**Stand & Deliver** Rhenna Morgan 2018-06-01 Live hard, f\*ck harder and make their own rules. Those are the cornerstones the six Men of Haven bleed by, taking what they want, always watching each other's backs and loving the women they claim with unyielding tenderness and fierce Security expert Beckett Tate has met his match in colleague Gia Sinclair. He longs to run his hands over each and every one of her lush curves. She's wicked smart and wicked hot. He's given her time to get used to the idea of "them," but her time is up and he's ready to go all in on claiming what's his. Despite her love of all things girly, Gia's no typical Southern belle. She's built her skills and reputation in a field normally dominated by men, and now she has a kick-ass career she loves. She certainly doesn't need a man to take care of her—especially not one who's pure alpha. Still, Beckett's the one man who can satisfy the desires she's hidden under her tough exterior, and she's hooked. Letting Beckett take the lead in the bedroom comes

naturally to Gia—not constantly proving herself to him professionally is more of a struggle. And when someone attacks her character and career, Gia and Beckett will have to find a balance: her willingness to let go just a little, with his trust in her abilities and his deep, primal need to protect his woman. This book is approximately 98,000 words Edited by Angela James

Souls Unfractured Tillie Cole 2015-08-10 "FOR FRACTURED SOULS ARE LIKE MAGNETS. DRAWN TO COLLIDE INTO AN IMPOSSIBLE BLISS..." Now living with her sister in The Hangmen's secluded compound, finally, Maddie, is free. Free from the suffocating faith she no longer believes in. Free from endless years of physical and mental torment. Just... free... **Heartless** Winter Renshaw 2016-08-08 My obsession was born of innocence and good intentions, and it began the day I spotted a handwritten journal lying in the bushes outside a townhouse on Lexington Avenue. It was raining sideways that morning, and my intention was to return it the next day; safe and dry. Only I kept it. I kept it, and I read it. A week later, overwhelmed with guilt and curiosity and harboring secrets that didn't belong to me, I tried to return it. Only I wasn't expecting to meet him. Unapologetically heartless and enigmatically sexy, he claims he knows nothing about the journal I found outside his place, but the reticent glint in his blue-green gaze tells me otherwise. There's something different about him; something damaged yet magical, and I'm drawn to him; pulled into his orbit. There's just one problem. The more I get to know him, the more I'm positive the journal belonged to him . . . . . and the more I find myself hoping, selfishly, that I'm wrong.

this volume explore the relations between expulsion, diaspora, and exile between Late Antiquity and the seventeenth century. The essays range from Hellenistic Egypt to seventeenth-century Hungary and involve expulsion and migration of Jews, Muslims and Protestants. The common goal of these essays is to shed light on a certain number of issues: first, to try to understand the dynamics of expulsion, in particular its social and political causes; second, to examine how expelled communities integrate (or not) into their new host societies; and finally, to understand how the experiences of expulsion and exile are made into founding myths that establish (or attempt to establish) group identities.

The Men of Haven: fierce passion, unyielding loyalty. Especially when it comes to their women. Zeke Dugan is not a man who walks the straight and narrow. He may have sworn an oath as a trauma doc, but he has zero problem leveraging his medical skills outside a hospital if it means giving the Brotherhood—the group of men he calls family—an advantage. Blood before business. All that changes when shy Gabrielle stumbles into his life and ignites his protective instincts. Mechanic Gabrielle Parker prefers the complexities of an engine over men. Her life wasn't always quiet and well-ordered, but now that it is, she finds peace in the solitude. When a robbery in her neighborhood forces her out of her safe bubble, she never fathoms that a dangerous, cocky trauma doctor will fix more than her injuries. Zeke doesn't play by the rules that Gabrielle follows but knows that he's exactly what she needs in her life. He'll show her the fierce and uncompromising protection that comes from belonging to a man like him. When tension outside the Brotherhood threatens Gabrielle, Zeke will do anything to keep her safe, and damn the consequences. No one will hurt his woman, even if it means putting the very men who saved his life at risk. Don't miss the Men of Haven series by Rhenna Morgan! **As Dust Dances** Samantha Young 2018-07-16 The New York Times Bestselling author of the On Dublin Street series and Play On returns to the world of the arts in this intense and emotional standalone romance about love, sacrifice, and surviving both. Once upon a time Skylar Finch was the lead singer of a hugely successful American pop-rock band. But fame made her miserable. When years of living a lie suddenly ended in tragedy, Skylar fell off the map. Eighteen months later she's sleeping in a tent in a cemetery in Glasgow, making just enough money to eat by busking on the streets. She manages to avoid recognition, but not the attention of one of Glasgow's ambitious A&R executives. Killian O'Dea works at Skyscraper Records, Scotland's most successful record label. Raised by his uncle and owner of the label, Killian's upbringing would have been devoid of affection entirely if it wasn't for his loving sister. Killian is unflinchingly determined to bring the label more success than ever, and the young homeless woman who busks on Buchanan Street is going to help him do that. Her music speaks to him in a way he refuses to over-analyze. All he knows is that if it can touch his dark soul, it'll set everyone else's alight. Skylar makes it clear that she doesn't want to sign with him. But when she experiences the dangerous reality of a woman sleeping rough, Skylar has no one else but Killian to turn to. An undeniable connection forms between them. But Skylar doesn't want the career Killian is trying to forge for her, and when her past comes back to haunt her Killian will be faced with a decision that could ruin him. He must either free Skylar from his selfish machinations and destroy everything he's ever worked for, or lose a woman who has come to mean more to him than he ever thought possible.

**Your Tempting Love** Layla Hagen 2017-02-17 The best part about being Christopher Bennett is that no one ever really says no to me. I'm persuasive. I'm witty. And boy, do I know how to turn on the charm. If only I could turn my family's attempts at persuasion off. Their meddling is out of control. No one asked them to matchmake. Certainly not me. And certainly not with an interior decorator raising her younger siblings. Then Victoria Hensley turns out to be more than just a decorator. Her laughter is contagious. Her beautiful lips and curves are beyond tempting. Sparks are flying between us, to my dismay and my family's delight. Next thing I know, I'm training her brother in soccer and reading bedtime stories to her sister. Who am I? Turns out I can't say no to Victoria. And I refuse to let her say no to me. I know I'm a client, that I'm technically off-limits. But doesn't that make it all the more exciting? I'm determined to see this thing through to the end. And I won't settle for anything less than a happily-ever-after.

**My Favorite Souvenir** Vi Keeland 2020-04-27 From New York Times New Bestselling authors Penelope Ward and Vi Keeland comes a new, sexy standalone novel. My planned trip for two unexpectedly turned into a trip for one. Rather than let my breakup get me down, I packed my bags and decided a week at a luxury resort was just what I needed. But one calamity after the next, and suddenly I was stuck without a hotel room, along with a few hundred other people. It looked like my fancy vacation was about to turn into me sleeping on the hotel lobby floor. Until I overheard a gorgeous man pretending to be someone he wasn't in order to steal a reservation from a guest who hadn't shown up yet. When I realized there were two rooms, instead of calling him out, I pretended to be his sister. That's how the story of "Milo and Maddie Hooker" began. We were the Hookers. My depressing trip quickly made a U-turn into an adventure. My fake brother spent the next few days showing me around his hometown. When it was time to leave, neither of us really wanted to go yet. So, instead of flying back to our respective homes, we ventured on a road trip. At every stop, we'd pick up souvenirs. But as hot as our chemistry was, we never crossed the line. Milo knew I'd just come out of a tough relationship and didn't want to mess with a vulnerable woman. So instead, at the end of our trip, we made a pact to meet again in three months. It was always my intention to meet him. But when I got back home, reality hit in a big way. And I worried I may have lost my handsome stranger forever. Was there a place for him in my future? Or had the memory of him just become my favorite souvenir?

**Ancient Ethics** Jörg Hardy 2014-05-14 This volume presents essays on Ancient ethics from Homer to Plotinus with a focus on the significance of Ancient ethical thinking for contemporary ethics. Adapting Kant's words, we might describe philosophers today as holding that meta-ethics without normative ethics is empty; normative ethics without meta-ethics is blind. One fascinating feature of Ancient ethics is its close connection between content and method, between normative ethics and meta-ethics. In connecting ethical, epistemological, and cosmological issues, Ancient ethical theories strive for an integrated

understanding of normativity. The project of this volume is to capture some of the colours of the bright spectrum of ancient ethics. The goal of bundling them together is, ultimately, to shed better light on the issues of contemporary ethics. Topics: Classical Chinese Ethics, Indian Ethics, Homeric Ethics, Socrates, Plato, Aristotle, Hellenistic philosophy, Plotinus, Ancient and Modern Moral Psychology, Hybrid Theories of Normativity, The Unity of the Virtues, The Art of Life and Morality (Lebenskunst und Moral). Contributors: J. Annas, M. Anagnostopoulos, R. Aprressyan, Th. C. Brickhouse / N. D. Smith, J. Bussanich, C. Collobert, S. Delcomminette, W. Detel, D. Frede, L. Gerson, Ch. Halbig, J. Hardy, O.
