Lake Biwa: Interactions between Nature and People Hiroya Kawanabe 2012-05-24 This book focuses on the long-term interactions between people and nature in and around Lake Biwa, one of the oldest lakes in the world. Accordingly, it not only covers the characteristics of the biota of this ancient lake, but also approaches it as a 'cultural ancient lake.' Furthermore, various problems affecting the lake, especially recent environmental changes that occurred before and after Japan's rapid economic growth of the 1950s and 60s, are reviewed, including water pollution, lakeshore development and the reclamation of attached lakes, alien and invasive species, and problems related to the recent warming of the climate. Lastly, by analyzing data on these problems collected by the local government and residents of the lake basin, the book provides a comprehensive outlook on the future of Lake Biwa and people's lifestyles. As such, it provides indispensable information for all people engaged in improving and conserving water regimes around the world, as well as people interested in the culture and history of Japan.

And finally, Bride's mother herself, Sweetness, who takes a lifetime to come to understand that "what you do to children matters. And they might never forget."

God Made All of Me Justin Holcomb 2015-08-21 God Made All of Me by Justin and Lindsey Holcomb is an invaluable resource and beautifully illustrated story to help families talk about sensitive issues with two- to eight-year-old children. Because the private parts of our bodies are private, home is the ideal environment for a child to learn about his or her body and how it should be treated by others—without conveying a message of shame. Through carefully written language and relatable storytelling, God Made All of Me helps parents navigate discussion that can so easily be warped into confusion, embarrassment, and secrecy. Instead of instilling a message that their bodies are shameful—which can often prevent children from recognizing and reporting sexual abuse—Justin and Lindsey Holcomb equip parents to build a first line of defense against sexual abuse in the safety of their own homes. This helpful guide starts from the fundamental truth that God created everything and applies that truth—the doctrine of creation—to kids and their bodies. With the help of God Made All of Me, parents and caregivers can begin conversations with boys and girls about their bodies, helping kids understand the difference between the appropriate and inappropriate touch of others. This life-changing resource shows readers how to establish the foundation for a healthy bond with their children to meet increasing challenges of sexuality, which they will inevitably confront in childhood and adolescence. By teaching their children how to establish body and health boundaries, parents are imparting invaluable skills for their kids to express thoughts and feelings. God Made All of Me is the first children's book written by Rid of My Disgrace authors, Justin and Lindsey Holcomb. Parents of young children themselves, the Holcombs are profoundly aware of the dangers kids face, and they regularly counsel victims of sexual abuse. Explore God Made All of Me and find encouragement, clear guidance, and the tools necessary to facilitate open conversations about how your children can protect their bodies, an important step in keeping them as safe as possible.

The Color of Water James McBride 2006-02-07 From the bestselling author of Deacon King Kong and the National Book Award-winning *The Good Lord Bird*: The modern classic that spent more than two years on The New York Times bestseller list and that Oprah.com calls one of the best memoirs of a generation. Who is Ruth McBride Jordan? A self-declared "light-skinned" woman evasive about her ethnicity, yet steadfast in her love for her twelve black children. James McBride, journalist, musician, and son, explores his mother's past, as well as his own upbringing and heritage, in a poignant and powerful debut, *The Color Of Water: A Black Man's Tribute to His White Mother*. The son of a black minister and a woman who would not admit she was white, James McBride grew up in "orchestrated chaos" with his eleven siblings in the poor, all-black projects of Red Hook, Brooklyn. "Mommy," a fiercely protective woman with "dark eyes full of pep and fire," herded her brood to Manhattan's free cultural events, sent them off on buses to the best (and mainly Jewish) schools, demanded good grades, and commanded respect. As a young man, McBride saw his mother as a source of embarrassment, worry, and confusion—and reached thirty before he began to discover the truth about her early life and long-buried pain. In *The Color of Water*, McBride retraces his mother's footsteps and, through her searing and spirited voice, recreates her remarkable story. The daughter of a failed itinerant Orthodox rabbi, she was born Rachel Shilsky (actually Ruchel Dwara Zylska) in Poland on April 1, 1921. Fleeing pogroms, her family emigrated to America and ultimately settled in Suffolk, Virginia, a small town where anti-Semitism and racial tensions ran high. With candor and immediacy, Ruth describes her parents' loveless marriage; her fragile, handicapped mother;

her cruel, sexually-abusive father; and the rest of the family and life she abandoned. At seventeen, after fleeing Virginia and settling in New York City, Ruth married a black minister and founded the all- black New Brown Memorial Baptist Church in her Red Hook living room. "God is the color of water," Ruth McBride taught her children, firmly convinced that life's blessings and life's values transcend race. Twice widowed, and continually confronting overwhelming adversity and racism, Ruth's determination, drive and discipline saw her dozen children through college—and most through graduate school. At age 65, she herself received a degree in social work from Temple University. Interspersed throughout his mother's compelling narrative, McBride shares candid recollections of his own experiences as a mixed-race child of poverty, his flirtations with drugs and violence, and his eventual self- realization and professional success. *The Color of Water* touches readers of all colors as a vivid portrait of growing up, a haunting meditation on race and identity, and a lyrical valentine to a mother from her son.
