Resident Dog (Volume Two) Nicole England 2020-10-29 As an architecture photographer, Nicole England found that the shoots she enjoyed the most were the ones where dogs were present - nothing lightens the mood like a nonchalant pup. However imposing the architecture, some doggy hijinks can immediately bring an element of sociability and fun. With this in mind, Nicole set about setting up her instagram, Resident Dog, and now this book, Resident Dog Around the World, which showcases over 25 of the world's most amazing houses, and the dogs that live there. Photographing dogs is not always straightforward, because they don't always cooperate! The result is that these images end up with a looser, more spontaneous style. Just as every home is different, so is every dog. The photographs showcase incredible, amazing architecture and capture the personality of the idiosyncratic personality of each canine. Take a wander around the world's most stunning homes, from Mexico to Sydney, London, New York and LA, with the home pooch as your tour guide. Each home will feature several photographs, and an interview with the architect or home owner.

[Canine Enrichment for the Real World](#) Allie Bender 2019-11-08 In the world of dogs, there is now more awareness than ever of the need to provide enrichment, especially in shelters. But what exactly is

enrichment? The concept is pretty straightforward: learn what your dog's needs are, and then structure an environment and routine that allows them to engage in behaviors they find enriching. To truly enrich your dog's life, you should offer them opportunities to engage in natural or instinctual behaviors. Aside from the limitations we have to place on a dog in today's modern, busy world, the biggest constraint to enriching your dog's life is your imagination! What the experts say about Canine Enrichment: Don't let the word "enrichment" in the title fool you into thinking that the scope of this book is too narrow or not something you will find valuable. It focuses comprehensively on meeting your dog's needs and is written in a holistic, science-based, practical, straightforward, and easy-to-understand way. I love this book! Ken Ramirez, author of *Animal Training: Successful Animal Management Through Positive Reinforcement* Canine Enrichment is a deep dive into what dogs really need and how we can provide it. It's a great book for dog lovers who want to go beyond the standard superficialities of "dogs need exercise." Just the chapter on agency is worth the price of the book! Patricia McConnell, Ph.D., CAAB Emeritus, author of *The Other End of the Leash* and *The Education of Will* The scope of this book is ambitious and the authors deliver, navigating the subject of enrichment with depth and relevance. Caregivers will gain critically important perspectives and practical information to improve the lives of their animals. Susan G. Friedman, Ph.D., Professor Emeritus, Utah State University, and founder of Behavior Works, LLC

The Rise of Wolf 8 Rick McIntyre 2019-10-15 "The powerful origin story of one of Yellowstone's greatest and most famous wolves." —Washington Post "[The Rise of Wolf 8] is a goldmine for information on all aspects of wolf behavior and clearly shows they are clever, smart, and emotional beings." —Psychology Today Yellowstone National Park was once home to an abundance of wild wolves—but park rangers killed the last of their kind in the 1920s. Decades later, the rangers brought them back, with the first wolves arriving from Canada in 1995. This is the incredible true story of one of those wolves. Wolf 8 struggles at first—he is smaller than the other pups, and often bullied—but soon he bonds with an alpha female whose mate was shot. An unusually young alpha male, barely a teenager in human years, Wolf 8 rises to the occasion, hunting skillfully, and even defending his family from the wolf who killed his father. But soon he faces a new opponent: his adopted son, who mates with a violent alpha female. Can Wolf 8 protect his valley without harming his protégé? Authored by a renowned wolf researcher and gifted storyteller, *The Rise of Wolf 8* marks the beginning of *The Alpha Wolves of Yellowstone* series, which will transform our view of wolves forever.

A Woven World Alison Hawthorne Deming 2021-08-24 Part memoir, part cultural history, A Woven World celebrates the fading crafts, industries, and artisans that have defined communities for generations. The desire to create is the cornerstone of civilization. But as we move into a world where machine manufacturing has nearly usurped craft, Alison Hawthorne Deming resists the erasure of our shared history of handiwork with this appeal for embracing continuity and belonging in a time of destabilizing change. Sensing a need to preserve the crafts and stories of our founding communities, and inspired by an exhibit at the Metropolitan Museum of Art's Costume Institute featuring Yves St. Laurent's "sardine" dress, Deming turned to the industries of her ancestors, both the dressmakers and designers in Manhattan in the nineteenth century and the fishermen on Grand Manan Island, a community of 2,500 residents, where the dignity of work and the bounty of the sea ruled for hundreds of years. Reweaving the fabric of those lives, A Woven World gives presence on the page to the people, places, and practices, uncovering and preserving a record of the ingenuity and dignity that comes with such work. In this way the lament becomes a song of praise and a testament to the beauty and fragility of human making.

Three Dads and a Baby Ian Jenkins, MD 2021-03-09 As a closeted teen, Ian wondered if he would ever fall in love or be able to live openly with a male partner. Years later, he had not one but two partners in a polyamorous throuple, and the support of family, friends, and coworkers. But something was still missing. Spurred by a friend's donation of two embryos, Ian, Alan, and Jeremy embarked on a sometimes hilarious, sometimes tearful quest to become parents. Along the way, they faced IVF failures, the threat of Zika virus, a battle at their clinic that forced them into an urgent hunt for a new doctor, pregnancy-threatening bleeds, costly legal battles, and a reluctant superior court judge. Ultimately the grace of women—embryo donors, their egg donor, their surrogate, even a surprise milk donor—allowed them to complete their family with one perfect girl. And in fighting for their family, they became the first polyamorous family ever named as the legal parents of a child.

The Rescuer Jason Sautel 2020-09-01 He helped save people every day—but he had no idea how to save himself. Jason Sautel had it all. Confident in his abilities and trusted by his fellow firefighters, he was making a name for himself on the streets of Oakland, California. His adrenaline-fueled job even helped him forget the pain of his childhood—until the day he looked into the eyes of a jumper on the Bay Bridge and came face to face with a darkness he knew would take him down as well. In the following months, a series of traumatic emergency calls—some successful, others impossible-to-forget failures—drove Jason deeper into depression. Even as he continued his lifesaving work, he realized he could never rescue everyone, and he had no idea how to save himself. In the end, Jason was forced to confront the truth: only the relentless power of love could pull him back from his own deadly fall. Action-packed, spiritually honest, and surprisingly romantic, *The Rescuer* transports readers inside the pulse-pounding world of firefighting and into the heart of a man who needed to be broken before he could finally be made whole.

With Posey's memorable, hilarious, and poignant voice, her book gives the reader a feeling of traveling through not only a memoir, but an exploration, meditation, and celebration of what it means to be an artist. Buckle up and enjoy the journey.

The Redemption of Wolf 302 Rick McIntyre 2021-10-19 From the renowned wolf researcher and author of *The Rise of Wolf 8* and *The Reign of Wolf 21* comes a stunning account of an unconventional alpha male. A lover, not a fighter. That was wolf 302. A renegade with an eye for the ladies, 302 was anything but Yellowstone's perfect alpha male. For starters, he fled from danger. He begged for food from other wolves, ditched females he'd gotten pregnant, and even napped during a heated battle with a rival pack! But this is not the story of 302's failures. This is the story of his dramatic transformation. And legendary wolf writer Rick McIntyre witnessed it all from the sidelines. As McIntyre closely observed with his spotting scope, wolf 302 began to mature, and, much to McIntyre's surprise, became the leader of a

new pack in his old age. But in a year when game was scarce, could the aging wolf provide for his family? Had he changed enough to live up to the legacies of the great alpha males before him? Recounted in McIntyre's captivating storytelling voice and peppered with fascinating insights into wolf behavior, *The Redemption of Wolf 302* is a powerful coming-of-age tale that will strike a chord with anyone who has struggled to make a change, big or small. "With this third installment of Rick McIntyre's magnum opus, the scope and ambition of the project becomes clear: nothing less than a grand serialization of the first twenty years of wolves in Yellowstone, a kind of lupine *Great Expectations*."—Nate Blakeslee, New York Times bestselling author of *American Wolf*

The Dogist Elias Weiss Friedman 2015-01-01 When Friedman moved to New York City, he missed the dogs that had surrounded him growing up. He began photographing dogs on the street, and posting them on his blog, *The Dogist*. Whether because of the look in a dog's eyes, its innate beauty, or even the clothes its owner has dressed it in, every portrait in this book tells a story and explores the dog's distinct character and spirit.

Hole in the Middle Kendra Fortmeyer 2018-09-04 For every reader who grew up loving R.J. Palacio's *Wonder* comes a hilarious, heartbreaking, and magical YA debut about what it means to accept the body you're given. What if the empty space was what made you whole? Morgan Stone was born with a hole in her middle: a perfectly smooth, sealed, fist-sized chunk of nothing near her belly button. After seventeen years of hiding behind lumpy sweaters and a smart mouth, she decides to bare all. At first she feels liberated . . . until a few online photos snowball into a media frenzy. Now Morgan is desperate to return to her own strange version of normal—when only her doctors, her divorced parents, and her best friend, Caro, knew the truth. Then a new doctor appears with a boy who may be both Morgan's cure and her destiny. But what happens when you meet the person who is—literally—your perfect match? Is being

whole really all it's cracked up to be?

Of Wolves and Men Barry Lopez 2016-05-31 National Book Award Finalist: A “brilliant” study of the science and mythology of the wolf by the New York Times–bestselling author of *Arctic Dreams* (The Washington Post). When John Fowles reviewed *Of Wolves and Men*, he called it “A remarkable book, both biologically absorbing and humanly rich, and one that should be read by every concerned American.” In this National Book Award–shortlisted work, literary master Barry Lopez guides us through the world of the wolf and our often-mistaken perceptions of another species’ place on our shared planet. Throughout the centuries, the wolf has been a figure of fascination and mystery, and a major motif in literature and myth. Inspiring fear and respect, the creature has long exerted a powerful influence on the human imagination. *Of Wolves and Men* takes the reader into the world of the *Canis lupus* and its relationship to humankind through the ages. Lopez draws on science, history, mythology, and his own field research to present a compelling portrait of wolves both real and imagined, dispelling our fear of them while celebrating their place in our history, legends, and hearts. This ebook features an illustrated biography of Barry Lopez including rare images and never-before-seen documents from the author’s personal collection.

25 Days of the Christmas Story Josh Straub 2020-10-13 This December, spend a few moments of each day leading up to Christmas helping your family focus on the true joys and meaning of Advent with 25 Days of the Christmas Story: An Advent Family Experience. This is a devotional perfect for families of all shapes, sizes, and schedules. Each of the 25 days highlights a different person, place, or object from the Christmas story—from the prophet Isaiah to Baby Jesus, from the Christmas star to the gift of frankincense. All devotions include an easy-to-read story, character trait, activity, and more—each designed to reinforce the main theme of the day. Your family can choose simply to read each day's story or to go deeper and engage with each day's features. Either way, parents and children are sure to learn and celebrate the season of Advent together while having fun in the process! A true heirloom in the making, the book includes pages in the back where parents and kids can record memories of each day's activities and write journal entries to look back on year after year, Christmas after Christmas. Goldendoodles: The Owners Guide from Puppy to Old Age Alan Kenworthy 2015-02-05 Goldendoodles - The Owners Guide from Puppy to Old Age is a must-have book for any responsible Goldendoodle dog owner. Expert dog whisperer and trainer, Alan Kenworthy, writes in a fun and entertaining way about Goldendoodles while packing the book full of useful hints and tips. In addition, 23 expert Goldendoodle breeders were actively involved in making contributions, including two in-depth breeder interviews packed with advice and tips from two of the founders of the Goldendoodle Association of North America (GANA). Just some of the subjects covered include: origins and history of the Goldendoodle, different types such as the miniature (mini) Goldendoodle, colors, buying a dog or puppy, male or female, rescue,

adoption, breeders, personality, socialization, spaying, neutering, house/potty training, bringing your puppy home, grooming, combing, bathing, health, vaccinations, training, understanding your Goldendoodle, play and toys, what food and nutrition, old age and what to expect, and much more... "The Goldendoodle breeder where I bought my puppy suggested this book to me as a guide and reference manual. Good to see lots of breed experts were involved in the book." - Kiernon Wagstaff

Stick With Me Jennifer Blecher 2020-11-03 "Stunning."—School Library Journal (starred review) "A pitch-perfect ode to friendship."—Good Morning America An ice skater without a rink. An artist without a place to draw. Two misfit girls who become unlikely friends over the course of an unusual week. Readers of Lynda Mullaly Hunt, Rebecca Stead, and Lisa Graff will adore *Stick with Me*. Izzy's best friend seems to be ditching her for the Queen of Mean, Daphne Toll. Izzy wants to fit in and have some real friends, but all she really has are her drawings. And then her family rents out their house during winter break for some extra cash—and that family's daughter is sleeping in Izzy's room and attending the same camp! Wren is focused on perfecting her ice-skating routine after tanking at sectionals last year. But when her sister qualifies for a life-changing treatment for her epilepsy, Wren is carted off to stay in a rented home near Boston. It doesn't help that she's forced to attend the local theater camp, where it seems like the mean girls have it out for her. Will Izzy and Wren's shared status as targets of Phoebe and Daphne bring them closer? Or will middle school drama prevent them from ever becoming friends? Jennifer Blecher, the author of the acclaimed *Out of Place*, writes with a pitch-perfect ear for tween girls about the ups and downs of middle school friendships. Told from dual perspectives, *Stick with Me* is a story about fitting in and figuring yourself out.
