Dream Boogie Langston Hughes 2017-11-17 Langston Hughes was an American poet, social activist, novelist, playwright, and a columnist. Hughes was one of the earliest innovators of the then-new literary art form called jazz poetry. Hughes is best known as a leader of the Harlem Renaissance in New York City. He famously wrote about the period, which was later paraphrased as "when Harlem was in vogue".

The Great Migration and the Harlem Renaissance Sabina G. Arora 2015-07-15 Away from the bustling nightlife of 1920s Harlem, a literary and cultural rebirth was taking place among African American writers, artists, and performers. Producing works that reflected the racial realities of the era between the end of the Civil War and the beginnings of the civil rights movement, these cultural luminaries helped define a new black consciousness. Readers will learn how the Great Migration and changing opportunities for African Americans informed the vibrant creative period known as the Harlem Renaissance. Bridging social and literary history, this volume provides an interdisciplinary overview and serves as a companion to multiple subject areas.

Bad Boy Walter Dean Myers 2009-10-06 A classic memoir that's gripping, funny, and ultimately unforgettable from the bestselling former National Ambassador of Books for Young People. A strong choice for summer reading—an engaging and powerful autobiographical exploration of growing up a so-called "bad boy" in Harlem in the 1940s. As a boy, Myers was quick-tempered and physically strong, always ready for a fight. He also read voraciously—he would check out books from the library and carry them home, hidden in brown paper bags in order to avoid other boys' teasing. He aspired to be a writer (and he eventually succeeded). But as his hope for

a successful future diminished, the values he had been taught at home, in school, and in his community seemed worthless, and he turned to the streets and to his books for comfort. Don't miss this memoir by New York Times bestselling author Walter Dean Myers, one of the most important voices of our time.

On the Shoulders of Giants Kareem Abdul-Jabbar 2007-02-05 From 1920 to 1940, the Harlem Renaissance produced a bright beacon of light that paved the way for African-Americans all over the country. The unapologetic writings of W. E. B. Du Bois and Marcus Garvey, the fervent fiction and poetry of Zora Neale Hurston and Langston Hughes, the groundbreaking art of Aaron Douglas and William H. Johnson, and the triumphant music of Duke Ellington and Louis Armstrong gave voice and expression to the thoughts and emotions that Jim Crow segregation laws had long sought to stifle. In *On the Shoulders of Giants*, indomitable basketball star and bestselling author and historian Kareem Abdul-Jabbar invites the reader on an extraordinarily personal journey back to his birthplace, through one of the greatest political, cultural, literary, and artistic movements in our history, revealing the tremendous impact the Harlem Renaissance had on both American culture and his own life. Beginning with the rise of the Harlem Renaissance as pioneers of professional basketball, Kareem traces the many streams of historical influence that converged to create the man he is today -- the NBA's all-time leading scorer and a veritable African-American icon. Travel deep into the soul of the Renaissance -- to the night clubs, restaurants, basketball games, and fabulous parties that have made footprints in Harlem's history. Meet the athletes, jazz musicians, comedians, actors, politicians, entrepreneurs, and writers who not only inspired Kareem's rise to greatness but an entire nation's. Kareem Abdul-Jabbar was born in the midst of a cultural reawakening, carried on the shoulders of athletes trying to prove there was a lot more at stake than a ball game, men and women who made music that could break your heart, and writers and intellectuals who gave voice to not just the ideals of a movement but the raw emotions. Kareem tells what it took to get these revolutionaries to Harlem and how they changed the world. A world that is still riding on the shoulders of giants.

The Color Purple Alice Walker 2011-09-20 Winner of the Pulitzer Prize and the National Book Award, this novel about a resilient and courageous woman has become a Broadway show and a cultural phenomenon. A PBS Great American Read Top 100 Pick Celie has grown up poor in rural Georgia, despised by the society around her and abused by her own family. She strives to protect her sister, Nettie, from a similar fate, and while Nettie escapes to a new life as a missionary in Africa, Celie is left behind without her best friend and confidante, married off to an older suitor, and sentenced to a life alone with a harsh and brutal husband. In an attempt to transcend a life that often seems too much to bear, Celie begins writing letters directly to God. The letters, spanning twenty years, record a journey of self-discovery and empowerment guided by the light of a few strong women. She meets Shug Avery, her husband's mistress and a jazz singer with a zest for life, and her stepson's wife, Sophia, who challenges her to fight for independence. And though the many letters from Celie's sister are hidden by her husband, Nettie's unwavering support will prove to be the most breathtaking of all. *The Color Purple* has sold more than five million copies, inspired an Academy Award-nominated film starring Oprah Winfrey and directed by Steven Spielberg, and been adapted into a Tony-nominated Broadway musical. Lauded as a literary masterpiece, this is the groundbreaking novel that placed Walker "in the company of Faulkner" (*The Nation*), and remains a wrenching—yet intensely uplifting—experience for new

generations of readers. This ebook features a new introduction written by the author on the twenty-fifth anniversary of publication, and an illustrated biography of Alice Walker including rare photos from the author's personal collection. The Color Purple is the 1st book in the Color Purple Collection, which also includes The Temple of My Familiar and Possessing the Secret of Joy.

Shuffle Along Flournoy Miller 2015-07-25 Complete libretto to the 1921 ground breaking musical. One of the most significant musicals of the 20th Century, "Shuffle Along" was a rarity, written, produced, and acted wholly by African Americans. For the first time racially diverse audiences celebrated the uniqueness of this musical together. While the New York Times praised Eubie Blake "swinging and infectious score," it panned the rest of the production "as extremely crude-in writing, playing and direction." That didn't matter. New Yorkers, including George Gershwin and Fanny Brice, flocked to it and it soon became the most popular production of the season with record breaking sales. Its influences were felt throughout the 1920s when "Shuffle Along" type musicals became all the vogue.

Having Our Say Sarah L. Delany 1997-01-01 Warm, feisty, and intelligent, the Delany sisters speak their mind in a book that is at once a vital historical record and a moving portrait of two remarkable women who continued to love, laugh, and embrace life after over a hundred years of living side by side. Their sharp memories show us the post-Reconstruction South and Booker T. Washington; Harlem's Golden Age and Langston Hughes, W.E.B. Du Bois, and Paul Robeson. Bessie breaks barriers to become a dentist; Sadie quietly integrates the New York City system as a high school teacher. Their extraordinary story makes an important contribution to our nation's heritage--and an indelible impression on our lives.

The Harlem Renaissance Cheryl Willis Hudson 2002 Presents biographies of six African Americans prominent in the arts and business worlds during the period known as the Harlem Renaissance--Bessie Smith, James Weldon Johnson, Langston Hughes, A'lelia Walker, Augusta Fells Savage, and Arturo A. Schomburg.

The Warmth of Other Suns Isabel Wilkerson 2011-10-04 NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • NEW YORK TIMES BESTSELLER • In this beautifully written masterwork, the Pulitzer Prize-winner and bestselling author of Caste chronicles one of the great untold stories of American history: the decades-long migration of black citizens who fled the South for northern and western cities, in search of a better life. From 1915 to 1970, this exodus of almost six million people changed the face of America. Wilkerson compares this epic migration to the migrations of other peoples in history. She interviewed more than a thousand people, and gained access to new data and official records, to write this definitive and vividly dramatic account of how these American journeys unfolded, altering our cities, our country, and ourselves. With stunning historical detail, Wilkerson tells this story through the lives of three unique individuals: Ida Mae Gladney, who in 1937 left sharecropping and prejudice in Mississippi for Chicago, where she achieved quiet blue-collar success and, in old age, voted for Barack Obama when he ran for an Illinois Senate seat; sharp and quick-tempered George Starling, who in 1945 fled Florida for Harlem, where he endangered his job

fighting for civil rights, saw his family fall, and finally found peace in God; and Robert Foster, who left Louisiana in 1953 to pursue a medical career, the personal physician to Ray Charles as part of a glitteringly successful medical career, which allowed him to purchase a grand home where he often threw exuberant parties. Wilkerson brilliantly captures their first treacherous and exhausting cross-country trips by car and train and their new lives in colonies that grew into ghettos, as well as how they changed these cities with southern food, faith, and culture and improved them with discipline, drive, and hard work. Both a riveting microcosm and a major assessment, *The Warmth of Other Suns* is a bold, remarkable, and riveting work, a superb account of an “unrecognized immigration” within our own land. Through the breadth of its narrative, the beauty of the writing, the depth of its research, and the fullness of the people and lives portrayed herein, this book is destined to become a classic.

How It Feels to Be Colored Me Zora Neale Hurston 2015-05-31 One of the most important essays about the African-American experience in the United States is Zora Neale Hurston's *How It Feels To Be Colored Me*, originally published in *The World Tomorrow* in May 1928. Hurston's was an original voice in the first half of the 20th century. As she reflects on her early childhood in an all-black Florida town, and her first experiences in later life feeling "different," Hurston largely focuses on the similarities we all share and on her own self-respect and identity. "Through it all, I remain myself." This short work is part of Applewood's "American Roots" series, tactile mementoes of American passions by some of America's most famous writers and thinkers.

Invisible Man Michal Raz-Russo 2016 By the mid-1940s, Gordon Parks had cemented his reputation as a successful photojournalist and magazine photographer, and Ralph Ellison was an established author working on his first novel, *Invisible Man* (1952), which would go on to become one of the most acclaimed books of the twentieth century. Less well known, however, is that their vision of racial injustices, coupled with a shared belief in the communicative power of photography, inspired collaboration on two important projects, in 1948 and 1952. Capitalizing on the growing popularity of the picture press, Parks and Ellison first joined forces on an essay titled "Harlem Is Nowhere" for '48: *The Magazine of the Year*. Conceived while Ellison was already three years into writing *Invisible Man*, this illustrated essay was centered on the Lafargue Clinic, the first nonsegregated psychiatric clinic in New York City, as a case study for the social and economic conditions in Harlem. He chose Parks to create the accompanying photographs, and during the winter months of 1948, the two roamed the streets of Harlem together, with Parks photographing under the guidance of Ellison's writing. In 1952 they worked together again, on "A Man Becomes Invisible", for the August 25 issue of *Life* magazine, which promoted Ellison's newly released novel. *Invisible Man: Gordon Parks and Ralph Ellison in Harlem* focuses on these two projects, neither of which was published as originally intended, and provides an in-depth look at the authors' shared vision of black life in America, with Harlem as its nerve center.

The Autobiography of an Ex-Colored Man James Weldon Johnson 2021-01-26 A gifted musician's decision to navigate society as a white man causes an internal debate about anti-blackness and the explicit nature of intent versus impact. James Weldon Johnson presents a distinct conflict driven by a person's desires and overwhelming fear. The Autobiography of an Ex-Colored Man follows the story of an unnamed narrator and his unique experience as a fair-skinned Black person. As a child, he is initially unaware of his race, but his mother soon clarifies their family's ancestry. The young man's ability to pass for white allows him to negate the harsh and discriminatory treatment most Black people face. This leads to a series of events that significantly shape the way he views his place in society. James Weldon Johnson delivers a captivating tale of identity politics in the U.S. and abroad. The main character is living a life of omission that provides public gain at a personal cost. This story maintains its relevance as a critical examination of race in society. With an eye-catching new cover, and professionally typeset manuscript, this edition of *The Autobiography of an Ex-Colored Man* is both modern and readable.

The Color of Water James McBride 2012-03-01 From the New York Times bestselling author of *Deacon King Kong* and *The Good Lord Bird*, winner of the National Book Award for Fiction: The modern classic that Oprah.com calls one of the best memoirs of a generation and that launched James McBride's literary career. More than two years on The New York Times bestseller list. As a boy in Brooklyn's Red Hook projects, James McBride knew his mother was different. But when he asked her about it, she'd simply say 'I'm light-skinned.' Later he wondered if he was different too, and asked his mother if he was black or white. 'You're a human being! Educate yourself or you'll be a nobody!' she snapped back. And when James asked about God, she told him 'God is the color of water.' This is the remarkable story of an eccentric and determined woman: a rabbi's daughter, born in Poland and raised in the Deep South who fled to Harlem, married a black preacher, founded a Baptist church and put twelve children through college. A celebration of resilience, faith and forgiveness, *The Color of Water* is an eloquent exploration of what family really means.

Finding Langston Lesa Cline-Ransome 2018-08-14 A Coretta Scott King Author Honor Book Winner of the Scott O'Dell Award for Historical Fiction When eleven-year-old Langston's father moves them from their home in Alabama to Chicago's Bronzeville district, it feels like he's giving up everything he loves. It's 1946. Langston's mother has just died, and now they're leaving the rest of his family and friends. He misses everything-- Grandma's Sunday suppers, the red dirt roads, and the magnolia trees his mother loved. In the city, they live in a small apartment surrounded by noise and chaos. It doesn't feel like a new start, or a better life. At home he's lonely, his father always busy at work; at school he's bullied for being a country boy. But Langston's new home has one fantastic thing. Unlike the whites-only library in Alabama, the Chicago Public Library welcomes everyone. There, hiding out after school, Langston discovers another Langston--a poet whom he learns inspired his mother enough to name her only son after him. Lesa Cline-Ransome, author of the Coretta Scott King Honor picture book *Before She Was Harriet*, has crafted a lyrical debut novel about one boy's experiences during the Great Migration. Includes an author's note about the historical context and her research. Don't miss the companion novel, *Leaving Lymon*, which centers on one of Langston's classmates and explores grief, resilience, and the circumstances that can drive a boy to become a bully-- and offer a chance at redemption. The Ballad of Black Tom Victor LaValle 2016-02-16 One of NPR's Best Books of 2016, winner of the Shirley Jackson Award, the British Fantasy Award, the This is Horror Award for Novella of the Year, and a finalist for the Hugo, Nebula, Locus, World Fantasy, and Bram Stoker Awards People move to New York looking for magic and nothing will convince them it isn't there. Charles Thomas Tester hustles to put food on the table, keep the roof over his father's head, from Harlem to Flushing Meadows to Red Hook. He knows what magic a suit can cast, the invisibility a guitar case can provide, and the curse written on his skin that attracts the eye of wealthy white folks and their cops. But when he delivers an occult tome to a reclusive sorceress in the heart of Queens, Tom opens a door to a deeper realm of magic, and earns the attention of things best left sleeping. A storm that might swallow the world is building in Brooklyn. Will Black Tom live to see it break? "LaValle's novella of sorcery and skullduggery in Jazz Age New York is a magnificent example of what weird fiction can and should do." — Laird Barron, author of *The Beautiful Thing That Awaits Us All* "[LaValle] reinvents outmoded literary conventions, particularly the ghettos of genre and ethnicity that long divided serious literature from popular fiction." — Praise for *The Devil in Silver* from Elizabeth Hand, author of *Radiant Days* "LaValle cleverly subverts Lovecraft's Cthulhu mythos by imbuing a black man with the power to summon the Old Ones, and creates genuine chills with his evocation of the monstrous Sleeping King, an echo of Lovecraft's Dagon... [The Ballad of Black Tom] has a satisfying slingshot ending." — Elizabeth Hand for *Fantasy & ScienceFiction* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Souls of Black Folk W. E. B. Du Bois 2020-01-14 *The Souls of Black Folk* is a 1903 work of American literature by W. E. B. Du Bois. It is a seminal work in the history of sociology and a cornerstone of African-American literature. The book contains several essays on race, some of which the magazine *Atlantic Monthly* had previously published. To develop this work, Du Bois drew from his own experiences as an African American in American society. Outside of its notable relevance in African-American history, *The Souls of Black Folk* also holds an important place in social science as one of the early works in the field of sociology. In *The Souls of Black Folk*, Du Bois used the term "double consciousness", perhaps taken from Ralph Waldo Emerson ("The Transcendentalist" and "Fate"), applying it to the idea that black people must have two fields of vision at all times. They must be conscious of how they view themselves, as well as being conscious of how the world views them.

Bronx Masquerade Nikki Grimes 2017-08-08 The beloved and award-winning novel now available in a new format with a great new cover! When Wesley Boone writes a poem for his high school English class, some of his classmates clamor to read their poems aloud too. Soon they're having weekly poetry sessions and, one by one, the eighteen students are opening up and taking on the risky challenge of self-revelation. There's Lupe Alvarin, desperate to have a baby so she will feel loved. Raynard Patterson, hiding a secret behind his silence. Porscha Johnson, needing an outlet for her anger after her mother OD's. Through the poetry they share and narratives in which they reveal their most intimate thoughts about themselves and one another, their words and lives show what lies beneath the skin, behind the eyes, beyond the masquerade.

Harlem Renaissance Lives from the African American National Biography Henry Louis Gates (Jr.) 2009 The Harlem Renaissance is the best known and most widely studied cultural movement in African American history. Now, in *Harlem Renaissance Lives*, esteemed scholars Henry Louis Gates Jr. and Evelyn Brooks Higginbotham have selected 300 key biographical entries culled from the eight-volume *African American National Biography*, providing an authoritative who's who of this seminal period. Here readers will find engagingly written and authoritative articles on notable African Americans who made significant contributions to literature, drama, music, visual art, or dance, including such central figures as poet Langston Hughes, novelist Zora Neale Hurston, aviator Bessie Coleman, blues singer Ma Rainey, artist Romare Bearden, dancer Josephine Baker, jazzman Louis Armstrong, and the intellectual giant W. E. B. Du Bois. Also included are biographies of people like the Scottsboro Boys, who were not active within the movement but who nonetheless profoundly affected the artistic and political statements that came from Harlem Renaissance figures. The volume will also feature a preface by the editors, an introductory essay by historian Cary D. Wintz, and 75 illustrations.

Something to Declare Julia Alvarez 1998-08-01 "Julia Alvarez has suitcases full of history (public and private), trunks full of insights into what it means to be a Latina in the United States, bags full of literary wisdom."
—Los Angeles Times From the internationally acclaimed author of the bestselling novels *In the Time of the Butterflies* and *How the García Girls Lost Their Accents* comes a rich and revealing work of nonfiction

capturing the life and mind of an artist as she knits together the dual themes of coming to America and becoming a writer. The twenty-four confessional, evocative essays that make up *Something to Declare* are divided into two parts. "Customs" includes Alvarez's memories of her family's life in the Dominican Republic, fleeing from Trujillo's dictatorship, and arriving in America when she was ten years old. She examines the effects of exile--surviving the shock of New York City life; yearning to fit in; training her tongue (and her mind) to speak English; and watching the Miss America pageant for clues about American-style beauty. The second half, "Declarations," celebrates her passion for words and the writing life. She lets us watch as she struggles with her art--searching for a subject for her next novel, confronting her characters, facing her family's anger when she invades their privacy, reflecting on the writers who influenced her, and continually honing her craft. The winner of the National Medal of Arts for her extraordinary storytelling, Julia Alvarez here offers essays that are an inspiring gift to readers and writers everywhere. "This beautiful collection of essays . . . traces a process of personal reconciliation with insight, humor, and quiet power." —San Francisco Examiner and Chronicle "Reading Julia Alvarez's new collection of essays is like curling up with a glass of wine in one hand and the phone in the other, listening to a bighearted, wisecracking friend share the hard-earned wisdom about family, identity, and the art of writing." —People

Their Eyes Were Watching God Zora Neale Hurston 2021-11-18 One of the most important and enduring books of the twentieth century, *Their Eyes Were Watching God* brings to life a Southern love story with the wit and pathos found only in the writing of Zora Neale Hurston. Out of print for almost thirty years—due largely to initial audiences' rejection of its strong black female protagonist—Hurston's classic has since its 1978 reissue become perhaps the most widely read and highly acclaimed novel in the canon of African-American literature.

The Color of Water James McBride 2006-02-07 From the bestselling author of *Deacon King Kong* and the National Book Award-winning *The Good Lord Bird*: The modern classic that spent more than two years on *The New York Times* bestseller list and that Oprah.com calls one of the best memoirs of a generation. Who is Ruth McBride Jordan? A self-declared "light-skinned" woman evasive about her ethnicity, yet steadfast in her love for her twelve black children. James McBride, journalist, musician, and son, explores his mother's past, as well as his own upbringing and heritage, in a poignant and powerful debut, *The Color Of Water: A Black Man's Tribute to His White Mother*. The son of a black minister and a woman who would not admit she was white, James McBride grew up in "orchestrated chaos" with his eleven siblings in the poor, all-black projects of Red Hook, Brooklyn. "Mommy," a fiercely protective woman with "dark eyes full of pep and fire," herded her brood to Manhattan's free cultural events, sent them off on buses to the best (and mainly Jewish) schools, demanded good grades, and commanded respect. As a young man, McBride saw his mother as a source of embarrassment, worry, and confusion—and reached thirty before he began to discover the truth about her

early life and long-buried pain. In *The Color of Water*, McBride retraces his mother's footsteps and, through her searing and spirited voice, recreates her remarkable story. The daughter of a failed itinerant Orthodox rabbi, she was born Rachel Shilsky (actually Ruchel Dwara Zylska) in Poland on April 1, 1921. Fleeing pogroms, her family emigrated to America and ultimately settled in Suffolk, Virginia, a small town where anti-Semitism and racial tensions ran high. With candor and immediacy, Ruth describes her parents' loveless marriage; her fragile, handicapped mother; her cruel, sexually-abusive father; and the rest of the family and life she abandoned. At seventeen, after fleeing Virginia and settling in New York City, Ruth married a black minister and founded the all-black New Brown Memorial Baptist Church in her Red Hook living room. "God is the color of water," Ruth McBride taught her children, firmly convinced that life's blessings and life's values transcend race. Twice widowed, and continually confronting overwhelming adversity and racism, Ruth's determination, drive and discipline saw her dozen children through college—and most through graduate school. At age 65, she herself received a degree in social work from Temple University. Interspersed throughout his mother's compelling narrative, McBride shares candid recollections of his own experiences as a mixed-race child of poverty, his flirtations with drugs and violence, and his eventual self-realization and professional success. *The Color of Water* touches readers of all colors as a vivid portrait of growing up, a haunting meditation on race and identity, and a lyrical valentine to a mother from her son.

There is Confusion Jessie Redmon Fauset 2021-05-21 *There Is Confusion* (1924) is a novel by Jessie Redmon Fauset. Published to resounding acclaim from such critics as Alain Locke and Montgomery Gregory, *There Is Confusion* was largely forgotten by the 1930s as the Great Depression and the Second World War shifted national attention away from the writers and artists whose vision defined the Harlem Renaissance. Rediscovered by scholars in the late twentieth century, *There Is Confusion* is seen as a feminist masterpiece on par with the best of Jane Austen and Edith Wharton. Set in Philadelphia and Harlem, Fauset's novel traces the lives of three African Americans from childhood to adulthood while situating their experience in the cultural shifts of the early twentieth century. Joanna Marshall is a dancer who longs for recognition. Maggie Ellersley is a beautiful girl who detests her working-class roots. Peter Bye is an ambitious student who hopes to become a surgeon. As they grow up together, their shared dreams are tarnished by romance and competition. As economic opportunity reshapes the African American community, the three friends must redefine their relationships and desires. Moving and plainspoken, *There Is Confusion* is a novel grounded in history that manages a delicate balance between the personal and the political without losing sight of the characters who live Fauset's vision. With a beautifully designed cover and professionally typeset manuscript, this edition of Jessie Redmon Fauset's *There Is Confusion* is a classic of African American literature reimagined for modern readers.

Jazz Toni Morrison 2007-07-24 From the acclaimed Nobel Prize winner, a passionate, profound story of love and obsession that brings us back and forth in time, as a narrative is assembled from the emotions, hopes, fears, and deep realities of Black urban life. In the winter of 1926, when everybody everywhere sees nothing but good things ahead, Joe Trace, middle-aged door-to-door salesman of Cleopatra beauty products, shoots his teenage lover to death. At the funeral, Joe's wife, Violet, attacks the girl's corpse. This novel "transforms a familiar refrain of jilted love into a bold, sustaining time of self-knowledge and discovery. Its rhythms are infectious" (People). "The author conjures up worlds with complete authority and makes no secret of her angst at the injustices dealt to Black women." —The New York Times Book Review

Fences (Movie tie-in) August Wilson 2016-12-06 From legendary playwright August Wilson comes the powerful, stunning dramatic bestseller that won him critical acclaim, including the Tony Award for Best Play and the Pulitzer Prize. Troy Maxson is a strong man, a hard man. He has had to be to survive. Troy Maxson has gone through life in an America where to be proud and black is to face pressures that could crush a man, body and soul. But the 1950s are yielding to the new spirit of liberation in the 1960s, a spirit that is changing the world Troy Maxson has learned to deal with the only way he can, a spirit that is making him a stranger, angry and afraid, in a world he never knew and to a wife and son he understands less and less. This is a modern classic, a book that deals with the impossibly difficult themes of race in America, set during the Civil Rights Movement of the 1950s and 60s. Now an Academy Award-winning film directed by and starring Denzel Washington, along with Academy Award and Golden Globe winner Viola Davis.
