Beyond Bach Andrew Talle 2017-04-07 Reverence for J. S. Bach's music and its towering presence in our cultural memory have long affected how people hear his works. In his own time, however, Bach stood as just another figure among a number of composers, many of them more popular with the music-loving public. Eschewing the great composer style of music history, Andrew Talle takes us on a journey that looks at how ordinary people made music in Bach's Germany. Talle focuses in particular on the culture of keyboard playing as lived in public and private. As he ranges through a wealth of documents, instruments, diaries, account ledgers, and works of art, Talle brings a fascinating cast of characters to life. These individuals--amateur and professional performers, patrons, instrument builders, and listeners--inhabited a lost world, and Talle's deft expertise teases out the diverse roles music played in their lives and in their relationships with one another. At the same time, his nuanced recreation of keyboard playing's social milieu illuminates the era's reception of Bach's immortal works.

Nona and Me Clare Atkins 2014-09-30 Rosie and Nona are sisters. Yapas. They are also best friends. It doesn't matter that Rosie is white and Nona is Aboriginal: their family connections tie them together for life. The girls are inseparable until Nona moves away at the age of nine. By the time she returns, they're in Year 10 and things have changed. Rosie prefers to hang out in the nearby mining town, where she goes to school with the glamorous Selena and her gorgeous older brother, Nick. When a political announcement highlights divisions between the Aboriginal community and the mining town, Rosie is put in a difficult position: will she have to choose between her first love and her oldest friend? Winner, Book of the Year: 2016 NT Literary Awards Highly commended, Victorian Premier's Literary Awards for Writing for Young Adults Longlisted, 2015 Inky Awards Honour Book, 2015 Children's Book Council of Australia, Book of the Year for Older Reader Shortlisted, 2016 Territory Read Award 'A powerful coming-of-age story ... Atkins writes with clear-eyed sensitivity, and although I longed to hear Nona's voice, its absence is deliberate and effective. Nona & Me is poignant young-adult fiction invoking the complex and often overlooked realities of remote indigenous life.' —Sydney Morning Herald '[Clare Atkins] wrestles with some of this country's most hotly debated political issues with a rare lightness of touch. [Nona & Me is] a convincing portrait of a naive but feverish first love, friendships waxing and waning, and the clash between fitting in and sticking to your values. Above all, there's a warmth and optimism that's hard to resist.' —Sunday Age 'This [is a] powerful, beautifully contoured story of cross-cultural friendship.' —The Weekend Australian

Corpora in Language Teaching and Learning Yvonne Alexandra Breyer 2011 This book highlights the potential and the challenges of corpora in language education with a particular focus on the teacher's perspective. For this purpose, the study explores the relevance of the corpus approach to central paradigms underlying contemporary language education. Furthermore, a critical analysis investigates the

persisting gap between research findings and their implementation in teaching practices. As a result, key factors in advancing the popularisation of corpora in language education are identified. A survey and a case study verify this gap and, importantly, underline the pivotal role of adequate teacher education if corpus-based language teaching is to make any significant impact on current teaching practices.
