Swallowing a Donkey's Eye Paul Tremblay 2012 A dystopian corporate-future fantasy where one man attempts to shake the status quo to the detriment of his own humanity.

Billy Miller Makes a Wish Kevin Henkes 2021-04-06 "Full of heart and depth."—Kirkus Reviews (starred review) "Henkes is a master of characterization. —The Horn Book (starred review) "A first-rate choice for reading aloud."—Booklist (starred review) Billy Miller is back! This stand-alone companion to two-time Newbery Honor author Kevin Henkes's award-winning, acclaimed, and bestselling *The Year of Billy Miller*, *Billy Miller Makes a Wish* is a laugh-out-loud funny and accessible story about summer, family, and wishes that (almost) come true. *Billy Miller Makes a Wish* is illustrated in black-and-white throughout by the author, and is perfect for fans of the *Ramona* books and the *Clementine* series. On his birthday, Billy Miller wishes for something exciting to happen. But he immediately regrets his wish when an ambulance rushes to his neighbor's house. Is Billy responsible? Award-winning author Kevin Henkes delivers a short, funny, and emotionally complex novel complete with misplaced love letters, surprising critters, art projects, misguided tattoos—and another surprise for Billy and his family, maybe the best one yet! Illustrated throughout with black-and-white art by the author, this is a perfect novel for the early elementary grades and an essential choice for summer reading. A stand-alone companion to *The Year of Billy Miller*, a Newbery Honor Book.

Wintergirls Laurie Halse Anderson 2014-03-06 A beautifully written and riveting look at anorexia from acclaimed author Laurie Halse Anderson. Cassie and Lia are best friends, and united in their quest to be thin. But when Cassie is found dead in a motel room, Lia must question whether she continues to lose weight, or choose life instead.

Dragonslippers Rosalind B. Penfold 2007-12-01 Rosalind B. Penfold is an appealing, successful thirty-five-year-old businesswoman running her own company when her parents, worried that she works too hard, invite her to a country picnic-party one weekend. There she meets widower Brian and is swept off her feet. Romantic and exuberant, with four loving children, Brian seems like everything a woman could possibly want, and Roz falls deeply in love. But soon Roz begins to notice troubling signs that Brian is not what he seems. A pattern of lies and petty cruelties begins to emerge that, over the course of their decade together, comes to

encompass a litany of physical, mental, and sexual abuse appalling in its scope and malevolence. Often too traumatized and ashamed to admit the true extent of what she is experiencing, Roz instead pours her anguish into a series of graphic diaries that provide a touching, profoundly shocking, and completely original portrait of domestic abuse. An extraordinary visual testimony, *Dragonslippers* presents the many warning signs of abuse and offers a frank examination of the psychology of both abusers and victims. Above all, this is the story of a woman who fights for and finds the strength to break free.

Speak Laurie Halse Anderson 2010

Fahrenheit 451 Ray Bradbury 2012-01-10 A totalitarian regime has ordered all books to be destroyed, but one of the book burners, Guy Montag, suddenly realizes their merit.

Speak Mary O. Paddock 2019-02-09 Wait... Did that dog just say something? Until she finds a stray dog in a parking lot, Ellen's biggest problem is ducking her best friend's attempts to set her up. But Emmett turns out to be exactly what she needs and more. A lot more. Unfortunately, a lot of other people think they need him too. People with power. People with guns. And some of them will stop at nothing. For Ellen, the worst part is not knowing whom to trust. But that's okay because Emmett has the answers. If everyone will just listen...

Speak Laurie Halse Anderson 2011-05-10 The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. *Speak* was a 1999 National Book Award Finalist for Young People's Literature.

Dismantling the Patriarchy, Bit by Bit Judith K. Brodsky 2021-09-09 In *Dismantling the Patriarchy, Bit by Bit*, Judith K. Brodsky makes a ground-breaking intellectual leap by connecting feminist art theory with the rise of digital art. Technology has commonly been considered the domain of white men but-unrecognized until this book-female artists, including women artists of color, have been innovators in the digital art arena as early as the late 1960s when computers first became available outside of government and university laboratories. Brodsky, an important figure in the feminist art world, looks at various forms of visual art that are quickly becoming the dominant art of the 21st century, examining the work of artists in such media as video (from pioneers Joan Jonas and Adrian Piper to Hannah Black today), websites and social networking (from Vera Frenkel to Ann Hirsch), virtual and augmented reality art (Jenny Holzer to Hyphen-Lab), and art using artificial intelligence. She also documents the work of female-identifying, queer, transgender, and Black and brown artists

including Legacy Russell and Micha Cárdenas, who are not only innovators in digital art but also transforming technology itself under the impact of feminist theory. In this radical study, Brodsky argues that their work frees technology from its patriarchal context, illustrating the crucial need to transform all areas of our culture in order to achieve the goals of #MeToo, Black Lives Matter (BLM), and Black and Minority Ethnic (BAME) representation, to empower female-identifying and Black and brown people, and to document their contributions to human history.

SHOUT Laurie Halse Anderson 2019-03-12 A New York Times bestseller and one of 2019's best-reviewed books, a poetic memoir and call to action from the award-winning author of *Speak*, Laurie Halse Anderson! Bestselling author Laurie Halse Anderson is known for the unflinching way she writes about, and advocates for, survivors of sexual assault. Now, inspired by her fans and enraged by how little in our culture has changed since her groundbreaking novel *Speak* was first published twenty years ago, she has written a poetry memoir that is as vulnerable as it is rallying, as timely as it is timeless. In free verse, Anderson shares reflections, rants, and calls to action woven between deeply personal stories from her life that she's never written about before. Described as "powerful," "captivating," and "essential" in the nine starred reviews it's received, this must-read memoir is being hailed as one of 2019's best books for teens and adults. A denouncement of our society's failures and a love letter to all the people with the courage to say #MeToo and #TimesUp, whether aloud, online, or only in their own hearts, *SHOUT* speaks truth to power in a loud, clear voice-- and once you hear it, it is impossible to ignore.

Speak Louisa Hall 2016-05-03 A thoughtful, poignant novel that explores the creation of Artificial Intelligence—illuminating the very human need for communication, connection, and understanding. In a narrative that spans geography and time, from the Atlantic Ocean in the seventeenth century, to a correctional institute in Texas in the near future, and told from the perspectives of five very different characters, *Speak* considers what it means to be human, and what it means to be less than fully alive. A young Puritan woman travels to the New World with her unwanted new husband. Alan Turing, the renowned mathematician and code breaker, writes letters to his best friend's mother. A Jewish refugee and professor of computer science struggles to reconnect with his increasingly detached wife. An isolated and traumatized young girl exchanges messages with an intelligent software program. A former Silicon Valley Wunderkind is imprisoned for creating illegal lifelike dolls. Each of these characters is attempting to communicate across gaps—to estranged spouses, lost friends, future readers, or a computer program that may or may not understand them. In dazzling and electrifying prose, Louisa Hall explores how the chasm between computer and human—shrinking rapidly with today's technological advances—echoes the gaps that exist between ordinary people. Though each speaks from a distinct place and moment in time, all five characters share the need to express themselves while simultaneously wondering if they will ever be heard, or understood.

Are You in the House Alone? Richard Peck 2000-04-01 An updated look for the classic YA thriller from genre heavyweight Richard Peck Sixteen-year-old Gail is living the upper-class suburban life when she begins receiving terrifying phone calls and notes in her locker. And the calls keep coming. When she's attacked by the town's golden boy everyone refuses to take action against him and his powerful family. A frightening drama that deals with heavy teen issues and the idea of justice (or lack thereof) from bestselling author Richard Peck.

Twenty Boy Summer Sarah Ockler 2009-06-01 *Twenty Days. Twenty Boys.* One chance to find love. According to her best friend Frankie, twenty days in Zanzibar Bay is the perfect opportunity to have a summer fling, and if they meet one boy every day, there's a pretty good chance Anna will find her first summer romance. Anna lightheartedly agrees to the game, but there's something she hasn't told Frankie---she's already had that kind of romance, and it was

with Frankie's older brother, Matt, just before his tragic death one year ago. Beautifully written and emotionally honest, this is a debut novel that explores what it truly means to love someone and what it means to grieve, and ultimately, how to make the most of every single moment this world has to offer.

Turkey Pox Laurie Halse Anderson 1998-10-01 Charity is disappointed when she comes down with chicken pox and will miss Thanksgiving dinner. But then Grandma arrives with roast turkey and four snowplow drivers. Full color.

Harriet the Spy Louise Fitzhugh 2021-11-09 Soon to be an Apple TV+ animated series starring Golden Globe nominee Beanie Feldstein and Emmy Award winner Jane Lynch, it's no secret that Harriet the Spy is a timeless classic that kids will love! Harriet M. Welsch is a spy. In her notebook, she writes down everything she knows about everyone, even her classmates and her best friends. Then Harriet loses track of her notebook, and it ends up in the wrong hands. Before she can stop them, her friends have read the always truthful, sometimes awful things she's written about each of them. Will Harriet find a way to put her life and her friendships back together? "What the novel showed me as a child is that words have the power to hurt, but they can also heal, and that it's much better in the long run to use this power for good than for evil."—New York Times bestselling author Meg Cabot

Speak: The Graphic Novel Laurie Halse Anderson 2018-02-06 A traumatic event near the end of the summer has a devastating effect on Melinda's freshman year in high school.

Long Way Down Jason Reynolds 2020-10-13 A Time Best YA Book of All Time (2021) Jason Reynolds's Newbery Honor, Printz Honor, and Coretta Scott King Honor-winning, #1 New York Times bestselling novel Long Way Down is now a gripping, galvanizing graphic novel, with haunting artwork by Danica Novgorodoff. Will's older brother, Shawn, has been shot. Dead. Will feels a sadness so great, he can't explain it. But in his neighborhood, there are THE RULES: No. 1: Crying. Don't. No matter what. No. 2: Snitching Don't. No matter what. No. 3: Revenge Do. No matter what. But bullets miss. You can get the wrong guy. And there's always someone else who knows to follow the rules...

The Nonverbal Communication of Melinda in Laurie Halse Anderson's "Speak" Anna Dierks 2017-10-24 Essay from the year 2017 in the subject English Language and Literature Studies - Literature, grade: 1,3, University of Paderborn (Institut für Anglistik und Amerikanistik), course: Essay Writing, language: English, abstract: One cannot not communicate. Of course, communication does require words that are spoken, but there is more to it than that, such as intonation, the speed of your language, breaks, laughter, sighs, your appearance and your body language. According to Paul Watzlawick, any kind of behavior belongs in the category of communication. Since it is not possible to not behave, it is also impossible to not communicate, even without words. Needless to say, the spoken word is what most conversations depend on and which represents a major part of communication. However, language is not innocent and has often been used by many people to manipulate or offend someone else. People with a low self-esteem often appear quiet and hardly share their actual opinion. They fear the negative consequences that could occur after saying something critical. Also, they neither believe in themselves, nor that anyone cares about what they say. The issue of a low self-perception forms a major idea of Young Adult Fiction which is the genre that particularly addresses the youth as it copes with subject matters adolescents can relate to.

The author of *Speak*, Laurie Halse Anderson, positions the main character Melinda very clearly towards communication in the beginning of the book with the following statement: "It is easier to not say anything. Shut your trap, button your lip, can it. All that crap you hear on TV about communication and expressing feelings is a lie. Nobody really wants to hear what you have to say." Not speaking even if you were able to means breaking up with the ability of communication and severing all your contacts. This is how the character Melinda completely isolates herself from her surroundings when she is not speaking which is a consequence to the trauma she suffers after being raped. Anderson makes Melinda avoid most trouble and public embarrassments and puts her into a state of shock. Although Melinda's inner voice often appears very sarcastic and humorous, she hardly speaks to other people around her. Still, the reader is a witness to the events in Melinda's everyday high school life and learns a lot about her life only from the images that Anderson is describing in each chapter. Through a reference structure, the author makes sure that the reader constantly perceives Melinda's wellbeing on different levels when she creates images and atmosphere rather than telling the actual meaning of certain subjects.

Twisted Laurie Halse Anderson 2014-07-03 Gritty and hard hitting, this is thoughtful teen fiction at its finest. Seventeen-year-old Tyler is the popular boy in high school after years of being "the geek". But then Bethany - rich, blonde, beautiful - is the victim in a teenage sex scandal, and somehow Tyler is the prime suspect. Can Tyler find a way out of the mess he's in?

Chains Laurie Halse Anderson 2010-01-05 When her owner dies at the start of the Revolution, a greedy nephew keeps Isabel and her younger sister enslaved and sells them to Loyalists in New York, where Isabel is offered the chance to spy for the Patriots.

Speak Laurie Halse Anderson 2011-05-10 The extraordinary, groundbreaking novel from Laurie Halse Anderson, with more than 2.5 million copies sold! The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. Hey You! Dapo Adeola 2022-02-01 This remarkable picture book is a lyrical, inspirational exploration of growing up Black, written by award-winning illustrator Dapo Adeola, and brought to life by some of the most exciting Black artists of today. Remember to dream your own dreams Love your beautiful skin You always have a choice This book addresses--honestly, yet hopefully--the experiences Black children face growing up with systemic racism, as well as providing hope for the future and delivering a message of empowerment to a new generation of dreamers. It's a message that is both urgent and timeless--and offers a rich and rewarding reading experience for every child. To mirror the rich variety of the Black diaspora, this book showcases artwork from Dapo Adeola and eighteen more incredible Black illustrators in one remarkable and cohesive reading experience.

Reclaim the Stars Zoraida Córdova 2022-02-15 From stories that take you to the stars, to stories that span into other times and realms, to stories set in the magical now, *Reclaim the Stars* takes the Latin American diaspora to places fantastical and out of this world. Follow princesses warring in space, haunting ghost stories in Argentina, mermaids off the coast of the Caribbean, swamps that whisper secrets, and many more realms explored and unexplored; this stunning collection of seventeen short stories breaks borders and realms to prove that

stories are truly universal. Reclaim the Stars features both bestselling and acclaimed authors as well as two new voices in the genres: Vita Ayala, David Bowles, J.C. Cervantes, Zoraida Córdova, Sara Faring, Romina Garber, Isabel Ibañez, Anna-Marie McLemore, Yamile Saied Méndez, Nina Moreno, Circe Moskowitz, Maya Motayne, Linda Raquel Nieves Pérez, Daniel José Older, Claribel A. Ortega, Mark Oshiro and Lilliam Rivera.

The Impossible Knife of Memory Laurie Halse Anderson 2014-01-07 For the past five years, Hayley Kincaid and her father, Andy, have been on the road, never staying long in one place as he struggles to escape the demons that have tortured him since his return from Iraq. Now they are back in the town where he grew up so Hayley can attend school. Perhaps, for the first time, Hayley can have a normal life, put aside her own painful memories, even have a relationship with Finn, the hot guy who obviously likes her but is hiding secrets of his own. Will being back home help Andy's PTSD, or will his terrible memories drag him to the edge of hell, and drugs push him over? The Impossible Knife of Memory is Laurie Halse Anderson at her finest: compelling, surprising, and impossible to put down.

Baba Yaga's Assistant Marika McCoola 2015 See:

Saints and Misfits S. K. Ali 2017-06-13 Fifteen-year-old Janna Yusuf, a Flannery O'Connor-obsessed book nerd and the daughter of the only divorced mother at their mosque, tries to make sense of the events that follow when her best friend's cousin--a holy star in the Muslim community--attempts to assault her at the end of sophomore year.

No Time for Mother's Day Laurie Halse Anderson 2001 Although it takes her some time, Charity thinks of the perfect Mother's Day gift for her busy mother.

Beyond Birds and Bees Bonnie J. Rough 2018-08-21 A provocative inquiry into how we teach our children about bodies, sex, relationships and equality--with revelatory, practical takeaways from the author's research and eye-opening observations from the world-famous Dutch approach Award-winning author Bonnie J. Rough never expected to write a book about sex, but life handed her a revelation too vital to ignore. As an American parent grappling with concerns about raising children in a society steeped in stereotypes and sexual shame, she couldn't quite

picture how to teach the facts of life with a fearless, easygoing, positive attitude. Then a job change relocated her family to Amsterdam, where she soon witnessed the relaxed and egalitarian sexual attitudes of the Dutch. There, she discovered, children learn from babyhood that bodies are normal, the world's best sex ed begins in kindergarten, cooties are a foreign concept, puberty is no big surprise, and questions about sex are welcome at the dinner table. In *Beyond Birds and Bees*, Rough reveals how although normalizing human sexuality may sound risky, doing so actually prevents unintended consequences, leads to better health and success for our children, and lays the foundation for a future of gender equality. Exploring how the Dutch example translates to American life, Rough highlights a growing wave of ambitious American parents, educators, and influencers poised to transform sex ed--and our society--for the better, and shows how families everywhere can give a modern lift to the birds and bees. Down to earth and up to the minute with our profound new cultural conversations about gender, sex, power, autonomy, diversity, and consent, Rough's careful research and engaging storytelling illuminate a forward path for a groundbreaking generation of Americans who want clear examples and actionable steps for how to support children's sexual development--and overall wellbeing--from birth onward at home, in schools, and across our evolving culture.

Independent Dames Laurie Halse Anderson 2011-11-01 Read about the forgotten half of the American Revolution and those tough, independent dames who helped make it happen. Listen up! You've all heard about the great men who led and fought during the American Revolution; but did you know that the guys only make up part of the story? What about the women? The girls? The dames? Didn't they play a part? Of course they did, and with page after page of superbly researched information and thoughtfully detailed illustrations, acclaimed novelist and picture-book author Laurie Halse Anderson and charismatic illustrator Matt Faulkner prove the case in this entertaining, informative, and long overdue homage to those independent dames!

Fever 1793 Laurie Halse Anderson 2011-08-16 It's late summer 1793, and the streets of Philadelphia are abuzz with mosquitoes and rumors of fever. Down near the docks, many have taken ill, and the fatalities are mounting. Now they include Polly, the serving girl at the Cook Coffeehouse. But fourteen-year-old Mattie Cook doesn't get a moment to mourn the passing of her childhood playmate. New customers have overrun her family's coffee shop, located far from the mosquito-infested river, and Mattie's concerns of fever are all but overshadowed by dreams of growing her family's small business into a thriving enterprise. But when the fever begins to strike closer to home, Mattie's struggle to build a new life must give way to a new fight--the fight to stay alive.

Prom Laurie Halse Anderson 2014-06-05 Everyone's excited about the prom except Ashley, who couldn't care less. She's too busy worrying about her crazy family and TJ her flaky boyfriend. But when disaster strikes the prom committee, somehow Ashley gets roped into helping save the evening - and finds out a lot about herself too...
