Calvin Klein, Claude Picasso, Renata Adler, Brooke Shields, David Remnick, Naomi Campbell, Twyla Tharp, Jerry Hall, Mikhail Baryshnikov, Bruce Weber, Cindy Crawford, Donatella Versace, Jann Wenner, and Isabella Rossellini, among dozens of others. *Avedon: Something Personal* is the confiding, compelling full story of a man who for half a century was an

enormous influence on both high and popular culture, on both fashion and art—to this day he remains the only artist to have had not one but two retrospectives at the Metropolitan Museum of Art during his lifetime. Not unlike Richard Avedon's own defining portraits, the book delivers the person beneath the surface, with all his contradictions and complexities, and in all his touching humanity.

The Pearl John Steinbeck 2001 This moving parable of wealth and the evil it can bring is based on a Mexican folktale. The simple life of Kino, a pearl fisher, changes for ever when he finds a great pearl, a pearl as large as a seagull's egg. The story is of the finding of the pearl, the dreams it represents and its loss. The Pre-Raphaelites: From Rossetti to Ruskin Dinah Roe 2010-07-01 The Pre-Raphaelite Movement began in 1848, and experienced its heyday in the 1860s and 1870s. Influenced by the then little-known Keats and Blake, as well as Wordsworth, Shelley and Coleridge, Pre-Raphaelite poetry 'etherialized sensation' (in the words of Antony Harrison), and popularized the notion of 'art pour l'art' - art for art's sake. Where Victorian realist novels explored the grit and grime of the Industrial Revolution, Pre-Raphaelite poems

concentrated on more abstract themes of romantic love, artistic inspiration and sexuality. Later they attracted Aesthetes and Decadents like Oscar Wilde, Aubrey Beardsley and Ernest Dowson, not to mention Gerard Manley Hopkins and W.B. Yeats.
