IoT based Projects Dr. Rajesh Singh 2020-02-13 Create your own IoT projects
DESCRIPTION The book has been written in such a way that the concepts are explained in detail. It is entirely based on the practical experience of the authors while undergoing projects with students and industries, giving adequate emphasis on circuits and code examples. To make the topics more comprehensive, circuit diagrams, photographs and code samples are furnished extensively throughout the book. The book is conceptualized and written in such a way that the beginner readers will find it very easy to understand and implement the circuits and programs. The objective of this book is to discuss the various projects based on the Internet of Things (IoT). KEY FEATURES Comprehensive coverage of various aspects of IoT concepts Covers various Arduino boards and shields Simple language, crystal clear approach and straight forward comprehensible presentation Adopting user-friendly style for the explanation of circuits and examples Includes basics of Raspberry Pi and related projects WHAT WILL YOU LEARN Internet of Things, IoT-Based Smart Camera, IoT-Based Dust Sampler Learn to create ESP8266-Based Wireless Web Server and Air Pollution Meter Using Raspberry Pi, Smart Garage Door, Baggage Tracker, Smart Trash Collector, Car parking system, Home Automation Windows 10 on Raspberry and know to create Wireless Video Surveillance Robot Using Raspberry Pi WHO THIS BOOK IS FOR Students pursuing BE/BSc/ME/MSc/BTech/MTech in Computer Science, Electronics, Electrical. TABLE OF CONTENTS 1. ESP8266-Based Wireless Web Server 2. Air Pollution Meter Using Raspberry Pi 3. Smart Garage Door 4. Baggage Tracker 5. Smart Trash Collector 6. Car parking system 7. Home Automation 8. Environmental Parameter Monitoring 9. Intelligent System for the Blind 10. Sign to Speech Using the IoTs 11. Windows 10 on Raspberry 12. Wireless Video Surveillance Robot Using Raspberry Pi 13. IoT-Based Smart Camera 14. IoT-Based Dust Sampler and Air Quality Monitoring System

Advance Study in the History of Modern India (Volume-2: 1803-1920) G. S. Chhabra 2005

The Sikhs Patwant Singh 2007-12-18 Five hundred years ago, Guru Nanak founded the Sikh faith in India. The Sikhs defied the caste system; rejected the authority of Hindu priests; forbade magic and idolatry; and promoted the equality of men and women -- beliefs that incurred the wrath of both Hindus and Muslims. In the centuries that followed, three of Nanak's nine successors met violent ends, and his people continued to battle hostile regimes. The conflict has raged into our own time: in 1984 the Golden Temple of Amritsar -- the holy shrine of the Sikhs--was destroyed by the Indian Army. In retaliation, Sikh bodyguards assassinated Prime Minister Indira Gandhi. Now, Patwant Singh gives us the compelling story of the Sikhs -- their origins, traditions and beliefs, and more recent history. He shows how a movement based on tenets of compassion and humaneness transformed itself, of necessity, into a community that values bravery and military prowess as well as spirituality. We learn how Gobind Singh, the tenth and last Guru, welded the Sikhs into a brotherhood, with each man bearing the surname Singh, or "Lion," and abiding by a distinctive code of dress and conduct. He tells of Banda the Brave's daring conquests, which sowed the seeds of a Sikh state, and how the enlightened ruler Ranjit Singh fulfilled this promise by founding a Sikh empire. The author examines how, through the centuries, the Sikh soldier became an exemplar of discipline and courage and explains how Sikhs -- now numbering nearly 20 million worldwide -- have come to be known for their commitment to education, their business acumen, and their enterprising spirit. Finally, Singh concludes that it would be a grave error to alienate an energetic and vital community like the Sikhs if modern India is to realize its full potential. He urges India's leaders to learn from the past and to "honour the social contract with Indians of every background and persuasion."

The Cherished Five in Sikh History Louis E. Fenech 2021 Despite the centrality of this group to modern Sikhism, scholarship on the Panj Piare has remained sparse. Louis Fenech's new book examines the Khalsa and the role that the Panj Piare have had in the development of the Sikh faith over the past three centuries.

Zafarnama Guru Gobind Singh and Navtej Sarna 2011-03-15 When all has been tried, yet Justice is not in sight, It is then right to pick up the sword, It is then right to fight. Written in exquisite Persian verse, the Zafarnama was a defiant message composed by Guru Gobind Singh, the tenth Sikh Guru, and addressed to the Mughal emperor Aurangzeb, following a series of fierce battles between the imperial forces and Sikh warriors. With wisdom and honesty, the Guru indicts the emperor for the moral and spiritual bankruptcy of his empire. These 111 stirring stanzas, which form the core of the Guru's spiritual philosophy, highlight his deep understanding of the true nature of God and Creation. In this evocative translation, Navtej Sarna brings to life the valiant voice of Guru Gobind Singh and the power of his poetic genius in a passionate disavowal of tyranny that remains ever relevant.

Sri Guru Gobind Singh Jee - A Short Biography Harjinder Singh 2017-12-14 This book is a short biography of the tenth Guru of the Sikhs - Sri Guru Gobind Singh Jee (1666 - 1708 CE). The book gives an overview of the life of the Guru, describing his inspirational teachings and mentioning geographical locations he visited.

The Tenth Master; Tributes on Tercentenary 1967

Historical Dictionary of Sikhism Louis E. Fenech 2014-06-11 Sikhism traces its

beginnings to Guru Nanak, who was born in 1469 and died in 1538 or 1539. With the life of Guru Nanak the account of the Sikh faith begins, all Sikhs acknowledging him as their founder. Sikhism has long been a little-understood religion and until recently they resided almost exclusively in northwest India. Today the total number of Sikhs is approximately twenty million worldwide. About a million live outside India, constituting a significant minority in the United Kingdom, Canada, and the United States. Many of them are highly visible, particularly the men, who wear beards and turbans, and they naturally attract attention in their new countries of domicile. This third edition of Historical Dictionary of Sikhism covers its history through a chronology, an introductory essay, and an extensive bibliography. The dictionary section has over 1000 cross-referenced entries on key persons, organizations, the principles, precepts and practices of the religion as well as the history, culture and social arrangements. This book is an excellent access point for students, researchers, and anyone wanting to know more about Sikhism.

International Bibliography of Sikh Studies Rajwant Singh Chilana 2006-01-16 The International Bibliography of Sikh Studies brings together all books, composite works, journal articles, conference proceedings, theses, dissertations, project reports, and electronic resources produced in the field of Sikh Studies until June 2004, making it the most complete and up-to-date reference work in the field today. One of the youngest religions of the world, Sikhism has progressively attracted attention on a global scale in recent decades. An increasing number of scholars is exploring the culture, history, politics, and religion of the Sikhs. The growing interest in Sikh Studies has resulted in an avalanche of literature, which is now for the first time brought together in the International Bibliography of Sikh Studies. This monumental work lists over 10,000 English-language publications under almost 30 subheadings, each representing a subfield in Sikh Studies. The Bibliography contains sections on a wide variety of subjects, such as Sikh gurus, Sikh philosophy, Sikh politics and Sikh religion. Furthermore, the encyclopedia presents an annotated survey of all major scholarly work on Sikhism, and a selective listing of electronic and web-based resources in the field. Author and subject indices are appended for the reader's convenience.

Religion, War, and Ethics Nicole M. Hartwell 2014-05-26 This volume offers a comprehensive selection of texts from the world's major religions on the ethical dimensions of war and armed conflict. Despite a considerable rise of interest in Eastern and Western religious teachings on issues of war and peace, the principal texts in which these teachings are expounded have in most cases remained inaccessible to all but a handful of specialists. This is especially true of traditions such as Islam, Buddhism, and Judaism, where the key authoritative treatments are often embedded in texts (e.g., Koranic jurisprudence, religious epics, or Talmudic commentary) that are not overtly about matters pertaining to the ethics of war, thus requiring a difficult process of interpretation and selection, and for which English translations frequently do not exist. Topical and timely for today's debates in the public arena and essential reading for students of religious ethics and the relationship between religion and politics, this book aims to give the reader a proper knowledge of the textual traditions that inform the key struggles over issues of peace and security, identity and land.

When Sparrows Became Hawks Purnima Dhavan 2011-11-02 Purnima Dhavan examines the creation of the Khalsa Sikh warrior tradition during the eighteenth century. By focusing on the experiences of long-overlooked peasant communities,

she reveals how a dynamic process of debates, collaboration, and conflict transformed Sikh practices and shaped a new martial culture.

Books Without Borders, Volume 2 R. Fraser 2008-07-10 This volume focuses on the publisher's series as a cultural formation - a material artifact and component of cultural hierarchies. Contributors engage with archival research, cultural theory, literary and bibliometric analysis (amongst a range of other approaches) to contextualize the publisher's series in terms of its cultural and economic work.

Interreligious Reflections, Six Volume Set Alon Goshen-Gottstein 2018-08-08 This set includes all six volumes of *Interreligious Reflections*. ABOUT VOLUME ONE: Friendship is an outcome of, as well as a condition for, advancing interfaith relations. However, for friendship to advance, there must be legitimation from within and a theory of how interreligious relations can be justified from the resources of different faith traditions. *Friendship Across Religions* explores these very issues, seeking to develop a robust theory of interreligious friendship from the resources of each of the participating traditions. It also features individual cases as models and precedents for such relations—in particular, the friendship of Gandhi and Charlie Andrews, his closest personal friend. Contributors: Balwant Singh Dhillon, Timothy J. Gianotti, Alon Goshen-Gottstein, Maria Reis Habito, Ruben L. F. Habito, Ryan McAnnally-Linz, Stephen Butler Murray, Eleanor Nesbitt, Anantanand Rambachan, Meir Sendor, Johann M. Vento, and Miroslav Volf ABOUT VOLUME TWO: This book tackles the core problem of how painful historical memories between diverse religious communities continue to impact—even poison—present-day relations. Its operative notion is the healing of memory, developed by John Paul II. Chapters explore how painful memories of yesteryear can be healed and so address some of the root causes. Strategies from six different faith traditions are brought together in what is, in some ways, a cross-religious brainstorming session that identifies tools to improve present-day relations. At the other pole of the conceptual axis of this book is the notion of hope. If memory informs our past, hope sets the horizon for our future. How does the healing of memory open new horizons for the future? And what is the notion of hope in each of our traditions that could lead to a common vision of good? Between memory and hope, this book seeks to offer a vision of healing that can serve as a resource in contemporary interfaith relations. Contributors: Rahuldeep Singh Gill, Alon Goshen-Gottstein, Maria Reis Habito, Flora A. Keshgegian, Anantanand Rambachan, Meir Sendor, Muhammad Suheyl Umar, and Michael von Brück ABOUT VOLUME THREE: The essays collected here, prepared by a think tank of the Elijah Interfaith Academy, explore the challenges associated with sharing wisdom—learning, teachings, messages for good living. How should religions go about sharing their wisdom? These chapters, representing six faith tradition (Jewish, Christian, Muslim, Hindu, Sikh, and Buddhist), explore what wisdom means in each of these traditions; why and how it should be shared, internally and externally; and the role of love and forgiveness in sharing. This book offers a theory that can enrich ongoing encounters between members of faith traditions by suggesting a tradition-based practice of sharing wisdom, while preserving the integrity of the teaching and respecting the identity of anyone with whom wisdom is shared. Contributors: Pal Ahluwalia, Timothy Gianotti, Alon Goshen-Gottstein, Sallie B. King, Anantanand Rambachan, Meir Sendor, Miroslav Volf ABOUT VOLUME FOUR: All the world's religions are experiencing rapid change due to a confluence of social and economic global forces. Factors such as the pervasive intrusion of globalizing political and economic developments, polarized and morally equivalent presentations seen in the media, and the sense

of surety demanded in and promised by a culture dominated by science are some of the factors that have placed extreme pressure on all religious traditions. This has stimulated unprecedented responses by religious groups, ranging from fundamentalism to the syncretistic search for meaning. As religion takes on new forms, the balance between individual and community is disrupted and reconfigured. Religions often lose the capacity to recall their ultimate purpose or lead their adherents toward it. This is the situation we call "the crisis of the holy." It is a confluence of threats, challenges, and opportunities for all religions. This volume explores the contours of pressures, changes, and transformations and reflects on how all our religions are changing. By identifying commonalities across religions as they respond to these pressures, *The Crisis of the Holy* recommends ways religious traditions might cope with these changes and how they might join forces in doing so. Contributors: Vincent J. Cornell, Alon Goshen-Gottstein, Sidney H. Griffith, Maria Reis Habito, B. Barry Levy, Deepak Sarma, Michael von Brück

ABOUT VOLUME FIVE: The chapters collected in this book, prepared by a think tank of the Elijah Interfaith Academy, address the subject of religious leadership. The subject is of broad relevance in the training of religious leaders and in the practice of religious leadership. As such, it is also germane to religious thought, where reflections on religious leadership occupy an important place. What does it mean to be a religious leader in today's world? To what degree are the challenges that confront religious leadership today the same perennial challenges that have arrested the attention of the faithful and their leaders for generations, and to what degree do we encounter challenges today that are unique to our day and age? One dimension is surely unique, and that is the very ability to explore these issues from an interreligious perspective and to consider challenges, opportunities, and strategies across religious traditions. Studying the theme across six faith traditions—Christianity, Islam, Judaism, Sikhism, Hinduism, and Buddhism—*The Future of Religious Leadership: World Religions in Conversation* recognizes the common challenges to present-day religious leadership. Contributors: Awet Andemicael, Timothy J. Gianotti, Alon Goshen-Gottstein, Anantanand Rambachan, Maria Reis Habito, Meir Sendor, Balwant Singh Dhillon, Miroslav Volf

VOLUME SIX: One of the biggest challenges for relations between religions is the view of the religious Other. The question touches the roots of our theological views. *The Religious Other: Hostility, Hospitality, and the Hope of Human Flourishing* explores the views of multiple religious traditions on how to regard otherness. How does one move from hostility to hospitality? How can hospitality be understood not simply as social hospitality but as theological hospitality, making room for the religious Other on theological grounds? What is our vision for the flourishing of the Other, while respecting his otherness? This volume is an exercise in constructive interreligious theology. By including Abrahamic and non-Abrahamic traditions, it approaches these challenges from multiple perspectives, highlighting commonalities in approach and ways in which one tradition might inspire another. Contributors: Vincent J. Cornell, Alon Goshen-Gottstein, Richard P. Hayes, Lord Rabbi Jonathan Sacks, Deepak Sarma, Stephen W. Sykes, Dharma Master Hsin Tao, Ashok Vohra

Guru Gobind Singh Mala Singh 1972

Previous Solved Papers & Practice Book YCT Expert Team 2022-23 RRB NTPC) II-Stage Previous Solved Papers & Practice Book

The Muslim Diaspora (Volume 2, 1500-1799) Everett Jenkins, Jr. 2010-11-12 This second volume details the continued spread of Muslim culture and peoples during

the sixteenth, seventeenth and eighteenth centuries, a period that saw the height of the powerful Ottoman, Safavid and Mughal empires, followed by their precipitous decline. The contributions of Muslims to the development of Western civilization continue to be highlighted in this chronology, most notably the impact of the Ottoman Empire on Western art and literature and its role in creating an environment in which the Protestant Reformation could take root. This volume reveals the interconnectedness of the Muslim, Jewish, African and European diasporas during this period.

Finding God Among our Neighbors, Volume 2 Kristin Johnston Largen 2017-02-01 For too many students, Christian theology is learned in isolation from other religions traditions. With this, the second volume of her important work, Kristin Johnston Largen returns to expand the systematic theology she began in the original volume. Largen places the work of Christian theology soundly within the interreligious dialogue that is the defining feature of our time. In doing so, she prepares students of theology for the task of understanding and articulating their Christian beliefs in the context of a religiously and culturally diverse world. In the original volume, Largen focused her work on three loci—God, Creation, and Humanity. In this second volume she expands the project to include salvation, the Church, and the Holy Spirit. As before, each locus is set within the broader context of interreligious dialogue by considering how the varied beliefs of the world's religious traditions inform our understanding of our own tradition. This volume explores indigenous religions, Sikhism, Confucianism, and Daoism, in particular.

The Sikh Zafar-namah of Guru Gobind Singh Louis E. Fenech 2013 Louis E. Fenech offers a compelling new examination of one of the only Persian compositions attributed to the tenth Sikh Guru, Guru Gobind Singh (1666-1708): the Zafar-namah or 'Epistle of Victory.' Written as a masnavi, a Persian poem, this letter was originally sent to the Mughal emperor Aurangzeb (d. 1707) rebuking his most unbecoming conduct. Incredibly, Guru Gobind Singh's letter is included today within the Sikh canon, one of only a very small handful of Persian-language texts granted the status of Sikh scripture. As such, its contents are sung on special Sikh occasions. Perhaps equally surprising is the fact that the letter appears in the tenth Guru's book or the Dasam Granth in the standard Gurmukhi script (in which Punjabi is written) but retains its original Persian language, a vernacular few Sikhs know. Drawing out the letter's direct and subtle references to the Iranian national epic, the Shah-namah, and to Shaikh Sa'di's thirteenth-century Bustan, Fenech demonstrates how this letter served as a form of Indo-Islamic verbal warfare, ensuring the tenth Guru's moral and symbolic victory over the legendary and powerful Mughal empire. Through analysis of the Zafar-namah, Fenech resurrects an essential and intriguing component of the Sikh tradition: its Islamicate aspect.

The Sikh View on Happiness Kamala Elizabeth Nayar 2020-04-16 Sukhmani (The Pearl of Happiness) is a popular Sikh text by Guru Arjan, which inculcates the Sikh religious ethos and philosophical perspective on wellbeing and happiness. The book features a new translation of this celebrated Sikh text and provides the first in-depth analysis of it. The Sikh View on Happiness begins with an overview of the nature of suffering and the attainment of happiness in Indian religions. This provides the foundation for the examination of the historical, social, and religious context of the Sukhmani and its contribution to the development of the Sikh tradition. In addition to exploring the spiritual teachings of the Sukhmani, Nayar and Sandhu draw upon the Sikh understanding of the mind, illness, and wellbeing to both introduce key Sikh psychological

concepts and illustrate the practical application of traditional healing practices in the contemporary context. In doing so, they highlight the overlap of the teachings in the Sukhmani with concepts and themes found in Western psychotherapy, such as mindfulness, meaningful living, and resilience.

Guru Gobind Singh Marg: As Visualised by Artist Trilok Singh Jotinder Singh 2020-07-15 The book is an attempt to compile the works of Artist S.Trilok Singh (1914-1990). He dedicated all his life to art and to convey the message of Gurbani through his paintings. Guru Gobind Singh Marg is the route taken by the Tenth Guru - Guru Gobind Singh from Anandpur Sahib to Talwandi Sabo. The map of the route was prepared by the Artist. In the book we have given a brief introduction to the sacred places visited by the Guru on the way. we have tried to express in words what the Artist has conveyed through the paintings. Related works of the Artist are included in the book which is dedicated to the memory of the Artist.

The Great Guru Nanak Vol.3 Gurdeyal Singh 2022-09-08 This book continues the history of the Sikh Gurus from the first two volumes, which concentrated solely on the first Sikh Guru, Sri Guru Nanak Dev Ji. This book briefly outlines the teachings and lives of the second, third and fourth Sikh Gurus. Small anecdotal chapters are given with revision questions and answers on the lives of Sri Guru Angad Dev Ji, Sri Guru Amar Das Ji and Sri Guru Ram Das Ji. The book is an ideal learning resource for educational institutes. The content included in this book is a direct translation of Dharam Pothis 3 and 4 of Damdami Taksal.

Empire of the Sikhs Patwant Singh 2008-11-01 Ranjit Singh has been largely written out of accounts of India's past by British historians, yet he was one of the most powerful and charismatic figures in Indian history. He unified the warring chiefdoms of the Punjab into an extraordinary northern empire, built up a formidable army, kept the British in check to the south of his realm, and closed the Khyber Pass through which plunderers had poured into India for centuries. His consummate humanity was unique among empire-builders. He gave employment to defeated foes, honored faiths other than his own, and included Hindus and Muslims among his ministers. A colorful character, he was inspired by the principles of peaceful coexistence uniquely articulated by the Sikh Gurus, firm in upholding the rights of others, and unabashed in exercising his own. The authors of this first full-length biography in English make use of a variety of eyewitness accounts, from reports by Maratha spies at the Lahore Durbar to British parliamentary papers and travel accounts. The story ends with the controversial Anglo-Sikh Wars following Ranjit's death, which saw the fall of his empire in the hands of his successors whose internecine conflict was exploited by the British. Coinciding with the 300th anniversary of the consecration of the Sikh holy scriptures, this book honors a vital figure in Sikh history.

Sikh Guru: Incredible Indian Tales Subhojit Sanyal 2013 The glorious tradition of the Sikh faith finds its beliefs in the works and teachings of the ten illustrious Sikh Gurus. Right from Guru Nanak, the first Sikh Guru who laid the foundations for a faith based on action and dedication to mankind, to Guru Gobind Singh who instilled courage and hope in the Sikhs to wage wars for righteousness, Sikh Gurus is a comprehensive yet entertaining collection of the teachings of each of the Ten Sikh Gurus. Learn about a faith, and learn about a sect of people who strive to make the world a better place for one and all.

The Sikh Zafar-namah of Guru Gobind Singh Louis E. Fenech 2013-02-07 Louis E.

Fenech offers a compelling new examination of one of the only Persian compositions attributed to the tenth Sikh Guru, Guru Gobind Singh (1666-1708): the Zafar-namah or 'Epistle of Victory.' Written as a masnavi, a Persian poem, this letter was originally sent to the Mughal emperor Aurangzeb (d. 1707) rebuking his most unbecoming conduct. Incredibly, Guru Gobind Singh's letter is included today within the Sikh canon, one of only a very small handful of Persian-language texts granted the status of Sikh scripture. As such, its contents are sung on special Sikh occasions. Perhaps equally surprising is the fact that the letter appears in the tenth Guru's book or the Dasam Granth in the standard Gurmukhi script (in which Punjabi is written) but retains its original Persian language, a vernacular few Sikhs know. Drawing out the letter's direct and subtle references to the Iranian national epic, the Shah-namah, and to Shaikh Sa'di's thirteenth-century Bustan, Fenech demonstrates how this letter served as a form of Indo-Islamic verbal warfare, ensuring the tenth Guru's moral and symbolic victory over the legendary and powerful Mughal empire. Through analysis of the Zafar-namah, Fenech resurrects an essential and intriguing component of the Sikh tradition: its Islamicate aspect.

The Dasam Granth Gobind Singh (Guru) 2005 Sacred work of the Sikhs, attributed to Guru Gobind Singh, 1666-1708.

RE - Founders and Leaders B - Teacher Book + Student Book (SEN) (11-14) Eileen Osborne 2005-06 A visual teaching and learning concept using image based colourful resource books that can be used with all abilities, with a wide range of activity and lesson ideas in three separate teacher books for lower, middle and above average ability students. The series follows the main world religions with each book covering three main faiths.

Guru Gobind Singh Gopal Singh 1966

THE GAZETTEER OF INDIA Volume 2 Publications Division This volume of the Gazetteer of India was first published in 1965 and the public response has been very encouraging. Since then, major changes in the political map of India have taken place. The idea is to provide to the general public, especially the university students, low priced publications containing valuable, authentic and objective information on these subjects (Physiography, People and Languages) by well-known experts in their respective fields.

Founder of the Khalsa Amardeep S. Dahiya 2014-04-14 This book encapsulates the exceptionally eventful and vibrant life of the guru that will provoke thought and debate even in today's times. Guru Gobind Singh - Founder of the Khalsa; saint; warrior par excellence; poignant poet; philosopher; soulful human being - was the illustrious Tenth Guru of the Sikhs. This extensively researched book goes beyond the established events that broadly include the untimely assassination of Guru Teg Bahadur; Guru Gobind Singh's coronation; the battles of Bhangani and Nadaun; his stay in Paonta and Anandpur; and the historic creation of the Khalsa. The book talks about other events that sought to widely establish the Khalsa including the battle of Nirmohgarh; the siege and evacuation of Anandpur; the battles of Chamkaur, Khidrana and Muktsar; his Zafarnama to Aurangzeb and subsequent meeting with Bahadur Shah Zafar in Agra. Most importantly, it provides some unknown facts about the anointment of the holy book of the Sikhs - the Guru Granth Sahib as the eternal guiding light. Guru Gobind Singh's prowess as a warrior of immense distinction is well-recorded, besides his understanding of military strategy and execution; the book brings to light his love for literature, scriptures and languages, his

philosophical, judicious and humane thought, and is a tribute to the great saint and seeks to outline the historical life, times and events of Guru Gobind Singh in intricate details.

Guru Gobind Singh, 1666-1708 J. S. Grewal 2019 This comprehensive study of the life and legacy of Guru Gobind Singh is based on contemporary and near contemporary sources in Gurmukhi, Persian and English. It studies the ideological background and the political context for the institution of the Khalsa, the most momentous event of Guru Gobind Singh's life. It linked his literary and political activity before the institution of the Khalsa and the subsequent confrontation with the Mughal state, resulting in the establishment of Khalsa Raj.

Journey to the Tenth Gate Karin Vastola 2020-01-15 The Author Karin Vastola is one of the rare Western Spiritual Seekers who has experienced "The Tenth Gate Opening" and its profound effects on the mind, body and spiritual heightening characteristic of the Kundalini phenomenon. The lessons presented in the book are easy to follow. They come from firsthand experiences and with simplicity of the approach, the reader moves towards enlightenment in unexpected ways. The connection with "The Tenth Guru of The Sikh Religion is a rare phenomenon.

The Book of Ten Masters Puran Singh 2017-09-07 The Book of the Ten Masters is the record of the teachers of the Sikhs. The history of human civilization took a new turn when the Sikh Gurus appeared on the scene of Medieval India. The Sikh movement served as a light-house for the people groping in the dark. They were then changed men and elevated to the stage of the ideal man i.e. Gurmukh.

Sacred Texts Interpreted: Religious Documents Explained [2 volumes] Carl Olson 2017-10-05 Covering the major monotheistic religions—Christianity, Judaism, and Islam—as well as selected Eastern religions and Bahá'í, Zoroastrianism, and Mormonism, this cross-cultural book offers excerpts of sacred texts and interprets passages to enable a deeper understanding of these religious writings. • Guides readers through some of the most important religious texts in world history, providing significant interpretative material to help students understand the history and ideas within these writings • Discusses the nature of a sacred text and suggests ways of reading a sacred text to more fully appreciate its significance • Provides insightful comments from the editor that accompany the selected texts, explaining the context of passages to enhance readers' comprehension

Religious Violence Today: Faith and Conflict in the Modern World [2 volumes] Michael Jerryson 2020-07-31 Through sections containing overview essays and reference entries related to particular religions, this resource explores the rise of religious violence, hate crime, and persecution around the world. Religious violence and persecution have been growing steadily both within the United States and around the world. Drawing on the expertise of a wide range of scholars, this current and comprehensive reference helps readers understand the persecution of members of particular faiths as well as violence committed by members of those faiths. In doing so it promotes a greater understanding of the role of religion in global politics, domestic and international terrorism, and religious bigotry. The book contains sections on particular religious traditions from around the world. Each section begins with an overview essay surveying violence related to that particular religion, whether committed by or against members of that faith. Reference entries in each section then provide objective, fundamental information about particular topics related to violence

and the religion discussed. The entries provide cross-references and suggestions for further reading, and the work closes with a bibliography of resources for further study. Sections are devoted to particular religions from around the world. Overview essays in each section survey religious violence associated with that particular faith. Reference entries in each section provide current fundamental information about specific topics related to religious violence within a faith tradition. Excerpts from primary source documents give readers first-hand accounts of religious violence for critical analysis. Cross-references and suggestions for further reading direct users to related topics and additional resources.

Guru Gobind Singh (1666-1708) J. S. Grewal 2019-07-25 The unifying theme in the life of Guru Gobind Singh was confrontation with the Mughals, which culminated in a struggle for political power. This fact is brought into sharp focus when we consider the Guru's life and legacy simultaneously in the contexts of the Mughal Empire, its feudatory states in the hills, and the Sikh movement. The creation of the Khalsa in 1699 as a political community with the aspiration to rule made conciliation or compromise with the Mughal state almost impossible. Their long struggle ended eventually in the declaration of Khalsa Raj in 1765. Using contemporary and near contemporary sources in Gurmukhi, Persian, and English, J.S. Grewal presents a comprehensive study of this era of Sikh history. The volume elaborates on the life and legacy of Guru Gobind Singh and explores the ideological background of the institution of the Khalsa and its larger political context. Grewal, however, emphasizes that the legacy of the Khalsa was also social and cultural. This authoritative volume on the tenth Guru is a significant addition to the field of Sikh studies.

The Birth of the Khalsa Nikky-Guninder Kaur Singh 2012-02-01 A feminist reconsideration of Sikh identity, discussing its original egalitarianism and current hypermasculine quality, which is harmful to both men and women.

Asian American Religious Cultures [2 volumes] Jonathan H. X. Lee 2015-09-01 A resource ideal for students as well as general readers, this two-volume encyclopedia examines the diversity of the Asian American and Pacific Islander spiritual experience. • Covers both common motifs in Asian American religious culture, such as Chinese New Year festivals and mortuary rituals, as well as many newly established faith traditions • Contains entries on rarely addressed topics within Asian American religion, such as Hezhen Shamanism

World Religions and Cults Volume 2 Bodie Hodge 2016-05-01 Recognize and refute the Far East false religions What do these religions teach and why? How can a Christian be an effective witness for Jesus Christ when presented with ideas that are so different from a biblical perspective? How can these religions be refuted and biblical authority be the standard? This eye-opening second volume deals with many Eastern religions like Hinduism, Taoism, New Age, Sikhism, Confucianism, Shinto, and Buddhism, as well as other pagan-based systems like Witchcraft, Voodoo, and Greek mythology (and many more)! This volume dives into these styles of religions and looks at their origins and their basic tenets as well as why they fall so short. Understanding the basic tenets of these religions helps the Bible believer see the flaws in these philosophies and discern how to be an effective witness for Jesus Christ while standing on the authority of the Bible.

The Granth of Guru Gobind Singh Kamalroop Singh 2015-09-03 This book offers new insights into the secondary scripture of the Sikhs, Dasam Patshah Ka Gra:nth or

the GraD: nth of Guru Gobind Singh. The scripture has in recent times adopted the name of Dasam Gra: nth and has traditionally been attributed to Guru Gobind Singh. Many studies have adopted a polemic approach and focused on the authorship of the text. This book takes a multi-disciplinary approach and considers the relationship of the scripture in terms of early manuscripts, apocryphal translations, and relics.
